I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to adopt: a Resolution establishing budgetary policy and expenditure controls for the operation of Commission District offices, and rescinding Resolution Nos. R-88-822, R-93-282, R-93-829, R-95-1405, and R-04-0136.

This resolution amends the Commission district office policy to align the personnel and operating expense budgets with the budget reduction strategies implemented over the last several years. Reductions include the elimination of part-time secretaries, elimination of the separate position and operating budget allocated to the Chair, and elimination of individual office budgets for equipment. The revised resolution also limits the ability to increase staff salaries above the standard increases due to the impact on subsequent years' budgets. Countywide (EC)

Background and Policy Issues: In 1988 the Board formally adopted a resolution establishing guidelines for budgeting for Commission District Offices. That resolution has been amended numerous times and was most recently superseded by Resolution R-2004-0136. These resolutions addressed issues concerning travel, equipment, auto allowances, staffing and salaries. This new resolution encompasses reductions made during past budget development processes and limits increases to staff salaries to keep the Commission Office budgets in line with the spending restrictions imposed by ongoing property tax and revenue shortfalls.
