CONSULTANT SERVICES AUTHORIZATION

MPA ARCHITECTS, INC.

**FIRE STATION NO. 31
PROJECT NO. 08210**

This consultant services authorization is for architectural and engineering services for the Fire Station No. 31 located at 3439 Lake Worth Road in Lake Worth.

Professional services shall include professional architectural and engineering services relative to the design, development of construction documents, permitting, bidding and construction phase services for the replacement of the existing $\pm 5,600$ sq. ft. fire station.

Replacement of Fire Station No. 31 is part of Fire-Rescue's Capital Program and the new station will be designed to comply with current Fire-Rescue standards. In addition, the new fire-station will be designed to comply with USGBC (LEED) standards.

SBE participation for this Authorization is 69%. When added to the Consultant's participation to date, the resulting SBE participation is 76%. The Consultant's contract goal is 80%.

CONSULTANT SERVICES AUTHORIZATION

CONSULTANT SERVICES AUTHORIZATION

MPA ARCHITECTS, INC.
Annual Fire-Rescue Consultant

FIRE STATION NO. 31
PROJECT NO. 08210
DISTRICT NO. 3

THIS AUTHORIZATION NO. 2 to the Contract dated 3/13/07 (R-2007-0394) between Palm Beach County and the Consultant identified herein is for the Consultant Services described in Item 3 of this Authorization.

1. **CONSULTANT:** **MPA ARCHITECTS, INC.**
1801 CENTREPARK DRIVE EAST, SUITE 175
WEST PALM BEACH, FL 33401
2. **Services completed to date:** Not applicable. This authorization is for a new project.
3. **Description of Services to be provided by Consultant:** Professional services shall include architectural and engineering services relative to the design, development of construction documents, permitting, bidding and construction phase services for the replacement of the existing $\pm 5,600$ sq. ft. fire station as detailed on the attached proposal dated January 27, 2009.
4. **History:** Not applicable. This authorization is for a new project.
5. **Time of Commencement:** Consultant shall begin work promptly on the requested services upon receipt of this executed document which shall constitute official "Notice to Proceed".
6. **Compensation:** The compensation to be paid to the Consultant for the requested services shall be:

Lump Sum charge of \$199,811
7. **This Authorization may be terminated by the County without cause or prior notice. In the event of termination not the fault of the Consultant, the Consultant shall be compensated for all services performed to termination date, together with reimbursable expenses (if applicable) then due.**

Consultant agrees to waive any and all claims for lost profits or anticipated future profits in the event of a termination with or without the cause under this Contract.

6

8. If not previously provided or for a new project, the Consultant shall provide County with an executed Conflict of Interest Disclosure Form, attached hereto and incorporated herein.
9. **EXCEPT AS HEREBY AMENDED, CHANGED OR MODIFIED**, all other terms and conditions of the original Contract remain in full force and effect.

IN WITNESS WHEREOF, this Authorization is accepted, subject to the terms and conditions of the aforementioned Contract.

Mr. Anil Patel, R.A., Project Manager
CAPITAL IMPROVEMENTS DIVISION
FACILITIES DEVELOPMENT & OPERATIONS DEPARTMENT
2633 Vista Parkway
West Palm Beach, FL 33411-5604

**Re: Revised Proposal for Professional Architectural/Engineering Services
Palm Beach Fire Rescue
Fire Station #31 Replacement**

Dear Mr. Patel:

MPA would like to thank you for the opportunity to present the following proposal to Palm Beach County Capital Improvements Division for the replacement of Fire Station No. 31. The existing $\pm 5,600$ fire station is located on a site between Lake Worth Road and 2nd Avenue. The site is $\pm 100\%$ paved over and has several adverse soil conditions including, but not limited to, peat, buried debris (cars, bikes, washing machines, etc.) and possible petroleum contaminants. There are three monitoring wells shown on the survey by Brown & Philips. It is our understanding that the project will be designed to comply with House Bill 7135 which states that all county and municipal buildings shall be constructed to meet the USGBC (LEED) or any other nationally recognized green building rating system. The effective date of HB7135 was July 1, 2008.

The following is our proposed scope of services:

- I. Schematic Design Phase
 - A. Facilitate kick off meeting with Owner and consultants to establish green building (LEED) expectations.
 - B. Review and redesign (if required) Owner supplied site plan to comply with LEED approach.
 - C. Supply exterior building redesign drawings as required for site plan approval and LEED requirements.
 - D. Coordinate all consultants' site plan submittal requirements for use by Palm Beach County site plan approval consultant.

Mr. Patel
January 27, 2008
Page 2

- E. Attend meetings with Village of Palm Springs and Owner's consultant during site plan approval process (Item VII - 3).
- F. Submit schematic design documents to and meet with Palm Beach County to review program requirements.
- G. Incorporate any revisions from F.

II. Design Development Phase

- A. Based on approved schematic design submittal, prepare design development drawings for architectural, civil engineering, landscape and irrigation as applicable (Note: site plan approval process requires extensive civil and landscape documents at schematic design phase), structural engineering, mechanical, electrical, plumbing engineering and specifications.
- B. At 50% design development, meet with Owner and consultants to review green building (LEED) design objectives.
- C. Submit design development documents to and meet with Palm Beach County to review.
- D. Incorporate any revisions from C.

III. Construction Document Phase

- A. Based on approved design development documents, prepare 50% construction documents including architectural, civil, landscape and irrigation, structural engineering, mechanical, electrical, plumbing engineering and specifications.
- B. Submit 50% construction documents to and meet with Palm Beach County to review.
- C. Meet with Owner and consultants to review green building (LEED) design objectives.

Mr. Patel

January 27, 2008

Page 3

- D. Based on approved 50% construction documents, prepare 95% construction documents including architectural, civil, landscape and irrigation, structural engineering, mechanical, electrical, plumbing engineering and specifications.
- E. Prepare preliminary estimate of probable construction cost based on 95% construction documents.
- F. Submit 95% construction documents to and meet with Palm Beach County to review and submit for permitting.
- G. Based on 95% construction document review and permit comments, complete 100% construction documents for bidding.
- H. Collect and complete all LEED templates for USGBC certification (to meet the intent of HB7135).

IV. Bidding Phase

- A. Submit one original copy of 100% construction documents (plans and specifications) to Palm Beach County for reproduction for bidding phase.
- B. Prepare addenda as required during the bidding phase that address contractor RFIs.

V. Construction Administration Phase

- A. Conduct two job site meetings per month with Owner and Contractor. One meeting will focus on review of Contractor's pay application and one meeting will focus on Contractor's progress. One meeting will be extended to accommodate a second meeting to coordinate LEED requirements mentioned in item B.
- B. Facilitate meetings with consultants, Owner and Contractor to assure that the project is being constructed by the USGBC (LEED) requirements by LEED consultant.
- C. Review shop drawing submittals.

Mr. Patel
January 27, 2008
Page 4

- D. Respond to RFIs from General Contractor.
- E. Review change order request and provide justification to Owner.
- F. Prepare punch list at substantial completion.
- G. Prepare substantial and final completion documents.

VI. Items Specifically Excluded

- A. Re-zoning, plat/unity of title services, site plan approval services or any services required in the due diligence report.
- B. Site surveys.
- C. Geotechnical services.
- D. Variances.
- E. Traffic study services.
- F. Site environmental or asbestos studies related to demolition of existing building.
- G. Any services not mentioned in this proposal.

VII. Compensation

A. The services described in paragraphs 1 through 4 shall be performed in accordance with the Continuing Contract Agreement Between Palm Beach County and MPA Architects, Inc. for a fixed fee of \$199,811.

1. Basic Fee: Based on DMS fee guidelines, 5,600 sf x \$200/sf = \$1,120,000. \$1,120,000 x 8.33366% (B curve) = \$93,337

Basic Fee \$ 93,337.00
Architectural, Structural, MEP Engineering

Mr. Patel
January 27, 2008

2.	Additional Services (per DMS guidelines):	
	Civil Engineering	\$ 18,500.00
	Site Structural	\$ 3,700.00
	Landscape	\$ 4,914.00
	Irrigation	\$ 4,350.00
	Vehicle Fueling System	\$ 2,000.00
	Cost Estimate (CD stage)	\$ 2,500.00
	Demolition Plan/Spec	\$ 2,000.00
	Site Lighting	\$ 2,500.00
	Voice/Data System, Signalization @ L.W.R.D. (electrical panel, conduit, pull box)	\$ 2,700.00
	Graphic, Signage, Room Identity	\$ N/C
	Record Drawings 68 Sheets x .50 x \$90	\$ 3,060.00
	Facilitate County Art Coordinator	\$ N/C
	Expenses	\$ 2,000.00
	Subtotal	\$ 48,224.00
	MPA Administration @ 20%	\$ 9,645.00
		\$ 57,869.00

3. Palm Springs Approval Process

Architectural	
3 Meetings x 2 Hours x \$150.00	\$ 900.00
Landscape	
2 Meetings x 2 Hours x \$130.00	\$ 520.00
Civil	
2 Meetings x 2 Hours x \$140.00	\$ 560.00
Renderings	\$ 2,000.00
Subtotal	\$ 3,980.00

4. Additional services required to provide a LEED certifiable project per HB7135, page 51, Section 22, paragraph (2). See attached proposals for scope of work breakdowns.

- a. MPA Architects, Inc. will facilitate all LEED meetings and be directly involved

Mr. Patel
January 27, 2008
Page 6

- involved in all aspects with respect to the LEED design issues and preparation of LEED specification requirements during design and construction \$ 9,500.00
- b. Sequil - (LEED consultant) will provide the fundamental building commissioning services (a prerequisite), register the project with USGBC and collect all data from consultants and fill out LEED template documents \$ 20,825.00
- c. Bridge Design will supply calculation input for recycled and regional material \$ 950.00
- d. JLRD will provide LEED services related to sustainable sites, water efficiency, energy, atmosphere and indoor environmental quality \$ 11,400.00
- e. Civil Design, Inc. will provide LEED services applicable to sustainable site and civil engineering items In Basic Fee
- f. Landscape Architecture (Roy-Fisher) \$ 950.00
- g. Irrigation Design (NSA) \$ 1,000.00
- Subtotal \$ 44,625.00

VIII. Owner Supplied Items

- A. CADD drawing files for prototype fire station for consultant's use.
- B. All printing for bidding and construction.
- C. Any additional survey, geotechnical and/or environmental studies related to the site or building demolition (asbestos studies, etc.).

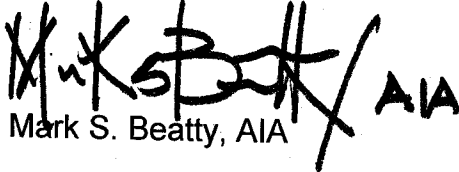

Mr. Patel
January 27, 2008
Page 7

IX. Additional Services

- A. Any services not specifically mentioned as provided.

Respectfully,

MPA ARCHITECTS, INC.

 AIA
Mark S. Beatty, AIA
