The Municipality shall, in a satisfactory and proper manner as determined by HCD, perform the tasks necessary to conduct the program outlined in Exhibit "A" as attached hereto and made a part hereof.

PART III

COMPENSATION, TIME OF PERFORMANCE, METHOD, AND CONDITIONS OF PAYMENT

1. MAXIMUM COMPENSATION

The Municipality agrees to accept as full payment for services rendered pursuant to this Agreement the actual amount of budgeted, eligible, and HCD Director or designee-approved expenditures and encumbrances made by the Municipality under this Agreement, which shall not be unreasonably withheld. Said services shall be performed in a manner satisfactory to HCD. In no event shall the total compensation or reimbursement to be paid hereunder exceed the maximum and total authorized sum of \$150,000 (as more specifically detailed in Exhibit A hereto) for the period of April 1, 2009 through and including August 15, 2009. Any funds not obligated by the expiration date of this Agreement shall automatically revert to the County.

3. METHOD OF PAYMENT

The County agrees to make payments and to reimburse the Municipality for all budgeted costs permitted by Federal, State, and County guidelines. This includes ensuring that all consultant contracts and fee schedules meet the minimum standards as established by the Palm Beach County Engineering Department and U.S. HUD. All additional services shall have prior written approval with support documentation detailing categories of persons performing work plus hourly rates including benefits, number of drawings required, and all items that justify the "Fixed Fee Contract." (6) ADDITIONAL HCD, COUNTY, AND U.S. HUD REQUIREMENTS

HCD shall have the right under this Agreement to suspend or terminate payments if after 15 days written notice the Municipality has not complied with any additional conditions that may be imposed, at any time, by HCD, the County, the State, or U.S. HUD.

Accounting and disbursement of such income shall comply with OMB Circular A-110 and other applicable regulations incorporated herein by reference.

PART IV

GENERAL CONDITIONS

1. OPPORTUNITIES FOR RESIDENTS AND CIVIL RIGHTS COMPLIANCE

The Municipality agrees that no person shall on the ground of race, color, disability, national origin, religion, age, financial status, familial status, marital status, sexual orientation, or gender, be excluded from the benefits of, or be subjected to discrimination under any activity carried out by the performance of this Agreement. Upon receipt of evidence of such discrimination, the County shall have the right to terminate this Agreement.

To the greatest extent feasible, lower-income residents of the project areas shall be given opportunities for training and employment; and to the greatest feasible extent eligible business concerns located in or owned in substantial part by persons residing in the project areas shall be awarded contracts in connection with the project. The Municipality shall comply with the Section 3 Clause of the Housing and Community Development Act of 1968.

2. OPPORTUNITIES FOR SMALL AND MINORITY/WOMEN-OWNED BUSINESS ENTERPRISES

In the procurement of supplies, equipment, construction, or services to implement this Agreement, the Municipality shall make a positive effort to utilize small business and minority/women-owned business enterprises of supplies and services, and provide these sources the maximum feasible opportunity to compete for contracts to be performed pursuant to this Agreement. 3. PROGRAM BENEFICIARIES

At least fifty-one percent (51%) of the beneficiaries of a project funded through this Agreement must be low- and moderate- income persons. The project funded under this Agreement shall assist beneficiaries as defined above for the time period designated in this Agreement. The Municipality shall provide written verification of compliance to HCD upon HCD's request.

4. EVALUATION AND MONITORING

The Municipality agrees that HCD will carry out periodic monitoring and evaluation activities as determined necessary by HCD or the County and that payment, reimbursement, or the continuation of this Agreement is dependent upon satisfactory evaluation conclusions based on the terms of this Agreement. The Municipality agrees to furnish upon request to HCD, the County, or the County's designees copies of transcriptions of such records and information as is determined necessary by HCD or the County. The Municipality shall submit status reports required under this Agreement on forms approved by HCD to enable HCD to evaluate progress. The Municipality shall provide information as requested by HCD to enable HCD to complete reports required by the County or HUD. The Municipality shall allow HCD, the County, the State, or HUD to monitor the Municipality on site. Such visits may be scheduled or unscheduled as determined by HCD, the State, or HUD.

5. AUDITS AND INSPECTIONS

At any time during normal business hours and as often as HCD, the County, the State, U.S. HUD, or the Comptroller General of the United States may deem necessary, there shall be made available by the Municipality to HCD, the County, the State, U.S. HUD, or the Comptroller General for examination all its records with respect to all matters covered by this Agreement.

The Municipality agrees to comply with the provisions of the Single Audit Act of 1984, as amended, as it pertains to this Agreement. The Municipality shall submit a single audit, including any management letter, made in accordance with the general program requirements of OMB Circulars A-87, A-102, A-133, and other applicable regulations within one hundred and eighty (180) days after the end of any fiscal year covered by this Agreement in which Federal funds from all sources are expended. Said audit shall be made by a Certified Public Accountant of the Municipality's choosing, subject to the County's approval. In the event the Municipality anticipates a delay in producing such audit or audited financial statements, the Municipality shall request an extension in advance of the deadline. The cost of said audit shall be borne by the Municipality. In the event the Municipality is exempt from having an audit conducted under A-133, the Municipality shall submit audited financial statements and/or the County reserves the right to conduct a "limited scope audit" of the Municipality as defined by A-133. The County will be responsible for providing technical assistance to the Municipality, as deemed necessary by the County.

6. UNIFORM ADMINISTRATIVE REQUIREMENTS

The Municipality agrees to comply with the applicable uniform administrative requirements as described in Federal Community Development Block Grant Regulations 24 CFR 570.502.

7. REVERSION OF ASSETS

Upon expiration of this Agreement, the Municipality shall transfer to the County any CDBG funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG funds. Any real property under the Municipality's control upon expiration of this Agreement which was acquired or improved in whole or part with CDBG in the excess of \$25,000 must either be used to meet one of the national objectives in Federal Community Development Block Grant Regulations 24 CFR 570.508 for a period of five years after expiration of this Agreement (unless a longer period is specified elsewhere in this Agreement), or, the Municipality shall pay the County an amount equal to the current market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for the acquisition of, or improvement to, the property.

8. DATA BECOMES COUNTY PROPERTY

All reports, plans, surveys, information, documents, maps, and other data procedures developed, prepared, assembled, or completed by the Municipality for the purpose of this Agreement shall be made available to the County by the Municipality at any time upon request by the County or HCD. Upon completion of all work contemplated under this Agreement copies of all documents and records relating to this Agreement shall be surrendered to HCD if requested. In any event the Municipality shall keep all documents and records for five (5) years after expiration of this Agreement.

9. INDEMNIFICATION

Each party to this Agreement shall be liable for its own actions and negligence and, to the extent permitted by law, the County shall indemnify, defend, and hold harmless the Municipality against any actions, claims, or damages arising out of the County's negligence in connection with this Agreement, and the Municipality shall indemnify, defend, and hold harmless the County against any actions, claims, or damages arising out of the Municipality's negligence in connection with this Agreement. The Municipality shall also hold the State harmless against all claims of whatever nature arising out of the Municipality's performance of work under this Agreement, to extent allowed and required by law. The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statute, section 768.28, nor shall the same be construed to constitute agreement by either party to indemnify the other party for such other party's negligent, willful or intentional acts or omissions. The Municipality shall hold the County harmless and shall indemnify the County for funds which the County is obligated to refund the State or the Federal Government arising out of the conduct of activities and administration of the Municipality. The provisions of this indemnification clause shall survive the termination of this Agreement.

10. INSURANCE

Without waiving the right to sovereign immunity as provided by Florida Statute, Chapter 768.28, the Municipality reserves the right to self-insure for General Liability and Automobile Liability under Florida's sovereign immunity statute with coverage limits of \$100,000 Per Person and \$200,000 Per Occurrence; or such monetary waiver limits that may change and be set forth by the legislature. In the event the Municipality maintains Commercial General Liability or Business Auto Liability, the Municipality agrees to maintain said insurance policies at limits not less than \$100,000 Per Person and \$200,000 Per Occurrence. The Municipality agrees to endorse Palm Beach County Board of County Commissioners as an "Additional Insured" to the Commercial General Liability, but only with respect to negligence other than County's negligence arising out of this project or Agreement. **This paragraph does not apply to liability policies which afford only indemnity based claims-bill coverage.**

The Municipality agrees to maintain, or self-insure, Worker's Compensation & Employer's Liability insurance in accordance with Florida Statute, Chapter 440.

The Municipality agrees to provide a statement, or Certificate of Insurance, evidencing insurance or self-insurance for the above required coverages, which the Municipality shall deliver to HCD at its office at 160 Australian Avenue, Suite 500, West Palm Beach, Florida 33406. The Municipality agrees its self-insurance or insurance shall be primary as respects to any coverage afforded to or maintained by County.

The Municipality agrees compliance with the foregoing insurance requirements is not intended to nor construed to relieve the Municipality of its liability and obligations under this Agreement.

11. MAINTENANCE OF EFFORT

The intent and purpose of this Agreement is to increase the availability of the Municipality's services. This Agreement is not to substitute for or replace existing or planned projects or activities of the Municipality. The Municipality agrees to maintain a level of activities and expenditures, planned or existing, for projects similar to those being assisted under this Agreement which is not less than that level existing prior to this Agreement.

12. CONFLICT OF INTEREST

The Municipality covenants that no person who presently exercises any functions or responsibilities in connection with the Project, has any personal financial interest, direct or indirect, in the target areas or any parcels therein, which would conflict in any manner or degree with the performance of this Agreement and that no person having any conflict of interest shall be employed by or subcontracted by the Municipality. Any possible conflict of interest on the part of the Municipality or its employees shall be disclosed in writing to HCD provided, however, that this paragraph shall be interpreted in such a manner so as not to unreasonably impede the statutory requirement that maximum opportunity be provided for employment of and participation of low and moderate-income residents of the project area.

13. CITIZEN PARTICIPATION

The Municipality shall cooperate with HCD in the implementation of the Citizen Participation Plan by establishing a citizen participation process to keep residents informed of the activities the Municipality is undertaking in carrying out the provisions of this Agreement. Representatives of the Municipality shall attend meetings and assist HCD in the implementation of the Citizen Participation Plan, as requested by HCD.

14. RECOGNITION

All facilities purchased or constructed pursuant to this Agreement shall be clearly identified as to funding source. The Municipality will include a reference to the financial support herein provided by HCD in all publications and publicity. In addition, the Municipality will make a good faith effort to recognize HCD's support for all activities made possible with funds made available under this Agreement.

15. AGREEMENT DOCUMENTS

The following documents are herein incorporated by reference and made a part hereof, and shall constitute and be referred to as the Agreement; and all of said documents taken as a whole constitute the Agreement between the parties hereto and are as fully a part of the Agreement as if they were set forth verbatim and at length herein:

- (1) This Agreement, including its Exhibits;

## VILLAGE OF PALM SPRINGS

The Municipality shall have thirty (30) days from the date of this Agreement to provide the above described documentation. Locations for which the County has not received documentation shall be excluded from the project.

The fencing and gates to be installed through this Agreement shall not encroach on any property (private or public) for which the Municipality does not have site control. All construction work shall be included in one contract. The Municipality shall obtain HCD approval prior to awarding the construction contract to be funded through this Agreement. The Municipality recognizes that HCD must obtain the approval of the State before HCD is able to approve the award of the construction contract, and the Municipality hereby covenants that it shall plan its contract award process to allow for the necessary time to fully accomplish this approval process. After awarding such contract, the Municipality shall obtain HCD approval prior to executing any change orders to such contract. Furthermore, after awarding the construction contract, the Municipality shall provide HCD with a copy of the executed contract, and within thirty (30) days from the execution of the construction contract, the Municipality shall provide HCD with a copy of the prime contractor's schedule for the completion of the construction work under the contract.

NOTE 5: Should the construction contract amount for this project exceed the amount to be funded by the County for construction costs through this Agreement, then the Municipality shall fund all amounts in excess of the amount to be funded by the County. The Municipality shall not request the County for reimbursement of any of the County's funds for construction costs until after it has expended all amounts in excess of the amount to be funded by the County.

NOTE 6: The Municipality shall not request reimbursement from HCD for materials or equipment received and stored on the project site or elsewhere. The Municipality shall only request reimbursement for materials and equipment that have been installed.

NOTE 7: Upon completion of the project, the Municipality shall cause its engineering consultant to provide HCD a written certification. Such certification shall indicate that the project has met the specifications of the design, as may have been amended by change order, and the date of completion of construction.

The Municipality further agrees that HCD, in consultation with any parties it deems necessary, shall be the final arbiter on the Municipality's compliance with the above.

**EXHIBIT D**

**ASBESTOS REQUIREMENTS**  
**SPECIAL CONDITIONS FOR DEMOLITION AND RENOVATION OF BUILDINGS**

The provisions of this part apply to all demolition and renovation work contemplated in this Agreement and described in Exhibit A of this Agreement.

**I. DEFINITIONS**

ACBM: Asbestos Containing Building Materials  
 AHERA: Asbestos Hazard Emergency Response Act  
 EPA: Environmental Protection Agency  
 FLAC: Florida Licensed Asbestos Consultant  
 HCD: Palm Beach County Department of Housing and Community Development  
 NESHAP: National Emission Standards for Hazardous Air Pollutants  
 NRCA: National Roofing Contractors Association  
 NVLAP: National Voluntary Laboratory Accreditation Program  
 OSHA: Occupational Health and Safety Administration  
 PBCAC: Palm Beach County Asbestos Coordinator (in Risk Management)  
 TEM: transmission electron microscopy

**II. ASBESTOS SURVEYS**

All properties scheduled for renovation or demolition are required to have a comprehensive asbestos survey conducted by a Florida Licensed Asbestos Consultant (FLAC). The survey shall be conducted in accordance with AHERA guidelines. Analysis must be performed by a NVLAP accredited laboratory.

For Renovation Projects (projects which will be reoccupied):

- Point counting must be done for all asbestos containing building materials (ACBM) indicating less than 1% asbestos (to determine if any asbestos is present).
- Samples of vinyl floor tile indicating asbestos not detected must be confirmed by transmission electron microscopy (TEM).
- Joint compound shall be analyzed as a separate layer.
- Roofing material shall be sampled only if a renovation requires the roof to be disturbed (in lieu of sampling the roof, it may be presumed to contain asbestos).

For Demolition Projects:

- Point counting must be done for all "friable" asbestos containing building materials (ACBM), indicating less than 1% asbestos. This includes joint compounds (to be analyzed as a separate layer), and vinyl asbestos tile.
- Roof materials shall be presumed to be asbestos containing.

If the Municipality has a recent asbestos survey report prepared by a licensed asbestos consultant, a copy may be provided to HCD and PBCAC for review to determine if the survey is adequate to proceed with renovation/demolition work. If no survey is available, a survey may be initiated by the Municipality or requested by HCD. A copy of the completed survey will be forwarded to the Municipality. All asbestos survey's shall be forwarded to the PBCAC.

**III. ASBESTOS ABATEMENT**

**A. RENOVATION**

- (a) Prior to a renovation, all asbestos containing materials that will be disturbed during the renovation, must be removed by a Florida Licensed Asbestos Contractor under the direction of a FLAC. Exceptions may be granted by HCD prior to the removal, (such as asbestos containing roofs, transite pipe). The Municipality must obtain approval for all exceptions from HCD. HCD will request the PBCAC to review and approve all exceptions.
- (b) Asbestos Abatement work may be contracted by the Municipality or by HCD upon request.
- (c) If the Municipality contracts the asbestos abatement, the following documents are required to be provided to the HCD and the PBCAC.
  1. An Asbestos Abatement Specification (Work Plan), sealed by an FLAC.
  2. Pre and Post Job submittals, reviewed and signed by the FLAC.

## VILLAGE OF PALM SPRINGS

- (d) If the Municipality requests HCD to contract the asbestos abatement, HCD will initiate the request through the PBCAC who will contract the asbestos abatement. HCD will provide a copy of all contractor and consultant documents to the Municipality.
- (e) Materials containing <1% asbestos are not regulated by EPA/NESHAPS. However, OSHA compliance is mandatory. OSHA requirements including training, wet methods, prompt cleanup in leak tight containers, etc. The renovation contractor must comply with US Dept of Labor, Standard Interpretation (OSHA), Compliance requirements for renovation work involving material containing <1% asbestos, 11/24/2003. The renovation contractor must submit a work plan to HCD and the PBCAC prior to removal of the materials.

### B. DEMOLITION

All "friable" ACM must be removed by a Florida Licensed Asbestos Contractor under the direction of a FLAC prior to demolition. Friable materials include: resilient asbestos tile and mastic which is not intact, linoleum, asbestos containing joint compound, asbestos containing cement panels (e.g. transite), etc.

Intact resilient tile and asbestos roof materials may be demolished with adequate controls (e.g. wet method) by a demolition contractor provided the contractor is aware of the asbestos containing materials present and exercises adequate control techniques (wet methods, etc.). In all cases, demolition work should be monitored by a FLAC to insure proper control measures and waste disposal. Any exceptions to these guidelines may be requested through HCD prior to the removal, (such as asbestos containing roofs, transite pipe). Exceptions may be granted by HCD prior to the removal, (i.e. asbestos containing roofs, transite pipe). The Municipality must obtain approval for all exceptions from HCD and the PBCAC.

- (a) Asbestos Abatement work may be contracted by the Municipality or by HCD upon request.
- (b) If the Municipality contracts the asbestos abatement, the following documents must be provided to the PBC/HCD and reviewed by the PBCAC.
  - 1. An Asbestos Abatement Specification (Work Plan), sealed by an FLAC.
  - 2. Pre and Post Job submittals, reviewed and signed by the FLAC.
- (c) If the Municipality requests HCD to contract the asbestos abatement, HCD will initiate the request through the PBCAC who will contract the asbestos abatement. HCD will provide a copy of all contractor and consultant documents to the Municipality.
- (d) Recycling, salvage or compacting of any asbestos containing materials or the substrate is strictly prohibited.
- (e) In all cases, compliance with OSHA "Requirements for demolition operations involving material containing <1% asbestos is mandatory.
