AMENDMENT #3 TO ANNUAL ROOFING CONTRACT

This agreement amends the contract between Palm Beach County (County) and Certified Roofing Specialists, Inc., (Contractor) authorized pursuant to Palm Beach County Resolution (R-2007-1101).

The original contract provided that Contractor would act as an annual roofing contractor from June 19, 2007 to June 18, 2008 or until the total dollar value of work authorizations issued in the term, among the pool of annual Roofing Contractors, totals One Million Five Hundred Thousand Dollars (\$1,500,000), whichever occurred first. That contract also provides that it could be extended for four additional terms. This amendment is the third extension. The contract was amended on April 1, 2008 and again on April 7, 2009.

The County is extending the contract for a period of twelve (12) months based on expiration of the current term. Pursuant to the provisions of the existing contract, the parties agree that Contractor will continue to act as an annual roofing contractor until April 6, 2011 or until the total dollar value of work authorizations for the fourth term totals One Million Five Hundred Thousand Dollars (\$1,500,000), whichever comes first. The parties agree that the total dollar value of work authorizations issued pursuant to this amendment shall not exceed One Million Five Hundred Thousand Dollars (\$1,500,000).

The County has established the Office of the Inspector General, Ordinance R2009-049 which is authorized and empowered to review past, present and proposed County contracts, transactions, accounts and records. All consultants and parties doing business with the County and receiving County funds shall fully cooperate with the Inspector General including receiving unrestricted access to records relating to this contract. The Inspector General has the power to subpoena witnesses, administer oaths, require the production of records, and audit, investigate, monitor, and inspect the activities of the contractor, its officers, agents, employees, and lobbyists in order to ensure compliance with contract specifications and detect corruption and fraud. The cost of the Inspector General's Office shall be incorporated into the contract price of all contracts and shall be one quarter (1/4) of one (1) percent of the contract price.

Except as amended herein, all provisions of the existing contract shall remain in full force and effect.
