THE PARTIES AGREE:

I. THE PROVIDER AGREES:

A. To provide services in accordance with the conditions specified in Attachment I.

B. Requirements of §287.058, Florida Statutes (FS)

To provide units of deliverables, including reports, findings, and drafts as specified in Attachment I, to be received and accepted by the contract manager prior to payment. To comply with the criteria and final date by which such criteria must be met for completion of this subcontract as specified in Section III, Paragraph A. of this subcontract. To submit bills for fees or other compensation for services or expenses in sufficient detail for a proper pre-audit and post-audit thereof. Where applicable, to submit bills for any travel expenses in accordance with §112.061, FS. The Council may, if specified in Attachment I, establish rates lower than the maximum provided in §112.061, FS. To allow public access to all documents, papers, letters, or other materials subject to the provisions of Chapter 119, FS, made or received by the provider in conjunction with this subcontract. It is expressly understood that the provider's refusal to comply with this provision shall constitute an immediate breach of contract.

C. To the Following Governing Law

1. State of Florida Law

This subcontract is executed and entered into in the State of Florida, and shall be construed, performed, and enforced in all respects in accordance with the laws, rules, and regulations of the State of Florida. Each party shall perform its obligations herein in accordance with the terms and conditions of the subcontract.

2. Federal Law

a. If this subcontract contains federal funds, the provider shall comply with the provisions of 45 CFR, Part 74, and/or 45 CFR, Part 92, and other applicable regulations as specified in Attachment I.

b. If this subcontract contains federal funds and is over \$100,000, the provider shall comply with all applicable standards, orders, or regulations issued under §306 of the Clean Air Act, as amended (42 U.S.C. 1857(h) et seq.), §508 of the Clean Water Act, as amended (33 U.S.C. 1368 et seq.), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR Part 15). The provider shall report any violations of the above to the Council.

c. If this subcontract contains federal funding in excess of \$100,000, the provider must, prior to subcontract execution, complete the Certification Regarding Lobbying form, Attachment (N/A). If a Disclosure of Lobbying Activities form, Standard Form LLL, is required, it may be obtained from the contract manager. All disclosure forms as required by the Certification Regarding Lobbying form must be completed and returned to the contract manager.

d. Not to employ unauthorized aliens. The Council shall consider employment of unauthorized aliens a violation of §§274A(e) of the Immigration and Naturalization Act (8 U.S.C. 1324 a) and section 101 of the Immigration Reform and Control Act of 1986. Such violation shall be cause for unilateral cancellation of this subcontract by the Council.

e. The provider and any subcontractors agree to comply with Pro-Children Act of 1994, Public Law 103-277, which requires that smoking not be permitted in any portion of any indoor facility used for the provision of federally funded services including health, day care, early childhood development, education or library services on a routine or regular basis, to children up to age 18. Failure to comply with the provisions of the law may result in the imposition of civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible entity.

f. HIPAA: Where applicable, the provider will comply with the Health Insurance Portability Accountability Act as well as all regulations promulgated thereunder (45CFR Parts 160, 162, and 164).

D. Audits, Records, and Records Retention

1. To establish and maintain books, records, and documents (including electronic storage media) in accordance with generally accepted accounting procedures and practices, which sufficiently and properly reflect all revenues and expenditures of funds provided by the Council under this subcontract.

2. To retain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this subcontract for a period of six (6) years after termination of the subcontract, or if an audit has been initiated and audit findings have not been resolved at the end of six (6) years, the records shall be retained until resolution of the audit findings or any litigation which may be based on the terms of this subcontract.

3. Upon completion or termination of the subcontract and at the request of the Council, the provider will cooperate with the Council to facilitate the duplication and transfer of any said records or documents during the required retention period as specified in Section I, paragraph D.2. above.

4. To assure that these records shall be subject at all reasonable times to inspection, review, or audit by Federal, state, or other personnel duly authorized by the Council.

5. Persons duly authorized by the Council and Federal auditors, pursuant to 45 CFR, Part 92.36(i)(10), shall have full access to and the right to examine any of provider's subcontract and related records and documents, regardless of the form in which kept, at all reasonable times for as long as records are retained.

6. To provide a financial and compliance audit to the Council as specified in Attachment III and to ensure that all related party transactions are disclosed to the auditor.

7. To include these aforementioned audit and record keeping requirements in all approved subcontracts and assignments.

8. a. Documentation. To maintain separate accounting of revenues and expenditures of funds under this subcontract and each CSFA or CFDA number identified on Exhibit 1 attached hereto in accordance with generally accepted accounting practices and procedures. Expenditures which support provider activities not solely authorized under this subcontract must be allocated in accordance with applicable laws, rules and regulations, and the allocation methodology must be documented and supported by competent evidence.

Provider must maintain sufficient documentation of all expenditures incurred (e.g. invoices, canceled checks, payroll detail, bank statements, etc.) under this subcontract which evidences that expenditures are:

- 1) allowable under the subcontract and applicable laws, rules and regulations;
- 2) reasonable; and
- 3) necessary in order for the recipient or subrecipient to fulfill its obligations under this subcontract.

The aforementioned documentation is subject to review by the Council, the Department of Health and/or the State Chief Financial Officer and the provider will timely comply with any requests for documentation.

E. Monitoring by the Council

To permit persons duly authorized by the Council to inspect any records, papers, documents, facilities, goods, and services of the provider, which are relevant to this subcontract, and interview any clients and employees of the provider to assure the Council of satisfactory performance of the terms and conditions of this subcontract. Following such evaluation the Council will deliver to the provider a written report of its findings and will include written recommendations with regard to the provider's performance of the terms and conditions of this subcontract. The provider will correct all noted deficiencies identified by the Council within the specified period of time set forth in the recommendations. The provider's failure to correct noted deficiencies may, at the sole and exclusive discretion of the Council, result in any one or any combination of the following: (1) the provider being deemed in breach or default of this subcontract; (2) the withholding of payments to the provider by the Council; and (3) the termination of this subcontract for cause.

F. Indemnification

NOTE: Paragraph I.F.1. and I.F.2. are not applicable to contracts executed between state agencies or subdivisions, as defined in §768.28, FS.

1. The provider shall be liable for and shall indemnify, defend, and hold harmless the Council and all of its officers, agents, and employees from all claims, suits, judgments, or damages, consequential or otherwise and including attorneys' fees and costs, arising out of any act, actions, neglect, or omissions by the provider, its agents, or employees during the performance or operation of this subcontract or any subsequent modifications thereof, whether direct or indirect, and whether to any person or tangible or intangible property.
2. The provider's inability to evaluate liability or its evaluation of liability shall not excuse the provider's duty to defend and indemnify within seven (7) days after such notice by the Council is given by certified mail. Only adjudication or judgment after highest appeal is exhausted specifically finding the provider not liable shall excuse performance of this provision. The provider shall pay all costs and fees related to this obligation and its enforcement by the Council. The Council's failure to notify the provider of a claim shall not release the provider of the above duty to defend.

G. Insurance

To provide adequate liability insurance coverage on a comprehensive basis and to hold such liability insurance at all times during the existence of this subcontract and any renewal(s) and extension(s) of it. Upon execution of this subcontract, unless it is a state agency or subdivision as defined by §768.28, FS, the provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the provider and the clients to be served under this subcontract. The limits of coverage under each policy maintained by the provider do not limit the provider's liability and obligations under this subcontract. Upon the execution of this subcontract, the provider shall furnish the Council written verification supporting both the determination and existence of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The Council reserves the right to require additional insurance as specified in Attachment I where appropriate.

H. Safeguarding Information

Not to use or disclose any information concerning a recipient of services under this subcontract for any purpose not in conformity with state and federal law or regulations except upon written consent of the recipient, or his responsible parent or guardian when authorized by law.

I. Assignments and Subcontracts

1. To neither assign the responsibility of this subcontract to another party nor subcontract for any of the work contemplated under this subcontract without prior written approval of the Council, which shall not be unreasonably withheld. Any sub-license, assignment, or transfer otherwise occurring shall be null and void.
2. The provider shall be responsible for all work performed and all expenses incurred with the project. If the Council permits the provider to subcontract all or part of the work contemplated under this subcontract, including entering into subcontracts with vendors for services and commodities, it is understood by the provider that the Council shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and the provider shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. The provider, at its expense, will defend the Council against such claims.
3. The State of Florida shall at all times be entitled to assign or transfer, in whole or part, its rights, duties, or obligations under this subcontract to another governmental agency in the State of Florida, upon giving prior written notice to the provider. In the event the State of Florida approves transfer of the provider's obligations, the provider remains responsible for all work performed and all expenses incurred in connection with the subcontract. In addition, this subcontract shall bind the successors, assigns, and legal representatives of the provider and of any legal entity that succeeds to the obligations of the State of Florida.
4. The subcontractor shall provide a monthly Minority Business Enterprise report summarizing the participation of certified and non-certified minority subcontractors/material suppliers for the current month, and project to date. The report shall include the names, addresses, and dollar amount of each certified and non-certified MBE participant, and a copy must be forwarded to the Contract Manager of the

- Department of Health. The Office of Supplier Diversity (850-487-0915) will assist in furnishing names of qualified minorities. The Department of Health, Minority Coordinator (850-245-4199) will assist with questions and answers.
- Unless otherwise stated in the contract between the provider and subcontractor, payments made by the provider to the subcontractor must be within seven (7) working days after receipt of full or partial payments from the Council in accordance with §§287.0585, FS. Failure to pay within seven (7) working days will result in a penalty charged against the provider and paid by the provider to the subcontractor in the amount of one-half of one (1) percent of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen (15) percent of the outstanding balance due.

J. Return of Funds

To return to the Council any overpayments due to unearned funds or funds disallowed and any interest attributable to such funds pursuant to the terms of this subcontract that were disbursed to the provider by the Council. In the event that the provider or its independent auditor discovers that overpayment has been made, the provider shall repay said overpayment within 40 calendar days without prior notification from the Council. In the event that the Council first discovers an overpayment has been made, the Council will notify the provider by letter of such a finding. Should repayment not be made in a timely manner, the Council will charge interest of one (1) percent per month compounded on the outstanding balance after 40 calendar days after the date of notification or discovery.

K. Incident Reporting

Abuse, Neglect, and Exploitation Reporting

In compliance with Chapter 415, FS, an employee of the provider who knows or has reasonable cause to suspect that a child, aged person, or disabled adult is or has been abused, neglected, or exploited shall immediately report such knowledge or suspicion to the Florida Abuse Hotline on the single statewide toll-free telephone number (1-800-96ABUSE).

- Except where the provider is a state agency, the provider, its officers, agents, employees, subcontractors, or assignees, in performance of this subcontract, shall act in the capacity of an independent contractor and not as an officer, employee, or agent of the State of Florida. Nor shall the provider represent to others that it has the authority to bind the Council unless specifically authorized to do so.
- Except where the provider is a state agency, neither the provider, its officers, agents, employees, subcontractors, nor assignees are entitled to state retirement or state leave benefits, or to any other compensation of state employment as a result of performing the duties and obligations of this subcontract.
- The provider agrees to take such actions as may be necessary to ensure that each subcontractor of the provider will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the State of Florida.
- Unless justified by the provider and agreed to by the Council in Attachment I, the Council will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial, or clerical support) to the provider, or its subcontractor or assignee.

To submit the final invoice for payment to the Council no later than June 1st or no more than 15 days after the contract is terminated, if applicable. If the provider fails to do so, all rights to payment are forfeited and the Council may not honor any requests submitted after the aforesaid time period. Any payment due under the terms of this contract may be withheld until all reports due from the provider and necessary adjustments thereto have been approved by the Council.

The provider, without exception, shall indemnify and save harmless the State of Florida and its employees from liability of any nature or kind, including cost and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured by the provider. The provider has no liability when such claim is solely and exclusively due to the Department of State's alteration of the article. The State of Florida will provide prompt written notification of claim of copyright or patent infringement. Further, if such claim is made or is pending, the provider may, at its option and expense, procure for the Department of State, the right to continue use of, replace, or modify the article to render it non-infringing. If the provider uses any design, device, or materials covered by letters, patent, or copyright, it is mutually agreed and understood without exception that the bid prices shall include all royalties or cost arising from the use of such design, device, or materials in any way involved in the work.

FINANCIAL AND COMPLIANCE AUDIT

The administration of resources awarded by the Department of Health to the provider may be subject to audits and/or monitoring by the Department of Health, as described in this section.

MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133, as revised, and Section 215.97, F.S., (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by Department of Health staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this agreement, the provider agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Health. In the event the Department of Health determines that a limited scope audit of the provider is appropriate, the provider agrees to comply with any additional instructions provided by the Department of Health to the provider regarding such audit. The provider further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the provider is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

1. In the event that the provider expends \$500,000 or more in Federal awards during its fiscal year, the provider must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. EXHIBIT 1 to this agreement indicates Federal resources awarded through the Department of Health by this agreement. In determining the Federal awards expended in its fiscal year, the provider shall consider all sources of Federal awards, including Federal resources received from the Department of Health. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the provider conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1, the provider shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.
3. If the provider expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the provider expends less than \$500,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such audit must be paid from provider resources obtained from other than Federal entities.)
4. An audit conducted in accordance with this part shall cover the entire organization for the organization's fiscal year. Compliance findings related to agreements with the Department of Health shall be based on the agreement's requirements, including any rules, regulations, or statutes referenced in the agreement. The financial statements shall disclose whether or not the matching requirement was met for each applicable agreement. All questioned costs and liabilities due to the Department of Health shall be fully disclosed in the audit report with reference to the Department of Health agreement involved. If not otherwise disclosed as required by Section .310(b)(2) of OMB Circular A-133, as revised, the schedule of expenditures of Federal awards shall identify expenditures by agreement number for each agreement with the Department of Health in effect during the audit period. Financial reporting packages required under this part must be submitted within the earlier of 30 days after receipt of the audit report or 9 months after the end of the provider's fiscal year end.

02/10

PART II: STATE FUNDED

This part is applicable if the provider is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the provider expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year of such provider (for fiscal years ending September 30, 2004 or thereafter), the provider must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT I to this agreement indicates state financial assistance awarded through the Department of Health by this agreement. In determining the state financial assistance expended in its fiscal year, the provider shall consider all sources of state financial assistance, including state financial assistance received from the Department of Health, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1, the provider shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapter 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3. If the provider expends less than \$500,000 in state financial assistance in its fiscal year (for fiscal years ending September 30, 2004 or thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the provider expends less than \$500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the provider resources obtained from other than State entities).
4. An audit conducted in accordance with this part shall cover the entire organization for the organization's fiscal year. Compliance findings related to agreements with the Department of Health shall be based on the agreement's requirements, including any applicable rules, regulations, or statutes. The financial statements shall disclose whether or not the matching requirement was met for each applicable agreement. All questioned costs and liabilities due to the Department of Health shall be fully disclosed in the audit report with reference to the Department of Health agreement involved. If not otherwise disclosed as required by Rule 69I-5.003, Fla. Admin. Code, the schedule of expenditures of state financial assistance shall identify expenditures by agreement number for each agreement with the Department of Health in effect during the audit period. Financial reporting packages required under this part must be submitted within 45 days after delivery of the audit report, but no later than 12 months after the provider's fiscal year end for local governmental entities. Non-profit or for-profit organizations are required to be submitted within 45 days after delivery of the audit report, but no later than 9 months after the provider's fiscal year end. Notwithstanding the applicability of this portion, the Department of Health retains all right and obligation to monitor and oversee the performance of this agreement as outlined throughout this document and pursuant to law.

The aforementioned documentation is subject to review by the Council, the Department of Health and/or the State Chief Financial Officer and the provider will timely comply with any requests for documentation.

E. Monitoring by the Council

To permit persons duly authorized by the Council to inspect any records, papers, documents, facilities, goods, and services of the provider, which are relevant to this subcontract, and interview any clients and employees of the provider to assure the Council of satisfactory performance of the terms and conditions of this subcontract. Following such evaluation the Council will deliver to the provider a written report of its findings and will include written recommendations with regard to the provider's performance of the terms and conditions of this subcontract. The provider will correct all noted deficiencies identified by the Council within the specified period of time set forth in the recommendations. The provider's failure to correct noted deficiencies may, at the sole and exclusive discretion of the Council, result in any one or any combination of the following: (1) the provider being deemed in breach or default of this subcontract; (2) the withholding of payments to the provider by the Council; and (3) the termination of this subcontract for cause.

F. Indemnification

NOTE: Paragraph I.F.1. and I.F.2. are not applicable to contracts executed between state agencies or subdivisions, as defined in §768.28, FS.

1. The provider shall be liable for and shall indemnify, defend, and hold harmless the Council and all of its officers, agents, and employees from all claims, suits, judgments, or damages, consequential or otherwise and including attorneys' fees and costs, arising out of any act, actions, neglect, or omissions by the provider, its agents, or employees during the performance or operation of this subcontract or any subsequent modifications thereof, whether direct or indirect, and whether to any person or tangible or intangible property.
2. The provider's inability to evaluate liability or its evaluation of liability shall not excuse the provider's duty to defend and indemnify within seven (7) days after such notice by the Council is given by certified mail. Only adjudication or judgment after highest appeal is exhausted specifically finding the provider not liable shall excuse performance of this provision. The provider shall pay all costs and fees related to this obligation and its enforcement by the Council. The Council's failure to notify the provider of a claim shall not release the provider of the above duty to defend.

G. Insurance

To provide adequate liability insurance coverage on a comprehensive basis and to hold such liability insurance at all times during the existence of this subcontract and any renewal(s) and extension(s) of it. Upon execution of this subcontract, unless it is a state agency or subdivision as defined by §768.28, FS, the provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the provider and the clients to be served under this subcontract. The limits of coverage under each policy maintained by the provider do not limit the provider's liability and obligations under this subcontract. Upon the execution of this subcontract, the provider shall furnish the Council written verification supporting both the determination and existence of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The Council reserves the right to require additional insurance as specified in Attachment I where appropriate.

H. Safeguarding Information

Not to use or disclose any information concerning a recipient of services under this subcontract for any purpose not in conformity with state and federal law or regulations except upon written consent of the recipient, or his responsible parent or guardian when authorized by law.

I. Assignments and Subcontracts

1. To neither assign the responsibility of this subcontract to another party nor subcontract for any of the work contemplated under this subcontract without prior written approval of the Council, which shall not be unreasonably withheld. Any sub-license, assignment, or transfer otherwise occurring shall be null and void.
2. The provider shall be responsible for all work performed and all expenses incurred with the project. If the Council permits the provider to subcontract all or part of the work contemplated under this subcontract, including entering into subcontracts with vendors for services and commodities, it is understood by the provider that the Council shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and the provider shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.
3. The State of Florida shall at all times be entitled to assign or transfer, in whole or part, its rights, duties, or obligations under this subcontract to another governmental agency in the State of Florida, upon giving prior written notice to the provider. In the event the State of Florida approves transfer of the provider's obligations, the provider remains responsible for all work performed and all expenses incurred in connection with the subcontract. In addition, this subcontract shall bind the successors, assigns, and legal representatives of the provider and of any legal entity that succeeds to the obligations of the State of Florida.
4. The subcontractor shall provide a monthly Minority Business Enterprise report summarizing the participation of certified and non-certified minority subcontractors/material suppliers for the current month, and project to date. The report shall include the names, addresses, and dollar amount of each certified and non-certified MBE participant, and a copy must be forwarded to the Contract Manager of the

Department of Health. The Office of Supplier Diversity (850-487-0915) will assist in furnishing names of qualified minorities. The Department of Health, Minority Coordinator (850-245-4199) will assist with questions and answers.

5. Unless otherwise stated in the contract between the provider and subcontractor, payments made by the provider to the subcontractor must be within seven (7) working days after receipt of full or partial payments from the Council in accordance with §§287.0585, FS. Failure to pay within seven (7) working days will result in a penalty charged against the provider and paid by the provider to the subcontractor in the amount of one-half of one (1) percent of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen (15) percent of the outstanding balance due.

J. Return of Funds

To return to the Council any overpayments due to unearned funds or funds disallowed and any interest attributable to such funds pursuant to the terms of this subcontract that were disbursed to the provider by the Council. In the event that the provider or its independent auditor discovers that overpayment has been made, the provider shall repay said overpayment within 40 calendar days without prior notification from the Council. In the event that the Council first discovers an overpayment has been made, the Council will notify the provider by letter of such a finding. Should repayment not be made in a timely manner, the Council will charge interest of one (1) percent per month compounded on the outstanding balance after 40 calendar days after the date of notification or discovery.

K. Incident Reporting

Abuse, Neglect, and Exploitation Reporting

In compliance with Chapter 415, FS, an employee of the provider who knows or has reasonable cause to suspect that a child, aged person, or disabled adult is or has been abused, neglected, or exploited shall immediately report such knowledge or suspicion to the Florida Abuse Hotline on the single statewide toll-free telephone number (1-800-96ABUSE).

2. Except where the provider is a state agency, the provider, its officers, agents, employees, subcontractors, or assignees, in performance of this subcontract, shall act in the capacity of an independent contractor and not as an officer, employee, or agent of the State of Florida. Nor shall the provider represent to others that it has the authority to bind the Council unless specifically authorized to do so.
3. Except where the provider is a state agency, neither the provider, its officers, agents, employees, subcontractors, nor assignees are entitled to state retirement or state leave benefits, or to any other compensation of state employment as a result of performing the duties and obligations of this subcontract.
4. The provider agrees to take such actions as may be necessary to ensure that each subcontractor of the provider will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the State of Florida.
5. Unless justified by the provider and agreed to by the Council in Attachment I, the Council will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial, or clerical support) to the provider, or its subcontractor or assignee.
6. All deductions for social security, withholding taxes, income taxes, contributions to unemployment compensation funds, and all necessary insurance for the provider, the provider's officers, employees, agents, subcontractors, or assignees shall be the responsibility of the provider.

Q. Final Invoice

To submit the final invoice for payment to the Council no later than June 1st or no more than 15 days after the contract is terminated, if applicable. If the provider fails to do so, all rights to payment are forfeited and the Council may not honor any requests submitted after the aforesaid time period. Any payment due under the terms of this contract may be withheld until all reports due from the provider and necessary adjustments thereto have been approved by the Council.

R. Use of Funds for Lobbying Prohibited

To comply with the provisions of §216.347, FS, which prohibit the expenditure of subcontract funds for the purpose of lobbying the Legislature, judicial branch, or a state agency.

T. Patents, Copyrights, and Royalties

1. If any discovery or invention arises or is developed in the course or as a result of work or services performed under this subcontract, or in anyway connected herewith, the

provider shall refer the discovery or invention to the Council to be referred to the Department of State to determine whether patent protection will be sought in the name of the State of Florida. Any and all patent rights accruing under or in connection with the performance of this subcontract are hereby reserved to the State of Florida.

2. In the event that any books, manuals, films, or other copyrightable materials are produced, the provider shall notify the Department of State. Any and all copyrights accruing under or in connection with the performance under this subcontract are hereby reserved to the State of Florida.
3. The provider, without exception, shall indemnify and save harmless the State of Florida and its employees from liability of any nature or kind, including cost and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured by the provider. The provider has no liability when such claim is solely and exclusively due to the Department of State's alteration of the article. The State of Florida will provide prompt written notification of claim of copyright or patent infringement. Further, if such claim is made or is pending, the provider may, at its option and expense, procure for the Department of State, the right to continue use of, replace, or modify the article to render it non-infringing. If the provider uses any design, device, or materials covered by letters, patent, or copyright, it is mutually agreed and understood without exception that the bid prices shall include all royalties or cost arising from the use of such design, device, or materials in any way involved in the work.

The provisions herein do not limit the Council's right to remedies at law or in equity.

4. Termination for Failure to Satisfactorily Perform Prior Agreement

Failure to have performed any contractual obligations with the Council in a manner satisfactory to the Council will be a sufficient cause for termination. FINANCIAL AND COMPLIANCE AUDIT

The administration of resources awarded by the Department of Health to the provider may be subject to audits and/or monitoring by the Department of Health, as described in this section.

MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133, as revised, and Section 215.97, F.S., (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by Department of Health staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this agreement, the provider agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Health. In the event the Department of Health determines that a limited scope audit of the provider is appropriate, the provider agrees to comply with any additional instructions provided by the Department of Health to the provider regarding such audit. The provider further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the provider is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

1. In the event that the provider expends \$500,000 or more in Federal awards during its fiscal year, the provider must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. EXHIBIT 1 to this agreement indicates Federal resources awarded through the Department of Health by this agreement. In determining the Federal awards expended in its fiscal year, the provider shall consider all sources of Federal awards, including Federal resources received from the Department of Health. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the provider conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1, the provider shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.
3. If the provider expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the provider expends less than \$500,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such audit must be paid from provider resources obtained from other than Federal entities.)
4. An audit conducted in accordance with this part shall cover the entire organization for the organization's fiscal year. Compliance findings related to agreements with the Department of Health shall be based on the agreement's requirements, including any rules, regulations, or statutes referenced in the agreement. The financial statements shall disclose whether or not the matching requirement was met for each applicable agreement. All questioned costs and liabilities due to the Department of Health shall be fully disclosed in the audit report with reference to the Department of Health agreement involved. If not otherwise disclosed as required by Section .310(b)(2) of OMB Circular A-133, as revised, the schedule of expenditures of Federal awards shall identify expenditures by agreement number for each agreement with the Department of Health in effect during the audit period. Financial reporting packages required under this part must be submitted within the earlier of 30 days after receipt of the audit report or 9 months after the end of the provider's fiscal year end.

02/10

PART II: STATE FUNDED

This part is applicable if the provider is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the provider expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year of such provider (for fiscal years ending September 30, 2004 or thereafter), the provider must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT I to this agreement indicates state financial assistance awarded through the Department of Health by this agreement. In determining the state financial assistance expended in its fiscal year, the provider shall consider all sources of state financial assistance, including state financial assistance received from the Department of Health, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1, the provider shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapter 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3. If the provider expends less than \$500,000 in state financial assistance in its fiscal year (for fiscal years ending September 30, 2004 or thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the provider expends less than \$500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the provider resources obtained from other than State entities).
4. An audit conducted in accordance with this part shall cover the entire organization for the organization's fiscal year. Compliance findings related to agreements with the Department of Health shall be based on the agreement's requirements, including any applicable rules, regulations, or statutes. The financial statements shall disclose whether or not the matching requirement was met for each applicable agreement. All questioned costs and liabilities due to the Department of Health shall be fully disclosed in the audit report with reference to the Department of Health agreement involved. If not otherwise disclosed as required by Rule 69I-5.003, Fla. Admin. Code, the schedule of expenditures of state financial assistance shall identify expenditures by agreement number for each agreement with the Department of Health in effect during the audit period. Financial reporting packages required under this part must be submitted within 45 days after delivery of the audit report, but no later than 12 months after the provider's fiscal year end for local governmental entities. Non-profit or for-profit organizations are required to be submitted within 45 days after delivery of the audit report, but no later than 9 months after the provider's fiscal year end. Notwithstanding the applicability of this portion, the Department of Health retains all right and obligation to monitor and oversee the performance of this agreement as outlined throughout this document and pursuant to law.
