The Commissioner will pay \$25,000 and the community will pay \$5,000. I received a fax from the community to confirm and am waiting the signed copy that is coming by mail. I'll be in touch.

Subject: Palmetto Pk Rd and Cartagena Dr

Morning Marylou:

We received a request for designing a right turn lane at the subject location from Owen. The request indicated a \$40,000 contribution from Commissioner Aaronson, and a \$20,000 contribution from the Boca Grande Property Owners. This was based on a projected estimate of \$60,000 from Roadway Production. We have now received actual estimates for road construction and striping totaling approximately \$30,000. Please let us know how your office would like to handle this, that is, maintain the \$20k contribution from the homeowners and the remainder from your office, or else. Should the Commissioner still decide to collect some from the homeowners, please provide us with a contact person there for us to collect.

Owen will be preparing the Board item, please keep him in the loop of e-mails.

Thanks,

ALI
