## CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

### Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For grantees other than individuals, Alternate I applies.
4. For grantees who are individuals, Alternate II applies.
5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:  
  
*Controlled substance* means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);  
  
*Conviction* means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;  
  
*Criminal drug statute* means a Federal or non-Federal criminal statute involving the manufacture, distribution,

dispensing, use, or possession of any controlled substance;

*Employee* means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

#### Certification Regarding Drug-Free Workplace Requirements

##### Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

- (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
- (b) Establishing an ongoing drug-free awareness program to inform employees about --
  - (1) The dangers of drug abuse in the workplace;
  - (2) The grantee's policy of maintaining a drug-free workplace;
  - (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
  - (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
- c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
- (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will --
  - (1) Abide by the terms of the statement; and
  - (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
- (e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- (f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted --
  - (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
  - (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

(B) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

3323 Belvedere Road, Building 502

West Palm Beach, FL 33406

Check if there are workplaces on file that are not identified here.

Alternate II. (Grantees Who Are Individuals)

(a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.

The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may

## CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103227, Part C Environmental Tobacco Smoke, also known as the Pro Children Act of 1994, requires that smoking not be permitted in any portion of any indoor routinely owned or leased or contracted for by an entity and used routinely or regularly for provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1000 per day and/or the imposition of an administrative compliance order on the responsible entity. By signing and submitting this application the applicant/grantee certifies that it will comply with the requirements of the Act.

The applicant/grantee further agrees that it will require the language of this certification be included in any subawards which contain provisions for the children's services and that all subgrantees shall certify accordingly.

**INFORMATION MEMORANDUM**

**TO:** All Head Start and Early Head Start Grantees

**SUBJECT:** Dual Language Institute - Funding Support

**INFORMATION:**

On August 26, 2008 the Office of Head Start issued Information Memorandum ACF-IM-HS-08-14 informing programs of the Head Start Dual Language Institute to be held in Washington from October 28-31, 2008. The particulars about the Institute and how to register can be found in that Information Memorandum.

The Office of Head Start believes this Institute offers a unique opportunity to better understand how to address the needs of the more than 30% of Head Start children who live in families where English is not the primary language spoken at home. In order to assure that grantees will be able to attend this important event, the Office of Head Start will make available up to \$2,500 to each Grantee attending this Institute. These funds are intended to cover such costs as air fare, lodging and meals, and the registration fee. We understand this supplement may not cover all costs, but we are hopeful it will afford many grantees an opportunity to attend this important conference.

In most cases, we expect it would be simpler for grantees to cover participation costs using current grant funds and then to submit a supplemental funding request (PA 22 or PA 25) to their OHS Regional Office for the actual costs incurred (not to exceed \$2,500) in attending this Institute.

Please direct any questions on this Memorandum to your OHS Regional Office.

**INFORMATION MEMORANDUM**

**TO:** Head Start and Early Head Start Grantees and Delegate Agencies

**SUBJECT:** Invitation to the Office of Head Start National Dual Language Institute: A Time for Action

**INFORMATION:**

The Office of Head Start is proud to extend this invitation to the National Dual Language Institute: A Time for Action to all Head Start, Early Head Start, Migrant and Seasonal Head Start, and American Indian Alaska Native Head Start programs. The Institute will be held on October 28-31, 2008, in Washington, D.C.

Through this Institute, the Office of Head Start is – for the first time – bringing together leaders from Head Start programs around the country to focus on how best to support young dual language learners (also referred to as English language learners (ELLs)) who are learning both English and their home language or whose native languages are being revitalized. The Office of Head Start identifies dual language learners as children learning two or more languages at the same time, as well as those learning a second language while continuing to learn their first language.

**Institute Purpose and Goals**

The purpose of the Dual Language Institute is to describe and disseminate approaches and resources that foster dual language development in young children, including their acquisition of English.

**The goals of the Dual Language Institute are to:**

- Emphasize sections of the Improving Head Start for School Readiness Act of 2007 as well as the existing Head Start Program Performance Standards in the area of dual language learning.
- Highlight dual language acquisition research for children birth to five and its implications for practice.
- Discuss the importance of dual language learning including the acquisition of English, language revitalization, and cultural responsiveness as they relate to school readiness and positive outcomes for children.
- Provide tools and resources for programs to effectively support dual language learners and their families.
- Demonstrate and disseminate methods, approaches, and instructional practices for programs to effectively serve children, families, and communities.

**Institute Content**

Plenary and breakout sessions will feature topics to address issues important to Head Start programs that are already serving diverse populations and programs that are anticipating a demographic shift

and a change in local population. The topics include: Program Design and Management, Professional Development, Mental Health, Family and Community Partnerships, Research, Assessment, Language and Literacy, Social and Emotional Development, and Special Populations.

### **Participants**

The Institute will bring together Head Start program directors, staff, and parents for discussions that will focus on acquiring knowledge, gaining skills, and highlighting resources to address challenges and maximize opportunities for young dual language learners. The Office of Head Start is recommending that grantees send up to three people to represent three of the following positions:

- Program Director
- Education Manager
- Teacher Leader
- Parent Leader

### **Institute Registration and Fees**

A web site ([www.hsnrc.org/DLI/](http://www.hsnrc.org/DLI/)) has been created to support communication and online registration for the National Dual Language Institute. The registration fee of \$295 per participant is due, along with all completed registration forms, by October 10, 2008. There are three easy ways to register: online, mail, or fax. Head Start program funds may be used for registration, lodging, travel, and related expenses; no supplemental funds will be provided at this time.

We will be offering Continuing Education Units on a session-by-session basis. The processing fee is \$20 per person and may be paid onsite via cash, check, or credit card. A listing of sessions will soon be available on the Institute's web site.

### **Recent History of Serving Dual Language Learners**

In the winter of 2005-2006, the Office of Head Start conducted a review of program needs with respect to serving young dual language learners, ages birth to five years. In early 2008, the Office of Head Start released the Head Start Dual Language Report entitled Dual Language: What Does It Take? which can be found on the Early Childhood Learning and Knowledge Center (<http://eclkc.ohs.acf.hhs.gov>). This report, based on a needs assessment and research background, offers recommendations for a comprehensive approach to support dual language learners.

The Office of Head Start recognizes that dual language learners enter Head Start programs with unique challenges and opportunities. The Office of Head Start's interest in this topic arises from its understanding of the importance of language development for learning in all domains and as a precursor for literacy development. The development of both language and early literacy are fundamental building blocks for achieving Head Start's legislated mandate of promoting school readiness for all children.

Given Head Start's history and commitment to serving young dual language learners, I encourage program directors and managers, teacher leaders, and parent leaders to attend the Dual Language Institute to learn more about how your programs can meet the needs of your diverse populations and promote dual language learning. I look forward to seeing you at the Institute in October.

Sincerely,

/Patricia E. Brown/
