**SOUTH LAKE WORTH IMP IMPLEMENTATION**

THIS AGREEMENT entered into on the 13<sup>th</sup> day of January, 2000, and amended on the 2<sup>nd</sup> day of April, 2001, and on the 4<sup>th</sup> day of June, 2002, and on the 17<sup>th</sup> day of December, 2002, and on 20<sup>th</sup> day of May, 2003, and on 15<sup>th</sup> day of January, 2008, between the FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION (hereinafter referred to as the "DEPARTMENT") and PALM BEACH COUNTY BOARD OF COUNTY COMMISSIONERS (hereinafter referred to as the "LOCAL SPONSOR"), is hereby amended as follows:

- Paragraphs 1 - 38 are hereby revised to read as follows:
  1. The DEPARTMENT does hereby retain the LOCAL SPONSOR to implement the beach erosion control project known as the SOUTH LAKE WORTH IMP IMPLEMENTATION, (hereafter referred to as the PROJECT), as defined in Attachment A-4 (Project Work Plan), attached hereto and made a part hereof, and the LOCAL SPONSOR does hereby agree to perform such services as are necessary to implement the PROJECT in accordance with the terms and conditions set forth in this Agreement, and all attachments and exhibits named herein that are attached hereto and incorporated by reference. For purposes of this Agreement, the terms "Contract" and "Agreement" are used interchangeably, and the terms "Grantee", "Recipient" and "Local Sponsor" are used interchangeably.
  2. This Agreement shall begin on the last date executed and end on December 31, 2009.
  3. The LOCAL SPONSOR shall perform the services in a proper and satisfactory manner as determined by the DEPARTMENT.
  4. Any and all equipment, products or materials necessary to perform these services, or requirements as further stated herein, shall be supplied by the LOCAL SPONSOR.
  5. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature and subject to the release of funds appropriated to the DEPARTMENT.
  6. The LOCAL SPONSOR shall implement the PROJECT and complete said PROJECT upon the terms and conditions set forth in this Agreement and all present and future requisite authorizations and environmental permits. The PROJECT consists of implementation of the South Lake Worth Inlet Management Plan that includes measures to mitigate the impacts of the Inlet. The plan recommends bypassing beach compatible dredge material to down drift beaches within the area of inlet influence (R152-R164), expanding the existing sand trap to facilitate bypassing, maintenance of the sand transfer plant, and the implementation of a comprehensive monitoring program. The life of the PROJECT is defined as ten (10) years commencing upon execution of this Agreement and re-initiated upon execution of subsequent amendments to this Agreement for additional funding. The parties expressly agree that the provisions of this paragraph shall survive and be enforceable beyond the expiration date of this Agreement.

7. The LOCAL SPONSOR shall develop a detailed Scope of Work for each eligible PROJECT task, as specified in Table 1 below. It is understood and agreed that the detailed Scope of Work shall include a narrative description of each task, a corresponding detailed budget and a project schedule. Written authorization to initiate the scope of work for each task must be obtained from the DEPARTMENT prior to the initiation of said task. The DEPARTMENT may require at least ten percent (10%) of the total cost share for a specified task be forfeited for failure to obtain prior written authorization from the DEPARTMENT for a specific task.
8. The DEPARTMENT and the LOCAL SPONSOR agree that the estimated costs of the PROJECT are identified in Table 1 below:

TABLE 1

Task #	Eligible Project Tasks	Estimated Project Costs			
		Federal	DEP	Local	Total
1.0	Design and Permitting	\$0	\$224,618	\$224,618	\$449,236
2.0	Construction				
2.1	Interior Sand Trap Dredging	\$0	\$573,724	\$573,724	\$1,147,448
2.2	Sand Transfer Plant Reconstruction	\$0	\$5,010,312	\$5,010,312	\$10,020,624
3.0	Monitoring	\$0	\$60,958	\$60,958	\$121,916
	TOTAL PROJECT COSTS	\$0	\$5,869,612	\$5,869,612	\$11,739,224

9. The DEPARTMENT has determined that 100 percent of the PROJECT cost is eligible for state cost sharing. Therefore, the DEPARTMENT's financial obligation shall not exceed the sum of \$5,869,612 for this PROJECT or up to 50 percent of the non-federal project cost, if applicable, for the specific eligible PROJECT items listed above, whichever is less. To the extent applicable, it is understood and agreed that for portions of the PROJECT which are located within lands owned and managed by the DEPARTMENT's Division of Recreation and Parks, no cost share for construction activities shall be required of the LOCAL SPONSOR, and the PROJECT costs for such portions shall be paid by the DEPARTMENT.
10. The DEPARTMENT and the LOCAL SPONSOR agree that any and all activities associated with the PROJECT that are not shown in Table 1 are the responsibility of the LOCAL SPONSOR and are not a part of this Agreement. The LOCAL SPONSOR agrees that any costs for the specific eligible project items that exceed the estimated project costs for that item shall be the responsibility of the LOCAL SPONSOR. Any modifications to the estimated TOTAL PROJECT COSTS shall be provided through formal amendment to this Agreement.
11. The LOCAL SPONSOR shall perform as an independent contractor and not as an agent, representative, or employee of the DEPARTMENT.

12. In consideration for the satisfactory completion of the eligible work, identified in Attachment A-4 and approved by the DEPARTMENT, performed by the LOCAL SPONSOR under the terms of this Agreement, the DEPARTMENT agrees to compensate the LOCAL SPONSOR on a cost reimbursement basis for services rendered. All requests for reimbursement shall be made in accordance with Attachment B-4 (Contract Payment Requirements), attached hereto and made a part hereof, and State guidelines for allowable costs found in the Department of Financial Services' Reference Guide for State Expenditures at <http://www.fldfs.com/aadir/reference%5Fguide>. The LOCAL SPONSOR shall submit a request for reimbursement of funds on the forms provided as Attachment C-4 (Request For Payment, PARTS I – III), attached hereto and made a part hereof. These forms may be submitted on a quarterly basis. The term "quarterly" shall reflect the calendar quarters ending March 31, June 30, September 30, and December 31; the request shall be submitted no later than thirty (30) days following the completion date of the quarterly reporting period of each year in which the project is underway. These forms shall be certified as accurate by the LOCAL SPONSOR'S Project Manager and the LOCAL SPONSOR'S Project Financial Officer and submitted to the DEPARTMENT as a payment request. All requests for the reimbursement of travel expenses shall be based on the travel limits established in Section 112.061, Florida Statutes. A final invoice shall be due no later than thirty (30) days following the completion date of this Agreement. The DEPARTMENT will not release funds for construction activities until such time as all requisite authorizations, environmental permits, and variances, including those required pursuant to Chapters 161, 253, 258 and 373, Florida Statutes, have been obtained. In such cases where no reimbursement is sought for a given quarter, all applicable portions of Part III of Attachment C-4, Project Progress Report must be completed and submitted.
13. The DEPARTMENT's Bureau of Beaches and Coastal Systems shall have thirty (30) days after receipt of each billing to determine that the work has been accomplished in accordance with the terms and conditions of this Agreement prior to approving the billing for payment. It is understood and agreed that any request for reimbursement that requires the DEPARTMENT to request additional information of the LOCAL SPONSOR shall stop time for the DEPARTMENT's review period and the clock will not resume until such information is received as requested by the DEPARTMENT. Upon approval of the payment request, the DEPARTMENT shall disburse the funds due to the LOCAL SPONSOR less ten (10) percent, which shall be retained on account. The cumulative amount retained for each eligible scope of work shall be disbursed to the LOCAL SPONSOR after the DEPARTMENT has certified that the LOCAL SPONSOR has complied with all the terms and conditions of the Agreement, all applicable DEP permits and the applicable scope of work for said item. The DEPARTMENT will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to this Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. When requested, the LOCAL SPONSOR must provide the information described in this paragraph within thirty (30) days of such request. If applicable, the LOCAL SPONSOR may also be required to submit a cost allocation plan to the DEPARTMENT in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). All bills for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof.
14. For the duration of this Agreement, the LOCAL SPONSOR shall submit to the DEPARTMENT's Project Manager on a quarterly basis, Attachment C-4, Part III, Project Progress Report, as updates to a project schedule, no later than thirty (30) days following the completion date of the quarterly reporting period identified in paragraph twelve (12). Schedules may be required to be submitted electronically in an .MPP or tab delimited .TXT format. Information provided shall be the best available and shall represent the most accurate forecast of future events. Specific information to be included in the quarterly report: tasks to be completed, start and finish dates, task duration, and actual start and finish dates with actual task duration.
15. Upon completion of the PROJECT, the LOCAL SPONSOR shall submit to the DEPARTMENT a certification of completion, attached hereto as Attachment D-3 (Project Completion Certification). A final project certification inspection shall be made by the DEPARTMENT within sixty (60) days after the PROJECT is certified complete by the LOCAL SPONSOR.

16. The LOCAL SPONSOR shall, at a minimum, comply with monetary limits for competitive acquisition of both materials and services as required by Chapter 287, and Chapter 161.101(17), Florida Statutes, which are expressly made a part of this Agreement and incorporated herein by reference as if fully set forth.
17. The applicable provisions of Chapter 161, Florida Statutes, entitled "Beach and Shore Preservation", and any rules promulgated therefrom, are expressly made a part of this Agreement and are incorporated herein by reference as if fully set forth.

All matters shall be directed to the appropriate persons for action or disposition.
19. Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes.
20. The DEPARTMENT may terminate this Agreement at any time in the event of the failure of the LOCAL SPONSOR to fulfill any of its obligations under this Agreement. Prior to termination, the DEPARTMENT shall provide ten (10) days written notice of its intent to terminate and shall provide the LOCAL SPONSOR an opportunity to consult with the DEPARTMENT regarding the reason(s) for termination. The DEPARTMENT may terminate this Agreement without cause and for its convenience by giving thirty (30) days written notice to the LOCAL SPONSOR. A list of Minority Owned firms that could be offered subcontracting opportunities may be obtained by contracting the Office of Supplier Diversity at (850) 487-0915.
33. The LOCAL SPONSOR shall not subcontract, assign, or transfer any work under this Agreement without the prior written consent of the DEPARTMENT's Project Manager. The LOCAL SPONSOR agrees to be responsible for the fulfillment of all work elements included in any subcontract consented to by the DEPARTMENT and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the LOCAL SPONSOR that the DEPARTMENT shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the LOCAL SPONSOR shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. The LOCAL SPONSOR will be responsible for auditing all travel reimbursement expenses based on the travel limits established in Section 112.061, F.S.
34. When applicable, the LOCAL SPONSOR shall also notify the DEPARTMENT's Project Manager of the selection of an intended subcontractor and provide a tabulation list from which the intended subcontractor was selected. Upon the DEPARTMENT's request, the LOCAL SPONSOR shall furnish copies of the respective solicitation documents. Solicitation documents include, but are not limited to, the solicitation and responses thereto, the bid tabulations, and the resulting contract(s), including a detailed scope of work.

35. The LOCAL SPONSOR warrants and represents that it is self-funded for liability insurance, appropriate and allowable under Florida Law, and that such self-insurance offers protection applicable to the LOCAL SPONSOR's officers, employees, servants and agents while acting within the scope of their employment with the LOCAL SPONSOR. The DEPARTMENT shall have no liability except as specifically provided in this Agreement.
36. The purchase of non-expendable equipment costing \$1,000 or more is not authorized under the terms and conditions of this Agreement.
37. The DEPARTMENT may at any time, by written order designated to be a change order, make any change in the work within the general scope of this Agreement (e.g., specifications, task timeline within current authorized Agreement period, method or manner of performance, requirements, etc.). All change orders are subject to the mutual agreement of both parties as evidenced in writing. Any change order which causes an increase or decrease in the LOCAL SPONSOR's cost or time shall require an appropriate adjustment and modification (formal amendment) to this Agreement.
38. The LOCAL SPONSOR shall comply with all applicable federal, state and local rules and regulations in providing services to the DEPARTMENT under this Agreement. The LOCAL SPONSOR acknowledges that this requirement includes compliance with all applicable federal, state and local health and safety rules and regulations. The LOCAL SPONSOR further agrees to include this provision in all subcontracts issued as a result of this Agreement.
39. The LOCAL SPONSOR shall obtain from each owner of upland property, which is adjacent to the erosion control project, a sufficient property interest in order to construct, maintain, monitor, and repair the erosion control project prior to entering each individual property to conduct such activities.
40. If a force majeure occurs that causes delays or the reasonable likelihood of delay in the fulfillment of the requirements of this Agreement, the LOCAL SPONSOR shall promptly notify the DEPARTMENT orally. Within seven (7) days, the LOCAL SPONSOR shall notify the DEPARTMENT in writing of the anticipated length and cause of the delay, the measures taken or to be taken to minimize the delay, and the LOCAL SPONSOR's intended timetable for implementation of such measures. If the parties agree that the delay or anticipated delay was caused, or will be caused by a force majeure, the DEPARTMENT may, at its discretion, extend the time for performance under this Agreement for a period of time equal to the delay resulting from the force majeure. Such agreement shall be confirmed by letter from the DEPARTMENT accepting, or if necessary, modifying the extension. A force majeure shall be an act of God, strike, lockout, or other industrial disturbance, act of the public enemy, war, blockade, public riot, lightning, fire, flood, explosion, failure to receive timely necessary third party approvals, and any other cause, whether of the kind specifically enumerated herein or otherwise, that is not reasonably within the control of the LOCAL SPONSOR and/or the DEPARTMENT. The LOCAL SPONSOR is responsible for the performance of all services issued under this Agreement. Failure to perform by the LOCAL SPONSOR's consultant(s) or subcontractor(s) shall not constitute a force majeure event.
41. This Agreement represents the entire agreement of the parties. Any alterations, variations, changes, modifications or waivers of provisions of this Agreement shall only be valid when they have been reduced to writing, duly signed by each of the parties hereto, and attached to the original of this Agreement, unless otherwise provided herein.

#### MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

#### AUDITS

##### PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

1. In the event that the recipient expends \$500,000 or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. EXHIBIT 1 to this Agreement indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources, received from the Department of Environmental Protection. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.
3. If the recipient expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the recipient expends less than \$500,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than Federal entities).
4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at <http://12.46.245.173/cfda/cfda.html>.

## PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2)(m), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year of such recipient, the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Agreement indicates state financial assistance awarded through the Department of Environmental Protection by this Agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(7), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3. If the recipient expends less than \$500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than \$500,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

## PART III: OTHER AUDIT REQUIREMENTS

*(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes.
