Background and Policy Issues: On December 16, 1997 the Board approved Resolution 97-2152, expressing the intent of Palm Beach County to use the Uniform Method of collecting non-ad valorem special assessments. The Uniform Method provides for inclusion of water and street improvement project special assessments on the tax bill. Final approval of the billing method was given on July 21, 1998 at a public hearing pursuant to Chapter 197, Florida Statutes. This method has been utilized since 1998.

Each year the Board must conduct a public hearing for approval of the use of the Uniform Method and to adopt the assessment roll for all special assessment projects completed since the last public hearing held for this purpose.

Pursuant to Chapter 197, Florida Statutes, Palm Beach County notified each person subject to the assessment of a public hearing to be held on July 21, 2009. The notifications were sent by U. S. mail as required by Statute. Notice published in the Palm Beach Post on June 14, 2009 has informed the public that, at the public hearing the Board shall receive any written objections to roll adoption, hear testimony from all interested parties and adopt the non-ad valorem assessment roll.
