I. EXECUTIVE BRIEF

**Motion and Title:** Staff recommends motion to: (A) **Accept** on behalf of the Palm Beach County Sheriff's Office a Florida Department of Transportation Highway Safety Grant for the Palm Beach County DUI Initiative, in the amount of \$247,986 for the period of October 01, 2008 through September 30, 2009; (B) **Approve** a budget amendment in the amount of \$247,986 increasing the Sheriff's Grant fund.

**Summary:** On October 1, 2008, The Florida Department of Transportation (DOT) awarded a Highway Safety grant to the Palm Beach County Sheriff's Office (PBSO) in the amount of \$247,986. These funds will be used to pay the salary and benefits of two new full-time law enforcement officers assigned to the DUI Unit to enforce DUI driving laws. These two new hires will join a team of ten and their combined efforts will include: an increase in traffic-related citations; and increased countywide attention to the dangers of DUI driving. There is no match requirement associated with this award. Two new PBSO allocations are created with this action. No additional County funds are required in FY 2009. Countywide (DW)

**Background and Justification:** The Florida Department of Transportation (DOT) awards grants from funds received from the National Highway Traffic Safety Administration for Highway Safety projects. Part of the Sheriff's ongoing effort to combat traffic problems in Palm Beach County involves obtaining alternative resources to fund expanded traffic enforcement efforts. Hence, the (PBSO) applied for and was awarded the aforementioned grant to amplify enforcement of DUI driving laws in Palm Beach County. The Catalog of Federal Domestic Assistance (CFDA) number is 20.601 and the DOT contract number is APA78.

DOT Contract Number: APA78

Dear Sheriff Bradshaw:

Your application to the Florida Department of Transportation for highway safety funds has been approved. We are pleased to make this award in the amount of \$247,986.00 for the purpose of implementing the Palm Beach County DUI Initiative. A copy of the approved subgrant agreement referenced above is enclosed for your file. All correspondence with the Department should always refer to the project number and the Department's contract number.

The effective date of the subgrant agreement is October 1, 2008, and only those costs incurred on or after that date and before October 1, 2009 are eligible for reimbursement. Your subgrant provides reimbursement of personnel costs. Part V of the subgrant requires that reimbursement requests for subgrants with personnel costs be submitted monthly if paid on a monthly basis and after every two pay periods if paid bi-weekly. You must provide this office with the name(s) of the individual(s) whose salary is being reimbursed under the subgrant, and this office must be notified in writing immediately if personnel changes occur during the subgrant period. If notification is not provided to this office, salary costs will not be reimbursed.

Your subgrant contains funding for contractual services. You must obtain approval of the contractual service agreement from this office before executing the agreement. Please refer to the attachment, *Procedures for Contractual Service Agreements for Highway Safety Projects*, when preparing your contractual service agreement.

If your subgrant includes equipment costing more than \$500 per item, the Head of the Implementing Agency must send a letter certifying that none of the equipment replaces existing items. If you are purchasing a piece of equipment that costs more than \$5,000, you must submit a *Non-Expendable Property Accountability Record* for the item with your reimbursement request. If your subgrant includes funding for public awareness materials, you must send samples of the materials for approval prior to purchase.

Please review Part V of the subgrant agreement entitled "Acceptance and Agreement." This section contains the legal conditions of your subgrant.

We look forward to working with you on this project. If you have any questions or need assistance, please contact Shelia McKinnon at (850) 245-1560, who will be coordinating this activity.

## Part II: PROJECT PLAN AND SUPPORTING DATA

State clearly and in detail the aims of the project, precisely what will be done, who will be involved, and what is expected to result. Use the following major headings:

1. Statement of the Problem
2. Proposed Solution
3. Objectives
4. Evaluation
5. Milestones (Use form provided)

Start below and use additional pages as necessary.

### Statement of the Problem:

Palm Beach County is located along the southeastern coastline of the State of Florida, and is the largest and fastest growing metropolitan area in the state. Encompassing 2,578 square miles (including Lake Okeechobee) and 37 municipalities and unincorporated areas, it is home to 1,351,236 residents, an increase of 63,249 residents from 2007. Palm Beach County also has a large seasonal population and entertains millions of tourists annually. The size of our county coupled with the increasing number of residents, makes Palm Beach County roadways highly travelled and often congested. Desperately trying to beat congestion, many Palm Beach County drivers endanger their lives and the lives of others by driving "aggressively".

According to the 2006 DHSMV Traffic Crash Statistics Report, there were 1,265 alcohol-related crashes reported in Palm Beach County in 2006, of which 945 resulted in injuries and 62 resulted in fatalities.

As Palm Beach County's population continues to grow, it is anticipated that DUI-related driving behaviors and incidents will become even more prevalent. This increase in alcohol-related driving negatively impacts our roadways and adversely affects the safety of our citizens. Therefore, we must effectively address and respond to this escalating problem as we implement countywide safety strategies.

### Proposed Solution:

The Palm Beach County Sheriff's Office proposes to hire and deploy two (2) full-time deputies who will be assigned to the DUI Unit where they will enforce DUI driving laws in conventional, marked and fully equipped patrol cars. These two (2) new hires will join a team of ten (10) and their combined efforts will include: 1) an increase in traffic-related citations; and 2) increased countywide attention to the dangers of DUI driving. Public awareness of our enforcement efforts will be made through community radio and television broadcasts. We believe that by increasing our focus on DUI driving behavior, we can significantly reduce the number of DUI incidents, therefore decreasing the number of DUI-related traffic crashes in Palm Beach County.

### Objectives:

The Palm Beach County Sheriff's Office is committed to the following objectives:

1. To deploy two (2) full time deputy sheriffs in our Traffic Division DUI Unit.
2. Publicize increased DUI enforcement on community radio and television stations continuously from 10/01/08-9/30/09.
3. Increase DUI related citations issued by 10% by September 30, 2009.
4. Decrease the number of DUI related traffic crashes by 10% by September 30, 2009.

### Evaluation:

The overall evaluation will be based on the level at which project goals are obtained. Data related to citations issued and the incidence of alcohol-related crashes in FY 2009 will be compared to FY 2008 data.

Reimbursement Obligation.** The State of Florida's performance and obligation to reimburse the subgrantee shall be subject to the availability of Federal highway safety funds and an annual appropriation by the Legislature. As detailed in 49 CFR, Part 29, **Governmentwide Debarment and Suspension (Nonprocurement) and Governmentwide Requirements for Drug-Free Workplace (Grants)**, the subgrantee shall not be reimbursed for the cost of goods or services received from contractors, consultants, vendors, or individuals suspended, debarred, or otherwise excluded from doing business with the Federal government. The subgrantee or its implementing agency shall submit the required certification by consultants with awards in excess of the small purchase threshold fixed at 10 U.S.C. 2304(g) and 41U.S.C. 253(g) (currently \$25,000).

**9. Commencement of Projects.** If a project has not commenced within 30 days after the acceptance of the subgrant award, the subgrantee or its implementing agency shall report by letter the steps taken to initiate the project, the reasons for delay, and the expected starting date. If, after 60 days from the acceptance of the award, project activity as described herein has not begun, a further statement of implementation delay will be submitted by the subgrantee or its implementing agency to the State Safety Office. The subgrantee agrees that if the letter is not received in the 60 days, the State Safety Office will cancel the project and reobligate the funds to other program areas. The State Safety Office, where warranted by excusable delay, will extend the implementation date of the project past the 60-day period, but only by formal written approval from the State Safety Office.

#### **10. Excusable Delays.**

(a) Except with respect to the defaults of subgrantee's or implementing agency's consultants and contractors which shall be attributed to the subgrantee, the subgrantee and its implementing agency shall not be in default by reason of any failure in performance of this agreement in accordance with its terms if such failure arises out of causes beyond the control and without the fault or negligence of the subgrantee or its implementing agency. Such causes are acts of God or of the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather, but in every case the failure to perform must be beyond the control and without the fault or negligence of the subgrantee. If the failure to perform is caused by the failure of the subgrantee's or its implementing agency's consultant or contractor to perform or make progress, and if such failure arises out of causes beyond the control of the subgrantee, its implementing agency and its consultant or contractor, and without the fault or negligence of any of them, the subgrantee shall not be deemed to be in default, unless (1) the supplies or services to be furnished by the consultant or contractor were obtainable from other sources, (2) the State Safety Office shall have ordered the subgrantee or its implementing agency in writing to procure such supplies or services from other sources, and (3) the subgrantee or its implementing agency shall have failed to comply reasonably with such order.

(b) Upon request of the subgrantee or its implementing agency, the State Safety Office shall ascertain the facts and extent of such failure and, if it shall be determined that any failure to perform was occasioned by any one or more of the said causes, the delivery schedule shall be revised accordingly.

**11. Obligation of Subgrant Funds.** Subgrant funds may not be obligated prior to the effective date or subsequent to the termination date of the subgrant period. Only project costs incurred on or after the effective date and on or prior to the termination date of the subgrant application are eligible for reimbursement. A cost is incurred when the subgrantee's employee, its implementing agency, or approved contractor or consultant performs the service required or when goods are received by the subgrantee or its implementing agency, notwithstanding the date of order.

**12. Performance.** In the event of default, noncompliance, or violation of any provision of this agreement by the subgrantee, the implementing agency, the subgrantee's consultant(s) or contractor(s) and supplier(s), the subgrantee agrees that the Department will impose sanctions. Such sanctions include withholding of payments, cancellation, termination, or suspension of the agreement in whole or in part. In such an event, the Department shall notify the subgrantee and its implementing agency of such decision 30 days in advance of the effective date of such sanction. The sanctions imposed by the Department will be based upon the severity of the violation, the ability to remedy, and the effect on the project. The subgrantee shall be paid only for those services satisfactorily performed prior to the effective date of such sanction.

**13. Access to Records and Monitoring.** The Department, National Highway Traffic Safety Administration (NHTSA), Federal Highway Administration (FHWA), and the Chief Financial Officer and Auditor General of the State of Florida, or any of their duly authorized representatives, shall have access for the purpose of audit and examination of books, documents, papers, and records of the subgrantee and its implementing agency, and to relevant books and records of the subgrantee, its implementing agency, and its consultants and contractors under this agreement, as provided under Applicable Federal Law.

In addition to review of audits conducted in accordance with OMB Circular A-133, as revised, monitoring procedures will include, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and status checks of subgrant activity via telephone calls from Safety Office staff to subgrantees. By entering into this agreement, the subgrantee and its implementing agency agree to comply and cooperate with monitoring procedures. In the event that a limited scope audit of the subgrantee or its implementing agency is performed, the subgrantee agrees to bring the project into compliance with the subgrant agreement. The subgrantee further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

The Department shall unilaterally cancel this subgrant if the subgrantee or its implementing agency refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, F.S., and made or received by the subgrantee or its implementing agency in conjunction with the subgrant.

**14. Audit.** The administration of resources awarded by the Department to the subgrantee may be subject to audits and/or monitoring by the Department, as described in this section. For further guidance, see the Executive Office of the Governor website, which can be found at: [www.fsaa.state.fl.us](http://www.fsaa.state.fl.us).

Recipients of federal funds (i.e. state, or local government, or non-profit organizations as defined in OMB Circular A-133, as revised) are to have audits done annually using the following criteria:

In the event that the subgrantee expends \$500,000 or more in Federal awards in its fiscal year, the subgrantee must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. Page 1 of this agreement indicates the source of Federal funds awarded through the Florida Department of Transportation by this agreement. In determining the Federal awards expended in its fiscal year, the subgrantee shall consider all sources of Federal awards, including Federal funds received from the Department of Transportation. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the subgrantee conducted by the Auditor General in accordance with the provisions OMB Circular A-133, as revised, will meet the requirements of this part.

In connection with the audit requirements addressed above, the subgrantee shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.

If the subgrantee expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the subgrantee expends less than \$500,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal funds.

Copies of audit reports for audits conducted in accordance with OMB Circular A-133, as revised, and required by this agreement shall be submitted, when required by Section .320 (d), OMB Circular A-133, as revised, by or on behalf of the subgrantee directly to each of the following:

Florida Department of Transportation  
605 Suwannee Street, MS-17  
Tallahassee, FL 32399-0450

In addition, pursuant to Section .320(f), OMB Circular A-133, as revised, the subgrantee shall submit a copy of the reporting package described in Section .320(c), OMB Circular A-133, as revised, and any management letters issued to the auditor, to the Department at each of the following addresses:

Florida Department of Transportation  
605 Suwannee Street, MS-17

**15. Retention of Records.** The subgrantee shall retain sufficient records demonstrating its compliance with the terms of this agreement for a period of five years from the date the audit report is issued, and shall allow the Department, or its designee, the state CFO, or Auditor General access to such records upon request. The subgrantee shall ensure that the independent audit working papers are made available to the Department, or its designee, the state CFO, or Auditor General upon request for a period of at least five years from the date the audit report is issued, unless extended in writing by the Department.

Records related to unresolved audit findings, appeals, or litigation shall be retained until the action is completed or the dispute is resolved. Records shall also be maintained and accessible in accordance with 49 CFR, Section 18.42 or 49 CFR, Section 19.53.

**16. Procedures for Reimbursement.** All requests for reimbursement of subgrant costs must be submitted on forms provided by the Department (FDOT Form Numbers 500-065-04 through 07). Appropriate documentation supportive of the reported costs must accompany each claim.

The subgrantee or its implementing agency shall submit financial reimbursement forms to the Safety Office at least once each quarter as costs are incurred and payment is made. The only exception is when no costs are incurred during a quarter. Reimbursement for subgrants with personnel costs shall be made after every two pay periods if paid bi-weekly. Personnel costs reimbursement shall be requested monthly if payroll is on a monthly basis. Failure to submit reimbursement requests in a timely manner shall result in the subgrant being terminated.

All requests for reimbursement of Operating Capital Outlay items having a unit cost of \$5,000 or more and a useful life of one year or more shall be accompanied by a **Non-Expendable Property Accountability Record** (FDOT Form No. 500-065-09). Payment of the Operating Capital Outlay costs shall not be made before receipt of this form.

A final financial request for reimbursement shall be postmarked no later than October 31 following the end of the subgrant period. Such request shall be distinctly identified as **Final**. Failure to submit the invoice in a timely manner shall result in denial of payment. The subgrantee agrees to forfeit reimbursement of any amount incurred if the final request is not postmarked by October 31 following the end of the subgrant period.

The Safety Office has a 30-day review process of financial reimbursement requests from the date of receipt. Reimbursement requests will be returned if not completed properly.

**17. Ownership of Data and Creative Material.** The ownership of material, discoveries, inventions and results developed, produced, or discovered by the agreement are governed by the terms of 49 CFR, Section 18.34, 49 CFR, Section 19.36, or OMB Circular A-110.

In addition to the provisions for 49 CFR, Part 18 and 49 CFR, Part 19, the State Safety Office reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use:

- (a) The copyright in any work developed under a subgrant or contract under a subgrant; and
- (b) Any rights of copyright to which a subgrantee or a contractor purchases ownership with subgrant support

**18. Property Accountability.** The subgrantee or its implementing agency shall establish and administer a system to control, protect, preserve, use, and maintain and dispose of any property furnished by the Department, or purchased pursuant to this agreement in accordance with Federal Property Management Standards as set forth in 49 CFR, Section 18.32, 49 CFR 19, Section 19.34, or OMB Circular A-110. This obligation continues as long as the property is retained by the subgrantee or its implementing agency, notwithstanding the expiration of this agreement.

**19. Disputes.** Any dispute, disagreement, or question of fact arising under the agreement shall be decided by the State Safety Office in writing and shall be distributed to parties concerned. A written appeal may be made within 30 calendar days to the Governor's Highway Safety Representative at the Florida Department of Transportation, 605 Suwannee Street, MS 57, Tallahassee, Florida 32399-0450, whose decision is final. The subgrantee and its implementing agency shall proceed diligently with the performance of the agreement and in accordance with Department's decision.

**20. Conferences, Inspection of Work.** Conferences may be held at the request of any party to this agreement.   - (2) The conclusions and opinions expressed in these reports are those of the subgrantee and do not necessarily represent those of the State of Florida, Department of Transportation, State Safety Office, the U.S. Department of Transportation, or any other agency of the State or Federal Government.

**22. The subgrantee and its implementing agency agree to comply with Executive Order (E.O.) 11246, as amended by E.O. 11375, and as supplemented by 41 CFR, Part 60.

**23. The subgrantee shall take all necessary and reasonable steps under 49 CFR, Part 26 to ensure nondiscrimination in the award and administration of USDOT-assisted contracts. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the subgrantee of its failure to carry out its approved program, the USDOT may impose sanctions as provided for under Part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 et seq.).

- (b) The subgrantee and its implementing agency agree to include the following assurance in each contract with a consultant or contractor and to require the consultant or contractor to include this assurance in all subcontract agreements:

The consultant or contractor and subconsultant or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The consultant or contractor shall carry out applicable requirements of 49 CFR, Part 26 in the award and administration of USDOT-assisted contracts. Failure by the consultant or contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy, as the subgrantee, its implementing agency, or the Department deems appropriate.

**25. Restrictions on Lobbying.** The subgrantee and its implementing agency agree to comply and require consultants and contractors to comply with 49 CFR, Part 20, **New Restrictions on Lobbying**, for filing of certification and disclosure forms.

No funds granted hereunder shall be used for the purpose of lobbying the legislature, the judicial branch, or state agencies. Section 216.347, Florida Statutes.

**26. How Agreement is Affected by Provisions Being Held Invalid.** If any provision of this agreement is held invalid, the remainder of this agreement shall not be affected. In such an instance the remainder would then continue to conform to the terms and requirements of applicable law.

**27. Federal Requirement for Public Service Announcements.** All public service announcements produced with Federal Highway Safety funds shall be closed captioned for the hearing impaired.

Any and all employees of the subgrantee or implementing agency whose positions are funded, in whole or in part through a subgrant, shall be the employee of the subgrantee or implementing agency only, and any and all claims that may arise from said employment relationship shall be the sole obligation and responsibility of the subgrantee or its implementing agency.

**32. Repossession of Equipment.** Ownership of all equipment purchased with Federal highway safety funds rests with the subgrantee and its implementing agency; however, the USDOT maintains an interest in the equipment for three fiscal years following the end of the subgrant period. Any equipment purchased with Federal highway safety funds that is not being used by the subgrantee or its implementing agency for the purposes described in the subgrant shall be repossessed by the State Safety Office, on behalf of the USDOT. Items that are repossessed shall be disbursed to agencies that agree to use the equipment for the activity described in this subgrant.

**33. Federal regulations prohibit funding equipment replacement.

**34. Ineligibility for Future Funding.** The subgrantee and its implementing agency agree that the Department shall find the subgrantee or its implementing agency ineligible for future funding for any of the following reasons:

**36. Safety Belt Enforcement.** All law enforcement agencies receiving subgrant funds shall have a standard operating procedure regarding enforcement of safety belt and child safety seat violations. A copy of the procedure shall be attached to the subgrant application.

Law enforcement agencies receiving subgrant funds shall participate in the safety belt enforcement waves conducted in Florida and shall report their participation on the appropriate form by the deadline. Failure to participate shall result in the subgrant being terminated.

**37. Certification for Equipment Costing More than \$500 per Item.** The head of any implementing agency purchasing equipment costing more than \$500 per item shall send a letter to the Safety Office upon award of the subgrant certifying that none of the items being purchased with federal highway safety funds is replacing previously purchased equipment, whether the equipment was purchased with federal, state, or local funds.

**38. Checkpoint Reporting.** Any law enforcement agency that conducts DUI checkpoints shall attach a copy of the **After Action Report** for each checkpoint operation conducted during a quarter to its **Quarterly Progress Report of Performance Indicators**.
