Submitted For: Head Start/Early Head Start & Children's Services

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to:

A) Approve: Application to the Early Learning Coalition of Palm Beach County requesting funding for the period December 1, 2009, through July 30, 2010, in an approximate amount of \$1,434,030 to provide Voluntary Pre-Kindergarten (VPK) services to 536 children for 540 hours per child per year; and

B) Authorize: the County Administrator or designee to sign related documents regarding the VPK program.

Summary: The FY10 VPK Program will provide early childhood education services to 536 4-year olds currently enrolled in 10 of the County's Head Start centers: Jupiter, Riviera Beach, West Palm Beach, Westgate, Boynton Beach, Delray Beach, Lake Worth, Pahokee, South Bay, and Belle Glade (Palm Glades). Due to the many documents required by the Grantor, the delegation of signing authority by the County Administrator or his designee is being requested to expedite signed documents getting to the Grantor. The VPK reimbursement rate is \$2,675.43 for 540 hours per child/ per year. No County match is required. (Head Start) Countywide (TKF).

Background and Justification: A constitutional amendment passed by Florida's voters in November 2002 required a voluntary pre-kindergarten program for all 4-year old children by Fall 2005. The VPK Education Program was created and took effect in each county at the beginning of the 2005-2006 school year. The Program is organized, designed and delivered in accordance with Article 1X, Section 1(b) and (c) of the State Constitution. Palm Beach County Head Start and Children's Services Division operates Head Start program for 2,061 economically disadvantaged children (0-5 years) at 12 county-operated child-care centers and 12 contractually-operated child-care agencies. The program operates for 10 hours/day for a full year for all 2,061 children. Current levels of Federal and County funding have not kept pace with the increased cost of program operations. The partnership with VPK will bring in state funds to support the program's implementation of full day/full year services for the 4-year old children.
