I. EXECUTIVE BRIEF

**Motion and Title:** Staff recommends motion to adopt: Resolution amending Resolution R-2009-0592 which delegates authority to the County Administrator or designee to execute standard sound and light production services contractor agreements for the provision of sound and light production for entertainment at County facilities.

**Summary:** Palm Beach County Parks and Recreation Department (Parks) established a standard sound and light production services contractor agreement which allows Parks to hire sound and light production services to produce entertainment at County facilities. This amendment amends the standard sound and light production services contractor agreement, which is attached to Resolution No. R-2009-0592, to include the Inspector General Fee requirement. Countywide (AH)

**Background and Justification:** On April 7, 2009, the Board of County Commissioners (BCC) adopted Resolution No. R-2009-0592 delegating the authority to the County Administrator or designee to execute standard sound and light production services contractor agreements. Any material changes to the standard sound and light production services contractor agreement must be approved by the BCC. The standard sound and light production services contractor agreement specifically identifies the responsibilities and expectations of the production company, including insurance when deemed necessary by the County. This amendment incorporates the Inspector General Fee requirement of Ordinance No. 2009-049.
