In consideration of the mutual promises contained herein, the COUNTY and the CONSULTANT agree as follows:

**DEFINITIONS:**

**Approval, Acceptance, Authorization** when referring to the COUNTY shall not constitute acceptance or approval of the buildability or suitability of any documents nor the approval or acceptance of the condition, status or progress of the work, but only establishes that the COUNTY has verified such documents exist and that progress payments may be made. No liability shall flow to, be assumed by, or incurred to the COUNTY for its acceptance, approval or authorization of any documents or work hereunder.

**SECTION I - BASIC SERVICES OF CONSULTANT**

**1.1 General**

1.1.1 Provide planning, due diligence, development analysis, and development approval services for the proposed or actual projects owned or to be acquired by Palm Beach County. Individual tasks under this contract will be assigned on an as-needed basis by the COUNTY.

1.1.2 CONSULTANT shall provide for COUNTY Professional services in all phases of the Project to which this Agreement applies as hereinafter provided. These services will include serving as COUNTY'S professional representative for the project(s), providing consultation and advice and furnishing customary engineering services, surveying, environmental, architectural, and landscape architectural services incidental thereto.

1.1.3 The services of this Contract may include a series of many separate individual task or projects, all related to planning services, as more particularly described below. In such an event, the COUNTY may, at its sole discretion, obtain said services in accordance with the State of Florida Consultants Competitive Negotiation Act. If so, it is mutually understood that the relationship between CONSULTANT and COUNTY under this Contract shall be considered as neither barring

CONSULTANT from, nor granting special consideration to CONSULTANT in participating in the selection process for a consultant to provide such additional services.

1.1.4 Assignment of tasks to the CONSULTANT will be at the sole discretion of the COUNTY. The COUNTY may choose to select another firm or use in-house staff to perform any of the tasks described, in whole or in part. Task scope and fee negotiation will be performed on a task-by-task basis. No minimum amount of professional services or compensation is guaranteed to the CONSULTANT. This is not an exclusive contract. The COUNTY may enter into similar contracts with other Consultants to provide the same or similar services during the term of this contract.

1.1.5 Each task performed under this Contract will be assigned to CONSULTANT for accomplishment by a separate written service authorization. For each task COUNTY will require CONSULTANT to provide proposed written scope of services including schedule, cost, and Schedules 1 and 2 (SBE/MWBE) for COUNTY review. Upon mutual agreement of the scope of services, schedule and cost (lump sum fee or not to exceed arrived as in accordance with Section 5 of this contract), COUNTY will issue a notice to proceed for each assigned task.

1.1.6 The types of individual projects or tasks to be assigned to CONSULTANT under this Contract may include, but not necessarily limited to those listed in EXHIBIT A.

## **SECTION 5 - PAYMENTS TO CONSULTANT**

5.1 The total amount to be paid by the COUNTY under this Contract and method of payment shall be set forth in each service authorization. The CONSULTANT will bill the COUNTY at the amounts set forth for services rendered toward the completion of the Scope of Work. Payments will generally be made either after completion of scheduled milestones or after acceptance of specified deliverables. Where incremental billings for partially completed items are permitted, the total incremented billings shall not exceed the percentage of estimated completion of identifiable deliverables or accepted deliverables as of the billing date.

5.2 CONSULTANT and COUNTY shall agree on a Schedule of Values incorporating scope of work references, deliverables, and milestones. A Pay Application with percent complete of each activity shall be included with each billing. A SBE Activity Report and a schedule update of consultant's work shall be included with each billing.

5.3 Pay Applications received from the CONSULTANT pursuant to this Contract will be reviewed and approved by the initiating COUNTY department, indicating that services have been received, and then will be sent to the Finance Department for payment. Invoices must reference the project number. Invoices will normally be paid within thirty (30) days following the department's approval.

5.3.1 Without changing the contract price, a fee of 0.25% will be deducted by the COUNTY from each Pay Application to defray costs of the Office of the Inspector General in accordance with Ordinance R2009-049. Refer to Paragraph 7.24 for more information.

5.4 Fixed Price Method of Payment: Whenever possible, the scope of services for Services, Projects or Programs shall be thoroughly defined and outlined prior to its authorization. The COUNTY and CONSULTANT shall mutually agree to a fixed price for services to be rendered and a detailed scope of services. Should the COUNTY deem that a change in the scope of services is appropriate, then a decrease or increase shall be agreed to in writing. Prior to execution of a fixed price authorization, the CONSULTANT shall have submitted a detailed cost proposal including the estimated labor hours, labor rates, subcontractual services, out of pocket expenses and other related costs supporting the proposed work. Fixed price contracts shall include all services including labor, reimbursable, overhead and profit as part of the fixed price.

5.5 Computation of Time Charges/Not to Exceed Method of Payment: When a service is to be compensated for on a time charge/not to exceed basis, the CONSULTANT will submit a not to exceed budget to the COUNTY for prior approval based on estimated labor hours and labor rates which shall not exceed established

hourly rates plus subcontractual services, out of pocket expenses and other related costs supporting the proposed work. The COUNTY shall not be obligated to reimburse the CONSULTANT for costs incurred in excess of the total not to exceed cost amount. The CONSULTANT shall notify the COUNTY in writing when 90% of the "not to exceed" amount has been reached.

5.5.1 The COUNTY agrees to pay the CONSULTANT compensation for services rendered based upon the established actual hourly raw labor rates for services rendered by personnel directly engaged on COUNTY projects, multiplied by an overall overhead and profit factor. The labor rates, overhead and profit factors are subject to audit. The schedule of hourly labor rates by labor category as set forth in Exhibit B is attached hereto and made a part hereof. The rates listed in Exhibit B shall remain in effect for a period of two years from the date of CONTRACT execution. At each renewal date, if the cost of living index supports an increase, an increase of up to three percent (3%) may be allowed for each one year term thereafter.

5.5.2 Sub-contractual service shall be invoiced at the actual fees paid by the CONSULTANT. Sub-contractual services shall be approved by the COUNTY in writing prior to performance of the sub-contractual work.

5.5.3 "Out-of-pocket" expenses will be reimbursed up to the not-to-exceed amount. "Out-of-pocket" expenses mean the actual expenses expected to be incurred by the CONSULTANT or CONSULTANT'S independent professional associates directly or indirectly in connection with the work such as expenses for: transportation and subsistence incidental thereto; external reproduction of reports, drawings, specifications, bidding documents, and similar Project related items. Charges for specialized equipment shall be determined on an individual basis subject to approval of the COUNTY. All reimbursable expenses will be estimated at the time of negotiating this Contract. All requests for payment of "out-of-pocket" expenses eligible for reimbursement under the terms of the Contract shall include copies of paid receipts, invoices, or other documentation acceptable to the Palm Beach County Finance Department. Such documentation shall be sufficient to establish that the expense was actually incurred and necessary in the performance of the Scope of Work. Any travel, per diem, mileage, meals, or lodging expenses which may be reimbursable under the terms of this Contract will be paid in accordance with the rates and conditions set forth in Section 112.061, Florida Statutes.

5.6 In order for both parties to close their books and records, the CONSULTANT will clearly state "**Final**" on the CONSULTANT'S final/last billing to the COUNTY. This shall constitute CONSULTANT'S certification that all services have been properly performed and all charges and costs have been invoiced to COUNTY. Since this account will thereupon be closed, any and other further charges, if not properly included on this final invoice, are waived by the CONSULTANT.
