Submitted By: Palm Tran
Submitted for: Palm Tran Service Board

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Appointment of one (1) At-Large member to the Palm Tran Service Board (PTSB) for a term of two (2) years, effective April 20, 2010.

<u>Nominee</u>	<u>Category, Seat Number</u>	<u>Term to Expire</u>	<u>Recommended By</u>
Bradley Morton	Business Member Seat #5	04/19/2012	Comm. Aaronson

Summary: Since 2008, the PTSB has been comprised of (thirteen) 13 at-large members; however in August 2009, Ms. Suarez-Murias, who held the Business Member seat No. 5, was appointed to fill Seat No. 9, Regular Fixed-Route Bus Passenger Seat. This left seat No. 5 vacant. A memo was circulated to the Board of County Commissioners along with the Board Appointment Nomination Forms. This was the only nomination received. Countywide (DR).

Background and Justification: This board was delegated the authority to approve fixed route service adjustments and serves only as an advisory board in all other aspects of the County's public transportation system. Agenda Summary R2001-2241 was amended April 2, 2002 (R2002-0485), and again amended by R2003-1582 on September 23, 2003 to remove the sunset date, further amended by R2004-0949 on May 18, 2004, designating a seat allocated to the Mini-Grace Commission to a "Citizen At Large" seat. Re: **Palm Tran Service Board Appointments for
the August 18th Commission Meeting**

The Palm Tran Service Board (PTSB) is comprised of thirteen (13) at-large members. At this time, staff is recommending three (3) changes be made to seats on the board. Staff believes that these changes, filling the designated seats with the appropriate people, will enhance the Service Board's mission and will enable it to have a broader view of the needs of the people within Palm Beach County in relation to public transit.

Staff recommends that former PTSB member Mr. Terry Brown be again appointed to the Service Board and that current members Roberta Van Sickle and Marta Suarez-Murias be appointed to fill different seats on the Board. These actions will leave a vacant seat for a member from the Business Community.

Mr. Terry Brown is now a commissioner in the Town of Ocean Ridge and was formerly the Disability Advocate on the Service Board, Seat No. 2, as well as serving as the Chair of the Para-transit Subcommittee. The term for this seat expired July 8, 2009. Staff recommends his appointment. As an elected official however, he can only be appointed to Seat No. 4, the seat designated for an Elected Municipal Official of a Municipality located within Palm Beach County. This seat is currently vacant due to the retirement of Mr. Maurice Jacobson who previously held the seat.

We propose that PTSB member Roberta Van Sickle, who currently holds the Regular Fixed-Route Bus Passenger Seat No. 9, be appointed into Seat No. 2, for a Disability Advocate. Ms. Van Sickle is a Disability Advocate and has indicated her desire to fill this seat.

We further propose that Ms. Suarez-Murias who currently occupies the Business Community Representative Seat (Seat No. 5) be appointed into Regular Fixed-Route Bus Passenger Seat (Seat No. 9). Ms. Suarez is a regular rider of Palm Tran's fixed route service and has indicated her willingness to serve in this capacity.

These actions will leave Seat No. 5, Business Community Representative, vacant. At this time, we are requesting nominations for that seat as well. We have enclosed five nomination forms. One each for the Staff recommendation, one blank nomination form for the Business Seat and one blank form should you desire to nominate someone other than those recommended by staff. Once you have made your decision, please complete the forms and return to me.

In order to have these appointments in place for the Palm Tran Service Board Meeting in August we are seeking your timely response in order that we can present the appointments at the August 18, 2009 Commission meeting. I ask that you please sign and return the blue information forms by July 20th, 2009 so that the agenda item summary can be prepared in order to make the August Board of County Commissioners meeting.

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to adopt: a Resolution to A) create a Palm Tran Services Board (PTSB); and B) abolish the Palm Tran Citizens Advisory Board (PTCAB).

Summary: The Board directed staff to bring back a resolution to abolish the Palm Tran Citizens Advisory Board (PTCAB) and create a new Palm Tran Services Board (PTSB). Approval of this resolution will abolish the PTCAB and establish a new PTSB. The PTSB is recommended to be comprised of eleven (11) members: seven (7) district appointments and four (4) at-large appointments. The PTSB would be delegated the authority to approve fixed route service adjustments and would only serve as an advisory board in all other aspects of the County's public transportation system. The PTSB would also function as the federally mandated forum for persons with disabilities to participate in the development and assessment of services for persons with disabilities. Countywide (DR).

Background and Policy Issues:

Palm Tran had a Citizens Advisory Board for many years. The Board established a Palm Tran Accessibilities Advisory Board in 1996. Both advisory boards functioned independently until the PTCAB was abolished in 1999. During 1999 and 2000 the PTAAB functioned as Palm Tran's only citizen advisory board focusing primarily on transportation for the disabled. The PTAAB was abolished by the Board in late 2000. A new Palm Tran Citizens Advisory Board was established to address all public transportation issues, as well as, issues relating to transportation for persons with disabilities. The Palm Tran Citizens Advisory Board also fulfilled the public participation requirements contained in the Title 2 of the Americans with Disability Act.

The PTCAB established a Governance Subcommittee chaired by Mr. Sidney Dinerstein. The Governance Subcommittee recommended and the PTCAB approved a proposal to make a recommendation to the Board to abolish the PTCAB and to create a Palm Tran Citizens Advisory Board. The Board considered this recommendation at a workshop on August 28, 2001 and directed staff to prepare a resolution abolishing the PTCAB and establishing a new Palm Tran Services Board.

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to adopt: a Resolution amending Resolution R-2001-2241, which created the Palm Tran Services Board (PTSB), replacing the seven (7) district appointments with seven (7) at-large appointments and extending the sunset date from December 31, 2002 to September 30, 2003.

Summary: On December 18, 2001, the BCC approved Resolution R-2001-2241 which created the Palm Tran Services Board (PTSB). When staff attempted to coordinate the district appointments utilizing seven (7) specific categories: transportation experience, disability advocate, environmental advocate, municipal representative, business community representative, representative with multi-cultural experience, and senior citizen; it became apparent that the commissioners may not want to be restricted to a specific category. In order for this service board to succeed and be effective, it is necessary to maintain these categories in order to have a cross representation of the transit community. The seven (7) district appointments would be replaced by seven (7) at-large appointments with the specific category requirements. The original four (4) at-large appointments will remain unchanged, making a total of eleven (11) members.

Background and Policy Issues: For several years Palm Tran had two advisory boards, the Transportation Citizens' Advisory Board (TCAB) and the Palm Tran Accessibility Advisory Board (PTAAB). Each board functioned independently of the other. While the TCAB ceased to function in 1997, the PTAAB continued to function as Palm Tran's only advisory board focusing primarily on transportation for the disabled. This board was not efficient and was abolished, and was replaced by the Palm Tran Citizens Advisory Board (PTCAB). Its purpose was to address all public transportation issues, as well as, issues relating to transportation for persons with disabilities.

In 2001, the PTCAB established a Governance Subcommittee which recommended that the PTCAB be abolished and a Palm Tran Services Board be created in its stead. This concept was approved by the full PTCAB. The BCC considered this recommendation at a workshop on August 28, 2001 and directed staff to prepare a resolution to establish a new advisory board. The BCC approved Resolution R-2001-2241 on December 18, 2001 which created a Palm Tran Services Board. The PTSB will be responsible for holding public hearings for major service adjustments to the fixed route bus system within Palm Tran's BCC approved operating budget. The PTSB will also serve as a forum for individuals with disabilities to participate in the continued development and assessment of public transit service to individuals with disabilities required by federal regulations.

RE: Palm Tran Service Board - 2003 Annual Report
DATE: September 12, 2003

I am pleased to be able to provide the Board of County Commissioners the Palm Tran Service Board's Annual Report. The past year has been extremely productive as the Palm Tran Service Board has moved to streamline fixed route bus service as well as provide a continuing forum for public involvement with paratransit service by members of the disabled and senior citizen communities of Palm Beach County.

Specifically the Palm Tran Service Board has accomplished the following:

1. Evaluated the performance of 5 poorly performing fixed routes as defined by Board of County Commissioners policies, held public hearings, and discontinued service on 3 routes, combined 2 routes into one route, and modified service on 1 route.
2. As a result of this work 5 buses have been obtained from existing services to reassign to Route 1 to implement 20 minute service each weekday beginning September 20, 2003. Route 1 carries approximately 25% of Palm Tran's total fixed route ridership. The additional service on Route 1 will be financially assisted by a Florida Department of Transportation corridor development grant for the next two years with 100% state funding.
3. A new County Senior Transportation Services program was established during the past year. This new program provides a focus for transportation options for senior citizens who are the fastest growing age group in Palm Beach County.
4. The PTSB Planning Subcommittee has continued to promote the straightening of the current crazy quilt pattern of fixed routes into a grid of bus routes serving major corridors. The recently completed Palm Beach County Transit Development Plan will help promote the transfer of neighborhood bus service to municipal sponsorship, thus making the implementation of a grid bus route network more acceptable to neighborhoods that have been served by Palm Tran bus routes.
5. The PTSB Marketing Subcommittee has continued to promote a higher level of awareness of all of Palm Tran's services. This year ridership on fixed route service is up by some 12.5% from the previous year with no increase in either buses operated or service hours provided from the previous year. Paratransit ridership is also up some 13% for the fiscal year to date.
6. The PTSB Paratransit Subcommittee has met regularly throughout the year to provide a continuing forum for the members of the disabled and elderly communities in the development of Palm Tran CONNECTION and fixed route services. We have been pleased that complaints are at the lowest levels, ever. Palm Tran CONNECTION has been recognized at both the national and state levels as an outstanding paratransit system.

The past year has been very productive for the Palm Tran Service Board and we look forward to serving Palm Beach County during the coming year.

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: a resolution amending Resolution No. 2001-2241 effectively revising membership criteria for the Palm Tran Service Board (PTSB).

Summary: The Board of County Commissioners adopted Resolution No. R2001-2241 which created the Palm Tran Service Board (PTSB). The resolution has been further amended through the adoption of Resolution Nos. R2002-0485, which amended the manner which members are appointed to the PTSB; and R2003-1582, which removed the sunset date established for the PTSB in its entirety; and R2004-0949, which allowed for a citizen at-large position. This current resolution will further amend the original Board Resolution by revising the PTSB membership criteria so as to allow one (1) member of the PTSB to be employed by a paratransit transportation provider providing service to Palm Beach County and further requiring that such member have extensive experience dealing with the consumers of paratransit transportation services in Palm Beach County. Countywide (DR)

Background and Policy Issues: David Evans resigned from the PTSB due to a conflict of interest with the existing resolution because of his employment with MV Transportation. Mr. Evans is an integral part of the paratransit system in Palm Beach County. In addition to using the service, he is a member of the TD Local Coordinating Board (LCB), former member of the Palm Tran Service Board (PTSB), former Chairman of the Palm Tran Service Board Paratransit Subcommittee and currently the consumer advocate for MV Transportation. He is one of the most active members of the LCB and PTSB. He always voices his concerns and informs the Board of any transportation issues of importance. With the help of Mr. Evans' advocacy and volunteering, Palm Tran CONNECTION has experienced unprecedented growth. His creative ideas and active leadership have contributed to the positive relationship we have with our customers. Without Mr. Evans' help, Palm Beach County's paratransit system would not be where it is today.

For six (6) years Mr. Evans led a group of advocates from Palm Beach County to Tallahassee for Transportation Disadvantaged Day. With the help of his organization, leadership and diligence he has helped get Bills passed and keep the Transportation Disadvantaged program and Trust Fund intact. In 2004 the Florida Commission for the Transportation Disadvantaged named David Evans the Transportation Volunteer of the Year. Mr. Evans is the leading advocate and volunteer for the transportation of seniors, the disadvantaged and the disabled in not only Palm Beach County, but the entire state of Florida.

Motion and Title: Staff recommends motion to adopt: Resolution amending Resolution No. 2001-2241 revising membership criteria for the Palm Tran Service Board (PTSB).

Summary: On December 18, 2001, the Board of County Commissioners adopted Resolution No. R2001-2241, which created the Palm Tran Service Board (PTSB). This Resolution will further amend the Resolution creating the Service Board by revising the PTSB membership criteria to: 1) change the membership from eleven (11) members to twelve (12) by adding a second member with transit experience; 2) change the Chairperson to a non-voting role except in the case of a tie vote or where the Chairperson's attendance is needed to create a quorum; and 3) change the definition of a quorum to seven (7) members.

The Palm Tran Service Board (PTSB) met on August 21, 2008, and discussed this proposed expansion. They recommend that the Board of County Commissioners consider two (2) additional seats, instead of one (1), with one (1) additional seat specifically dedicated to the Glades area, and that the PTSB Chairperson would remain a voting member of the PTSB. Countywide (DR)

Background and Justification: The Palm Tran Service Board (PTSB) was established December 18, 2001 and is currently comprised of eleven (11) at-large voting members from eleven (11) categories. The PTSB acts as an advisory board to the Board of County Commissioners and has been delegated authority by the BCC to conduct public hearings and make determinations regarding certain modifications to Palm Tran's fixed route service. It also provides a forum for public input relative to public transportation issues in Palm Beach County. At the direction of the Board of County Commissioners, this amendment would increase the membership to twelve (12) members. Additionally, this amendment would modify the duties of the Chairperson of the PTSB by making that position a non-voting member except if there were to be a tie vote among the other members or if the Chairperson were needed to create a quorum.
