I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Contract Amendments to extend the expiration date for the Primary Annual Roadway Landscaping Contract (Contract), Project No. 2008052, R-2007-1911, dated November 6, 2007 with Superior Landscaping & Lawn Service, Inc. (Superior) and the Secondary Annual Roadway Landscaping Contract, R-2007-1911.1, with Vila & Son Landscaping Corporation (Vila) retroactively from November 6, 2009 to November 6, 2010, and lower the unit prices on certain bid items as detailed on Exhibit A.

SUMMARY: Approval of these Contract Amendments will extend the expiration dates of the existing Contracts to November 6, 2010. There is no increase to the dollar value of the Contract. Both contractors have voluntarily reduced their unit prices for many of the existing bid items that may be used in future task authorizations. The reductions range as high as 50% for some items. Superior has reduced 83% of the items with reductions in unit prices ranging from 2% to 24%. Vila has reduced 58% of items with reductions from 1% to 83%. The Contracts include furnishing and installing plant material and irrigation systems within Palm Beach County. Superior is a Miami-Dade County company and Vila is a Palm Beach County company. The Small Business Enterprise (SBE) goal for the project is 15%. The SBE participation committed for the project by Superior is 5.39% overall and the SBE participation committed by Vila is 5.31% overall.

Countywide (MRE)

Background and Justification: The original 12 month Contract was approved by the Board of County Commissioners (Board) on November 6, 2007. A 12 month contract extension was approved by the Board on November 18, 2008, R2008-2021 and R2008-2022. Both contractors and Palm Beach County are desirous of extending the contract retroactively from November 6, 2009 to November 6, 2010, while holding the unit prices as bid, with the exception of the lowered prices. The Contract will be re-bid upon expiration of this extension. Due to the quantity of work and the possible geographical separation of concurrent tasks, it is desirable to have two contractors for this Contract.
