I. EXECUTIVE BRIEF

**Motion and Title:** Staff recommends motion to approve:

- A) A Budget Transfer of \$200,000 in the Transportation Improvement Fund from Reserve for District 3 to the County Transportation Trust Fund;
- B) A Budget Transfer of \$200,000 in the Transportation Trust Fund increasing the annual transfer from the Transportation Improvement Fund and decreasing the annual transfer from the General Fund;
- C) A Budget Transfer of \$200,000 in the General Fund decreasing the annual transfer to the County Transportation Trust Fund and increasing the annual transfer to the Park Improvement Fund; and
- D) A Budget Amendment of \$200,000 in the Park Improvement Fund increasing the annual transfer from the General Fund and increasing the appropriation to the District 3 Recreation Assistance Program.

**Summary:** The budget transfers and budget amendment recommended in this item increase the gas tax support and decrease the ad valorem support of the County Transportation Trust Fund, thereby allowing for the allocation of \$200,000 from available ad valorem support to the District 3 Recreation Assistance Program. At the November 21, 2006, Board meeting, the flexibility of up to \$200,000 in transfers per District per year was approved for this purpose. This funding will be used for District 3 recreational or cultural projects that the District 3 Commissioner desires to fund during FY 2009. Individual Agreements for each RAP project will be brought to the Board for approval. With the approval of this allocation, the remaining balance available in transfers for District 3 for FY 2009 is \$0.  
District 3 (AH)

**Background and Justification:** Commissioners were each given the option of transferring an amount not-to-exceed \$200,000 per year per District from District Infrastructure funds (gas tax) to the Recreation Assistance Program (RAP) District funds for priority projects with recreational or cultural elements. The requested \$200,000 increase to the District 3 Recreation Assistance Program allocation has not yet been earmarked for individual projects by the District 3 Commissioner, but will be allocated throughout the year for priority projects with recreational or cultural elements.

This lump sum allocation of \$200,000 is being requested at this time because it is the District 3 Commissioner's intent to utilize this amount for the FY 2009 transfer from gas support to RAP projects during this fiscal year. Transferring this amount in a lump sum will eliminate the need for multiple budget transfers and amendments to increase the District 3 RAP budget for each individual RAP project funded from gas tax dollars. Project Agreements will be placed on subsequent Agendas for approval on an individual basis as funding is allocated from the FY 2009 District 3 balance for recreational and cultural projects.
