This summary is not to be used as a basis for payment.

**(continued from page 1)**

**Summary:** Over the three year funding period, money from the grant will be used to pay for the following: \$183,037 for a Family Drug Court Coordinator position under the Division of Justice Service; \$39,570 for travel expenses for four Drug Court Team members to attend National training events; \$110,400 categorized as supplies, such as office supplies, urinalysis services and incentives as rewards for positive behavior (i.e. gift certificates, gift cards); and \$151,900 for consulting services, contracts, and enhancements/implementation of computer systems. Countywide (GB)

**Background and Policy Issues:** In order to reduce substance abuse related child maltreatment in Palm Beach County, the Division of Justice Services applied for an Office of Justice Programs grant which seeks to create a Family Drug Court (FDC) to further offer a comprehensive systemic approach to treating substance-abusing parents, while maintaining the goal of reunification. By affording substance-abusing parents an opportunity for family reunification with support and treatment, family dependency treatment courts decrease the risk of physical and emotional harm to children, ultimately saving child welfare dollars.
