Funds which are to be repaid to the CITY are to be repaid by delivering to the CITY payment for the total amount due and payable to the CITY, within ten (10) days of the City's demand. Nothing contained herein shall act as a limitation of the City's right to be repaid, as a waiver of any rights of the CITY or exclude the CITY from pursuing any other remedy which may be available to it under law or equity.

Section 7. Access and Audits:

COUNTY shall maintain books, records, and documents to justify all charges, expenses and costs incurred under this Agreement and in performing the Project, in accordance with Generally Accepted Accounting Principles (GAAP), as promulgated by the Government Finance Officers Association from time to time. The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statutes, Section 768.28, nor shall the same be construed to constitute agreement by either party to indemnify the other party for such other party's negligent, willful, or intentional acts or omissions.

This Indemnification provision shall survive the expiration or termination of this Agreement.

Section 11. Annual Appropriation:

The obligations of the COUNTY and the CITY under this Agreement are subject to the availability of funds lawfully appropriated for its purpose by the City of Boynton Beach. However once the Work has commenced it shall be prosecuted to completion and this agreement shall be binding upon the parties and shall no longer be contingent upon the availability of funds needed for the construction and neither party shall have the right to terminate the subject Agreement for the reason that sufficient funds are not available for the construction project.

Section 16. Remedies:

This Agreement shall be governed by and in accordance with the laws of the State of Florida. Any legal action necessary to enforce this Agreement shall be held in Palm Beach County. No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity by statute or otherwise. No single or partial exercise by any party of any right, power or remedy hereunder shall preclude any other or further exercise thereof.
