WITNESSETH:

PALM BEACH COUNTY PROJECT No. PB 09-6**

in accordance with the Bid therefore and for and in consideration of the promises and of the covenants and agreements, and of the payments herein specified, to be made and performed by the Contractor and the Owner, the Contractor hereby covenants and agrees to and with the Owner to undertake and execute all of the said named work, in a good, substantial and workmanlike manner, and to furnish all the materials and all the tools and labor necessary to properly perform and complete the work ready for use, in strict accordance with all the provisions of the Contract including the following documents described below which are made a part hereof and incorporated herein by reference:

- Invitation to Bid and Instructions to Bidders dated July 2009.
- Completed Bond, Surety and Insurance Forms, dated _____.
- Specifications, dated July 2009.
- General Provisions, dated July 2009.
- Special Provisions, dated July 2009.
- Addendum No. 1, dated July 27, 2009.
- Drawings, dated July 2009.
- Completed Bid and Attachments, dated August 6, 2009.

and to accept as full compensation for the satisfactory performance of this Contract the sum of **Nine Hundred Ninety Five Thousand Two Hundred Fifty Six and 20/100 Dollars (\$ 995,256.20)** Total Base Bid for **Terminal Enplane Level and Deplane Level Lighting Improvements at Palm Beach International Airport**.

The prices named in the Bid are for the completed work, and include the furnishing of all materials and all labor, tools, and appliances and all expense, direct or indirect, connected with the proper execution of the work and of maintaining the same until it is accepted by the Board of County Commissioners.

Time is of the essence. The Contractor shall commence the work to be performed under this Contract on the date set by the Owner in the written notice to proceed, continue the work with due diligence and shall complete the entire work per Attachment No. 2 to the Bid Form. Further, in the event interim milestone completion dates are established in Attachment No. 2 of the Bid Form for separable portions of the work, the Contractor agrees to complete said separable portions of the work in accordance with said milestone dates.

In case of failure on the part of the Contractor to complete the work within the time(s) specified in the Contract, or within such additional time(s) as may be granted by formal action of the Board of County Commissioners or fails to prosecute the work, or any separable part thereof, with such diligence as will insure its completion within the time(s) specified in the Contract or any extensions thereof, Owner will suffer damage, the amount of which is difficult, if not impossible to ascertain. Therefore, the Contractor shall pay to the Owner, as liquidated damages, the amounts indicated in the Milestone and Damages Data (Attachment #2 of the Bid Form) for each calendar day of delay that actual completion extends beyond the time limits specified in said Attachment until such reasonable time as may be required for final completion of work. In no way shall costs for liquidated damages be construed as a penalty on the Contractor.

Liquidated damages due to the Owner may be deducted from payments due to the Contractor, or may be collected from the Contractor or its surety or sureties. These provisions for liquidated damages shall not prevent the Owner, in case of the Contractor's default, from terminating the Contractor's right to proceed as provided in General Provision section 80-09 "Default and Termination of Contract".

Utilization of Disadvantaged Business Enterprises

It is the Policy of Palm Beach County Department of Airports and Department of Transportation that Disadvantaged Business Enterprises (DBE) as defined in 49 CFR Part 26 shall have the maximum practicable opportunity in the performance of contract financed in whole or in part with Federal Funds. DBEs must be certified with the Palm Beach County Department of Airports or Florida Department of Transportation (FDOT). List Proposed DBE Subcontractors on Schedule 1 and complete one Schedule 2 form for each DBE listed on Schedule 1.

As provided in F.S. 287.132-133, by entering into this contract or performing any work in furtherance hereof, the contractor certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the Convicted Vendor List maintained by the State of Florida Department of Management Services within the 36 months immediately preceding the date hereof. This notice is required by F.S. 287.133 (3) (a).

IN WITNESS WHEREOF, the Board of County Commissioners of Palm Beach County, Florida, has made and executed this Contract on behalf of the said Owner and caused the seal of the said Owner to be affixed hereto, and the Contractor has hereunto set his hand and seal the day and year above written.

Subject: **PBC 09-6: Terminal Enplane Level and Deplane Level Lighting Improvements
Bid Tabulation, Review and Recommendation**

Dear Mr. Sypek,

THE LPA GROUP INCORPORATED has reviewed the bids submitted on August 6, 2009 for the subject project. The project had a total of five (5) bidders, whose bids were evaluated by our office for responsiveness to the RFP. The bid price forms submitted by each were evaluated in the attached bid tabulation; the results are summarized below:

	<i>Base Bid</i>
DAVCO Electrical Contractors Corporation	\$995,256.20
Signal Group, Inc.	\$999,926.00
Traffic Control Devices, Inc.	\$1,146,146.00
Current Connections, Inc.	\$1,149,636.80
Canseco Electrical Contractor	\$1,415,600.00*

* Indicates Mathematical Error, Total Adjusted

DAVCO Electrical Contractors Corporation provided the lowest Base Bid at **\$995,256.20**. Their bid proposal was within about 5% of the Engineers Estimate. Listed below are some details of their bid:

- DAVCO was incorporated in 1985 and is headquartered in Palm Beach County, Fl. They appear to have sufficient staff to manage the project, with over 150 field employees.
- No unbalanced unit prices were found.
- DAVCO's 'Bidder Qualification Questionnaire' identifies several major projects completed in the last 5 years, which are similar in scale to this project and completed at the PBIA. Past performance was acceptable. Annual gross receipts of \$24M in 2008.
- DAVCO has a bonding capacity of \$30M, with \$5M of that capacity used.
- DAVCO included a current Palm Beach County license as an Electrical Contractor.
- A signed bid, acknowledged addenda, and completed forms all accompanied the bid at the time of submittal. It is therefore the opinion of The LPA Group this bid is responsive.

Based on the aforementioned evaluation, THE LPA GROUP INCORPORATED recommends a construction contract be awarded to **DAVCO Electrical Contractors Corporation** for the Base Bid, in the amount of **\$995,256.20**. This recommendation is contingent upon Agency review, S/DBE Office review, County Commission approval, and the availability of funds.

If you have any questions, or if we can be of further assistance, please do not hesitate to contact us.

Sincerely,
THE LPA GROUP INCORPORATED
