I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to:

A) approve Contract No. 08029 with the Florida Fish and Wildlife Conservation Commission (FWC) for reimbursement of a portion of restoration costs of the Lake Ida Wetland Project;

B) approve Budget Amendment of \$400,000 in the Capital Outlay Fund increasing the Environmental Restoration Program; and,

C) authorize the County Administrator, or his designee, to sign all future time extensions, task assignments, certifications, and other forms associated with this Contract, and necessary minor amendments that do not change the scope of work or terms and conditions of the Contract.

Summary: This Contract will provide funding for aquatic habitat enhancement of Lake Ida that includes the following activities: site preparation, clearing, excavation, creation and enhancement of littoral shelf habitat and revegetation with native wetland plants within Lake Ida Park. The Commission shall pay the County on a cost reimbursement basis not exceeding the amount of \$400,000. A County match is not required. The Contract shall remain in effect until June 30, 2009. District 3 (SF)

Background and Justification: The proposed five (5) acre wetland restoration project, located within Palm Beach County's Lake Ida Park, will re-establish historic habitat for fisheries and wildlife by creating and restoring wetland habitat within the freshwater lake system. This Contract will reimburse the County for a portion of the total project costs estimated at \$865,000. This work is planned to begin this February upon BCC execution of the construction contract. The County's invoice to FFWCC is due June 5, 2009. The remaining costs of the project are supported by the FDEP Chain of Lakes Grant (R2006-0579).

FWC Contract No. 08029

**CONTRACT BETWEEN
THE FLORIDA FISH AND WILDLIFE CONSERVATION COMMISSION
AND
PALM BEACH COUNTY, FLORIDA
for
LAKE IDA WETLAND RESTORATION PROJECT**

THIS CONTRACT is entered into by and between the FLORIDA FISH AND WILDLIFE CONSERVATION COMMISSION, whose address is 620 South Meridian Street, Tallahassee, Florida 32399-1600, hereafter "COMMISSION," and the PALM BEACH COUNTY BOARD OF COUNTY COMMISSIONERS, whose address is 2300 North Jog Road, 4th Floor, West Palm Beach, Florida 33411-2743 hereafter "COUNTY," herein referred to collectively as the "PARTIES."

NOW THEREFORE, the COMMISSION and the COUNTY, for the considerations hereafter set forth, agree as follows:

1. **PROJECT DESCRIPTION.** The COUNTY shall perform the project activities and specific responsibilities and obligations as set forth in the Scope of Work, attached hereto as Attachment A and made a part hereof.
2. **PERFORMANCE.** The COUNTY shall perform the activities described in the Scope of Work in a proper and satisfactory manner. Any and all equipment, products or materials necessary or appropriate to perform under this Contract shall be supplied by the COUNTY. The COUNTY shall be licensed as necessary to perform under this Contract as may be required by law, rule, or regulation, and shall provide evidence of such compliance to the COMMISSION upon request. The COUNTY shall procure all supplies and pay all charges, fees, taxes and incidentals that may be required for the completion of this Contract. By acceptance of this Contract, the COUNTY warrants that it has the capability in all respects to fully perform the requirements and the integrity and reliability that will assure good-faith performance as a responsible recipient.
3. **TERMS.** This Contract shall be effective upon execution by the last party to do so and shall remain in effect until June 30, 2009, inclusive, unless terminated sooner as provided herein. In accordance with Section 287.058(2), Florida Statutes, the COUNTY shall not be eligible for reimbursement for services rendered prior to the execution date of this Contract nor after the termination date of the Contract.
4. **COMPENSATION.** As consideration for the COUNTY's performance under the terms of this Contract, the COMMISSION shall pay the COUNTY on a cost reimbursement basis an amount up to, but not to exceed, \$400,000.00. The COMMISSION shall reimburse the COUNTY only for aquatic habitat enhancement that includes the following activities: site preparation for wetland construction and creation, excavation of shoreline sediments, creation

and enhancement of littoral shelf habitat and channel habitat between Lake Ida proper and the existing Lake Ida Park pond, and revegetation with native wetland plants within Lake Ida Park (Refer to Attachment A, Attachment B, and Attachment C). The COUNTY shall be responsible for all other project costs.

5. **PAYMENTS.** The COMMISSION shall pay the COUNTY for satisfactory performance upon submission of invoices, accompanied by reports or deliverables specified in the Scope of Work, and after acceptance of services and deliverables in writing by the COMMISSION's Project Manager. Each invoice shall include the COMMISSION Contract Number and the COUNTY's Federal Employer Identification (FEID) Number. An original and two (2) copies of the invoice shall be submitted. The COMMISSION shall not provide advance payment. All bills for amounts due under this Contract shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. The COUNTY shall be reimbursed on a cost reimbursement basis in accordance with Comptroller Contract Payment Requirements as shown in the Department of Financial Services, Bureau of Accounting and Auditing, Voucher Processing Handbook, Chapter 4., C., I., attached hereto and made a part hereof as Attachment D.

Invoices shall be submitted after acceptance and approval by the COMMISSION of such services and deliverables. Although partial payments are acceptable, invoices may not be submitted more frequently than monthly. A final invoice shall be submitted to and approved by the COMMISSION no later than June 5, 2009 to assure the availability of funds for payment. Invoices, including backup documentation, shall be submitted to: Florida Fish & Wildlife Conservation Commission, Attn: Robert Burnes, 3991 SE 27th Court, Okeechobee, Florida 34974.

No travel expenses are authorized under the terms of this Contract.

6. **MYFLORIDAMARKETPLACE VENDOR REGISTRATION.** In accordance with Rule 60A-1.030 of the Florida Administrative Code (FAC), each vendor doing business with the State for the sale of commodities or contractual services as defined in Section 287.012, Florida Statutes, shall register in the MyFloridaMarketPlace system, unless exempted under Rule 60A-1.030(3), F.A.C. Information about the registration process is available, and registration may be completed, at the MyFloridaMarketPlace website (link under Business on the State portal at www.myflorida.com). Interested persons lacking Internet access may request assistance from the MyFloridaMarketPlace Customer Service at (866-352-3776) or from State Purchasing, 4050 Esplanade Way, Suite 300, Tallahassee, Florida 32399.

7. **TERMINATION.** This Contract shall terminate immediately upon the COMMISSION giving written notice to the CONTRACTOR in the event of fraud, willful misconduct, or breach of this Contract. The COMMISSION may terminate this Contract at any time with or without cause by a written notice by certified mail, return receipt requested, from the COMMISSION to the CONTRACTOR. Upon receipt of such notice, the CONTRACTOR shall, unless the notice directs otherwise, immediately discontinue all work and services. Upon termination of this Contract, the CONTRACTOR shall promptly render to the COMMISSION all property belonging to the COMMISSION. For the purposes of this section, property belonging to the COMMISSION shall include, but shall not be limited to, all books and records kept on behalf of the COMMISSION.

8. **TAXES.** The COUNTY recognizes that the State of Florida, by virtue of its sovereignty, is not required to pay any taxes on the services or goods purchased under the terms of this Contract.

9. **PROJECT MANAGERS.** The COMMISSION's Project Manager under this Contract shall be Robert Burnes. The COUNTY's Project Manager shall be Carolyn Beisner. Any change in the designation of either party's Project Manager during the life of this Contract shall be immediately forwarded in writing to the other party.

10. **NOTICES.** Any and all notices shall be delivered to the parties at the following addresses (or such changed address or addressee as may be provided by notice). A notice or other communication shall be deemed received by the addressee on the next business day after having been placed in overnight mail with the U. S. Postal Service, or other overnight express service such as FedEx, UPS, or similar service. Notices sent by means other than overnight delivery shall be deemed received when actually received by the addressee:

11. **AMENDMENT AND MODIFICATIONS.** No waiver or modification of this Contract or of any covenant, condition, or limitation herein contained shall be valid unless in writing and lawfully executed by the parties. The COMMISSION may at any time, by written order designated to be a Modification, make any change in the work within the general scope of this Contract (e.g., specifications, schedules, method or manner of performance, requirements, etc.).

However, all Modifications are subject to the mutual Contract of both parties as evidenced in writing. Any Modification that causes an increase or decrease in the COUNTY's cost or the term of the Contract shall require a formal amendment.

12. **RELATIONSHIP OF THE PARTIES.** The COUNTY shall perform as an independent contractor and not as an agent, representative, or employee of the COMMISSION. The COUNTY covenants that it presently has no interest and shall not acquire any interest that would conflict in any manner or degree with the performance of services required. The parties agree that there is no conflict of interest or any other prohibited relationship between the COUNTY and the COMMISSION.

13. **INSURANCE.** To the extent required by law, the COUNTY will either be self-insured for Worker's Compensation claims, or will secure and maintain during the life of this Contract, Workers' Compensation Insurance for all of its employees connected with the work of this project. If any work is subcontracted, the COUNTY shall require the subcontractor similarly to provide Workers' Compensation Insurance for all of the latter's employees unless such employees are covered by the protection afforded by the COUNTY. Such self-insurance program or insurance coverage shall comply fully with the Florida Workers' Compensation law. In case any class of employees engaged in hazardous work under this Contract is not protected under Workers' Compensation statutes, the COUNTY shall provide, and cause each subcontractor to provide, adequate insurance satisfactory to the COMMISSION, for the protection of his employees not otherwise protected.

Employers who have employees who are engaged in work in Florida must use Florida rates, rules, and classifications for those employees. In the construction industry, only corporate officers of a corporation or any group of affiliated corporations may elect to be exempt from workers' compensation coverage requirements. Such exemptions are limited to a maximum of three per corporation and each exemption holder must own at least 10% of the corporation. Independent contractors, sole proprietors and partners in the construction industry cannot elect to be exempt and must maintain workers' compensation insurance.

The COUNTY warrants and represents that it is self-funded for liability insurance, appropriate and allowable under Florida law, and that such self-insurance offers protection applicable to the COUNTY's officers, employees, servants and agents while acting within the scope of their employment with the COUNTY.

14. **PUBLIC RECORDS.** This Contract may be unilaterally canceled by the COMMISSION for refusal by the COUNTY to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the COUNTY in conjunction with this Contract, unless exemption for such records is allowable under Florida law.

15. **RECORD KEEPING REQUIREMENTS.** The COUNTY shall maintain accurate books, records, documents and other evidence that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Contract, in accordance with generally accepted accounting principals. The COUNTY shall allow the COMMISSION, the

State, or other authorized representatives, access to periodically inspect, review or audit such documents as books, vouchers, records, reports, canceled checks and any and all similar material. Such audit may include examination and review of the source and application of all funds whether from the state, local or federal government, private sources or otherwise. These records shall be maintained for five (5) years following the close of this Contract. In the event any work is subcontracted, the COUNTY shall require each subcontractor to similarly maintain and allow access to such records for audit purposes.

16. **LIABILITY.** Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes.

17. **NON-DISCRIMINATION.** No person, on the grounds of race, creed, color, national origin, age, sex, or disability, shall be excluded from participation in, be denied the proceeds or benefits of, or be otherwise subjected to discrimination in performance of this Contract.

18. **PROHIBITION OF DISCRIMINATORY VENDORS.** In accordance with Section 287.134, Florida Statutes, an entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a COUNTY, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

19. **PROHIBITION OF UNAUTHORIZED ALIENS.** The employment of unauthorized aliens by any COUNTY/vendor is considered a violation of Section 274A (e) of the Immigration and Nationality Act. If the COUNTY knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Contract. The COUNTY shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Contract.

20. **NON-ASSIGNMENT.** This Contract may not be assigned in whole or in part without the written approval of the COMMISSION. Any such assignment or attempted assignment shall be null and void.

21. **PROHIBITION OF CONTINGENT FEES.** The COUNTY warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the COUNTY, to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the COUNTY, any fee, commission, percentage, gift or other consideration contingent upon or resulting from the award or making of this Contract.

22. **SEVERABILITY AND CHOICE OF VENUE.** This Contract has been delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever

possible, each provision of this Contract shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Contract shall be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Contract. Any action in connection herewith, in law or equity, shall be brought in Leon County, Florida, to the exclusion of all other lawful venues.

23. **NO THIRD PARTY RIGHTS.** The parties hereto do not intend nor shall this Contract be construed to grant any rights, privileges or interest to any person not a party to this Contract.

24. **JURY TRIAL WAIVER.** As part of the consideration for this Contract, the parties hereby waive trial by jury in any action or proceeding brought by any party against any other party pertaining to any matter whatsoever arising out of or in any way connected with this Contract, or with the products or services provided under this Contract; including but not limited to any claim by the COUNTY of quantum meruit.

25. **FEDERAL/FLORIDA SINGLE AUDIT ACTS REQUIREMENTS.** In accordance with section 215.97, Florida Statutes, the Florida Single Audit Act requires all non-State organizations that are recipients of State financial assistance to comply with the audit requirements of the Act. In addition, recipients and subrecipients of federal financial assistance must comply with the Federal Single Audit Act requirements of OMB Circular A-133. Therefore, the COUNTY shall be required to comply with the audit requirements outlined in Attachment E, titled Requirements of the Federal and Florida Single Audit Acts, attached hereto and made a part of the Contract, as applicable.

In accordance with section 216.347, Florida Statutes, the COUNTY is hereby prohibited from using funds provided by this Contract for the purpose of lobbying the Legislature, the judicial branch or a state agency.

26. **ENTIRE CONTRACT.** This agreement with all incorporated attachments and exhibits represents the entire Contract of the parties. Any alterations, variations, changes, modifications or waivers of provisions of this Contract shall only be valid when they have been reduced to writing, and duly signed by each of the parties hereto, unless otherwise provided herein.

IN WITNESS WHEREOF, the parties hereto have caused this Contract to be executed through their duly authorized signatories on the day and year last written below.

Lake Ida (Palm Beach County) Wetland Restoration Scope of Work

Lake Ida (Delray Beach, Palm Beach County) is a 121-acre freshwater lake within Palm Beach County's Chain of Lakes. Approximately 26,692 feet of shoreline encompass the lake, of which 65% is residually developed, 25% is park land, and 10% is undeveloped or industrial. The lake provides essential habitat to fish and wildlife, flood control, and recreational opportunities within an urbanized watershed. Recreational uses in the area include fishing, boating, jet-skiing, water-skiing, picnicking, and wildlife viewing.

Threats and problems to the natural resource area include establishment of non-native species, loss of littoral habitat surrounding Lake Ida, and accumulation of organic sediments. Portions of the west shoreline were filled during the construction of a county park and no longer support wetland habitats. Nursery and foraging habitat for fish and wildlife is limited in this area. Urban development and changing land use within the watershed have increased disturbance to the ecosystems; therefore, it is important to preserve and enhance the health of these natural areas. Although much of Lake Ida's shoreline has been developed, the county-owned Lake Ida Park provides restoration opportunities within this highly urbanized area. The popularity of the Park allows for environmental educational opportunity and the presence of a boat ramp enables public access to the Lake. The need for environmental restoration in urban areas, such as Lake Ida, is a priority within the city of Delray Beach and the rest of Palm Beach County.

The project goal is to create and enhance approximately six (6) acres of diverse fisheries and wetland habitats, including open-water (pond) habitat (app. 2 acres) and emergent marsh / littoral zone habitat (app. 4 acres). Management activities include removal of non-native and invasive vegetation, excavation of sediments to create and enhance fisheries and wetland habitats, and installation of littoral shelves and native aquatic plantings. Engineering design of ecosystem morphology and hydrology will optimize conditions for fisheries and wildlife use.

Creation and restoration of shallow-water aquatic habitat will provide numerous ecological benefits to both fish, including sport-fish such as largemouth bass and bluegill, and wildlife, such as wading birds and waterfowl. Littoral shelves will provide nurseries for fish, habitat for benthic invertebrates and wetland wildlife, stabilization of shoreline sediments, and improvements to water quality and flood control. Removal of nutrient-rich sediments should improve fish spawning habitat and water quality. Important fish nurseries and wildlife habitat will be enhanced by the transplanting of native plant communities (Table 1). Water flow and quality in the project area is improved by connecting pond habitat via channels to Lake Ida. Excess nutrients to the system are removed through the excavation of highly-organic sediments. Recreational opportunities such as fishing and wildlife viewing will be enhanced.

Florida Fish & Wildlife Conservation Commission funds may be used for site preparation for wetland construction and creation, excavation of shoreline sediments, creation and enhancement of littoral shelf habitat and channel habitat between Lake Ida proper and the existing Lake Ida

Park pond, and revegetation with native wetland plants within Lake Ida Park. Palm Beach Environmental Resources Management (PBCERM) staff will be the project lead and will provide project administration, contractor oversight, and contract management. Following project completion, PBCERM staff shall provide a project report, including photographic documentation of project site conditions before project initiation and following project completion. Information provided should also include, but may not be limited to, number of wetland acres created, restored, or enhanced, cubic yardage of material excavated, and a species list of aquatic / wetland plant species transplanted, including number of each species. If the project has not been completed upon submission of the final invoice, a project status report detailing progress up to that point must be submitted with the final invoice.

Wetland Indicator Code (<http://plants.usda.gov/wetland.html>):

OBL	Obligate Wetland	Occurs almost always (estimated probability 99%) under natural conditions in wetlands.
FACW	Facultative Wetland	Usually occurs in wetlands (estimated probability 67%-99%), but occasionally found in non-wetlands.
FAC	Facultative	Equally likely to occur in wetlands or non-wetlands (estimated probability 34%-66%).

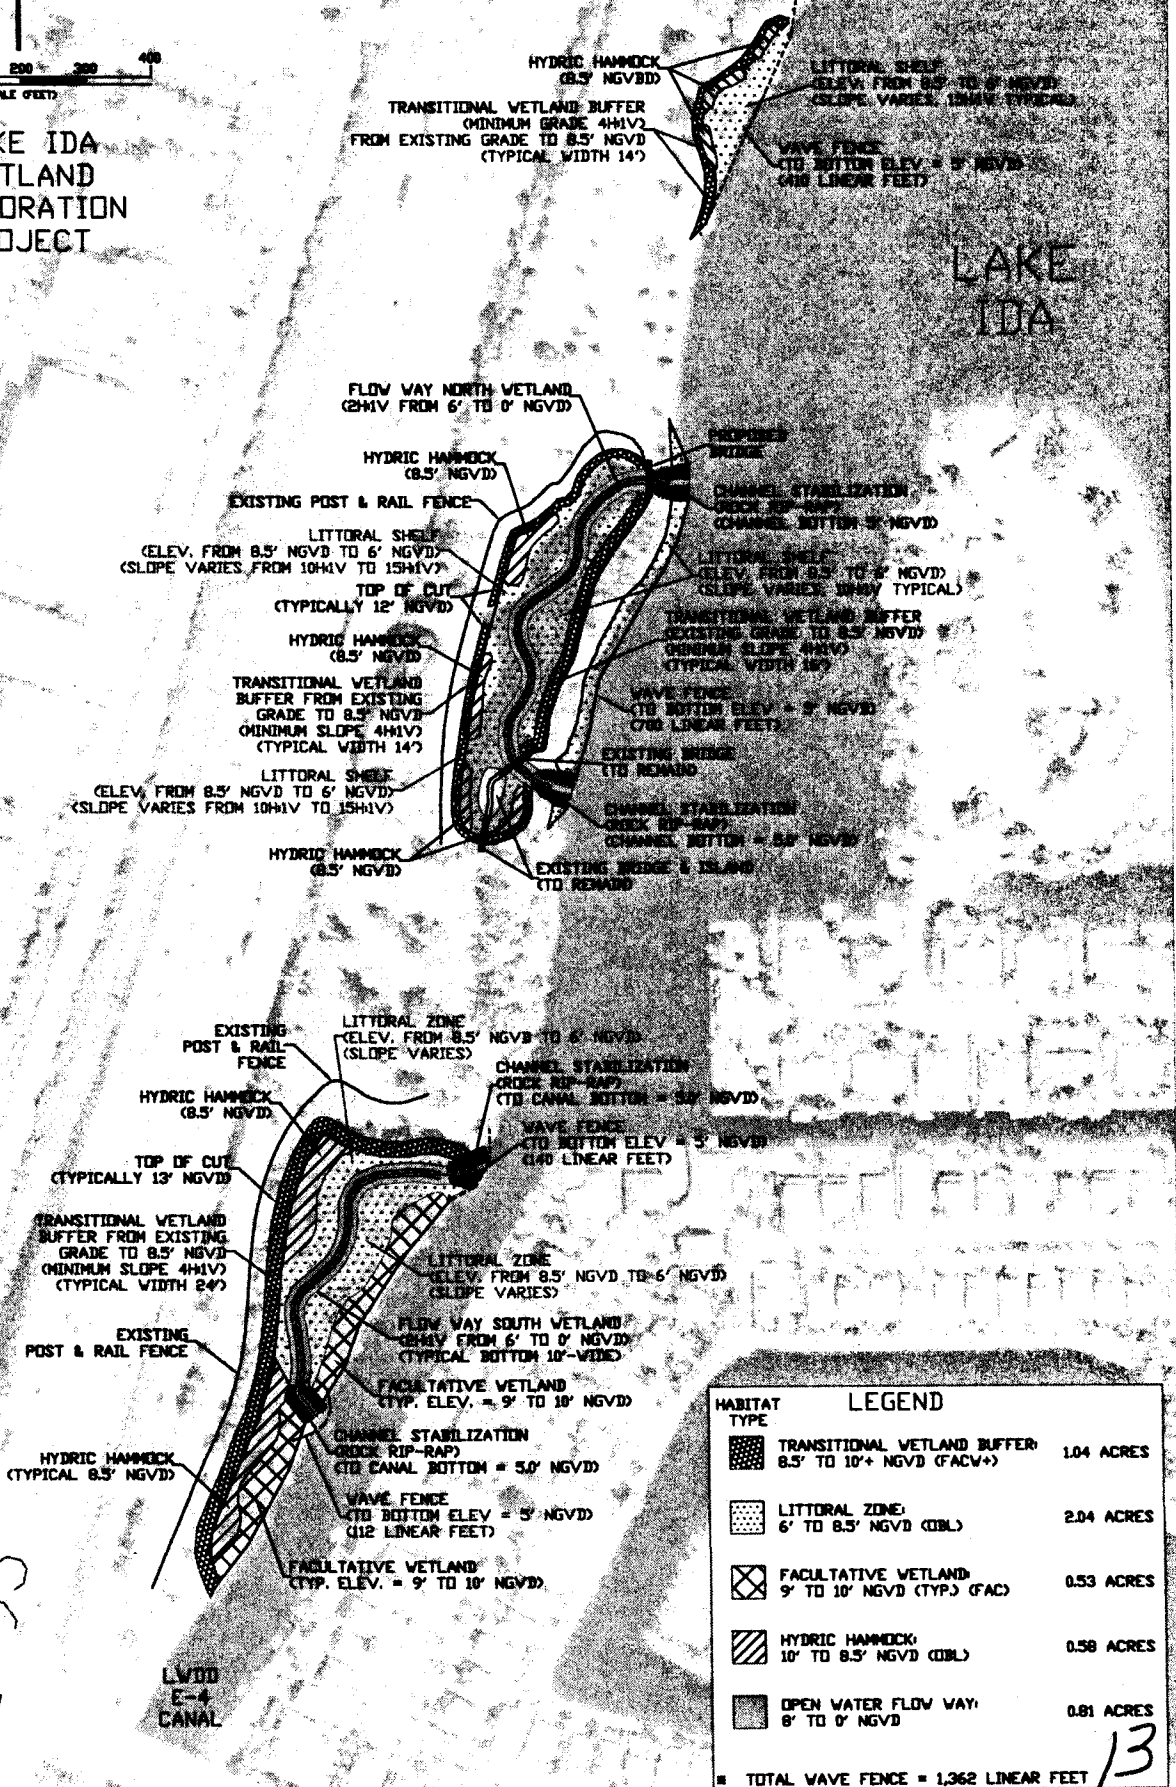

Wetland Indicator Status reflects the range of estimated probabilities (expressed as a frequency of occurrence) of a species occurring in wetlands versus non-wetland across the entire distribution of the species. For example, a frequency of 67%-99% (Facultative Wetland) means that 67%-99% of sample plots containing the species randomly selected across the range of the species would be wetland. When two indicators are given, they reflect the range from the lowest to the highest frequency of occurrence in wetlands across the regions in which the species is found. A positive (+) or negative (-) sign was used with the Facultative Indicator categories to more specifically define the regional frequency of occurrence in wetlands. The positive sign indicates a frequency toward the higher end of the category (more frequently found in wetlands), and a negative sign indicates a frequency toward the lower end of the category (less frequently found in wetlands). The wetland indicator categories should not be equated to degrees of wetness. Many obligate wetland species occur in permanently or semi-permanently flooded wetlands, but a number of obligates also occur in and some are restricted to wetlands which are only temporarily or seasonally flooded.

Comptroller Contract Payment Requirements Department of Financial Services, Bureau of Accounting and Auditing Voucher Processing Handbook (10/07/97) *Cost Reimbursement Contracts*

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.) Supporting documentation must be provided for each amount for which reimbursement is being claimed indicating that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved contract budget should be reimbursed.

Listed below are examples of types of documentation representing the minimum requirements:

- (1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.
- (2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.
- (3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means.
- (4) Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State.
- (5) In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable.
- (6) Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

ATTACHMENT E

REQUIREMENTS OF THE FLORIDA AND FEDERAL SINGLE AUDIT ACTS

The administration of resources awarded by the Florida Fish and Wildlife Conservation Commission (Commission) to the Contractor/Grantee (recipient) may be subject to audits and/or monitoring by the Commission as described in this section.

Monitoring

In addition to reviews of audits conducted in accordance with OMB Circular A-133 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by Commission staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Commission. In the event the Commission determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Commission staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Comptroller or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

In the event that the recipient expends \$500,000 or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. EXHIBIT 1 to this agreement indicates Federal resources awarded through the Commission by this agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from Commission. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions OMB Circular A-133, as revised, will meet the requirements of this part.

In connection with the audit requirements addressed in Part I, paragraph 1., the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.

If the recipient expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the recipient expends less than \$500,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than Federal entities).

PART II: STATE FUNDED

This part is applicable if the recipient is a non-state entity as defined by Section 215.97(2)(l), Florida Statutes.

In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year of such recipient, the recipient must have a State single or project-specific

audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Executive Office of the Governor and the Comptroller; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this agreement indicates state financial assistance awarded through the Commission by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Commission other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements.

In connection with the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of Section 215.97(7), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2)(d), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

If the recipient expends less than \$500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than \$500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

PART III: OTHER AUDIT REQUIREMENTS

None

PART IV: REPORT SUBMISSION

Recipients, when submitting financial reporting packages to the Commission for audits done in accordance with OMB Circular A-133 or Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the recipient in correspondence accompanying the reporting package.

Contact the Commission's Audit Director by phone at (850) 488-6068.

PART V: RECORD RETENTION

The recipient shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of five (5) years from the date the audit report is issued, and shall allow the Commission or its designee, Comptroller, or Auditor General access to such records upon request. The recipient shall

ensure that audit working papers are made available to the Commission or its designee, Comptroller, or Auditor General upon request for a period of five (5) years from the date the audit report is issued, unless extended in writing by the Commission.
