I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Supplemental Agreement No. 10 to Project No. 1995509B under contract R97-1277D in the amount of \$13,006.93 with Metric Engineering, Inc. for professional services.

SUMMARY: This Supplemental Agreement will provide post design services for Haverhill Road from 45th Street to north of Caribbean Boulevard.

District 7 (PK)

Background and Justification: On September 16, 1997, the Board of County Commissioners (Board) approved an Agreement R97-1277D with Metric Engineering, Inc. (MEI) to provide professional services required to prepare design plans and construction bid documents for Haverhill Road from 45th Street to Bee Line Highway (Project). Palm Beach County now desires MEI to provide post design services for the Project, as detailed in Exhibit "A" of the attached Supplemental Agreement. In accordance with PPM No. CW-F-050, this Supplemental Agreement must be approved by the Board since the cumulative value of additional services now exceeds \$200,000. At the time of the May 23, 1997 CCNA Selection Committee meeting, the annual goal for Minority Women Business Enterprise participation for professional services was 11.1%. Due to the nature of the requested additional services, SBE participation was not feasible for this supplement. The fee, as detailed in Exhibit "A" of the attached Supplemental Agreement, has been negotiated as just and reasonable compensation as follows:

Basic Services (Lump Sum)	\$13,006.93	(Post Design Services)
Total:	<u>\$13,006.93</u>	

After reviewing the attached Supplemental Agreement and finding it in proper order, staff recommends the Board's approval.
