(1) Lands acquired by any county of the state for delinquent taxes in accordance with law which have not been previously sold or dedicated by the board of county commissioners may, at its discretion, be conveyed to the record fee simple owner of such lands as of the date the county obtained title to the lands. However, before any conveyance shall be made, the former owner of the lands may file with the board of county commissioners a verified written application which shall show:

- (a) The description of the lands for which a conveyance is sought;
- (b) The name and address of the former owner;
- (c) The date title was acquired by the county;
- (d) The price of the lands as previously fixed by resolution of the board of county commissioners, if this has been done;
- (e) The use to which the lands were enjoyed by the record fee simple owner at the time of acquisition by the county;
- (f) A brief statement of the facts and circumstances upon which the former owner bases the request for restitution of the described property;
- (g) An offer to pay an amount equal to all taxes, including municipal taxes and liens, if any, which had become delinquent, together with interest and costs provided by law.

(2) In the event the described lands have not been assessed for taxes for the current year in which the petition is filed, the applicant shall pay, in addition, the taxes for current and omitted years, the latter amount to be determined by applicable millage for the omitted years and based on the last assessment of the described lands.

(3) Lands acquired by any county of the state for delinquent taxes in accordance with law which have not been previously sold, acquired for infill housing, or dedicated by the board of county commissioners, which the board of county commissioners has determined are not to be conveyed to the record fee simple owner in accordance with the provisions of subsections (1) and (2), and which are located within the boundaries of an incorporated municipality of the county shall be conveyed to the governing board of the municipality in which the land is located. Such lands conveyed to the municipality shall be freely alienable to the municipality without regard to third parties.
