<u>Seat No.</u>	<u>Appointment</u>	<u>Member Category</u>
36	Rev. Dr. Gary Leopard	General Representative

**Summary:** On May 1, 2007, the Board of County Commissioners approved a resolution establishing the Homeless Advisory Board. The Advisory Board consists of sixteen (16) core members who are principally elected officials or agency heads (or their designees) and twenty (20) community and business members. The community and business member seats are broken down as follows: seven (7) business representatives; three (3) private foundation representatives; four (4) formerly homeless representatives; one (1) faith based community representative; one (1) philanthropist; one (1) housing authority representative; one (1) hospital executive officer; and two (2) general members. In accordance with the establishing resolution, the community and business representatives to this advisory board are nominated by the core members. The Rev. Dr. Leopard will complete the term of the seat vacated by Rev. Andrew Sherman. This nomination was approved by the core members on February 18, 2009. (Human Services) Countywide (TKF)

**Background and Justification:** The impetus for developing this Board stems from the federal mandate that communities implement plans to end homelessness and a desire of the Board of County Commissioners to achieve consensus on dealing with this multi-faceted and complex problem. The Homeless Advisory Board served as liaison to the BCC in the development of a ten-year strategic plan to end homelessness and continues this role as the plan is implemented. The Board will be accountable for tracking and reporting the progress in achieving the goals and objectives outlined in the strategic plan. The Division of Human Services provides staff support to this Board.

I. EXECUTIVE BRIEF

**Motion and Title:** Staff recommends motion to: approve a resolution establishing a Homeless Advisory Board.

**Summary:** On December 5, 2006, the Board of County Commissioners conceptually approved the establishment of a Homeless Advisory Board. The impetus for developing this Board stems from the federal mandate that communities implement plans to end homelessness. The Homeless Advisory Board would serve as liaison to the BCC as well as facilitate coordination of a vision and adoption of the Ten Year Strategic Plan to End Homelessness. The purpose of developing a Homeless Advisory Board is to achieve consensus on dealing with this multi-faceted and complex issue in regards to homelessness in Palm Beach County. Additionally, the Board will be accountable for tracking and reporting the progress in achieving the goals and objectives outlined in the Strategic Plan. The Advisory Board will consist of sixteen (16) Core members to include ten (10) elected officials from both county and city municipalities, judicial, law enforcement; and six (6) members to include Palm Beach County Health Department Director, United Way of Palm Beach County Chief Executive Officer, Health Care District Chief Executive Director, Children's Services Council Chief Executive Officer, Florida Department of Children and Families District Administrator, and Emergency Shelter Grant Advisory Board Chairperson or Board Member. There will be sixteen Community and Business Member Seats which shall be filled by individuals nominated by a majority vote of individuals in Core Member Seats. The sixteen (16) community and business partners include: seven (7) business representatives; three (3) private foundation representatives; two (2) formerly homeless representatives; one (1) faith based community representative; one (1) philanthropist; one (1) Housing Authority representative; and one (1) hospital executive officer. The Division of Human Services will provide staff support to this Board. (Human Services) Countywide (TKF)

**Background and Justification:** In 1995, the BCC began addressing homelessness when homeless individuals and families began congregating in county parks. From this initial project, Human Services began to work with the Palm Beach County Homeless Continuum of Care to bring federal resources to supplement local dollars. This is a county-wide issue that has not gone away. Efforts to date have been coordinated by service providers. To truly address the issues of homelessness, others need to participate. The Division has served as the Lead Entity for Homeless Services and is charged with developing a Plan to End Homelessness in Palm Beach County in the next ten years. This complex issue has necessitated the need for the development of a comprehensive, all inclusive Homeless Advisory Board.
