

**PALM BEACH COUNTY**  
**BOARD OF COUNTY COMMISSIONERS**  
**BOARD APPOINTMENT SUMMARY**

**Meeting Date:** April 21, 2009  
**Department:** Fire-Rescue  
**Advisory Board:** Regional Hazardous Materials Oversight Committee

**1. Executive Brief:**

**Motion and Title:** Staff recommends motion to approve: appointments of two (2) individuals to the Regional Hazardous Materials Oversight Committee beginning on May 1, 2009 through April 30, 2012.

<u>Nominee</u>	<u>Seat No.</u>	<u>Category</u>
Darrell Donatto	4	PBC Fire Chief's Association
Dianne Strock	2	PBC Health Department

**Summary:** The Hazardous Materials Oversight Committee was created in 1998 by Ordinance No. 98-13. Appointments to this five (5) member committee are for three (3) year terms and are composed of members from specific areas of representation. The terms of the committee members are staggered to eliminate replacing the entire committee at one time. The two (2) vacancies have occurred as previous nominees are not eligible for reappointment. Countywide (SB).

**Background and Justification:** The Hazardous Materials Oversight Committee was established by ordinance in 1998 to establish standards and review the effectiveness and adequacy of the regional hazardous materials emergency response teams. The Ordinance stipulates that all Oversight Committee appointments be nominated by specific entities or areas of interest and be appointed by the County Commission.

**Attachments:**

ORDINANCE NO. 98-13

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF PALM BEACH COUNTY, FLORIDA, TO BE KNOWN AS THE PALM BEACH COUNTY COUNTYWIDE REGIONAL HAZARDOUS MATERIALS ORDINANCE, PROVIDING FOR: SHORT TITLE; AUTHORITY AND PURPOSE; APPLICABILITY; DEFINITIONS; CREATION OF AN OVERSIGHT COMMITTEE; CREATION OF REGIONAL HAZARDOUS MATERIALS RESPONSE TEAMS; COST RECOVERY FOR SERVICES RENDERED; PENALTIES; INCLUSION IN CODE; REPEAL OF LAWS IN CONFLICT; SEVERABILITY; AND EFFECTIVE DATE

WHEREAS, Chapter 252, Florida Statutes, requires the Board of County Commissioners of Palm Beach County to establish an emergency management agency and to provide for and maintain the safety of citizens from hazardous chemical emergencies; and

WHEREAS, Palm Beach County adopted an Emergency Management Plan in accordance with Chapter 252, Florida Statutes and Chapter 9G-6 Florida Administrative Code (FAC); and

WHEREAS, Municipalities may adopt emergency management plans for their jurisdiction which must be coordinated with, consistent with and subject to the County Emergency Management Plan; and

WHEREAS, Municipalities without adopted emergency management plans are to be served by their respective county agencies; and

WHEREAS, 40 CFR 310, Requires local government to establish a cost recovery program for costs associated with temporary emergency measures necessitated by a release of a hazardous substance; and

WHEREAS, the Palm Beach County Inter-Governmental Coordinating Committee recommends establishing Regional Hazardous Materials Response Teams; and

WHEREAS, the Palm Beach County Fire Chiefs Association has developed an Operational Plan to deliver hazardous materials response and mitigation to the entire Palm Beach County service area; and

WHEREAS, in order to effectively promote the health, safety and welfare of the residents of Palm Beach County, it is necessary to establish regional hazardous materials response teams and provide for the recovery of costs associated with such services.

NOW, THEREFORE BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF PALM BEACH COUNTY, FLORIDA, that:

**Section 1. SHORT TITLE**

This Ordinance shall be known and may be cited as the "Palm Beach County Regional Hazardous Materials Response Ordinance of 1998".

**Section 2. AUTHORITY AND PURPOSE**

This Ordinance is promulgated pursuant to Chapter 252, Florida Statutes. The purpose of this Ordinance is to promote the health, safety, and welfare of residents of Palm Beach County in the event of a hazardous chemical leak/spill by establishing regional hazardous materials response teams, providing performance standards for delivery of such services, establishing an oversight committee and establishing cost recovery for those costs associated with responding to hazardous materials emergencies.

ORDINANCE NO.

98-13

### Section 3. APPLICABILITY

It is hereby provided that this Ordinance shall constitute a uniform law applicable in all the unincorporated and incorporated areas of Palm Beach County, Florida, as authorized by Chapters 125 and 252, Florida Statutes.

### Section 4. DEFINITIONS

(a) "COST". Any and all necessary and reasonable expense incurred by a Regional Hazardous Materials Response Team in connection with investigating, minimizing, removing or abating the release of a hazardous substance and/or hazardous waste. Such reasonable cost shall include, but not be limited to; the cost of expendable supplies such as firefighting foam, chemical extinguishing agent, absorbent materials, recovery drums, protective clothing and testing equipment; cost of equipment operation and/or rental; and actual labor costs of emergency response personnel.

(b) "DISCHARGE". Any intentional or unintentional action or omission resulting in the release, spilling, pumping, pouring, emitting, emptying or dumping of hazardous substance upon public or private property located within Palm Beach County.

(c) "HAZARDOUS MATERIAL RESPONSE TEAM". Organized response team of emergency response personnel, specially trained to recognize, respond to and mitigate hazardous materials emergencies, in accordance with the Palm Beach County, Comprehensive Emergency Management Plan, and the standards established by the Palm Beach County Regional Hazardous Materials Oversight Committee.

(d) "HAZARDOUS SUBSTANCE". Any substance or material in a quantity or form, which poses an unreasonable and imminent risk to life, health, safety or welfare of persons or property within the County including, but not limited to, those substances listed in the National Fire Protection Association's 'Guide on Hazardous Materials', the EPA's list of "Extremely Hazardous Substances", as contained in 40 CFR 355 or the "Florida Substance List", promulgated by State Department of Labor and Security, or by CERCLA in 40, CFR 300.6.

(e) "THE OVERSIGHT COMMITTEE". The Palm Beach County Regional Hazardous Materials Oversight Committee.

(f) "RESPONSE ACTIONS". Any activity which is carried out in response to any discharge/release or threatened discharge/release of any hazardous substance, including but not limited to; investigating, monitoring, assessing, containing, cleaning up or disposing of hazardous substances.

(g) "RESPONSIBLE PARTY". One or more person, persons, partnership, corporation, joint ventures, association or other entities or any combination thereof found, upon investigation by a regional hazardous materials response team, to have caused or contributed to the discharge or release of a hazardous substance.

(h) "TECHNICAL REVIEW TEAM". A three (3) person review team, to be appointed by the Oversight Committee comprised of Chief Fire Officers from non-service provider, Fire-Rescue departments within Palm Beach County.

### Section 5. OVERSIGHT COMMITTEE

The Palm Beach County Board of County Commissioners shall appoint a Five (5) member Oversight Committee to establish the standards and review the effectiveness of delivering hazardous materials emergency response services on a regional basis.

**5.1 Membership.** The committee shall consist of one (1) member, representing each of the following groups:

- (a.) Palm Beach County Public Health Unit
- (b.) Palm Beach County Municipal League
- (c.) Solid Waste Authority of Palm Beach County
- (d.) Palm Beach County Fire Chiefs Association
- (e.) Department of Emergency Management.

Appointments shall be based on recommendations submitted by the represented group. Each member shall be appointed to the oversight committee in accordance with Palm Beach County PPM # CW-O-023 "Board Appointments".

ORDINANCE NO

98-13

**5.2 Terms of Office** Each member shall serve a term of three (3) years. Members may be reappointed for a maximum of two (2) consecutive terms.

**5.3 Meetings.** The Oversight Committee shall meet at least quarterly or more often as determined by the membership.

**5.4 Duties and Responsibilities.** The responsibilities of the Oversight Committee shall include, but not be limited to:

- (a) Recommend a Solid Waste Authority fee schedule to provide a partial funding source for the designated hazardous materials response teams.
- (b) Oversee funds recovered as a direct result of response actions in accordance with section 7 of this ordinance.
- (c) Recommend and oversee performance standards for the delivery of regional hazardous materials response services.
- (d) Monitor and evaluate the distribution of funds and supplies to each of the hazardous materials response service providers.
- (e) Review the findings of the Technical Review Team to assure effectiveness of the regional delivery of hazardous materials response services.
- (f) Submit a written report, at least annually, to the Board of County Commissioners, on the effectiveness of the Regional Hazardous Materials response program.

**5.5 Technical Review Team.** The Oversight Committee shall appoint a Technical Review Team consisting of three Chief Fire Officers from Fire-Rescue Departments not providing Regional Hazardous Materials teams.

**5.6 Responsibilities of the Technical Review Team.**

- (a) Visit sites of each of the Haz-Mat service providers twice a year to assure compliance with the Standards of Performance as approved by the Oversight Committee.
- (b) Examine service providers records to document performance criteria such as, but not limited to; daily staffing of each Haz-Mat team, turnout time, response time, minimum equipment accessibility, incident documentation, personnel certifications and in-service training programs.
- (c) Participate in each of the significant Post Incident Analysis conducted by the Regional Hazardous Materials Teams.
- (d) Submit a written report annually, to the Oversight Committee on each team's compliance with the established performance standards.
- (e) Examine the incidence of hazardous materials emergencies within the entire County and report to the Oversight Committee on the effectiveness of the Regional Hazardous Materials Response Teams.

## **Section 6. HAZARDOUS MATERIALS RESPONSE TEAM**

In order to provide the most efficient emergency response to hazardous materials incidents, there shall be maintained sufficient Hazardous Materials Response Teams to provide such services throughout the entire service area of Palm Beach County, as deemed necessary by the Regional Hazardous Materials Oversight Committee. Those Regional Hazardous Materials Response Teams are hereby authorized to undertake response actions in the event of discharges or threatened discharges of any hazardous substance, discharged upon or into any public or private property or facility, located within Palm Beach County. Each of the identified teams shall be part of properly authorized Fire-Rescue Departments from within Palm Beach County and shall maintain readiness to the standards established by the Regional Hazardous Materials Oversight Committee.

**6.1 Jurisdiction.** Each team is authorized to make its emergency response services available, upon request, to any incorporated or unincorporated area within Palm Beach County, in accordance with the Emergency Response Plan as approved by the Regional Hazardous Materials Oversight Committee.

**6.2 Notification.** Any jurisdiction requiring assistance from a Regional Hazardous Materials Response Team may request assistance in accordance with the established notification and dispatch procedures for regional hazardous materials response as adopted by the Fire Chief's Association of Palm Beach County.

**ORDINANCE NO. 98-13**

**6.3 Records.** All records generated by the staffing, training, emergency response and administration of the regional response teams shall be made available to the Technical Review Team upon request.

**6.4 No Delegation:** Nothing herein shall delegate the primary responsibility for response from the governing jurisdiction to the requested Response Team.

### **Section 7. COST RECOVERY**

Any person(s) responsible for causing or allowing a discharge or threatened discharge of any hazardous substances which require response actions by a Regional Hazardous Materials Response Team, in order to protect the public health, safety, welfare, or the environment shall be required to reimburse the County Division of Emergency Management (DEM) for the full amount of the cost of any and all response actions. When responding to an emergency caused by a discharge or threatened discharge of hazardous substances, the responding Regional Hazardous Materials Team shall keep a detailed record of the costs of all response actions. The cost of all response actions shall be calculated in accordance with the following schedule.

(a) For all incidents of less than four (4) hours duration, the responsible party shall reimburse the County for the costs of all expendable supplies used during response actions, including, but not limited to: firefighting foam, chemical extinguishing agents, recovery drums, absorbent materials, protective clothing, gloves and testing equipment.

(b) For all incidents of four (4) hours or greater in duration, the responsible party shall reimburse the County for the costs of all expendable supplies used during response actions, the costs of equipment and apparatus used during response actions and the actual labor costs of personnel assigned to the responding Regional Hazardous Materials Response Team. The cost of the equipment and apparatus shall be calculated in accordance with the current State of Florida, Fire Apparatus Rate Schedule, as approved by the State of Florida, Department of Emergency Management, and as periodically amended.

(c) For the purpose of this ordinance, "duration" shall be considered as the time period beginning with the arrival on scene of the first Regional Hazardous Materials Response Team member and ending with the release of the last Regional Hazardous Materials Response Team member from the scene and the return to their home station.

**7.1 Authority to recover costs.** The County, through its Division of Emergency Management (DEM) is hereby authorized to invoice and collect the emergency response costs from the responsible party. In the event that the responsible party does not reimburse the County for the recoverable costs, DEM is authorized to seek reimbursement from the Federal Government in accordance with 40 CFR 310. Further, any municipal jurisdiction may invoice the responsible party for the allowable cost of those municipal services which were required to support the Regional Hazardous Materials Response Team during its emergency response actions, including, but not limited to, Law Enforcement and Public Works services.

**7.2. Use of recovery funds.** All monies recovered from the responsible party or from the Federal Government as reimbursement for response actions shall be used for the following purposes exclusively:

- (a) To provide for the continual re-stocking of expendable supplies to each of the Regional Hazardous Materials Responses Teams through a central supply and distribution warehouse. Such a central supply and distribution warehouse shall be administered by Palm Beach County Fire-Rescue Department.
- (b) To provide for the replacement of damaged and/or destroyed non-expendable equipment to each of the Regional Hazardous Materials Response Teams.
- (c) To provide for the enhancement of Regional Hazardous Materials Response services.
- (d) As otherwise recommended by the Oversight Committee.

ORDINANCE NO.

## Section 8. PENALTIES

8.1 Invoice. Any person responsible for causing or allowing a discharge or threatened discharge of a hazardous substance and who fails to reimburse the County within thirty (30) days from issuance of the invoice shall be subject to a late fee in the amount of eighteen (18) percent per annum of the total amount of the invoice.

8.2 Violation of ordinance. Failure to provide payment within six (6) months of the issuance of the invoice is a violation of this Ordinance and shall be prosecuted in the same manner as a misdemeanor pursuant to Section 125.69, Florida Statutes, and upon conviction, the violator shall be subject to a fine not to exceed Five Hundred Dollars (\$500) and/or imprisonment in the County Jail for not more than sixty (60) days, or both.

8.3 No limitation. Prosecution under paragraph 8.2 above shall not preclude enforcement and collection of the invoiced amount and late fees provided for in paragraph 8.1.

## Section 9. INCLUSION IN CODE OF LAWS AND ORDINANCES

The provisions of this Ordinance shall become and be made part of the Code of Laws and Ordinances of Palm Beach County, Florida. The sections of this Ordinance may be renumbered or relettered to accomplish such; the word "Ordinance" may be changed to "section", "article" or other appropriate word.

## Section 10. REPEAL OF LAWS IN CONFLICT

Any laws or ordinances in conflict with this Ordinance which Palm Beach County is authorized to repeal are hereby repealed.

## Section 11. SEVERABILITY

If any section, paragraph, sentence, clause, phrase or word of this Ordinance is, for any reason, held or declared by a court to be unconstitutional, inoperative or void, such holding shall not affect the remainder of this Ordinance.

## Section 12. EFFECTIVE DATE

The provisions of this Ordinance shall become effective upon filing with the Department of the State.

APPROVED AND ADOPTED by the Board of County Commissioners of Palm Beach County, Florida on the 21st day of April, 1998.

**RE: Palm Beach County Health Department's Membership Nomination – Regional  
Hazardous Materials Oversight Committee**

Dear Chief O'Bannon:

Palm Beach County Health Department is proud to offer **Mrs. Dianne Strock** as a candidate for membership in the Palm Beach County Regional Hazardous Materials Oversight Committee.

Dianne has over 25 years of experience with our Department and has worked directly with the District 10 Local Emergency Planning Committee for over 10 years.

I believe that because of Dianne's abilities, experience, and interest in public health she would serve well in this capacity.

Please do not hesitate to contact me at (561) 355-3070 ext. 1152 if you wish for me to offer further comments or respond to questions.

Sincerely,

John O'Malley, P.G., R.S., Director  
Division of Environmental Health & Engineering  
Palm Beach County Health Department
