Invoices received from the SERVICE PROVIDER pursuant to this Contract will be reviewed and approved by the COUNTY's representative, to verify that services have been rendered in conformity with the Contract. Approved invoices will then be sent to the Finance Department for payment. Invoices will normally be paid within thirty (30) days following the COUNTY representative's approval.
- C. "Out-of-pocket" expenses are not permissible under this Contract.
- D. Final Invoice: In order for both parties herein to close their books and records, the SERVICE PROVIDER will clearly state "final invoice" on the SERVICE PROVIDER'S final/last billing to the COUNTY. Any other charges not properly included on this final invoice are waived by the SERVICE PROVIDER.

#### **ARTICLE 4 - TRUTH-IN-NEGOTIATION CERTIFICATE**

Signature of this Contract by the SERVICE PROVIDER shall also act as the execution of a truth-in-negotiation certificate certifying that the wage rates, overhead charges, and other costs used to determine the compensation provided for in this Contract are accurate, complete and current as of the date of the Contract and no higher than those charged the SERVICE PROVIDER'S most favored customer for the same or substantially similar service.

The said rates and costs shall be adjusted to exclude any significant sums should the COUNTY determine that the rates and costs were increased due to inaccurate, incomplete or noncurrent wage rates or due to inaccurate representations of fees paid to outside consultants. The COUNTY shall exercise its rights under this Article 4 within three (3) years following final payment.

#### **ARTICLE 5 - TERMINATION**

This Contract may be terminated by the SERVICE PROVIDER upon sixty (60) days prior written notice to the COUNTY's representative in the event of substantial failure by the COUNTY to perform in accordance with the terms of this Contract through no fault of the SERVICE PROVIDER. It may also be terminated, in whole or in part, by the COUNTY, with or without cause, immediately upon written notice to the SERVICE PROVIDER. All of the services required hereinunder shall be performed by the SERVICE PROVIDER or under its supervision, and all personnel engaged in performing the services shall be fully qualified and, if required, authorized or permitted under state and local law to perform such services.

Any changes or substitutions in the SERVICE PROVIDER'S key personnel, as may be listed in Exhibit "B", must be made known to the COUNTY'S representative and written approval must be granted by the COUNTY'S representative before said change or substitution can become effective.

The SERVICE PROVIDER agrees to abide by all provisions of the Palm Beach County Code establishing the SBE Program, as amended, and understands that failure to comply with any of the requirements will be considered a breach of contract.

The SERVICE PROVIDER understands that each SBE firm utilized on this Contract must be certified by Palm Beach County in order to be counted toward the SBE participation goal.

The SERVICE PROVIDER shall provide the COUNTY with a copy of the SERVICE PROVIDER's contract with any SBE subcontractor or any other related documentation upon request.

The SERVICE PROVIDER will only be permitted to replace a certified SBE subcontractor who is unwilling or unable to perform. Such substitutions must be done with another certified SBE in order to maintain the SBE percentages established in this Contract. Requests for substitutions of SBE's must be submitted to the COUNTY's representative and to the Office of Small Business Assistance.

The SERVICE PROVIDER shall be required to submit to the COUNTY Schedule 1 (Participation of SBE-MWBE Contractors) and Schedule 2 (Letter of Intent) to further indicate the specific participation anticipated, where applicable.

Such written notification shall identify the prospective business association, interest or circumstance, the nature of work that the SERVICE PROVIDER may undertake and request an opinion of the COUNTY as to whether the association, interest or circumstance would, in the opinion of the COUNTY, constitute a conflict of interest if entered into by the SERVICE PROVIDER. GGI proposes to offer a variety of services to each youth, combining academic remediation, psychological evaluations, Interest Inventory/Career Explorations, support services and comprehensive case management. These services also include TABE testing, basic math and reading remediation, psychological testing and learning disability screening, and reintegration support through comprehensive case management. Youth and their Juvenile Justice Case Worker (JJCW) can work on areas such as: time and money management, resume creation and initiating personal development plans in which the youth will work on their personal goals. This program provides opportunities to acquire new skills and experience success that will enhance the self-esteem and motivation of each participant.

- The JJCW will track/monitor up to 15 youth at a time. The JJCW shall establish and maintain an up to date contract for each youth admitted to the program. Within 24 hours of the detention hearing/being placed on Youth Alternative Care Program, the JJCW shall conduct a face-to-face interview with the youth, parent and other pertinent persons to review and revise the contract as needed. The signed contract shall address compliance with the orders of the court and the program requirements. Youth will have to comply with specifics of the courts and these will accompany the contract that the youth and their parent/guardian will sign. GGI agrees to immediately seek an order to take into custody if the youth violates the conditions of the contract. GGI understands and agrees that ensuring compliance with the contract by the youth is essential to the integrity of the program accountability of the youth and the protection of the public. The JJCW will monitor youth by scheduled face-to-face meetings and indirect contact, such as phone calls, as well as follow up of juveniles on an impromptu basis such as home visits, school visits, etc. Minimum of 5 face to face, direct, or indirect contacts will be made for the first 3 weeks with a minimum of 3 for the duration.
- Case Management will be offered to each youth and, if agreed to, will be provided by the JJCW. An individual plan with goals will be developed for the youth which may guide their experience through the program. The JJCW will work with and monitor the juveniles who would otherwise be in a secured detention facility, as referred to us by court order. Youths' individual JJCW will offer to provide training or referrals for needed supportive services such as mobility training, emergency transportation, school supplies, food, emergency shelter and bus passes. Referrals for community or leveraged supports may include medical, psychological or housing. Participants may work on behavioral and personal issues that can act as barriers to their success. Helping youth to understand and overcome these barriers will reduce their need for services later in life. When substance abuse, physical abuse or mental health issues are identified, the JJCW

will refer the individual to the appropriate center for guidance and counseling and/or treatment. GGI maintains a working relationship with The Oakwood Mental Health Center, South County Mental Health Center, DATA and CARP. Additional community linkages will be made on an individual basis to best serve the individual student.

- All enrolled youth will have the opportunity to enroll as mentees in the GoodGuides™ Mentoring Program and will be matched with a mentor. Mentoring has proven to be instrumental in motivating students to stay in school. Mentoring also offers guidance, counseling and modeling of appropriate behaviors as well as assisting youth with critical problem solving.
- Tutoring sessions will be offered for all youth, facilitated by a certified teacher and/or a Youth Trainer, to work on basic math and reading skills. A TABE Locator test will be utilized for assessment purposes.
- Money Management classes for youth will be offered. Components of this curriculum will include budgeting, saving, and checking account skills.

**2. Describe how the proposed youth enrichment activities will link to academic improvements, educational options for completion of high school, career pathways, advanced training, and/or post secondary opportunities.**

In order to reduce recidivism, GGI's proposed Youth Alternative Care Program is designed to support a greater understanding of opportunities and teach personal skills and academics critical for youth under 18 years old. Exposure to community supports, specialized life skills and basic academic training, will present program participants with opportunities that raise awareness of educational and career pathways that they may never have considered. Program activities are designed to encourage dialogue about how one enters a career and the educational and training requirements necessary to reach career goals.

**3. Describe the collaborative partnership you will use to implement the program. Include leveraged resources and specific roles and responsibilities of each partner.**

In our Agency Vision Statements, we state that we will be recognized as a community leader and partner, communicating closely and networking with key community groups to respond to ever changing social problems and ensure wide use of community resources. Working towards this goal, GGI has developed many innovative partnerships with public and private entities including businesses, federal, state and local human service agencies and schools. It is our philosophy that collaboration plays a pivotal role in ensuring the delivery of comprehensive services, meeting individual needs and fostering a community that grows together. Youth Alternative Care Program staff will assist youth in accessing community support if needed. Some examples are listed below:

GGI maintains strong relationships with area service providers who can step-in to provide needed services as appropriate in the areas of food, clothing, housing, medical, services and more. Because of our wide array of youth programming, GGI is uniquely positioned to leverage internal services for the purpose of meeting the needs of individual participants. Good examples are the provision of mentoring services, charter school, and access to social security benefits planning on-site expertise as needed. Our established relationships with our referring partners and understanding of their processes enable us to make referrals to their services as appropriate.

**II. Demonstrated Ability**

**1. Describe previous or current programs and services provided including youth life skills development, career exploration, academic enrichment, youth pregnancy prevention and intervention initiatives. Quantify these services by citing number of youth served and specific performance outcomes.**

Gulfstream Goodwill Industries' (GGI) Youth Enrichment Services (YES) serves youth with disabilities and youth at risk in a variety of innovative and highly successful programs as follows:

- We are currently in our third 5-year contract period with The Palm Beach County School District's Exceptional Student Education Department. This In-School Youth program collaboration provides participants, referred by the school system, the opportunity to obtain their Option 2 diplomas and gain work readiness and life skills through both paid on-the-job training experiences and work adjustment training. Current enrollment in the program is 10, which has historically been the average enrollment per school year. Our program is meeting 100% of our referral goals which are: graduate from Work Adjustment Training and/or obtain and successfully complete a 90-day on the job training experience.
- GGI is a current on-going partner with Workforce Alliance in the provision of services to Out of School Youth with disabilities. The OSY Program includes adult mentoring, classes and curriculum on work readiness, work training and apprenticeship opportunities, job shadowing, resume building, mock interviews, work place communication, dressing for success, academic remediation facilitated by a certified teacher (including individual and group tutoring sessions on basic skills and GED prep), providing the opportunity to earn a nationally recognized credential in CPR/First Aid, and HIV/STD prevention, pregnancy and alcohol/drug abuse prevention classes, life skills training, computer classes (Word, Excel, PowerPoint, Outlook, Internet, cover letter writing), art classes (animation, claymation, videography), and cooking and meal preparation. The OSY Program will serve 30 youth this contract year, including the provision of follow-up services such as job search and leadership development. GGI has historically met or exceeded performance goals and are trending to achieve 100% in this contract year for enrollment and positive exits (employment, post-secondary school, advanced training or a nationally recognized credential).
- The GoodGuides™ Mentoring Program helps teens finish school and transition into productive careers through the guidance of trusted adults. The overall goal of the Goodwill GoodGuides program is to help youth build career plans and skills, and prepare for school completion, post-secondary training and productive work by providing

structured and supportive relationships with trusted adult mentors. The program targets youth between the ages of 12 and 17 who are at-risk for dropping out of school, facing legal troubles, or are at risk for delinquency due to issues such as abuse, disability, drug or alcohol dependence, or gang membership. The GoodGuides™ Program will serve a minimum of 100 youth over two years with the goal of matching each youth with an adult mentor and/or facilitating small group mentoring relationships.

- GGI received a charter from the PBC School Board in 2004 to open The Gulfstream Goodwill Academy. Today the Transition to Life Academy is a Charter School serving youth with developmental disabilities. The school emphasis is on life skills and work readiness training with paid competitive employment in a variety of jobs in our community woven into the curriculum. The Transition to Life Academy serves an average of 75 students per school year. According to the Social Security Administration 80% of students on SSI who graduate from High School without a job will remain on SSI benefits for life. The goal of the Charter School is to ensure that students graduate with employment. This year's goal is 50% and will be met. Next year's goal has already been increased to 75%.
- Project Search is a unique partnership between Bethesda Medical Center and The Transitions to Life Academy which enables students to work in varied jobs throughout the hospital (operating room, human resources, patient transportation, cafeteria, maintenance and more). The students have the opportunity to rotate and try up to four jobs during the school year.
- GGI is in our sixth year of collaboration with the Able Trust and Vocational Rehabilitation in the provision of services through the High School High Tech (HS/HT) program. The goals of HS/HT are to provide high school students with disabilities exposure to, exploration of and experience with High Tech jobs, and to introduce them to post-secondary educational opportunities that would train them for these careers. The GGI HS/HT places a high value on a self-advocate approach to all activities in our environment. To this end we utilize components of the evidence-based "*Standing Up for Me*" curriculum. There are also numerous opportunities for students to become leaders and mentors among their peers. GGI has and will continue to encourage participation in Disability Mentoring Day and we have many contacts with individuals with disabilities who are enjoying successful and fulfilling careers who share their stories with our students. GGI serves 30 youth per year in HS/HT.

## **2. Describe the proposer's history of meeting contract performance goals.**

GGI maintains an excellent record as a contractor which is evident through our long-term relationships and repeated contract renewals and program expansions with our funding partners. As a long-term partner with Workforce Alliance on numerous on-going and special projects. GGI has always maintained a very favorable record.

The GoodGuides™ Mentoring Program kicked-off Jan. 11, 2010. We are trending to meet outcomes of serving 100 youth at risk for a minimum of one-year within the next two years, as well as recruiting, training and retaining mentors.

The Palm Beach County School Board program goals of completing work readiness training and/or a successful 90-day OJT experience has been met at 100% throughout our 11 years of service to the district.

GGI performed at a high level during our former In-School Youth programming for Workforce Alliance achieving 100% on our enrollment, maintenance, basic skills, and exiting with positive outcome program goals.

**3. Cite and describe the best practices, if any, which are the foundation for your services design and approach.**

GGI is accredited by CARF (Commission on Accreditation of Rehabilitation Facilities) and has been awarded a three-year accreditation. This is the highest achievement obtainable through CARF. Quotes from our surveyors included: "The most entrepreneurial organization I have seen in my 26 years as a CARF surveyor" and "... has developed an extremely effective and efficient organization." As a CARF accredited organization we employ a Person Centered Planning (PCP) methodology to all service activities. PCP supports a strong collaboration between participant and service provider staff. All plans, goals and steps to achievement are developed collaboratively and involve a comprehensive dialogue and review of testing results as appropriate in order to carefully consider personal assets and barriers as well as aptitudes, abilities and desires of program participants. Goals and steps to achievement are established to promote success in the areas important to the individual and are formally reviewed once per month to document successes, check for relevancy, and make changes as needed.

GGI's internal Quality Assurance (QA) process consists of Case File Management Training, monthly case file peer review, random reviews conducted by our case file management/intake specialist, and surveys of all stakeholders at various points throughout participant program enrollment. A comprehensive QA report by program area is compiled and reviewed by the GGI Board of Directors annually and results are included in our annual report to the community.

Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. Notwithstanding any other special condition of this award, faith based organizations may, in some circumstances, consider religion as a basis for employment. See [http://www.ojp.gov/about/ocr/equal\\_fbo.htm](http://www.ojp.gov/about/ocr/equal_fbo.htm).

**61. Certification for Employees Working Solely on a Single Federal Award**

Any project staff that are fully funded by the grant must certify that they worked solely on the grant. The certification must be prepared at least semi annually and must be signed by the employee and by a supervisory official having first hand knowledge of the work performed by the employee.

**Florida Department of Law Enforcement  
Edward Byrne Memorial Justice Assistance Grant Program  
American Recovery and Reinvestment Act of 2009**

**Special Recovery Act Conditions**

**1. Recovery Act**

- a. All subgrant recipients must comply with Public Law 111-5, the American Recovery and Reinvestment Act of 2009 (This law is a federal public law).
- b. The subgrant recipient understands and agrees that all other terms and conditions contained in this award, or in applicable FDLE or Office of Justice Programs grant policy statements or guidance, apply unless they conflict or are superseded by the terms and conditions included here that specifically implement the American Recovery and Reinvestment Act of 2009, Public Law 111-5 ("ARRA" or "Recovery Act") requirements. Subgrant recipients are responsible for contacting their grant managers for any needed clarifications.
- c. The recipient agrees to comply with any modifications or additional requirements that may be imposed by law and future FDLE or Office of Justice Programs (including government-wide) guidance and clarifications of Recovery Act requirements.

**2. Access to Records; Interviews**

The subgrant recipient understands and agrees that FDLE, the Department of Justice (including the Office of Justice Programs and the Office of the Inspector General), and its representatives, and the Government Accountability Office, shall have access to and the right to examine all records (including, but not limited to, books, papers, and documents) related to this Recovery Act award, including such records of any subgrant recipient, contractor, or subcontractor. See items 23 and 24 of the Standard Conditions.

The recipient also understands and agrees that FDLE, the Department of Justice, and the Government Accountability Office are authorized to interview any officer or employee of the subgrant recipient, contractor, or subcontractor regarding transactions related to this Recovery Act award.

**3. One-time funding**

The subgrant recipient understands and agrees that awards under the Recovery Act will be one-time awards and accordingly that its proposed project activities and deliverables are to be accomplished without additional Department of Justice funding.

**4. Separate Tracking and Reporting of Recovery Act Funds and Outcomes**

The subgrant recipient agrees to track, account for, and report on all funds from this Recovery Act award (including specific outcomes and benefits attributable to Recovery Act funds) separately from all other funds, including Department of Justice award funds from non-Recovery Act awards awarded for the same or similar purposes or programs. (Recovery Act funds may be used in conjunction with other funding as necessary to complete projects, but tracking and reporting of Recovery Act funds must be separate.)

Accordingly, the accounting systems of the subgrant recipient must ensure that funds from this Recovery Act award are not commingled with funds from any other source.

The subgrant recipient further agrees that all personnel whose activities are to be charged to the award will maintain timesheets to document hours worked for activities related to this award and non-award related activities.

**Florida Department of Law Enforcement  
Edward Byrne Memorial Justice Assistance Grant Program  
American Recovery and Reinvestment Act of 2009**

**5. Central Contractor Registration and DUNS Number**

The subgrant recipient must maintain a current registration in the Central Contractor Registration ([www.ccr.gov](http://www.ccr.gov)) at all times during which it has any active federal awards funded with Recovery Act funds. A Dun and Bradstreet Data Universal Numbering System (DUNS) Number ([www.dnb.com](http://www.dnb.com)) is one of the requirements for registration in the Central Contractor Registration.

**6. Additional Audit Requirements - Recovery Act Transactions Listed in Schedule of Expenditures of Federal Awards**

- a. The subgrant recipient agrees to maintain records that identify adequately the source and application of Recovery Act funds, to maximize the transparency and accountability of funds authorized under the Recovery Act as required by the Act and in accordance with 2 CFR 215.21, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-profit Organizations" and OMB A-102 Common Rules provisions (relating to Grants and Cooperative Agreements with State and Local Governments).
- b. The subgrant recipient agrees to separately identify the expenditures for Federal awards under the Recovery Act on the Schedule of Expenditures of Federal Awards (SEFA) and the Data Collection Form (SF-SAC) required by OMB Circular A-133. This condition only applies if the Single Audit Act Amendments of 1996 and OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations" cover the subgrant recipient. This shall be accomplished by identifying expenditures for Federal awards made under the Recovery Act separately on the SEFA as separate rows under Item 9 of Part III on the SF-SAC by CFDA number, and inclusion of the prefix "ARRA-" in identifying the name of the Federal program on the SEFA and as the first characters in Item 9d of Part III on the SFSAC.

**7. Reporting (Section 1512)**

- a. In addition to the reporting requirements in item 3 of the Standard Conditions, subgrant recipients must provide any information necessary to comply with section 1512 of the Recovery Act, which requires detailed reporting by FDLE not later than ten calendar days after the end of each calendar quarter. **Receipt of funds will be contingent upon timely reporting.**
- b. The subgrant recipient must complete projects or activities which are funded under the Recovery Act and report on use of Recovery Act funds provided through this subgrant. Information from these reports will be made available to the public.

**8. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct**

The subgrant recipient must promptly refer to the Department of Justice, Office of the Inspector General any credible evidence that a principal, employee, agent, contractor, subcontractor, or other person has either 1) submitted a false claim for Recovery Act funds under the False Claims Act; or 2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving Recovery Act funds. Potential fraud, waste, abuse, or misconduct should be reported to the Office of the Inspector General by –

The subgrant recipient recognizes that the Recovery Act provides certain protections against reprisals for employees of non-Federal employers who disclose information reasonably believed to be evidence of gross management, gross waste, substantial and specific danger to public health or safety, abuse of authority, or violations of law related to contracts or grants using Recovery Act funds. For additional information, refer to section 1553 of the Recovery Act. The text of Recovery Act is available at [www.ojp.usdoj.gov/recovery](http://www.ojp.usdoj.gov/recovery).

**10. Limit on Funds (Section 1604)**

None of the funds appropriated or otherwise made available in this Act may be used by any State or local government, or any private entity, for any casino or other gambling establishment, aquarium, zoo, golf course, or swimming pool.

**11. Infrastructure Investment (Sections 1511 and 1602)**

The subgrant recipient agrees that it may not use any funds made available under this Recovery Act award for infrastructure investment absent submission of a satisfactory certification under section 1511 of the Recovery Act. Should the subgrant recipient decide to use funds for infrastructure investment subsequent to award, the subgrant recipient must submit appropriate certifications under section 1511 of the Recovery Act and receive prior approval from the Office of Justice Programs. In seeking such approval, the recipient shall give preference to activities that can be started and completed expeditiously, and shall use award funds in a manner that maximizes job creation and economic benefits. The text of the Recovery Act (including sections 1511 and 1602) is available at [www.ojp.usdoj.gov/recovery](http://www.ojp.usdoj.gov/recovery).

**12. Buy American (Section 1605)**

- a. The subgrant recipient understands that this award is subject to the provisions of section 1605 of the Recovery Act ("Buy American"). No award funds may be used for iron, steel, or manufactured goods for a project for the construction, alteration, maintenance, or repair of a public building or public work, unless the recipient provides advance written notification to the Office of Justice Programs program office for approval. All projects must comply with government-wide standard conditions (anticipated to be published in subpart B of 2 C.F.R. part 176) that further implement the specific requirements or exceptions of section 1605.
- b. Section 1605 of the Recovery Act prohibits use of any Recovery Act funds for a project for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States, subject to certain exceptions, including United States obligations under international agreements.

**13. Wage Rate Requirements (Section 1606)**

Notwithstanding any other provision of law and in a manner consistent with other provisions in this Act, all laborers and mechanics employed by contractors and subcontractors on projects funded directly by or assisted in whole or in part by and through the Federal Government pursuant to this Act shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code. Pursuant to Reorganization Plan No. 14 and the Copeland Act, 40 U.S.C. 3145, the Department of Labor has issued regulations at 29 CFR Parts 1, 3, and 5 to implement the Davis-Bacon and related Acts. Regulations in 29 CFR 5.5 instruct agencies concerning application of the standard Davis-Bacon contract clauses set forth in that section. The standard Davis-Bacon contract clauses found in 29 CFR 5.5(a) are to be incorporated in any covered contracts made under this award that are in excess of \$2,000 for construction, alteration or repair (including painting and decorating).

For additional guidance on the wage rate requirements of section 1606, contact your awarding agency. Recipients of grants, cooperative agreements and loans should direct their initial inquiries concerning the application of Davis-Bacon requirements to a particular federally assisted project to the Federal agency funding the project. The Secretary of Labor retains final coverage authority under Reorganization Plan Number 14.

**14. NEPA and Related Laws**

The subgrant recipient understands that all Office of Justice Programs awards are subject to the National Environmental Policy Act (NEPA, 42 U.S.C. section 4321 et seq.) and other related Federal laws (including the National Historic Preservation Act), if applicable. The subgrant recipient agrees to assist the Office of Justice Programs in carrying out its responsibilities under NEPA and related laws, if the subgrant recipient plans to use Recovery Act funds to undertake any activity that triggers these requirements, such as renovation or construction. (See 28 C.F.R. Part 61, App. D.) The subgrant recipient also agrees to comply with all Federal, State, and local environmental laws and regulations applicable to the development and implementation of the activities to be funded under this award. See item 36 of the Standard Conditions.

**15. Misuse of award funds**

The recipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.
