B. Recommended Sources of Funds/Summary of Fiscal Impact:

* There is no direct fiscal impact on the Planning, Zoning and Building Department from granting a tax exemption for this property. The overall County impact is a reduction of collectable taxes. Tax revenue is to be reduced at most by the tax on the improvements made to the structure. The estimated improvement costs attributed solely to work on these historic building totals \$7,512,107.37. Based on the 2010 countywide operating millage rate, it is estimated that approximately \$3,263.26 tax dollars will be exempted annually (over ten years \$32,632.60).

(Continued from page one.)

The ordinance allows a qualifying local government to enter into an interlocal agreement with the County to perform review functions necessary to implement the ordinance within its municipal boundary. An Interlocal Agreement was approved by the BCC on April 2, 1996, R 96 442 D, authorizing the Town of Palm Beach Historic Preservation Board to perform the required review to implement the tax exemption ordinance on improvements to historic landmark properties within the Town.

The historic property has filed preconstruction applications and final applications with the Town of Palm Beach Historic Preservation Board. Following review of the completed improvements the city's Historic Preservation Board determined the improvements were consistent with the U.S. Secretary of Interior's Standards for Rehabilitation and recommended approval for tax exemption. The Palm Beach City Commission then granted an ad valorem town tax exemption to the historic property.

The one (1) property is a privately owned residence.

Copies of the Town of Palm Beach Historic Preservation Board Applications and other back-up information for the properties are available for review at the County's Planning Division.
