I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to: **A) adopt** resolutions of the Board of County Commissioners (BCC) of Palm Beach County, Florida, granting County tax exemptions for a total of two (2) historic properties located within the City of West Palm Beach; and **B) approve** restrictive covenants for each historic property, requiring the qualifying improvements be maintained during the period that the tax exemption is granted.

Summary: The resolutions will authorize a County tax exemption for the following historic properties located within the City of West Palm Beach:

Address: 296 Barcelona Road
Address: 190 Sunset Road

If granted the tax exemption will take effect January 1, 2010, and remain in effect for ten (10) years, or until December 31, 2020. The exemption will apply to 100 percent of the assessed value of all improvements to each historic property, which resulted from restoration, renovation, or rehabilitation of the property. Based on the 2010 Countywide Operating Millage rate, it is estimated that approximately \$3,127.68 tax dollars will be exempted annually. Accompanying each resolution is a restrictive covenant, which requires the qualifying improvements be maintained during the period that each tax exemption is granted. Districts 2 and 7 (RB)

Background and Justification: On October 17, 1995, the BCC adopted a historic property tax exemption ordinance, Ordinance No. 95-41, applicable countywide. **(Continued on page three)**

B. Recommended Sources of Funds/Summary of Fiscal Impact:

* There is no direct fiscal impact on the Planning, Zoning and Building Department from granting a tax exemption for this property. The overall County impact is a reduction of collectable taxes. Tax revenue is to be reduced at most by the tax on the improvements made to each structure. The estimated improvement costs attributed solely to work on these historic buildings totals \$720,000.00. Based on the 2010 County Government Millage rate (4.344), it is estimated that approximately \$3,127.68 tax dollars will be exempted annually.

The estimated total tax exempted for the ten years ending December 31, 2020 is \$31,276.80 (\$3,127.68 X 10).

(Continued from page one.)

The ordinance allows a qualifying local government to enter into an interlocal agreement with the County to perform review functions necessary to implement the ordinance within its municipal boundary. An Interlocal Agreement was approved by the BCC on April 2, 1996, R 96 442 D, authorizing the City of West Palm Beach Historic Preservation Board to perform the required review to implement the tax exemption ordinance on improvements to historic landmark properties within the City.

Each historic property has filed preconstruction applications and final applications with the City of West Palm Beach Historic Preservation Board. Following review of the completed improvements the city's Historic Preservation Board determined the improvements were consistent with the U.S. Secretary of Interior's Standards for Rehabilitation and recommended approval for tax exemption. The West Palm Beach City Commission then granted an ad valorem City tax exemption to each historic property.

Both of the properties are privately owned residences.

Copies of the City of West Palm Beach Historic Preservation Board Applications, and other back-up information for each of the two (2) properties is available for review at the County's Planning Division.

If the Local Historic Preservation Office determines that the property should be removed from eligibility for tax exemption, it will notify the Property Appraiser of the county in which the Property is located in writing so that the tax exemption can be canceled for the remainder of the Covenant period. In such cases, no penalty or interest shall be assessed against the Owner.

8. If it appears that the historical integrity of the features, materials, appearance, workmanship, and environment, or archaeological integrity which made the Property eligible for listing in the National

Register of Historic Places or designation under the terms of the local preservation ordinance have been lost or damaged deliberately or through gross negligence of the Owner, the Local Historic Preservation Office shall notify the owner in writing. For the purpose of this Covenant, "gross negligence" means the omission of care which even inattentive and thoughtless persons never fail to take of their own property. The Owner shall have 30 days to respond indicating any circumstances which show that the damage was not deliberate or due to gross negligence. If the Owner cannot show such circumstances, he shall develop a plan for restoration of the property and a schedule for completion of the restoration. In order to maintain the tax exemption, the Owner shall complete the restoration work necessary to return the Property to the condition existing at the time of project completion on a time schedule agreed upon by the Owner and the Local Historic Preservation Office. If the Owner does not complete the restoration work on the agreed upon time schedule, the Local Historic Preservation Office will report such violation to the Property Appraiser and Tax Collector who shall take action pursuant to s.196.1997 (7), F.S. The Owner shall be required to pay the difference between the total amount of taxes which would have been due in March in each of the previous years in which the Covenant was in effect had the property not received the exemption and the total amount of taxes actually paid in those years, plus interest on the difference calculated as provided in s.212.12 (3), F.S.

9. The terms of this covenant shall be binding on the current Property Owner, transferees, heirs, successors, or assigns.

This Covenant shall be enforceable in specific performance by a court of competent jurisdiction.
