EXHIBIT A
WORK PROGRAM NARRATIVE

I. THE AGENCY AGREES TO:

- A. **PROFESSIONAL SERVICES:** The Agency shall, at its own expense, retain the services of an architectural/engineering consultant (a Florida professional engineer or registered architect) for this project to provide design services to create plans and specifications for the hurricane protection measures at Covenant Villas and South Bay Villas. The consultant shall also prepare, obtain and review bids, prepare contract documents, inspect work in progress, recommend payment to contractors, and provide other professional services customarily provided for similar projects. The consultant shall also coordinate the design and construction work with the asbestos abatement contractor should such abatement become necessary. The Agency's architectural/engineering consultant for this project shall also provide the below described certification upon completion of the project.
- B. **PROJECT SCOPE :** The scope of this project subject to funding availability shall include improvements to achieve hurricane protection and storm mitigation at the following two locations:
- **Covenant Villas:** 601 Covenant Drive, in Belle Glade, Florida, consisting of 18 buildings that contain 144 dwelling units.
 - **South Bay Villas:** 134 SW 9th Avenue, in South Bay, Florida, consisting of 9 buildings that contain 65 dwelling units.

Hurricane protection and storm mitigation measures as follows:

Supply and installation of hurricane protection measures which includes the removal and replacement of exterior doors and windows, as well as any repairs (on the inside and outside) to the walls surrounding these exterior doors and windows that may be necessitated from their removal and replacement, or that may be necessitated in order to meet applicable building code requirements associated with this work.

Porch strengthening and anchoring to resist uplift from hurricane wind forces.

The above described work may affect approximately 616 windows, 144 exterior doors, and 36 porches at Covenant Villas, and approximately 297 windows, 65 exterior doors, and 33 porches at South Bay Villas.

Furthermore, the Agency's consultant shall inspect all 27 buildings to determine if their roofs are sufficiently attached to withstand storm conditions. The scope of this project shall include all necessary hurricane mitigation measures involving these roofs as established by the consultant pursuant to the inspection.

The maximum project cost allowed under this Agreement for South Bay Villas shall be \$466,512, and the maximum project cost allowed under this Agreement for Covenant Villas shall be \$1,033,488. Should the execution of the work specified above in the scope of this project reveal the need for work, on any of the above mentioned 27 buildings, that is other than that described above, as determined by the building department(s) with jurisdiction, then the Agency shall pay for all such other work that is not in the scope of this project.

NOTE 1: The Agency hereby declares that all of the housing units at Covenant Villas and South Bay are occupied by residential tenants of the Agency, and that the Agency does not anticipate that any of these tenants will be temporarily or permanently displaced as a result of the construction work being funded under this Agreement. The Agency acknowledges that the funds made available under this Agreement are Federal CDBG funds, and that the use of these funds for the project described herein renders the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA) applicable to this project. Accordingly, the Agency shall immediately provide all affected tenants at Covenant Villas and South Bay Villas a General Information Notice as required by the URA whereby such notice shall at least: a) inform these tenants of the intended project described herein and the anticipated dates when the work will be undertaken, b) advise these tenants that they will not be required to relocate as a result of the project, and c) provide these tenants contact information (name and phone) of HCD personnel, to be identified at a later date by HCD, that they may contact for questions or concerns. The Agency shall provide HCD with a copy of such notice.

NOAH DEVELOPMENT CORPORATION

Should the construction work being funded under this Agreement cause the temporary or permanent displacement of any tenant of the Agency, then the Agency shall provide each such tenant with relocation assistance as required by the URA, document its files accordingly, and provide HCD copies of such documents. All such relocation assistance payments shall be paid by the Agency from its own resources. The Agency understands, that should the temporary or permanent displacement of any tenant become necessary, then HCD may withhold its final payment under this Agreement until HCD is assured that the Agency has complied with URA.

NOTE 2: HCD shall obtain an asbestos survey of the building materials to be affected by the proposed work. The contents of this survey and its requirements shall be transmitted to the Agency who shall transmit the same to its consultant. The Agency shall comply with requirements emanating from the survey as determined by HCD. The cost of this survey shall be charged to the budget for this project.

NOTE 3: The Agency shall submit its bid package/drawings/specifications, and an itemized opinion of probable construction cost prepared by its consultant, to HCD and obtain a letter of approval prior to bidding the construction work. In submitting the bid package and drawings/specifications to HCD, the Agency shall also demonstrate that it has submitted its drawings/specifications to the City of South Bay and the City of Belle Glade building departments for plan review, and that these drawings/specifications comply with all applicable building and zoning codes. The Agency recognizes that HCD must obtain the approval of the State before it is able to provide such letter, and the Agency hereby covenants that it shall plan its bid process to allow for the necessary time to fully accomplish this approval process.

NOTE 4: Construction work that has been approved for bidding by HCD shall be advertised for bid for a period of not less than twelve (12) days.

NOTE 5: The Agency shall prioritize the work in the project, and shall bid such work in a manner that would allow the receipt of itemized costs from bidders which would then allow the award of items that can be funded by the budget provided that the extent of work awarded will result in a functioning facility in the opinion of HCD.

NOTE 6: The Agency shall not award the construction contract for the project until sufficient funding is available to complete the established scope of work. All construction work shall be included in one contract. The Agency shall obtain HCD approval prior to awarding the construction contract to be funded through this Agreement. The Agency recognizes that HCD must obtain the approval of the State before HCD is able to approve the award of the construction contract, and the Agency hereby covenants that it shall plan its contract award process to allow for the necessary time to fully accomplish this approval process. After awarding such contract, the Agency shall obtain HCD approval prior to executing any change orders to such contract. Furthermore, after awarding the construction contract, the Agency shall provide HCD with a copy of the executed contract, and within thirty (30) days from the execution of the construction contract, the Agency shall provide HCD with a copy of the prime contractor's schedule for the completion of the construction work under the contract.

NOTE 7: Should the construction contract amount for this project exceed the amount to be funded by the County for construction costs through this Agreement, then the Agency shall fund all amounts in excess of the amount to be funded by the County. The Agency shall not request the County for reimbursement of any of the County's funds for construction costs until after it has expended all amounts in excess of the amount to be funded by the County.

NOTE 8: The Agency shall include in its bid and contract documents the following prohibition affecting the prime contractor and all subcontractors for this project: "Neither the prime contractor nor any subcontractor shall be allowed to perform one hundred percent (100%) of their work on this project on nights, weekends, or County recognized holidays. The prime contractor and all subcontractors shall, at a minimum, perform work on this project for the duration of one regular working day". The Agency may request HCD for a waiver to the above requirement should the nature of the project so necessitate, and in such instance, HCD may, at its discretion, grant the Municipality such waiver.

NOTE 9: The Agency shall not request reimbursement from HCD for materials or equipment received and stored on the project site or elsewhere. The Agency shall only request reimbursement for materials and equipment that have been installed.

NOAH DEVELOPMENT CORPORATION

NOTE 10: Upon completion of the project, the Agency shall cause its architectural/engineering consultant to provide HCD a written certification. Such certification shall indicate that the project has met the specifications of the design, as may have been amended by change order, and the date of completion of construction.

The Agency further agrees that HCD, in consultation with any parties it deems necessary, shall be the final arbiter on the Agency's compliance with the above.

- C. **INCOME QUALIFICATIONS AND CERTIFICATIONS:** During the term of this Agreement, the Agency shall assure that at least fifty-one percent (51%) of the dwelling units found in the Covenant Villas development must be occupied by low income households whose household incomes are at 80%, or less, of the median income for the West Palm Beach - Boca Raton Metropolitan Statistical Area adjusted by family size, as determined by HCD in its sole discretion. In addition, during the term of this Agreement, the Agency shall assure that at least fifty-one percent (51%) of the dwelling units found in the South Bay Villas development must be occupied by low income households whose household incomes are at 80%, or less, of the median income for the West Palm Beach - Boca Raton Metropolitan Statistical Area adjusted by family size, as determined by HCD in its sole discretion.

The Agency shall transmit said copies to HCD by means of a letter, signed by the Agency's Executive Director, which letter shall specify the beginning date and ending date of the quarter covered by the Certifications of Continuing Program Compliance being transmitted. Thereafter, the Agency shall transmit to HCD in the same manner, and on a quarterly basis, copies of its above described quarterly Certifications of Continuing Program Compliance. The Agency shall continue to transmit these copies to HCD in the same manner such that they cover the period ending with the expiration date of this Agreement, as may be amended from time to time.

The Agency's failure to comply with its above obligations, may be regarded as a basis for termination of this Agreement, and may be regarded as a default under the Declarations of Restriction attached hereto. In the event of a default under the Declaration of Restrictions, Agency shall pay to County an amount equal to the amount of funds expended by County on the location which is the subject of the default.

- D. **ASBESTOS REQUIREMENTS:** The Agency shall comply with all applicable requirements contained in Exhibit D, attached hereto, for construction work in connection with the project funded through this Agreement.
- E. **DAVIS-BACON ACT:** The Agency shall request the County to obtain a Davis-Bacon wage decision for the project prior to advertising the construction work. - G. **CONSTRUCTION PAYMENT RETAINAGE:** The Agency shall apply a retainage of at least 5% on all construction draws which retainages shall be released in conjunction with the final draw upon satisfactory completion of the project. The Agency agrees not to release such retainages until it has obtained approval from the County that the contractor and subcontractors have complied with the requirements of the Davis-Bacon Act.
- H. **FORMER PROJECTS:** The Agency shall maintain all previously completed CDBG funded projects. Failure to do so will result in forfeiture of future CDBG funds and will delay funding for ongoing activities.
- I. **WORK SCHEDULE:** The time frame for completion of the outlined activities shall be August 15, 2009.

J. **REPORTS:** The Agency shall submit to HCD reports as described below:

- (a) **MONTHLY REPORT:** The Agency shall submit to HCD detailed monthly progress reports in the form provided as Exhibit B to this Agreement. EXHIBIT D

ASBESTOS REQUIREMENTS
SPECIAL CONDITIONS FOR DEMOLITION AND RENOVATION OF BUILDINGS

The provisions of this part apply to all demolition and renovation work contemplated in this Agreement and described in Exhibit A of this Agreement.

I. DEFINITIONS

ACBM: Asbestos Containing Building Materials
 AHERA: Asbestos Hazard Emergency Response Act
 EPA: Environmental Protection Agency
 FLAC: Florida Licensed Asbestos Consultant
 HCD: Palm Beach County Department of Housing and Community Development
 NESHAP: National Emission Standards for Hazardous Air Pollutants
 NRCA: National Roofing Contractors Association
 NVLAP: National Voluntary Laboratory Accreditation Program
 OSHA: Occupational Health and Safety Administration
 PBCAC: Palm Beach County Asbestos Coordinator (in Risk Management)
 TEM: transmission electron microscopy

II. ASBESTOS SURVEYS

All properties scheduled for renovation or demolition are required to have a comprehensive asbestos survey conducted by a Florida Licensed Asbestos Consultant (FLAC). The survey shall be conducted in accordance with AHERA guidelines. Analysis must be performed by a NVLAP accredited laboratory.

For Renovation Projects (projects which will be reoccupied):

- Point counting must be done for all asbestos containing building materials (ACBM) indicating less than 1% asbestos (to determine if any asbestos is present).
- Samples of vinyl floor tile indicating asbestos not detected must be confirmed by transmission electron microscopy (TEM).
- Joint compound shall be analyzed as a separate layer.
- Roofing material shall be sampled only if a renovation requires the roof to be disturbed (in lieu of sampling the roof, it may be presumed to contain asbestos).

For Demolition Projects:

- Point counting must be done for all "friable" asbestos containing building materials (ACBM), indicating less than 1% asbestos. This includes joint compounds (to be analyzed as a separate layer), and vinyl asbestos tile.
- Roof materials shall be presumed to be asbestos containing.

If the Agency has a recent asbestos survey report prepared by a licensed asbestos consultant, a copy may be provided to HCD and PBCAC for review to determine if the survey is adequate to proceed with renovation/demolition work. If no survey is available, a survey may be initiated by the Agency or requested by HCD. A copy of the completed survey will be forwarded to the Agency. All asbestos survey's shall be forwarded to the PBCAC.

III. ASBESTOS ABATEMENT

A. RENOVATION

- (a) Prior to a renovation, all asbestos containing materials that will be disturbed during the renovation, must be removed by a Florida Licensed Asbestos Contractor under the direction of a FLAC. Exceptions may be granted by HCD prior to the removal, (such as asbestos containing roofs, transite pipe). The Agency must obtain approval for all exceptions from HCD. HCD will request the PBCAC to review and approve all exceptions.
- (b) Asbestos Abatement work may be contracted by the Agency or by HCD upon request.
- (c) If the Agency contracts the asbestos abatement, the following documents are required to be provided to the HCD and the PBCAC.
 1. An Asbestos Abatement Specification (Work Plan), sealed by an FLAC.
 2. Pre and Post Job submittals, reviewed and signed by the FLAC.

NOAH DEVELOPMENT CORPORATION

- (d) If the Agency requests HCD to contract the asbestos abatement, HCD will initiate the request through the PBCAC who will contract the asbestos abatement. HCD will provide a copy of all contractor and consultant documents to the Agency.
- (e) Materials containing <1% asbestos are not regulated by EPA/NESHAPS. However, OSHA compliance is mandatory. OSHA requirements including training, wet methods, prompt cleanup in leak tight containers, etc. The renovation contractor must comply with US Dept of Labor, Standard Interpretation (OSHA), Compliance requirements for renovation work involving material containing <1% asbestos, 11/24/2003. The renovation contractor must submit a work plan to HCD and the PBCAC prior to removal of the materials.

B. DEMOLITION

All "friable" ACBM must be removed by a Florida Licensed Asbestos Contractor under the direction of a FLAC prior to demolition. Friable materials include: resilient asbestos tile and mastic which is not intact, linoleum, asbestos containing joint compound, asbestos containing cement panels (e.g. transite), etc.

Intact resilient tile and asbestos roof materials may be demolished with adequate controls (e.g. wet method) by a demolition contractor provided the contractor is aware of the asbestos containing materials present and exercises adequate control techniques (wet methods, etc.). In all cases, demolition work should be monitored by a FLAC to insure proper control measures and waste disposal. Any exceptions to these guidelines may be requested through HCD prior to the removal, (such as asbestos containing roofs, transite pipe). Exceptions may be granted by HCD prior to the removal, (i.e. asbestos containing roofs, transite pipe). The Agency must obtain approval for all exceptions from HCD and the PBCAC.

- (a) Asbestos Abatement work may be contracted by the Agency or by HCD upon request.
- (b) If the Agency contracts the asbestos abatement, the following documents must be provided to the PBC/HCD and reviewed by the PBCAC.
 - 1. An Asbestos Abatement Specification (Work Plan), sealed by an FLAC.
 - 2. Pre and Post Job submittals, reviewed and signed by the FLAC.
- (c) If the Agency requests HCD to contract the asbestos abatement, HCD will initiate the request through the PBCAC who will contract the asbestos abatement. HCD will provide a copy of all contractor and consultant documents to the Agency.
- (d) Recycling, salvage or compacting of any asbestos containing materials or the substrate is strictly prohibited.
- (e) In all cases, compliance with OSHA "Requirements for demolition operations involving material containing <1% asbestos is mandatory.
- (f) For all demolitions involving asbestos containing floor tile, asbestos containing roofing material and materials containing <1%, the Demolition Contractor shall submit the following documents to HCD. HCD will provide a copy of these documents to PBCAC.

1. These restrictions shall be deemed a covenant running with the land and are binding upon the undersigned, their heirs, executors, successors, and assigns. These restrictions can only be terminated or released by the Palm Beach County Board of County Commissioners, and executed with the same formalities as this document.
2. In consideration of the County's grant in the amount of \$1,033,488 (in CDBG dollars) as provided through a grant Agreement with the County dated April 1, 2009, the Declarant hereby covenants and agrees for a period of 10 years commencing with the expiration date of said grant Agreement (as may be amended from time to time) to use the subject property as described in the Declarant's funding application to the County, and as described in said grant Agreement, and the Declarant further agrees to maintain insurance as required in the grant Agreement.
3. The Declarant agrees in regard to the use of the facility/property whose acquisition or improvements were funded through the grant Agreement that for a period of ten (10) years after the expiration date of said Agreement (as may be amended from time to time):
 - (a) The Declarant may not change the use or planned use, or discontinue use, of the facility/property (including the beneficiaries of such use) from that for which the acquisition or improvements were made, unless the Declarant provides affected citizens with reasonable notice of, and opportunity to comment on, any such proposed change and either:
 1. The new use of the facility/property, in the opinion of the County, qualifies as meeting one of the national objectives defined in the regulations governing the CDBG program, and is not a building for general conduct of government; or
 2. The requirements of paragraph 3(b) of this section are met.
 - (b) If the Declarant determines after consultation with affected citizens, that it is appropriate to change the use of the facility/property to a use which does not qualify under Paragraph 3(a)(1) of this section or discontinue use of the facility/property, it may retain or dispose of the facility for such use if the County is reimbursed in the amount of the current fair market value of the facility/property less any portion thereof attributable to expenditures of non-CDBG funds for acquisition of, or improvements to the facility/property. The final determination of the amount of any such reimbursement to the County under this paragraph shall be made by the County.

- (c) Following the reimbursement of CDBG funds by the Declarant to the County pursuant to Paragraph 3(b) above, the facility/property will then no longer be subject to these restrictions, and the County shall then release these restrictions as described above.

In the event of any proposed sale, conveyance or transfer of the subject property, the Declarant must obtain approval of the County, through its Housing and Community Development Department. Any approved sale or conveyance of the subject property by the Declarant will be contingent upon the receipt of the payment by the County in accordance with the provisions of Paragraph 3(b) above, or the receipt of a commitment, executed by a subsequent owner acceptable to the County, confirming its acceptance of the restrictions and conditions provided herein for the duration of this Declaration.

Notwithstanding the foregoing, the restrictions set forth herein shall run with the land whether or not such commitment is obtained from a subsequent owner.

4. The Declarant agrees to notify the County of any liens, judgements or pending foreclosure on the subject property within five (5) working days of the receipt of said notice by the Declarant.

5. The Declarant acknowledges and covenants that the provisions specified below constitute a default under this Declaration for which there may be a forfeiture of the Declarant's title to the Property:

- (a) Failure of the Declarant to perform any covenant, agreement, term, or condition contained herein or in the Agreement referenced in Section 2 above.

Notwithstanding the foregoing, and at the sole discretion of the County, upon providing notice to the Declarant of its determination that the Declarant is in default of the terms of this Declaration, the County may, from time to time, at its sole discretion, cure each default under any covenant so curable in this Declaration, or in any instrument creating a lien upon the Property, or any part thereof, to such extent that the County, at its sole discretion, determines, and each amount paid, if any, by the County to cure any such default shall be paid by the Declarant to the County in addition to the legal rate of interest from the time of expenditure and shall constitute a lien against the property which may be foreclosed if not discharged and satisfied within three (3) months of expenditure of such funds by the County. The County shall also become subrogated to whatever rights the holders of a prior lien might have under such instrument.

6. If the Declarant fails, neglects or refuses to perform any of the provisions, terms and conditions set forth herein, for any breach of this Declaration, the County shall have the right to file in court of competent jurisdiction an action for:

- (a) Forfeiture of all the Declarant's right, title, and interest in the Property for a breach of the restrictive covenants contained in this Declaration; and
- (b) Collection of due and unpaid real estate taxes, assessments, charges and penalties for which the Declarant is obligated to pay.

In addition to any remedy set forth herein the County shall have such other remedies as are available at law or equity. The exercise or attempted exercise by the County of any right or remedy available under this Declaration shall not preclude the County from exercising any other right or remedy so available, nor shall any such exercise or attempted exercise constitute or be construed as an election of remedies. The Declarant shall pay any reasonable expenses, including reasonable attorney's fees and costs incurred by the County, under this Declaration and the preparation and delivery of notices required hereunder. The failure or omission by the County to enforce any of its rights or remedies upon breach of any of the covenants, terms or conditions of this Declaration shall not bar or breach any of the County's rights or remedies on any subsequent default. Before the County shall pursue any of its rights or remedies under this Declaration, the County shall first give the Declarant written notice of the default complained of which such notice shall be given to the Declarant at their address shown above. The Declarant shall then have ten (10) working days from the date such notice is given to cure or correct any default.

7. Declarant shall submit to the County once each year a report detailing the Declarant's compliance with the terms of the grant Agreement and this Declaration of Restrictions.

NOAH DEVELOPMENT CORPORATION

8. Declarant relinquishes all rights to alter, amend, modify, or release these covenants prior to the completion of the ten year period described above.
9. In the event of any litigation necessary to enforce the terms of the Declaration, the Declarant agrees to reimburse the County for attorneys fees and costs associated with litigation.
