Summary: The proposed amendment will allow for the funding of five (5) non-profit organizations to provide assistance and support services for the development of microenterprises (24 CFR570.201(o)) under the CDBG Set-Aside Program for Economic Development. The individual organizations include: The Business & Economic Development & Revitalization (BEDR) Corporation of Palm Beach County, Inc. (\$79,200), The Center for Technology, Enterprise and Development (TED), Inc. (\$79,200), The Enterprise Development Corporation (EDC) of South Florida, Inc. An amount of \$681,578, which represents the 10% set-aside from the FY 2009 / 2010 CDBG Program, is available for distribution under the CDBG Economic Development Set-Aside Program. These are Federal Community Development Block Grant funds which do not require local matching funds. <u>Countywide</u> (DW)

Background and Policy Issues: Pursuant to the Housing and Urban Development (HUD) rules and regulations located at 24 CFR Part 91.505, Palm Beach County is required to make an amendment to its approved Annual Action Plan whenever it makes one of the following decisions: 1) to make a change in its allocation priorities or a change in the method of distribution of funds; 2) to carry out an activity, using funds from any program covered by the Annual Action Plan or Final Statement (i.e. Community Development Block Grant (CDBG), Home Investment Partnerships (HOME), Emergency Shelter Grant (ESG) Programs, and program income not previously described in the Plan; or 3) to change the purpose, scope, location, or beneficiaries of an activity. **Continued on Page 3**

H:\WPDATA\AgendaSumm\AGNDA-Amend No.1_CDBGSet-AsideFY2009-2010.doc

Continued from Page 1

Background and Policy Issues:

The proposed amendment consists of changing the scope of an activity previously identified under general description in the Annual Action Plan for Fiscal Year 2009 / 2010. Under the Department of Housing and Community Development's (HCD) Guidelines for Amendments and Revisions to the Annual Action Plan, this constitutes a regular amendment. Prior to amending the Annual Action Plan, Palm Beach County is required to provide citizens with reasonable notice and opportunity to comment on the proposed changes. Regular amendments do not require a comment period. The advertisement notifying the public of a regular amendment was published in the Palm Beach Post on September 1, 2009.

On July 21, 2009, the BCC adopted a Resolution (#R2009-1206) approving the Palm Beach County Action Plan for FY 2009 / 2010. The proposed Amendment No. 1 consists of changing the scope of the ten percent (10%) set-aside for economic development activities, which was approved as a part of the Annual Action Plan. The change of scope involves the identification of the funded activities.

On September 23, 2008, the BCC approved criteria changes to the CDBG Economic Set-Aside Program to allow for County designated sub-recipients to receive non-competitive funds for eligible special economic development activities (24 CFR570.203) that meet a U.S. Department of Housing and Urban Development (HUD) objective.
