I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to adopt: AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF PALM BEACH COUNTY, FLORIDA, AMENDING CHAPTER 14, ARTICLE 1, DIVISION 3, SECTIONS 14-31 AND 14-32 OF THE PALM BEACH COUNTY CODE; PROVIDING FOR GENERAL REQUIREMENTS; PROVIDING FOR SECURING OF VACANT STRUCTURES AND LIMITING THE HEIGHT OF OVERGROWTH ON DEVELOPED PROPERTY; PROVIDING FOR APPLICABILITY; PROVIDING FOR A SAVINGS CLAUSE; PROVIDING FOR REPEAL OF LAWS IN CONFLICT; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN CODE OF LAWS AND ORDINANCES; AND PROVIDING FOR AN EFFECTIVE DATE.

Summary: The ordinance amends the Property Maintenance Code to provide for the option of a vacant structure being secured by boarding up in those instances where repeated vandalism occurs or there is evidence of unauthorized access. It also amends the section addressing maintenance of exterior property areas, i.e. overgrowth, to be consistent with the provisions set forth in the lot clearing section of the Code which prohibits overgrowth of more than 7 inches on developed lots. <u>COUNTYWIDE</u>; (GB)

Background and Policy Issues: Currently, the Property Maintenance Code requires all vacant structures be maintained as if they were occupied. Glass and glazing in windows need to be maintained; doors are to remain operable and in place; walls and roof areas are to be maintained in a clean, safe and intact condition, water- and weather tight. In several instances, this is not feasible. The latest increase in foreclosures has left a number of vacant structures to be used by whoever gains access. Further, many vacant structures suffer repeated vandalism causing a negative impact on the surrounding community. In such cases, staff has found that it is better to have the structures completely secured to prevent access and further damage.

The second change to the ordinance brings the regulations set forth under maintenance of exterior areas into conformance with the regulations set forth in a different part of the ordinance dealing with lot clearing. Chapter 6 of the Code was amended a couple years ago to differentiate between overgrowth on developed property and overgrowth on vacant property. The Chapter addressing maintenance of exterior areas, set forth in the beginning of the code, was not amended.
