AGENDA ITEM SUMMARY					
Meeting Date:	June 29, 2010	[] Consent	======================================		
Department: Housing and Community Development					
Submitted By: Housing and Community Development					
	==================================	EXECUTIVE BRIEF			

Motion and Title: Staff recommends motion to approve: Neighborhood Stabilization Program-1 (NSP-1) residential first mortgage for \$163,700 and a forgivable second mortgage for \$25,000 for a total funding amount of \$188,700 to Dexter Christopher Samuel a County employee.

Summary: Dexter Christopher Samuel is a moderate income single male who has been employed with Palm Beach County as a Maintenance Technician for four (4) years. He is now seeking to purchase a home in the amount of \$155,000. The home is located at 18024 Murcott Boulevard, Loxahatchee, Florida 33470. The home contains 1897 square feet with four (4) bedrooms and two (2) baths. The "as is" appraised value is \$167,000. The after rehabilitation or "subject to" appraised value is \$181,000. Total cost for this residential purchase and repair is \$195,502.09. This amount includes the purchase price of \$155,000; repair costs of \$28,750; and closing costs of \$11,752.09 (which includes \$700 in applicant prepaids). The applicant contribution includes \$2,927.09 which when added to the \$700 in applicant prepaids, this amount exceeds the mandatory two percent (2%) down payment of \$3,100. There is also a seller contribution of \$3,875. Palm Beach County will provide a first residential mortgage loan of \$163,700 for thirty (30) years at four percent (4%) interest and a forgivable second mortgage of \$25,000. The second mortgage requires no repayment if Mr. Samuel lives in the home as his principal place of residence for thirty (30) years. **These are Federal funds which require no local match.** District 6 (TKF).

Background and Justification: In March 2009, HUD awarded Palm Beach County \$27,700,340 in Neighborhood Stabilization Program-1 (NSP-1) funding. The Board of County Commissioners (BCC) authorized the use of \$12,845,811 in NSP-1 funding to facilitate the purchase of foreclosed and vacant residential properties. The NSP-1 First Mortgage Loan Program was created to assist home buyers in the acquisition of local foreclosed and vacant residential properties. On April 21, 2009 (Agenda Item 6D-2) the BCC approved the Neighborhood Stabilization Program-1 (NSP-1) First Mortgage Loan Program (FMLP) guidelines. And on November 3, 2009 (Agenda Item 3I-4) the BCC approved amending the FMLP guidelines authorizing the inclusion of second mortgage NSP-1 assistance to eligible home-buyers. The County's NSP-1 program contains two (2) other components. The County's approved NSP-1 program also provides \$5,000,000 to local non-profits and municipalities for the purchase of foreclosed and vacant residential properties (which are to be leased and/or sold to income eligible households). The NSP-1 program will also provide \$7,500,000 for the development of a local Homeless Resource Center. All the NSP-1 funding must be obligated by September 4, 2010.

(Wherever used herein the terms "Mortgagor" and "Mortgagee" include all the parties to this instrument and the heirs, legal representatives and assigns of individuals, and the successors and assigns of corporations, and the term "note" includes all the notes herein described if more than one.)

WITNESSETH, that for good and valuable considerations, and also in consideration of the aggregate sum named in the promissory notes of even date herewith, hereinafter described, the Mortgagor hereby grants, bargains, sells, aliens, remises, conveys and confirms unto the Mortgagee all the certain land of which the Mortgagor is now seized and in possession situate in Palm Beach County, Florida viz:

The East 238.7 Feet of the North 285.2 Feet of the South 1276 Feet of the South Half of Section 15, Township 42 South, Range 40 East, Palm Beach County, (also known as Tract R-5.)

TO HAVE AND TO HOLD the same, together with tenements, hereditaments and appurtenances thereto belonging, and the rents, issues and profits thereof, unto the Mortgagee, in fee simple.

AND the Mortgagor covenants with the Mortgagee that the Mortgagor is indefeasibly seized of said land in fee simple; that the Mortgagor has good right and lawful authority to convey said land as aforesaid; that the Mortgagor will make such further assurances to perfect the fee simple title to said land in the Mortgagee as may reasonably be required; that the Mortgagor hereby fully warrants the title to said land and will defend the same against the lawful claims of all persons whomsoever; and at said land is free and clear of all encumbrances. In the event the subject property or any interest therein shall be sold, conveyed or in any other manner disposed of, including by Agreement for Deed, this Mortgage shall become due and payable in full.

PROVIDED ALWAYS, that if said Mortgagor shall pay unto said Mortgagee the certain promissory notes hereinafter substantially copied for identification, to wit:

See Attachment "A" attached hereto and made a part hereof and shall perform, comply with and abide by each and every agreement, stipulation, condition and covenant thereof, and of this mortgage, then this mortgage and the estate hereby created, shall cease, determine and be null and void.

1

AND, Mortgagor hereby further covenants and agrees to pay promptly when due the principal and interest and other sums of money provided for in said note and this mortgage, or either; to pay all and singular the taxes, assessments, levies, liabilities, obligations, and encumbrances of every nature on said property; to permit, commit or suffer no waste, impairment or deterioration of said land or the improvements thereon at any time; to keep the buildings now or hereafter on said land fully insured in a sum of not less than full insurable value with a company acceptable to the Mortgagee. The policy or policies to be held by, and payable to, said mortgagee. In the event any sum or money becomes payable by virtue of such insurance the mortgagee shall have the right to receive and apply the same to the indebtedness hereby secured.

In the event the Mortgagor fails to pay when due any tax, assessment, insurance premium or other sum of money payable by virtue of said note and this mortgage, or either, the Mortgagee may pay the same, without waiving or affecting the option to foreclose or any other right hereunder, and all such payments shall bear interest from date hereof at the highest lawful rate then allowed by the State of Florida.

AND, Mortgagor agrees further that Mortgagor shall reside in the mortgaged property as the Mortgagor's principal place of residence for the term of this Mortgage.

AND, Mortgagor further recognizes that any secondary or junior financing placed upon the mortgaged property, (a) may divert funds which would otherwise be used to pay the Note secured hereby; (b) could result in acceleration and foreclosure by any such junior encumbrance which would force Mortgagee to take measures and incur expenses to protect its security (s), (c) could detract from the value of the mortgaged property should Mortgagee's right to accept a deed in lieu of foreclosure, as a foreclosure by Mortgagee would be necessary to clear the title to the mortgaged property and (d) require the Mortgagor to have housing expenses which exceed the guidelines for affordability under the NSP program requirements.

In accordance with the foregoing and for the purposes of (i) protecting Mortgagee's security; (ii) giving Mortgagee the full benefit of its bargain and contract with Mortgagor; (iii) keeping the premises free of subordinate financing liens and (iv) meeting NSP program requirements for affordability, Mortgagor agrees that if this paragraph be deemed a restraint on alienation, that it is a reasonable one and that any sale, conveyance, assignment, further encumbrance or other transfer of title to the mortgaged property or any interest therein (whether voluntarily or by operation of law) without the Mortgagee's prior written consent, which may be withheld for any reason, shall be an Event of Default hereunder.

For the purpose of and without limiting the generality of the preceding sentence, the occurrence at any time of any of the following events shall be deemed to be an unpermitted transfer of title to the mortgaged property and therefore an Event of Default hereunder.

(a) any sale, conveyance, assignment or other transfer of or the grant of security interest in, all or any part of the title to the premises within thirty (30) years of the date of this Mortgage.

(b) any new or additional liabilities without the prior written consent of Mortgagee. Any consent by the Mortgagee, or any waiver of an event of default, under this paragraph shall not constitute a consent to, or waiver of any right, remedy or power of the Mortgagee upon a subsequent event of default under this paragraph.

If any sum of money herein referred to be not promptly paid within 15 days after the same becomes due, or if each and every agreement, stipulation, condition and covenant of said note and this mortgage, or either, are not fully performed, complied with and abided by, then the entire sum mentioned in said note, and this mortgage, or the entire balance unpaid thereon, shall forthwith or thereafter, at the option of the Mortgagee, become and be due and payable, anything in said note or herein to the contrary notwithstanding. Failure by the Mortgagee to exercise any of the rights or options herein provided shall not constitute a waiver of any rights or options under said note or thereafter accruing.

IN WITNESS WHEREOF, the said mortgagor has hereunto signed and sealed these presents the day and year first above written.

PROMISSORY NOTE

Neighborhood Stabilization - First Mortgage Loan Program

REPAYABLE LOAN

Amount: <u>\$164,000.00</u>

Date: June 30th, 2010

Property Address: 18024 Murcott Boulevard, Loxahatchee, Florida 33401

FOR VALUE RECEIVED, the undersigned jointly and severally promise(s) to pay to the order of Palm Beach County, Florida (herein called the "County"), acting by and through its Board of County Commissioners, the principal amount of <u>One Hundred and Sixty-Four Thousand</u> <u>Dollars and 00/100 (\$164,000.00)</u>, and to pay interest on the unpaid principal amount of this Note from the date hereof, at the rate of Four percent (4%) per annum amortized over a period of Thirty (30) years, until paid. During the term of repayment, payments of both the principal of and interest on this Note are payable in 360 equal monthly installments of <u>Seven Hundred and Eighty-Two Dollars and Ninety-Six Cents (96/100)</u> in lawful money of the United States at the principal office of PALM BEACH COUNTY, HOUSING AND COMMUNITY DEVELOPMENT in West Palm Beach, Florida, or at such other places as shall be designated by the County.

THE UNDERSIGNED shall commence such payments on <u>August 1th, 2010</u> and continue payment on the like day each month for the term of the loan. This Note shall be due and payable in full upon the sale, lease, or transfer of the property, identified and legally described in the Mortgage used to secure this Note, from the undersigned signing this Note (being the owner(s) having fee simple title to the mortgaged property) to any other person(s), without the prior consent of the Mortgagee, except that the lease of non-owner occupied dwelling units at the mortgaged property shall not constitute an event of default if the mortgaged property contains two to four dwelling units.

THE UNDERSIGNED reserve(s) the right to prepay at any time all or any part of the principal amount of this Note without the payment of penalties or premiums. All payments on this Note shall be applied first to the interest due on the Note, and then to the principal due on the Note, and remaining balance shall be applied to late charges, if any. Except as provided below, all monthly installment payments on this Note shall be credited as of the date due thereof without adjustment of interest because paid either before or after such due date.

IN THE EVENT the undersigned shall fail to pay the interest on or principal amount of this Note when due, and if such failure be subsisting on the date the next installment payment under this Note becomes due and payable, or if default be made in the performance of any of the covenants, understandings and agreements obtained and entered into to secure financing used in connection with this Note or in said Mortgage, then the entire unpaid principal amount of this Note, together with accrued interest and late charges, shall become at once due and payable, at the option of the County, without notice to the undersigned, time being of the essence.

FAILURE of the County to exercise such option shall not constitute a waiver of such default, nor a waiver of the right to exercise the same in the event of any subsequent default. No default shall exist by reason of nonpayment of any required installment of principal and interest so long as the amount of optional prepayments already made pursuant hereto equals or exceeds the amount of the required installments. If this Note be reduced to judgment, such judgment should bear the statutory interest due on judgments, but not to exceed eight percent per annum.

PROVIDED the County has not accelerated this Note, the undersigned shall pay the County a late charge of one percent (1%) of any required payment which is not received by the County within 30 days of when said payment is due pursuant to the Mortgage. An additional one percent (1%) late charge will accrue for every 30 days which pass without payment made. The parties agree that said charge is a fair and reasonable charge for the late payment and shall not be deemed a penalty.

IF SUIT is instituted by the County to recover on this Note, the undersigned agree(s) to pay all costs of such collection including reasonable attorney's fees and court costs at the trial and appellate level.

THIS NOTE is secured by a mortgage of even date, duly filed for record in the Office of the Clerk of the Circuit Court in and for Palm Beach County, Florida.

DEMAND, protest and notice of demand and protest are hereby waived and the undersigned hereby waives, to the extent authorized by law, any and all homestead and other exemption rights which otherwise would apply to the debt evidenced by this Note.

Comments on Sales Comparison

BASED ON VISUAL INSPECTION AND CONTRIBUTORY FACTORS THE COMPARABLES WERE ADJUSTED FOR THE DIFFERENCES: ALL THREE COMPARABLES WERE ADJUSTED FOR SITE SIZE AND FOR NOT HAVING A HALF BATH. COMPARABLE #1 WAS ADJUSTED FOR THE AMOUNT OF LIVEABLE AREA, FOR GARAGE SIZE, FOR PORCH SIZE AND FOR HAVING A CHAIN LINK FENCE. COMPARABLE #2 WAS ADJUSTED FOR EFFECTIVE CONDITION, FOR THE AMOUNT OF LIVEABLE AREA, FOR GARAGE SIZE, FOR PORCH SIZE, FOR SUPERIOR UPGRADES AND FOR NOT HAVING A FENCE. COMPARABLE #3 WAS ADJUSTED FOR THE AMOUNT OF LIVEABLE AREA, GARAGE SIZE, FOR PORCH SIZE, FOR SUPERIOR UPGRADES AND FOR NOT HAVING A FENCE. COMPARABLE #3 WAS ADJUSTED FOR THE AMOUNT OF LIVEABLE AREA, GARAGE SIZE, FOR PORCH SIZE, FOR SUPERIOR UPGRADES AND FOR NOT HAVING A FENCE. COMPARABLE #3 WAS ADJUSTED FOR THE AMOUNT OF LIVEABLE AREA, GARAGE SIZE, FOR PORCH SIZE AND FOR SUPERIOR UPGRADES AND FOR HAVING A BARN AND A CARPORT. ALL OF THE COMPARABLES WERE UTILIZED IN THE FINAL ESTIMATE OF 'AS IS' MARKET VALUE. IN OUR OPINION, GIVEN A THREE TO SIX MONTH MARKETING/EXPOSURE PERIOD, THE FINAL ESTIMATE OF 'AS IS' VALUE IS \$167,000. THE PROSPECTIVE VALUE IS CONTINGENT UPON THE COMPLETION OF REPAIRS AND REPLACEMENTS AS STATED IN THE ATTACHED ADDENDA WITH A 45 DAY WORKING PERIOD.

Conditions of Appraisal

File No. B6118-10

This report form is designed to report an appraisal of a one-unit property or a one-unit property with an accessory unit; including a unit in a planned unit development (PUD). This report form is not designed to report an appraisal of a manufactured home or a unit in a condominium or cooperative project.

This appraisal report is subject to the following scope of work, intended use, intended user, definition of market value, statement of assumptions and limiting conditions, and certifications. Modifications, additions, or deletions to the intended use, intended user, definition of market value, or assumptions and limiting conditions are not permitted. The appraiser may expand the scope of work to include any additional research or analysis necessary based on the complexity of this appraisal assignment. Modifications or deletions to the certifications are also not permitted. However, additional certifications that do not constitute material alterations to this appraisal report, such as those required by law or those related to the appraiser's continuing education or membership in an appraisal organization, are permitted.

**SCOPE OF WORK:** The scope of work for this appraisal is defined by the complexity of this appraisal assignment and the reporting requirements of this appraisal report form, including the following definition of market value, statement of assumptions and limiting conditions, and certifications. The appraiser must, at a minimum: (1) perform a complete visual inspection of the interior and exterior areas of the subject property, (2) inspect the neighborhood, (3) inspect each of the comparable sales from at least the street, (4) research, verify, and analyze data from reliable public and/or private sources, and (5) report his or her analysis, opinions, and conclusions in this appraisal report.

**INTENDED USE:** The intended use of this appraisal report is for the lender/client to evaluate the property that is the subject of this appraisal for a mortgage finance transaction.

INTENDED USER: The intended user of this appraisal report is the lender/client.

**DEFINITION OF MARKET VALUE:** The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised, and each acting in what he or she considers his or her own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U. S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions* granted by anyone associated with the sale.

*Adjustments to the comparables must be made for special or creative financing or sales concessions. No adjustments are necessary for those costs which are normally paid by sellers as a result of tradition or law in a market area; these costs are readily identifiable since the seller pays these costs in virtually all sales transactions. Special or creative financing adjustments can be made to the comparable property by comparisons to financing terms offered by a third party institutional lender that is not already involved in the property or transaction. Any adjustment should not be calculated on a mechanical dollar for dollar cost of the financing or concessions but the dollar amount of any adjustment should approximate the market's reaction to the financing or concessions based on the appraiser's judgment.

STATEMENT OF ASSUMPTIONS AND LIMITING CONDITIONS: The appraiser's certification in this report is subject to the following assumptions and limiting conditions:

1. The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it, except for information that he or she became aware of during the research involved in performing this appraisal. The appraiser assumes that the title is good and marketable and will not render any opinions about the title.

2. The appraiser has provided a sketch in this appraisal report to show the approximate dimensions of the improvements. The sketch is included only to assist the reader in visualizing the property and understanding the appraiser's determination of its size.

3. The appraiser has examined the available flood maps that are provided by the Federal Emergency Management Agency (or other data sources) and has noted in this appraisal report whether any portion of the subject site is located in an identified Special Flood Hazard Area. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.

4. The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand, or as otherwise required by law.

5. The appraiser has noted in this appraisal report any adverse conditions (such as needed repairs, deterioration, the presence of hazardous wastes, toxic substances, etc.) observed during the inspection of the subject property or that he or she became aware of during the research involved in performing this appraisal. Unless otherwise stated in this appraisal report, the appraiser has no knowledge of any hidden or unapparent physical deficiencies or adverse conditions of the property (such as, but not limited to, needed repairs, deterioration, the presence of hazardous wastes, toxic substances, adverse environmental conditions, etc.) that would make the property less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the appraiser is not an expert in the field of environmental hazards, this appraisal report must not be considered as an environmental assessment of the property.

6. The appraiser has based his or her appraisal report and valuation conclusion for an appraisal that is subject to satisfactory completion, repairs, or alterations on the assumption that the completion, repairs, or alterations of the subject property will be performed in a professional manner.

# APPRAISER'S CERTIFICATION: The Appraiser certifies and agrees that:

18. My employment and/or compensation for performing this appraisal or any future or anticipated appraisals was not conditioned on any agreement or understanding, written or otherwise, that I would report (or present analysis supporting) a predetermined specific value, a predetermined minimum value, a range or direction in value, a value that favors the cause of any party, or the attainment of a specific result or occurrence of a specific subsequent event (such as approval of a pending mortgage loan application).
