Summary: The Agreement will provide funding for street improvements along Fleming Avenue, north of 10th Avenue North in the City of Greenacres. PART III

COMPENSATION, TIME OF PERFORMANCE, METHOD, AND CONDITIONS OF PAYMENT1. MAXIMUM COMPENSATION

The Municipality agrees to accept as full payment for services rendered pursuant to this Agreement the actual amount of budgeted, eligible, and HCD Director or designee-approved expenditures and encumbrances made by the Municipality under this Agreement, which shall not be unreasonably withheld. Said services shall be performed in a manner satisfactory to HCD. In no event shall the total compensation or reimbursement to be paid hereunder exceed the maximum and total authorized sum of \$99,006 for the period of February 23, 2010, through and including January 31, 2011. All subcontracts shall be submitted by the Municipality to HCD and approved by HCD prior to execution of any subcontract hereunder. All subcontracts shall be subject to Federal, State and County laws and regulations. This includes ensuring that all consultant contracts and fee schedules meet the minimum standards as established by the Palm Beach County Engineering Department and U.S. HUD. Contracts for architecture, engineering, survey, and planning shall be fixed fee contracts.
All additional services shall have prior written approval with support documentation detailing categories of persons performing work plus hourly rates including benefits, number of drawings required, and all items that justify the "Fixed Fee Contract." Reimbursables will be at cost. None of the work or services covered by this Agreement, including, but not limited to, consultant work or services, shall be subcontracted or reimbursed without prior written approval of the HCD Director or his designee.
- (4) PURCHASING
All purchasing for services and goods, including capital equipment, shall be made by purchase order or by a written contract and in conformity with the procedures prescribed by the Palm Beach County Purchasing Code, as well as Federal Management Circulars A-87, A-102, A-128, and 24CFR Part 85 (also known as the Common Rule), which are incorporated herein by reference.

- (8) PROGRAM-GENERATED INCOME
All income earned by the Municipality from activities financed in whole or in part by funds provided hereunder must be reported to HCD. Such income would include, but not be limited to, income from service fees, sale of commodities, and rental or usage fees. Such income shall only be used to undertake the activities authorized by this Agreement. Accounting and disbursement of such income shall comply with OMB Circular A-110 and other applicable regulations incorporated herein by reference.

PART IV

GENERAL CONDITIONS1. OPPORTUNITIES FOR RESIDENTS AND CIVIL RIGHTS COMPLIANCE

The Municipality agrees that no person shall on the ground of race, color, disability, national origin, religion, age, financial status, familial status, marital status, sexual orientation, gender, or gender identity or expression, be excluded from the benefits of, or be subjected to discrimination under any activity carried out by the performance of this Agreement. Upon receipt of evidence of such discrimination, the County shall have the right to terminate this Agreement.

To the greatest extent feasible, lower-income residents of the project areas shall be given opportunities for training and employment; and to the greatest feasible extent eligible business concerns located in or owned in substantial part by persons residing in the project areas shall be awarded contracts in connection with the project. The Municipality shall comply with the Section 3 Clause of the Housing and Community Development Act of 1968.

2. OPPORTUNITIES FOR SMALL AND MINORITY/WOMEN-OWNED BUSINESS ENTERPRISES

In the procurement of supplies, equipment, construction, or services to implement this Agreement, the Municipality shall make a positive effort to utilize small business and minority/women-owned business enterprises of supplies and services, and provide these sources the maximum feasible opportunity to compete for contracts to be performed pursuant to this Agreement. To the maximum extent feasible these small business and minority/women-owned business enterprises shall be located in or owned by residents of the CDBG areas designated by Palm Beach County in the CDBG Annual Consolidated Plan approved by U.S. HUD.

3. PROGRAM BENEFICIARIES

The project funded under this Agreement shall assist beneficiaries as defined above for the time period designated in this Agreement. The Municipality shall provide written verification of compliance to HCD upon HCD's request.

4. EVALUATION AND MONITORING

The Municipality agrees that HCD will carry out periodic monitoring and evaluation activities as determined necessary by HCD or the County and that payment, reimbursement, or the continuation of this Agreement is dependent upon satisfactory evaluation conclusions based on the terms of this Agreement. The Municipality agrees to furnish upon request to HCD, the County, or the County's designees copies of transcriptions of such records and information as is determined necessary by HCD or the County. The Municipality shall submit status reports required under this Agreement on forms approved by HCD to enable HCD to evaluate progress. The Municipality shall provide information as requested by HCD to enable HCD to complete reports required by the County or HUD. The Municipality shall allow HCD, the County, or HUD to monitor the Municipality on site. Such visits may be scheduled or unscheduled as determined by HCD or HUD.

5. AUDITS AND INSPECTIONS

At any time during normal business hours and as often as HCD, the County, U.S. HUD, or the Comptroller General of the United States may deem necessary, there shall be made available by the Municipality to HCD, the County, U.S. HUD, or the Comptroller General for examination all its records with respect to all matters covered by this Agreement.

If during the year, the Municipality expends over \$500,000 of Federal awards, the Municipality shall comply with the provisions of OMB Circular A-133. The Municipality shall submit a single audit, including any management letter, made in accordance with the general program requirements of OMB Circulars A-110, A-122, A-133, and other applicable regulations within the earlier of, 30 days after receipt of the auditor's report(s), or nine (9) months after the end of the audit period in which HCD-administered funds are expended. Said audit shall be made by a Certified Public Accountant of the Municipality's choosing, subject to the County's approval. In the event the Municipality anticipates a delay in producing such audit, the Municipality shall request an extension in advance of the deadline. The cost of said audit shall be borne by the Municipality. In the event the Municipality is exempt from having an audit conducted under A-133, the Municipality shall submit audited financial statements and/or the County reserves the right to conduct a "limited scope audit" of the Municipality as defined by A-133. The County will be responsible for providing technical assistance to the Municipality, as deemed necessary by the County.

6. UNIFORM ADMINISTRATIVE REQUIREMENTS

The Municipality agrees to comply with the applicable uniform administrative requirements as described in Federal Community Development Block Grant Regulations 24 CFR 570.502.

7. REVERSION OF ASSETS

Upon expiration of this Agreement, the Municipality shall transfer to the County any CDBG funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG funds. Any real property under the Municipality's control upon expiration of this Agreement which was acquired or improved in whole or part with CDBG in the excess of \$25,000 must either be used to meet one of the national objectives in Federal Community Development Block Grant Regulations 24 CFR 570.508 for a period of five years after expiration of this Agreement (unless a longer period is specified elsewhere in this Agreement), or, the Municipality shall pay the County an amount equal to the current market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for the acquisition of, or improvement to, the property.

8. DATA BECOMES COUNTY PROPERTY

All reports, plans, surveys, information, documents, maps, and other data procedures developed, prepared, assembled, or completed by the Municipality for the purpose of this Agreement shall be made available to the County by the Municipality at any time upon request by the County or HCD. Upon completion of all work contemplated under this Agreement copies of all documents and records relating to this Agreement shall be surrendered to HCD if requested. In any event the Municipality shall keep all documents and records for five (5) years after expiration of this Agreement.

9. INDEMNIFICATION

Each party to this Agreement shall be liable for its own actions and negligence and, to the extent permitted by law, the County shall indemnify, defend, and hold harmless the Municipality against any actions, claims, or damages arising out of the County's negligence in connection with this Agreement, and the Municipality shall indemnify, defend, and hold harmless the County against any actions, claims, or damages arising out of the Municipality's negligence in connection with this Agreement. The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statute, section 768.28, nor shall the same be construed to constitute agreement by either party to indemnify the other party for such other party's negligent, willful or intentional acts or omissions. The Municipality shall hold the County harmless and shall indemnify the County for funds which the County is obligated to refund the Federal Government arising out of the conduct of activities and administration of the Municipality. The provisions of this indemnification clause shall survive the termination of this Agreement.

10. INSURANCE

Without waiving the right to sovereign immunity as provided by Florida Statute, Chapter 768.28, the Municipality reserves the right to self-insure for General Liability and Automobile Liability under Florida's sovereign immunity statute with coverage limits of \$100,000 Per Person and \$200,000 Per Occurrence; or such monetary waiver limits that may change and be set forth by the legislature. In the event the Municipality maintains Commercial General Liability or Business Auto Liability, the Municipality agrees to maintain said insurance policies at limits not less than \$100,000 Per Person and \$200,000 Per Occurrence. The Municipality agrees to endorse Palm Beach County Board of County Commissioners as an "Additional Insured" to the Commercial General Liability, but only with respect to negligence other than County's negligence arising out of this project or Agreement. **This paragraph does not apply to liability policies which afford only indemnity based claims-bill coverage.**

The Municipality agrees to maintain, or self-insure, Worker's Compensation & Employer's Liability insurance in accordance with Florida Statute, Chapter 440.

The Municipality agrees to provide a statement, or Certificate of Insurance, evidencing insurance or self-insurance for the above required coverages, which the Municipality shall deliver to HCD at its office at 100 Australian Avenue, Suite 500, West Palm Beach, Florida 33406.

The Municipality agrees its self-insurance or insurance shall be primary as respects to any coverage afforded to or maintained by County.

The Municipality agrees compliance with the foregoing insurance requirements is not intended to nor construed to relieve the Municipality of its liability and obligations under this Agreement.

11. MAINTENANCE OF EFFORT

The intent and purpose of this Agreement is to increase the availability of the Municipality's services. This Agreement is not to substitute for or replace existing or planned projects or activities of the Municipality. The Municipality agrees to maintain a level of activities and expenditures, planned or existing, for projects similar to those being assisted under this Agreement which is not less than that level existing prior to this Agreement.

12. CONFLICT OF INTEREST

The Municipality covenants that no person who presently exercises any functions or responsibilities in connection with the Project, has any personal financial interest, direct or indirect, in the target areas or any parcels therein, which would conflict in any manner or degree with the performance of this Agreement and that no person having any conflict of interest shall be employed by or subcontracted by the Municipality. Any possible conflict of interest on the part of the Municipality or its employees shall be disclosed in writing to HCD provided, however, that this paragraph shall be interpreted in such a manner so as not to unreasonably impede the statutory requirement that maximum opportunity be provided for employment of and participation of low and moderate-income residents of the project area.

13. CITIZEN PARTICIPATION

The Municipality shall cooperate with HCD in the implementation of the Citizen Participation Plan by establishing a citizen participation process to keep residents informed of the activities the Municipality is undertaking in carrying out the provisions of this Agreement. Representatives of the Municipality shall attend meetings and assist HCD in the implementation of the Citizen Participation Plan, as requested by HCD.

14. RECOGNITION

All facilities purchased or constructed pursuant to this Agreement shall be clearly identified as to funding source. The Municipality will include a reference to the financial support herein provided by HCD in all publications and publicity. In addition, the Municipality will make a good faith effort to recognize HCD's support for all activities made possible with funds made available under this Agreement.

15. AGREEMENT DOCUMENTS

The following documents are herein incorporated by reference and made a part hereof, and shall constitute and be referred to as the Agreement; and all of said documents taken as a whole constitute the Agreement between the parties hereto and are as fully a part of the Agreement as if they were set forth verbatim and at length herein:

In the event of termination, the Municipality shall not be relieved of liability to the County for damages sustained by the County by virtue of any breach of the Agreement by the Municipality, and the County may withhold any payment to the Municipality for set-off purposes until such time as the exact amount of damages due to the County from the Municipality is determined.

- (1) TERMINATION FOR CAUSE
If through any cause either party shall fail to fulfill in a timely and proper manner its obligations under this Agreement, or if either party shall violate any of the covenants, agreements, or stipulations of this Agreement, either party shall thereupon have the right to terminate this Agreement in whole or part by giving a fifteen (15) working day written notice of such termination to the other party and specifying therein the effective date of termination.

EXHIBIT A
WORK PROGRAM NARRATIVE

I. THE MUNICIPALITY AGREES TO:

A. **PROFESSIONAL SERVICES:** The Municipality shall, at its own cost, retain the services of a engineering consultant (a Florida professional engineer) for this project to provide design services to create plans and specifications for the below described street improvement project located along Fleming Avenue in the City of Greenacres. The consultant shall also prepare, obtain and review bids, prepare contract documents, inspect work in progress, recommend payment to contractors, and provide other professional services customarily provided for this type of project. The consultant shall also coordinate the design and construction work with the asbestos abatement contractor, should such abatement become necessary. The Municipality shall contact the applicable regulatory agencies if de-watering is required to ensure that no adverse impacts occur from migration of off-site subsurface petroleum contamination.

B. **PROJECT SCOPE :** The scope of this project subject to funding availability shall include the following :

Paving, grading, curbs, sidewalks, sodding, a vehicle turn-around area, and driveway/fence restoration along Fleming Avenue, north of 10th Avenue North in the City of Greenacres.

NOTE 1: The Municipality shall submit its bid package/drawings/specifications, and an itemized opinion of probable construction cost prepared by its consultant, to HCD and obtain a letter of approval prior to bidding the construction work. Furthermore, the Municipality shall obtain HCD approval prior to issuing any addenda to its bid documents for this project.

NOTE 2: The Municipality shall prioritize the work in the project, and shall bid such work in a manner that would allow the receipt of itemized costs from bidders which would then allow the award of items that can be funded by the budget provided that the extent of work awarded will result in a functioning facility in the opinion of HCD.

NOTE 3: The Municipality shall include in its bid and contract documents the following prohibition affecting the prime contractor and all subcontractors for this project: "Neither the prime contractor nor any subcontractor shall be allowed to perform one hundred percent (100%) of their work on this project on nights, weekends, or County recognized holidays. The prime contractor and all subcontractors shall, at a minimum, perform work on this project for the duration of one regular working day". The Municipality may request HCD for a waiver to the above requirement should the nature of the project so necessitate, and in such instance, HCD may, at its discretion, grant the Municipality such waiver.

NOTE 4: The Municipality shall not award the construction contract for the project until sufficient funding is available to complete the established scope of work. All construction work shall be included in one contract. The Municipality shall obtain HCD approval prior to awarding the construction contract to be funded through this Agreement. After awarding such contract, the Municipality shall obtain HCD approval prior to executing any change orders to such contract.

NOTE 5: Should the construction contract amount for this project exceed the amount to be funded by the County for construction costs through this Agreement, then the Municipality shall fund all amounts in excess of the amount to be funded by the County. The Municipality may request the County to participate with a portion of the County's funding for construction costs first prior to participating with its funds. Under such a scenario, the Municipality would disburse an amount up to 75%of the County's funding amount made available for the project through this Agreement for construction costs and request reimbursement from the County for such amount, then disburse its portion of funding for the project (without being reimbursed by the County for such amount), and finally, the Municipality would disburse an amount equivalent to the County's remaining funding amount made available for the project through this Agreement for construction costs and request reimbursement from the County for such amount.

NOTE 6: The Municipality shall not request reimbursement from HCD for materials or equipment received and stored on the project site or elsewhere. The Municipality shall only request reimbursement for materials and equipment that have been installed.

The Municipality further agrees that HCD, in consultation with any parties it deems necessary, shall be the final arbiter on the Municipality's compliance with the above.

CITY OF GREENACRES

- C. **ASBESTOS REQUIREMENTS:** The Municipality shall comply with all applicable requirements contained in Exhibit C, attached hereto, for construction work in connection with the project funded through this Agreement.
- D. **DAVIS-BACON ACT:** The Municipality shall request the County to obtain a Davis-Bacon wage decision for the project prior to advertising the construction work. The Municipality shall incorporate a copy of the Davis-Bacon wage decision and disclose the requirements of the Davis-Bacon Act in its construction bid solicitation and contract.
- E. **BONDING REQUIREMENTS:** The Municipality shall comply with the requirements of 24CFR Part 85 in regard to bid guarantees, performance bonds, and payment bonds.

 AHERA: Asbestos Hazard Emergency Response Act
 EPA: Environmental Protection Agency
 FLAC: Florida Licensed Asbestos Consultant
 HCD: Palm Beach County Department of Housing and Community Development
 NESHAP: National Emission Standards for Hazardous Air Pollutants
 NRCA: National Roofing Contractors Association
 NVLAP: National Voluntary Laboratory Accreditation Program
 OSHA: Occupational Health and Safety Administration
 PBCAC: Palm Beach County Asbestos Coordinator (in Risk Management)

II. ASBESTOS SURVEYS

All properties scheduled for renovation or demolition are required to have a comprehensive asbestos survey conducted by a Florida Licensed Asbestos Consultant (FLAC). The survey shall be conducted in accordance with AHERA guidelines. Analysis must be performed by a NVLAP accredited laboratory.

For Renovation Projects (projects which will be reoccupied):

- Point counting must be done for all asbestos containing building materials (ACBM) indicating less than 1% asbestos (to determine if any asbestos is present).
- Samples of vinyl floor tile indicating asbestos not detected must be confirmed by transmission electron microscopy (TEM).
- Joint compound shall be analyzed as a separate layer.
- Roofing material shall be sampled only if a renovation requires the roof to be disturbed (in lieu of sampling the roof, it may be presumed to contain asbestos).

For Demolition Projects:

- Point counting must be done for all "friable" asbestos containing building materials (ACBM), indicating less than 1% asbestos. This includes joint compounds (to be analyzed as a separate layer), and vinyl asbestos tile.
- Roof materials shall be presumed to be asbestos containing.

If the Municipality has a recent asbestos survey report prepared by a licensed asbestos consultant, a copy may be provided to HCD and PBCAC for review to determine if the survey is adequate to proceed with renovation/demolition work. If no survey is available, a survey may be initiated by the Municipality or requested by HCD. A copy of the completed survey will be forwarded to the Municipality. All asbestos survey's shall be forwarded to the PBCAC.

III. ASBESTOS ABATEMENT**A. RENOVATION**

- (a) Prior to a renovation, all asbestos containing materials that will be disturbed during the renovation, must be removed by a Florida Licensed Asbestos Contractor under the direction of a FLAC. Exceptions may be granted by HCD prior to the removal, (such as asbestos containing roofs, transite pipe). The Municipality must obtain approval for all exceptions from HCD. HCD will request the PBCAC to review and approve all exceptions.
- (b) Asbestos Abatement work may be contracted by the Municipality or by HCD upon request.
- (c) If the Municipality contracts the asbestos abatement, the following documents are required to be provided to the HCD and the PBCAC.

 2. Pre and Post Job submittals, reviewed and signed by the FLAC.

- (e) Materials containing <1% asbestos are not regulated by EPA/NESHAPS. However, OSHA compliance is mandatory. OSHA requirements including training, wet methods, prompt cleanup in leak tight containers, etc. The renovation contractor must comply with US Dept of Labor, Standard Interpretation (OSHA), Compliance requirements for renovation work involving material containing <1% asbestos, 11/24/2003. The renovation contractor must submit a work plan to HCD and the PBCAC prior to removal of the materials.

B. DEMOLITION

Friable materials include: resilient asbestos tile and mastic which is not intact, linoleum, asbestos containing joint compound, asbestos containing cement panels (e.g. transite), etc.

Intact resilient tile and asbestos roof materials may be demolished with adequate controls (e.g. wet method) by a demolition contractor provided the contractor is aware of the asbestos containing materials present and exercises adequate control techniques (wet methods, etc.). In all cases, demolition work should be monitored by a FLAC to insure proper control measures and waste disposal. Any exceptions to these guidelines may be requested through HCD prior to the removal, (such as asbestos containing roofs, transite pipe). Exceptions may be granted by HCD prior to the removal, (i.e. asbestos containing roofs, transite pipe). The Municipality must obtain approval for all exceptions from HCD and the PBCAC.

- (a) Asbestos Abatement work may be contracted by the Municipality or by HCD upon request.
