I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve:

- (A) A contract with H.L. Pruitt Corporation in the amount of \$ 274,430 for the Airfield Signage Improvements Project at Palm Beach County Park (Lantana) Airport; and
- (B) A Budget Amendment of \$267,569 in the Airports Improvement and Development Fund to establish budgeted expenditures of \$274,430 and recognize grant revenues of \$267,569.

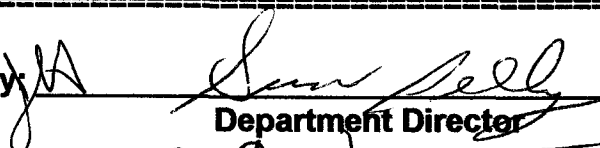

Summary: This project was advertised utilizing the County's competitive bid process. On June 4, 2008 four (4) bids were received for the Airfield Signage Improvements Project at Lantana Airport. Of these four (4) bids, H.L. Pruitt Corporation has been identified as a responsible/responsive bidder in the amount of \$274,430. The Disadvantaged Business Enterprise (DBE) Goal for this project was established at 15.00%. H.L. Pruitt Corporation bid contained 18.64 % DBE participation. **Countywide (JCM)**

Background and Justification: At the present time, the airfield guidance signage is limited at Lantana Airport. Completion of this project will increase the operational efficiency and safety of the airfield by providing guidance signs within the runway/taxiway environment. This project consists of the construction of lighted airfield guide signage, with associated concrete bases, conduit and cabling at Lantana Airport. Builders Risk is not required for this project. Funding for this project is being provided by the Federal Aviation Administration and the Florida Department of Transportation.

- Addendum No. 2, dated May 29, 2008.
- Drawings, dated May 2008.
- Completed Bid and Attachments, dated June 4, 2008.

and to accept as full compensation for the satisfactory performance of this Contract the sum of Two Hundred Seventy Four Thousand Four Hundred Thirty and 00/100 Dollars (\$274,430.00), which includes the Total Base Bid plus Alternate No. 1 for Airfield Signage Improvements at Palm Beach County Park (Lantana) Airport.

The prices named in the Bid are for the completed work, and include the furnishing of all materials and all labor, tools, and appliances and all expense, direct or indirect, connected with the proper execution of the work and of maintaining the same until it is accepted by the Board of County Commissioners.

Time is of the essence. The Contractor shall commence the work to be performed under this Contract on the date set by the Owner in the written notice to proceed, continue the work with due diligence and shall complete the entire work per Attachment No. 2 to the Bid Form. Further, in the event interim milestone completion dates are established in Attachment No. 2 of the Bid Form for separable portions of the work, the Contractor agrees to complete said separable portions of the work in accordance with said milestone dates.

In case of failure on the part of the Contractor to complete the work within the time(s) specified in the Contract, or within such additional time(s) as may be granted by formal action of the Board of County Commissioners or fails to prosecute the work, or any separable part thereof, with such diligence as will insure its completion within the time(s) specified in the Contract or any extensions thereof, Owner will suffer damage, the amount of which is difficult, if not impossible to ascertain. Therefore, the Contractor shall pay to the Owner, as liquidated damages, the amounts indicated in the Milestone and Damages Data (Attachment #2 of the Bid Form) for each calendar day of delay that actual completion extends beyond the time limits specified in said Attachment until such reasonable time as may be required for final completion of work. In no way shall costs for liquidated damages be construed as a penalty on the Contractor.

Liquidated damages due to the Owner may be deducted from payments due to the Contractor, or may be collected from the Contractor or its surety or sureties. These provisions for liquidated damages shall not prevent the Owner, in case of the Contractor's default, from terminating the Contractor's right to proceed as provided in General Provision section 80-09 "Default and Termination of Contract".

Utilization of Disadvantaged Business Enterprises

It is the Policy of Palm Beach County Department of Airports and Department of Transportation that Disadvantaged Business Enterprises (DBE) as defined in 49 CFR Part 26 shall have the maximum practicable opportunity in the performance of contract financed in whole or in part with Federal Funds. DBE participation is strongly encouraged and expected for this prime contract. The County has committed to meeting an annual DBE Race Neutral Goal. DBEs must be certified with the Palm Beach County Department of Airports or Florida Department of Transportation (FDOT). List Proposed DBE Subcontractors on Schedule 1 and complete one Schedule 2 form for each DBE listed on Schedule 1.

As provided in F.S. 287.132-133, by entering into this contract or performing any work in furtherance hereof, the contractor certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the Convicted Vendor List maintained by the State of Florida Department of Management Services within the 36 months immediately preceding the date hereof. This notice is required by F.S. 287.133 (3) (a).

IN WITNESS WHEREOF, the Board of County Commissioners of Palm Beach County, Florida, has made and executed this Contract on behalf of the said Owner and caused the seal of the said Owner to be affixed hereto, and the Contractor has hereunto set his hand and seal the day and year above written.

Subject: **LN 08-7: Airfield Signage Improvements**
Bid Tabulation, Review and Recommendation

Dear Mr. Sypek,

THE LPA GROUP INCORPORATED has reviewed the bids submitted on June 4, 2008 for the subject project. The project had a total of four bidders, whose bids were evaluated by our office for responsiveness to the RFP. The bid price forms submitted by each were evaluated in the attached bid tabulation; the results summarized below:

	<i>H.L. Pruitt, Inc.</i>	<i>Davco Electrical Contractors Corp.</i>	<i>Hypower, Inc.</i>	<i>The New Florida Industrial Electric, Inc.</i>
Base Bid	\$161,880.00	\$194,605.50	\$185,805.00	\$230,085.00
Additive Alternate 1	\$112,550.00	\$118,273.00	\$142,100.00	\$150,875.00
Total Amount, Base Bid + Additive Bid 1	\$274,430.00	\$312,878.50	\$327,905.00	\$380,960.00

H.L. Pruitt Inc. provided the lowest base bid at \$161,880.00, and the lowest total amount of 274,430.00. Listed below are some details of their bid:

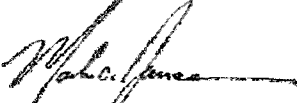

- ➔ H.L. Pruitt Corporation operates out of Winter Springs, Florida, and has been in the electrical contracting business since 1974. They have concentrated on airport lighting needs since 1980. They have extensive airport lighting experience throughout Florida and the United States, as well as various PBCDOA projects.
- ➔ A signed bid, acknowledged addenda, and fully completed forms all accompanied the bid at the time of submittal. It is therefore the opinion of the engineer this bid is responsive.

Mr. Gary Sypek, Page 2

Based on the aforementioned evaluation, THE LPA GROUP INCORPORATED recommends a construction contract be awarded to **H.L. Pruitt Corporation** for the base bid and additive alternate. This recommendation is contingent upon Agency review, PBCDOA Minority Affairs review, County Commission approval, and the availability of funds.

If you have any questions or if we can be of further assistance, please do not hesitate to contact us.

Sincerely,
THE LPA GROUP INCORPORATED
