Summary:

The Construction Industry Licensing Board was established by Special Act, Chapter 67-1876, Laws of Florida as amended. The Special Act sets forth the membership of the Board, which consists of two (2) general contractors, one (1) member of the following categories; building; residential; electrical; plumbing; HARV, roofing; swimming pool; architect; engineer and a building official. In addition, F.S. § 489.131 requires that we have three (3) consumer representatives. The above named construction members have been recommended by the Construction Industry Management Council (CIMC) as the HARV and Residential contractor. Ms. Susan Stokes has been recommended by her respective organization and is replacing Mr. Steven Smyth whose term has since expired. Mr. Stanley Goodman has been nominated to replace Mr. Lee Feely who is no longer eligible for another term. Ms. Christine Hoke has been recommended to complete the term for Ms. Mary Hinton who has resigned. The Gold Coast Builders Association recommends Mr. Bruce Malasky for a second term; Mr. Alvin Cohen is also eligible for a second term, both members have indicated a willingness to continue. The nominations represent seats for a HARV, Residential, and three Consumer Members as cited in the Special Act and F.S. § 489.131 establishing the Construction Industry Licensing Board. Memorandums were sent to the Board of County Commissioners on October 2, 2009 advising of the vacant positions; No other nominations were received. Countywide (GB)

Background and Justification:

The Board is to establish qualifications and competency of contractors that work within the County. The Board also provides for the testing and licensing of these contractors and is empowered to revoke licenses. The Board consists of 15 members; there are currently 9 vacancies and 6 filled. Of those currently filled, 100% are white/male.

REGULATION OF PROFESSIONS AND OCCUPATIONS CONTRACTING

489.131 Applicability.--

(10) No municipal or county government may issue any certificate of competency or license for any contractor defined in s. 489.105(3)(a)-(o) after July 1, 1993, unless such local government exercises disciplinary control and oversight over such locally licensed contractors, including forwarding a recommended order in each action to the board as provided in subsection (7). Each local board that licenses and disciplines contractors must have at least two consumer representatives on that board. If the board has seven or more members, at least three of those members must be consumer representatives. The consumer representative may be any resident of the local jurisdiction who is not, and has never been, a member or practitioner of a profession regulated by the board or a member of any closely related profession.
