THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

- A. The Recipient represents that it is fully qualified and eligible to receive these grant funds to provide the services identified herein; and
- B. The Division has received these grant funds from the State of Florida, and has the authority to subgrant these funds to the Recipient upon the terms and conditions below; and
- C. The Division has statutory authority to disburse the funds under this Agreement.

THEREFORE, the Division and the Recipient agree to the following:

(1) SCOPE OF WORK

The Recipient shall perform the work in accordance with the Budget and Scope of Work, Attachment A of this Agreement.

(2) INCORPORATION OF LAWS, RULES, REGULATIONS AND POLICIES

The Recipient and the Division shall be governed by applicable State and Federal laws, rules and regulations, including those identified in Attachment B.

(3) PERIOD OF AGREEMENT

This Agreement shall begin September 9, 2009 and shall end December 23, 2010 unless terminated earlier in accordance with the provisions of Paragraph (12) of this Agreement.

(4) MODIFICATION OF CONTRACT

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(5) RECORDKEEPING

(a) As applicable, Recipient's performance under this Agreement shall be subject to the federal "Common Rule: Uniform Administrative Requirements for State and Local Governments" (53 Federal Register 8034) or OMB Circular No. A-110, "Grants and Agreements with Institutions of High Education, Hospitals, and Other Nonprofit Organizations," and either OMB Circular No. A-87, "Cost Principles for State and Local Governments," OMB Circular No. A-21, "Cost Principles for Educational Institutions," or OMB Circular No. A-122, "Cost Principles for Nonprofit Organizations." If this Agreement is made with a commercial (for-profit) organization on a cost-reimbursement basis, the Recipient shall be subject to Federal Acquisition Regulations 31.2 and 931.2.

(b) The Recipient shall retain sufficient records to show its compliance with the terms of this

Agreement, and the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of five years from the date the audit report is issued, and shall allow the Division or its designee, the State Chief Financial Officer or the State Auditor General access to the records upon request. The Recipient shall ensure that audit working papers are available to them upon request for a period of five years from the date the audit report is issued, unless extended in writing by the Division. The five year period may be extended for the following exceptions:

1. If any litigation, claim or audit is started before the five year period expires, and extends beyond the five year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.

2. Records for the disposition of non-expendable personal property valued at \$5,000 or more at the time it is acquired shall be retained for five years after final disposition.

3. Records relating to real property acquired shall be retained for five years after the closing on the transfer of title.

(c) The Recipient shall maintain all records for the Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Budget and Scope of Work - Attachment A - and all other applicable laws and regulations.

(d) The Recipient, its employees or agents, including all subcontractors or consultants to be paid from funds provided under this Agreement, shall allow access to its records at reasonable times to the Division, its employees, and agents. If the Recipient expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the Recipient expends less than \$500,000 in Federal awards in its fiscal year and chooses to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal funds.

Stat. Nothing herein is intended to serve as a waiver of sovereign immunity by any Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

**(10) DEFAULT**

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall, if the Division elects, terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (11). However, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment:

(a) If any warranty or representation made by the Recipient in this Agreement or any previous

agreement with the Division is or becomes false or misleading in any respect, or if the Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

(b) If material adverse changes occur in the financial condition of the Recipient at any time during the term of this Agreement, and the Recipient fails to cure this adverse change within thirty days from the date written notice is sent by the Division.

(c) If any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information;

(d) If the Recipient has failed to perform and complete on time any of its obligations under this Agreement.

#### (11) REMEDIES

If an Event of Default occurs, then the Division may, after thirty calendar days written notice to the Recipient and upon the Recipient's failure to cure within those thirty days, exercise any one or more of the following remedies, either concurrently or consecutively:

(a) Terminate this Agreement, provided that the Recipient is given at least thirty days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (13) herein;

(b) Begin an appropriate legal or equitable action to enforce performance of this Agreement;

(c) Withhold or suspend payment of all or any part of a request for payment;

(d) Require that the Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

4. require the Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

(f) Exercise any other rights or remedies which may be available under law.

(g) Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Recipient.

(12) TERMINATION

(a) The Division may terminate this Agreement for cause after thirty days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Fla. Stat., as amended.

(b) The Division may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Recipient with thirty calendar days prior written notice.

(c) The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

(d) In the event that this Agreement is terminated, the Recipient will not incur new obligations for the terminated portion of the Agreement after the Recipient has received the notification of termination. The Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Recipient. The Division may, to the extent authorized by law, withhold payments to the Recipient for the purpose of set-off until the exact amount of damages due the Division from the Recipient is determined.

### **Budget and Scope of Work**

#### **Scope of Work**

As a Hazard Mitigation Grant Program project, the Recipient, Palm Beach County, proposes to improve the drainage of Westgate-Belvedere Community North located in Palm Beach County, Florida, by constructing a 6.85 water management area (4.01 acres at control elevation of 9.0 NGVD) within the basin, which will increase the system capacity of the project area and allow more rapid drainage throughout the low-lying community. These improvements will help alleviate potential flooding and provide flood protection throughout the 92 acre drainage basin. Final design analysis determined that improved flood protection is realized and project eliminates flooding for up to 10-year event and reduces flooding for all greater events.

#### **Environmental Review Project Conditions:**

1. The Recipient must follow all applicable state, local and federal laws regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. If project work is delayed for a year or more after the date of the CATEX, then coordination with and project review by regulatory agencies must be redone.
2. Any change, addition or supplement to the approved Scope of Work that alters the project (including other work not funded by FEMA, but done substantially at the same time) will require re-submission of the application to FEMA for NEPA re-evaluation before starting project work.
3. If any archaeological material is discovered during project work, work in that area shall cease immediately and the Recipient will contact the State Historic Preservation Officer (SHPO) and the DHS/FEMA Region IV Environmental Officer and FDEM State Environmental Liaison Officer for further guidance.
4. Construction vehicles and equipment used for this project shall be maintained in good working order to minimize pollutant emissions.
5. Best management practices will be used during project work to minimize soil erosion, sediment migration and turbidity. The Recipient will need to prepare and implement a Storm Water Pollution Prevention Plan (SWPP) The Recipient must obtain a National Pollutant Discharge Elimination System (NPDES) stormwater permit (if area of disturbance will be greater than one acre). The Applicant will need to provide a copy of the Notice of Intent (NOI) submitted to use the State of Florida Generic Permit for stormwater discharge from construction activities; response letter from Florida Department of Environmental Protection (FDEP) if provided; and a copy of the Notice of Termination (NOT) – at project closeout.
6. For projects involving groundwater dewatering activities at the construction site, provide documentation of coverage under the Florida Department of Environmental Protection (FDEP) "Generic Permit for the Discharge of Produced Ground Water from any Non-contaminated Site Activity."

This is FEMA project **1561-116-R**, funded under 1561-DR-FL.

The Period of Performance of this project ends on December 23, 2010.

Standard Conditions

1. Any change to the approved scope of work will require re-evaluation for compliance with NEPA and other Laws and Executive Orders.
2. This review does not address all federal, state and local requirements. Acceptance of federal funding requires recipient to comply with all federal, state and local laws. Failure to obtain all appropriate federal, state and local environmental permits and clearances may jeopardize federal funding.
3. If ground disturbing activities occur during construction, applicant will monitor ground disturbance and if any potential archeological resources are discovered, will immediately cease construction in that area and notify the State and FEMA.

Comment:

Phase I (engineering, permitting, etc.) of this drainage project proposes to excavate 12 retention ponds, totaling 40-acre-feet, installing approximately 4 miles of storm-water drainage pipes, drainage inlets and culverts along the project location drainage lines; swales adjacent to the streets will be regarded; construction of outlets from the drainage pipes to the retention ponds, and overflow connections between the retention ponds and the L2b Canal will be installed.

The project is Categorically Excluded from the preparation of an Environmental Assessment and/or Environmental Impact Statement under 44 CFR Part 10.8(d)(2)(iii). The sub-grantee must comply with all applicable Federal, state and local laws and regulations, and must obtain all required permits as a condition of FEMA funding.

Approval is contingent on compliance with the conditions listed below:

\* Confirmation of Public Notification and resolution of comments received.

\* Conditional approval is for Phase I design, engineering, and environmental permitting only and does not authorize any ground-disturbing or construction-related activities.

\* Additional environmental review will be required for subsequent Phase II projects.

Any changes to the approved project description will require resubmission through the State to FEMA, and will require reevaluation for compliance with the National Environmental Policy Act (NEPA) and Sec. 106 of the National Historic Preservation Act (NHPA) prior to initiation of any work. Non-compliance with requirements may jeopardize FEMA's ability to fund this project.

-MHAIGHT1-01/10/2007 19:14 GMT

Environmental/Historic Preservation approval of this project is contingent on compliance with the following conditions:

1. Provide a copy of the completed Florida Division of Emergency Management Environmental Unit Record of Environmental Review.
2. Provide a documentation of the No Permit Required from the U.S. Army Corps of Engineers (USACE).
3. Compliance with all applicable federal, state and local laws, regulations, etc.

The State should include these conditions in their Contract with the sub-grantee, or otherwise ensure that the applicant is aware of the conditions. The State must ensure that the sub-grantee has complied with these conditions PRIOR to the start of construction. The State must provide documentation of compliance to FEMA upon receipt from the sub-grantee. Compliance with all conditions will be confirmed at project closeout. Failure to comply may jeopardize funding.

Recipient further acknowledges that FEMA may require Recipient to take all reasonable measures to avoid or minimize harm to such property until FEMA concludes consultation with the SHPO. Recipient also acknowledges that FEMA will require, and Recipient shall comply with, modifications to the project scope of work necessary to implement recommendations to address the project and the property.

- (7) Recipient acknowledges that, unless FEMA specifically stipulates otherwise, it shall not
