Re: Ed. and Government Programming Advisory Board Appointment

This memo is a request for a nomination and appointment to the Education and Government Programming Advisory Board. The Education and Government Programming Advisory Board currently has one (1) vacancy. Elsie Leviton resigned from the Adult Education Seat on the Advisory Board in February. The term for this seat expired February 28, 2008.

The person appointed to Advisory Board Seat Number Five, Adult Education, would serve a two (2) year term. The requirement for this seat is to be involved professionally in Adult Education.

Staff recommends the nomination and appointment of Dr. Bernadette Mendonez Russell from Palm Beach Community College. She has expressed interest in serving on the Education and Government Programming Advisory Board. Dr. Russell is the Provost of Palm Beach Community College's Boca Raton campus.

We have attached a completed Board Appointment information form for Dr. Russell should you elect to nominate her for the Advisory Board. We have also attached a blank Board Appointment information form for you to use if you have a nomination for this seat. Please fill out the form completely and return it to Public Affairs by Monday, July 21, 2008 so we may prepare an agenda item for your consideration on the Tuesday, August 19, 2008 agenda.

If you have any questions concerning the appointment or need additional information, you may contact me in the office at 561-355-2282. Thank you for your assistance.

I. EXECUTIVE BRIEF

Request Submitted By: Public Affairs Department

Motion and Title:

Staff recommends adoption of a resolution amending Resolution R-91-1489 which established the Educational And Government Programming Advisory Board.

Summary

This amendment 1) provides for an additional citizen-at-large member to the Educational and Government Programming Advisory Board, and 2) provides for staff support clarification replacing the Cable Coordinator with the Channel 20 Station Manager to work with the advisory board.

This amendment to Resolution R-91-1489 which established the Educational and Government Programming Advisory Board will: 1) increase membership on the advisory board from nine (9) to ten (10) members with the addition of an additional citizen-at-large; and 2) assign the Channel 20 Station Manager as support to the board rather than the Cable Coordinator.

Background and Justification:

1) On October 15, 1991, the Board of County Commissioners established the Educational and Government Programming Advisory Board pursuant to Ordinance 86-35 as amended, providing for nine (9) members to be appointed to the board. On November 12, 1991, the Board of County Commissioners directed that membership on the advisory board should be expanded to ten (10) members, with provision for an additional citizen-at-large. This recommendation for amendment to Resolution R-91-1489 is in response to that directive. This item is in conjunction with the revision recommended by staff on this date to Section 2 of Ordinance 91-42 providing for expansion of the board to ten (10) members. Staff does have some concern that by creating an advisory board of ten members, this opens the possibility of a deadlock vote in the event the advisory board members must vote on a matter.

2) The Channel 20 Station Manager is responsible for the station's programming and operations, and therefore should be involved with the Educational and Government Programming Advisory Board as staff support.
