I. EXECUTIVE BRIEF

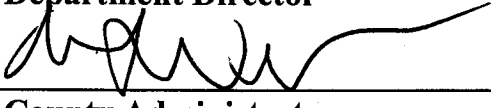

Motion and Title: Staff recommends motion to approve: an Interlocal Agreement with the City of Belle Glade (City) providing for the City's donation of an approximate 0.82 acre parcel of real property located in Belle Glade to the County together with an access easement.

Summary: The County has recently completed renovations to the existing Fire-Rescue Station No. 73 located at 525 SW 2nd Street in Belle Glade. Fire-Rescue requires additional property to build their administrative offices in Belle Glade. This Interlocal Agreement provides for the City's donation of a 0.82 acre parcel of land for fire-rescue purposes and the County's donation of \$75,000 to be applied towards the re-configuration of the master plan of their new municipal complex. The 0.82 acres is adjacent to the existing Fire-Rescue Station No. 73 property and is located within the City's municipal services compound. The Interlocal Agreement requires the City to grant County, at closing, an access easement over a proposed internal roadway area which will service the municipal complex. The easement area is an irregularly shaped parcel that is approximately 30' wide by 142.11' long and contains 3,348 square feet and is located along the northeast side of the site. This is a perpetual, non-exclusive easement for the purposes of ingress and egress to the County property and is being granted to the County at no additional charge. Closing is expected to take place within 75 days of the effective date of this Interlocal Agreement. In the event the County ceases to provide fire-rescue services to the City, the City has the option of purchasing the property for the appraised value of any improvements existing on the property. **(PREM) District 6 (HJF)**

Background and Justification: The County and City entered into an Interlocal Agreement on December 20, 2005 (R2005-2442), as amended on April 10, 2007, by the First Amendment to Interlocal Agreement (R2007-0563), for the provision of fire protection and emergency medical services within the City. In 2007, the County purchased the City's existing fire station and the surrounding property (1.76 acres) for a nominal amount of \$1.00. Renovations to the existing structure were made to accommodate the operations of the Fire-Rescue Station No. 73 and have been completed. Fire-Rescue has a need to build administrative offices (Battalion Headquarters) in the Glades Area and additional property is required. The 0.82 acres is adjacent to the existing Fire-Rescue Station No. 73 property and is located within the City's municipal services compound. It is the County's intent to design and construct a driveway over the access easement area which will service the fire station and the municipal complex. The City is in need of funding for the re-design and planning of proposed improvements to its municipal complex. It is in the best interest of the City and County to donate the property and funding required by each. In the event the County elects not to accept the donation of the property, the County has the right to terminate this Interlocal Agreement and will be relieved of all further obligations therein. This is scheduled for the City's October 19th Board meeting.

WHEREAS, County and City entered into an Interlocal Agreement on December 20, 2005, (R2005-2442), as amended on April 10, 2007, by the First Amendment to Interlocal Agreement (R2007-0563), for the provision of fire protection and emergency medical services within the City, by the County; and

WHEREAS, pursuant to the terms of the 2005 Interlocal Agreement, as amended, County acquired title to the property for Fire Station #73 from City; and

WHEREAS, in furtherance of County's provision of service to City, County wishes to acquire City-owned property adjacent to Fire Station #73 for the construction of administrative offices for Palm Beach County Fire Rescue, and City wishes to donate its property to County for that purpose; and

WHEREAS, Fire Station #73 and the planned County Fire Rescue administrative offices are located within the City's municipal services compound, and County wishes to contribute to the improvement of the compound by donating funds towards the re-design and planning of the City's municipal complex ; and

WHEREAS, it furthers the interests of, and is in the best interest of, City and County to donate the property and funding desired by each; and

NOW, THEREFORE, in consideration of the parties' mutual donations, the terms and conditions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **RECITALS.** The foregoing recitals are true and correct and incorporated herein by reference.
2. **PURPOSE.** The purpose of this Agreement is to provide a means by which the County acquires the property it needs to build Fire Rescue administrative offices in Belle Glade, and the City receives funding to prepare a new master plan and re-design its municipal complex as a result of donating the land for fire rescue purposes in lieu of using it for the purposes shown in the current master plan.

3. GENERAL AGREEMENTS.

3.1 Donation of Property. Upon satisfaction of and subject to the terms, conditions, and covenants contained herein, City shall convey to County, at no charge, the approximately 0.82 acres of real property, together with all improvements located thereon, if any, and all right, title, interest, privileges, estates, tenements, hereditaments, and appurtenances, including, without limitation, any and all streets, roads, highways, easements, accesses, and rights of way appurtenant thereto, hereinafter referred to as the "Property", which is more particularly described as follows:

SEE ATTACHED EXHIBIT "A".

3.2 Donation of Funds. Upon satisfaction of and subject to the terms, conditions, and covenants contained herein, County shall donate to City the sum of Seventy-Five Thousand Dollars (\$75,000) ("Improvement Funds") to be applied towards the cost of re-design and planning a new municipal complex or for any lawful purpose the City deems appropriate.

4. INSPECTION OF PROPERTY. The Inspection Period shall be that certain period of time commencing upon the Effective Date of this Agreement and terminating sixty (60) days thereafter. During the Inspection Period, County and its engineers, surveyors, agents and representatives shall have unrestricted access to the Property for purposes of survey, testing and inspection thereof. All surveys, testing and inspections shall be conducted by County at its expense, and shall be performed by licensed persons or firms dealing in the respective areas or matters tested. All testing shall be done in the least intrusive manner reasonably practical. In the event County elects not to accept the donation of the Property, County shall restore the Property to the condition in which it existed prior to such inspections, using materials of like kind and quality. Nothing contained herein shall be construed to prohibit County from disclosing the results of said inspections as may be required by applicable law. In the event that such inspections shall reveal a deficiency in the Property, as determined by County in its sole and absolute discretion, County shall have the right to terminate this Agreement at any time during the Inspection Period by giving written notice thereof to City, whereupon the parties shall be relieved of all further obligations hereunder.

5. EVIDENCE OF TITLE.

5.1 Within fifteen (15) days after the Effective Date of this Agreement, County shall obtain an owner's title insurance commitment, together with legible copies of all exceptions to coverage reflected therein, issued by SouthEast Guaranty & Title, Inc., agreeing to issue to the County upon the recording of the Warranty Deed to the Property from City to County, an owner's title insurance policy, insuring the marketability of the fee title of the County to the Property and the County's easement interest in the Access Easement as defined hereinafter, subject only to the Permitted Exceptions as set forth in Exhibit "B" attached hereto. The cost of said title insurance commitment and title insurance policy and any premium therefor shall be borne by County.

The County shall have until the end of the Inspection Period in which to review same. In the event the title insurance commitment shall show as an exception any matter other than the Permitted Exceptions, County shall notify City of County's objection thereto, and City may, but is not required to, act with reasonable effort, including bringing suit, to remove such exception(s), which exceptions shall be deemed to constitute title defects. City shall be entitled to ninety (90) days from the date of notification by County (with adjournment of the Closing Date, if necessary) within which to cure such defects or to make arrangements with the title insurer for deletion of any such title defects from the title insurance commitment without the inclusion of any additional exceptions to coverage. If the defect(s) shall not have been so cured or removed from the title insurance commitment by endorsement thereto at the termination of the said ninety (90) day period, County shall have the option of: (a) accepting title to the Property as it then exists; or (b) terminating this Agreement, by giving written notice thereof to City.

5.2 County may request, prior to the Closing, an endorsement of the title insurance commitment making it effective to within fifteen (15) days of the Closing Date.

5.3 From and after the Effective Date of this Agreement, City shall take no action which would impair or otherwise affect title to any portion of the Property, and shall

record no documents in the Public Records which would affect title to the Property, without the prior written consent of the County.

6. SURVEY. County shall have the right, within the time period provided in Section 5 for delivery and examination of title, to obtain a current survey of the Property and all improvements thereon. If the survey reveals any encroachments, overlaps, boundary disputes, or other defects, or any matters other than the Permitted Exceptions, the same shall be treated as title defects as described in Section 5 of this Agreement, and County shall have the same rights and remedies as set forth therein.

7. DEVELOPMENT OF PROPERTY. County is acquiring the Property for construction of a Fire Rescue Battalion Headquarters. County shall have the right during the Inspection Period to perform any due diligence it feels is required to determine whether the Property may be developed for County's intended purposes. In the event that such due diligence reveals a potential development problem, as determined by County in its sole and absolute discretion, with regard to County's intended use of the Property, County shall have the right, at its sole option, to either extend the Inspection Period by sixty (60) days, or to terminate this Agreement at any time during the Inspection Period by giving written notice thereof to City, whereupon the parties shall be relieved of all further obligations hereunder. In the event County's development of the Property requires the consent or joinder of City, as the adjoining property owner, with regard to any required document including but limited to applications, easements, or plat or plat waiver, City shall cooperate with County and not unreasonably withhold its consent or joinder.

8. ACCESS EASEMENT. City shall, at Closing, grant County an access easement over City's adjacent property, at no charge and in the form attached hereto as Exhibit "C" ("Access Easement"), for access to and from the Property. County will, at County's sole cost and expense, design and construct a driveway over the easement premises identified in the Access Easement.

9. CLOSING: This Agreement shall be closed and the deed delivered within 15 days after the end of the Inspection Period. The following are additional details of closing:

A. Time and Place: The closing will be held at the County's Property and Real Estate Management Division, 2633 Vista Parkway, West Palm Beach, Florida 33411-5605, at a time to be mutually agreed upon by the City and the County. Alternatively, the closing may be held via overnight mail or other means through the closing agent designated by County for this transaction.

B. Conveyance: At closing, the City will deliver to the County a fully executed warranty deed in the form of Exhibit "D" attached hereto. County shall be responsible for preparation of the deed. City shall convey the Property without a reservation of mineral and petroleum rights pursuant to Florida Statutes, §270.11. County hereby petitions City to convey the Property without reservation of mineral and petroleum rights. City hereby finds that conveyance without such reservation of mineral and petroleum rights is appropriate and justified in light of the impact reservation of such rights would have upon the marketability, value and development potential of the Property.

C. Other Closing Documents: At Closing, City and County shall execute (i) closing statements prepared by County in accordance with the terms hereof, and (ii) the Access Easement.

D. Expenses:

1. County shall pay the following expenses at Closing:

2.1 Documentary Stamps required to be affixed to the deed of conveyance, if any.

2.2 All costs necessary to cure title defect(s) or encumbrances, other than the Permitted Exceptions, and to satisfy or release of record all existing mortgages and liens upon the Property.

3. The City and County shall each pay their own attorney's fees.

E. Improvement Funds: Upon conveyance of the Property to County, County shall donate the Improvement Funds to City. County's donation of the Improvement Funds is contingent upon City's donation of the Property to County.

10. PRORATIONS.

10.1 Taxes. On or before the Closing Date, City shall establish an escrow fund with the County Tax Collector pursuant to Florida Statutes Section 196.295, and shall pay into said escrow City's prorata portion of ad valorem and non-ad valorem real property taxes and assessments for the year of Closing and any prior years, if any, as determined by the Tax Collector. City's prorata share of all taxes and assessments shall include the day of Closing.

If as of the Closing Date, assessments or charges have been imposed against the Property or any part thereof which are, or which may become payable in annual installments, the first installment of which is then a charge or lien, or has been paid, then for the purposes of this Agreement, all of the unpaid installments of any such assessments, including those which become due and payable after the Closing Date, shall be deemed to be due and payable and to be a lien upon the premises affected thereby, and shall be paid and discharged by the City on or before the Closing Date. Any other assessments not deemed to be due and payable as aforesaid which burden County owned property shall be deemed to be payable on a calendar year basis in arrears and prorated accordingly.

11. CONDEMNATION. In the event that all or any part of the Property shall be acquired or condemned for any public or quasi-public use or purpose, or if any acquisition or condemnation proceedings shall be threatened or begun prior to the closing of this transaction, County shall have the option to either terminate this Agreement, and the obligations of all parties hereunder shall cease, or to proceed, subject to all other terms, covenants, conditions, representations, and warranties of this Agreement, to Closing, receiving, however, any and all damages, awards, or other compensation arising from or attributable to such acquisition or condemnation proceedings.
