I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Amendment No. 002 to an Agreement (R2009-0649), with the City of Lake Worth, to extend the expiration date from September 30, 2010, to May 31, 2011.

Summary: This Amendment provides an extension of eight months to the term of the existing Agreement for the park improvements at Sunset Ridge Park in the City of Lake Worth. The time extension is requested to provide the City time to prepare bid documents, and to bid and construct the project. These are Federal Community Development Block Grant funds that require no local match. District 3 (TKF)

Background and Justification: The County entered into an Agreement with City of Lake Worth on April 21, 2009, allocating \$170,000 in Community Development Block Grant (CDBG) funds for park improvements at Sunset Ridge Park. The Agreement was amended by Amendment No. 001 (R2010-0199) on February 2, 2010 to provide additional time to complete the project. The work will include demolition of the existing restrooms and construction of new restrooms and a pavilion both of which will meet ADA standards, as well as sidewalks/walkways, security lighting, parking lot improvements (including additional handicapped spaces), park/playground equipment, and landscaping.

The Municipality shall provide written verification of compliance to HCD upon HCD's request.

4. EVALUATION AND MONITORING

The Municipality agrees that HCD will carry out periodic monitoring and evaluation activities as determined necessary by HCD or the County and that payment, reimbursement, or the continuation of this Agreement is dependent upon satisfactory evaluation conclusions based on the terms of this Agreement. The Municipality agrees to furnish upon request to HCD, the County, or the County's designees copies of transcriptions of such records and information as is determined necessary by HCD or the County. The Municipality shall submit status reports required under this Agreement on forms approved by HCD to enable HCD to evaluate progress. The Municipality shall submit a single audit, including any management letter, made in accordance with the general program requirements of OMB Circulars A-110, A-122, A-133, and other applicable regulations within the earlier of, 30 days after receipt of the auditor's report(s), or nine (9) months after the end of the audit period in which HCD-administered funds are expended. Said audit shall be made by a Certified Public Accountant of the Municipality's choosing, subject to the County's approval. In the event the Municipality anticipates a delay in producing such audit, the Municipality shall request an extension in advance of the deadline. The cost of said audit shall be borne by the Municipality. In the event the Municipality is exempt from having an audit conducted under A-133, the Municipality shall submit audited financial statements and/or the County reserves the right to conduct a "limited scope audit" of the Municipality as defined by A-133. The County will be responsible for providing technical assistance to the Municipality, as deemed necessary by the County.

7. REVERSION OF ASSETS

Upon expiration of this Agreement, the Municipality shall transfer to the County any CDBG funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG funds. Any real property under the Municipality's control upon expiration of this Agreement which was acquired or improved in whole or part with CDBG in the excess of \$25,000 must either be used to meet one of the national objectives in Federal Community Development Block Grant Regulations 24 CFR 570.508 for a period of five years after expiration of this Agreement (unless a longer period is specified elsewhere in this Agreement), or, the Municipality shall pay the County an amount equal to the current market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for the acquisition of, or improvement to, the property.

8. DATA BECOMES COUNTY PROPERTY

All reports, plans, surveys, information, documents, maps, and other data procedures developed, prepared, assembled, or completed by the Municipality for the purpose of this Agreement shall be made available to the County by the Municipality at any time upon request by the County or HCD. Upon completion of all work contemplated under this Agreement copies of all documents and records relating to this Agreement shall be surrendered to HCD if requested. In any event the Municipality shall keep all documents and records for five (5) years after expiration of this Agreement.

9. INDEMNIFICATION

Each party to this Agreement shall be liable for its own actions and negligence and, to the extent permitted by law, the County shall indemnify, defend, and hold harmless the Municipality against any actions, claims, or damages arising out of the County's negligence in connection with this Agreement, and the Municipality shall indemnify, defend, and hold harmless the County against any actions, claims, or damages arising out of the Municipality's negligence in connection with this Agreement. The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statute, section 768.28, nor shall the same be construed to constitute agreement by either party to indemnify the other party for such other party's negligent, willful or intentional acts or omissions. The Municipality shall hold the County harmless and shall indemnify the County for funds which the County is obligated to refund the Federal Government arising out of the conduct of activities and administration of the Municipality. The provisions of this indemnification clause shall survive the termination of this Agreement.

10. INSURANCE

Without waiving the right to sovereign immunity as provided by Florida Statute, Chapter 768.28, the Municipality reserves the right to self-insure for General Liability and Automobile Liability under Florida's sovereign immunity statute with coverage limits of \$100,000 Per Person and \$200,000 Per Occurrence; or such monetary waiver limits that may change and be set forth by the legislature. In the event the Municipality maintains Commercial General Liability or Business Auto Liability, the Municipality agrees to maintain said insurance policies at limits not less than \$100,000 Per Person and \$200,000 Per Occurrence. The Municipality agrees to endorse Palm Beach County Board of County Commissioners as an "Additional Insured" to the Commercial General Liability, but only with respect to negligence other than County's negligence arising out of this project or Agreement. **This paragraph does not apply to liability policies which afford only indemnity based claims-bill coverage.**

The Municipality agrees to maintain, or self-insure, Worker's Compensation & Employer's Liability insurance in accordance with Florida Statute, Chapter 440.

The Municipality agrees to provide a statement, or Certificate of Insurance, evidencing insurance or self-insurance for the above required coverages, which the Municipality shall deliver to HCD at its office at 160 Australian Avenue, Suite 500, West Palm Beach, Florida 33406.

The Municipality agrees its self-insurance or insurance shall be primary as respects to any coverage afforded to or maintained by County.

The Municipality agrees compliance with the foregoing insurance requirements is not intended to nor construed to relieve the Municipality of its liability and obligations under this Agreement.

11. MAINTENANCE OF EFFORT

Any possible conflict of interest on the part of the Municipality or its employees shall be disclosed in writing to HCD provided, however, that this paragraph shall be interpreted in such a manner so as not to unreasonably impede the statutory requirement that maximum opportunity be provided for employment of and participation of low and moderate-income residents of the project area.

EXHIBIT A
WORK PROGRAM NARRATIVE

I. THE MUNICIPALITY AGREES TO:

- A. **PROFESSIONAL SERVICES:** The Municipality, using its own resources, shall retain a consultant (a Florida professional engineer or registered architect) for the below described park improvements at Sunset Ridge Park located at 1415 North "D" Street in the City of Lake Worth. The consultant shall provide design services and create plans and specifications for the below described park improvements. The Municipality and consultant shall also prepare, obtain and review bids, prepare contract documents, inspect work in progress, recommend payment to contractors, and provide other professional services customarily provided by similar professionals for this type of project. The consultant shall also coordinate the design and construction work with the asbestos abatement contractor, should such abatement become necessary.

Alternatively, the Municipality shall have the option of performing any portion of the consultant's services described above by its own staff provided such staff possesses the necessary competency to do so.

- B. **PROJECT SCOPE :** The scope of this project subject to funding availability shall include the following improvements to Sunset Ridge Park in the City of Lake Worth:

- Demolition of an existing restroom/storage building and its replacement with a restroom/storage, ADA compliant, building (of approximately 400 square feet) with covered entrances and security lighting.
- Construction of a park pavilion.
- Installation of concrete, ADA compliant, sidewalks/walkways to connect the various activity areas (playground, parking, pavilion, restrooms, etc.).
- Re-pavement of the exiting parking lot including the installation of new curbing, car stops, striping and the addition of handicap spaces.
- Installation of locking barrier device(s) at the parking area entrance(s).
- Purchase and installation of playground equipment and replacement playground surfacing materials.
- Purchase and installation of new picnic tables, benches and park fixtures.
- Installation of landscaping and related irrigation, if necessary.

NOTE 1: The Municipality shall submit its bid package/drawings/specifications, and an itemized opinion of probable construction cost prepared by its consultant, to HCD and obtain a letter of approval prior to bidding the construction work. Furthermore, the Municipality shall obtain HCD approval prior to issuing any addenda to its bid documents for this project.

NOTE 2: The Municipality shall prioritize the work in the project, and shall bid such work in a manner that would allow the receipt of itemized costs from bidders which would then allow the award of items that can be funded by the budget provided that the extent of work awarded will result in a functioning facility in the opinion of HCD.

NOTE 3: The Municipality shall not award the construction contract for the project until sufficient funding is available to complete the established scope of work. All construction work shall be included in one contract. The Municipality shall obtain HCD approval prior to awarding the construction contract to be funded through this Agreement. After awarding such contract, the Municipality shall obtain HCD approval prior to executing any change orders to such contract.

NOTE 4: Should the construction contract amount for this project exceed the amount to be funded by the County for construction costs through this Agreement, then the Municipality shall fund all amounts in excess of the amount to be funded by the County. The Municipality may request the County to participate with a portion of the County's funding for construction costs first prior to participating with its funds. Under such a scenario, the Municipality would disburse an amount up to 75% of the County's funding amount made available for the project through this Agreement for construction costs and request reimbursement from the County for such amount, then disburse its portion of funding for the project (without being reimbursed by the County for such amount), and finally, the Municipality would disburse an amount equivalent to the County's remaining funding amount made available for the project through this Agreement for construction costs and request reimbursement from the County for such amount.

NOTE 5: The Municipality shall include in its bid and contract documents the following prohibition affecting the prime contractor and all subcontractors for this project: "Neither the prime contractor nor any subcontractor shall be allowed to perform one hundred percent (100%) of their work on this project on nights, weekends, or County recognized holidays. The prime contractor and all subcontractors shall, at a minimum, perform work on this project for the duration of one regular working day". The Municipality may request HCD for a waiver to the above requirement should the nature of the project so necessitate, and in such instance, HCD may, at its discretion, grant the Municipality such waiver.

NOTE 6: The Municipality shall not request reimbursement from HCD for materials or equipment received and stored on the project site or elsewhere. The Municipality shall only request reimbursement for materials and equipment that have been installed.

The Municipality further agrees that HCD, in consultation with any parties it deems necessary, shall be the final arbiter on the Municipality's compliance with the above.

- C. ASBESTOS REQUIREMENTS: The Municipality shall comply with all applicable requirements contained in Exhibit C, attached hereto, for construction work in connection with the project funded through this Agreement.
- D. DAVIS-BACON ACT: The Municipality shall request the County to obtain a Davis-Bacon wage decision for the project prior to advertising the construction work. The Municipality shall incorporate a copy of the Davis-Bacon wage decision and disclose the requirements of the Davis-Bacon Act in its construction bid solicitation and contract.
- E. BONDING REQUIREMENTS: The Municipality shall comply with the requirements of 24CFR Part 85 in regard to bid guarantees, performance bonds, and payment bonds.
- F. CONSTRUCTION PAYMENT RETAINAGE: The Municipality shall apply a retainage of at least 5% on all construction draws which retainages shall be released in conjunction with the final draw upon satisfactory completion of the project. The Municipality agrees not to release such retainages until it has obtained approval from the County that the contractor and subcontractors have complied with the requirements of the Davis-Bacon Act.
- G. FORMER PROJECTS: The Municipality shall maintain all previously completed CDBG funded projects. Failure to do so will result in forfeiture of future CDBG funds and will delay funding for ongoing activities.
- H. WORK SCHEDULE: The time frame for completion of the outlined activities shall be November 30, 2009.

- I. REPORTS: The Municipality shall submit to HCD detailed monthly progress reports in the form provided as Exhibit B to this Agreement. Each report must account for the total activity for which the Municipality is funded under this Agreement. The progress reports shall be used by HCD to assess the Municipality's progress in implementing the project.
- J. USE OF THE PROJECT FACILITY: The Municipality agrees in regard to the use of the facility/property whose acquisition or improvements are being funded in part or in whole by CDBG funds as provided by this Agreement, that for a period of ten (10) years after the expiration date of this Agreement (as may be amended from time to time):
 - (a) The Municipality may not change the use or planned use, or discontinue use, of the facility/property (including the beneficiaries of such use) from that for which the acquisition or improvements are made, unless the Municipality provides affected citizens with reasonable notice of, and opportunity to comment on, any such proposed change and either:
 - 1. The new use of the facility/property qualifies as meeting one of the national objectives defined in the regulations governing the CDBG program, and is not a building for the general conduct of government; or
 - 2. The requirements of paragraph (b) of this section are met.

- (b) If the Municipality determines after consultation with affected citizens, that it is appropriate to change the use of the facility/property to a use which does not qualify under paragraph (a) (1) of this section or discontinue the use of the facility/property, it may retain or dispose of the facility for such use if the County is reimbursed in the amount of the current fair market value of the facility/property less any portion thereof attributable to expenditures of non-CDBG funds for acquisition of, or improvements to the facility/property. The final determination of the amount of any such reimbursement to the County under this paragraph shall be made by the County.
- (c) Following the reimbursement of CDBG funds by the Municipality to the County pursuant to paragraph (b) above, the facility/property will then no longer be subject to any CDBG requirements.

The provisions of this clause shall survive the expiration of this Agreement.

- K. **SECTION 3 REQUIREMENTS:** The Municipality agrees to comply with all Section 3 requirements applicable to contracts funded through this Agreement. Information on Section 3 is available at HCD upon request. The Municipality shall include the following, referred to as the Section 3 Clause, in every solicitation and every contract for every Section 3 covered project:

Section 3 Clause

- (a) The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U. S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3 shall, to the greatest extent feasible, be directed to low-and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- (b) The parties to this contract agree to comply with HUD's requirements in 24 CFR Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.
- (c) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers representative of the contractor's commitment under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- (d) The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.
- (e) The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 135.
- (f) Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

II. THE COUNTY AGREES TO:

- A. Provide funding for the above specified improvements as described above in "Project Scope", during the term of this Agreement, in the amount of \$170,000. However, the County shall not provide any funding for the construction work until the Municipality provides documentation showing that sufficient funds are available to complete the project.
- B. Provide project administration and inspection to the Municipality to ensure compliance with U.S. HUD and the Department of Labor, and applicable State, Federal and County laws and regulations.
- C. Monitor the Municipality at any time during the term of this Agreement. - D. The County shall perform an environmental review of the project, and review and approve project design and bids submitted for the work. The County shall also perform Davis Bacon Act Labor Standards monitoring and enforcement. Environmental review costs incurred by the County may be charged to the project budget identified above.

 - (a) Costs of asbestos surveys, asbestos abatement, and abatement monitoring.
 - (b) Costs of any other services customarily associated with projects of the nature of the project contemplated by this Agreement.

 AHERA: Asbestos Hazard Emergency Response Act
 EPA: Environmental Protection Agency
 FLAC: Florida Licensed Asbestos Consultant
 HCD: Palm Beach County Department of Housing and Community Development
 NESHAP: National Emission Standards for Hazardous Air Pollutants
 NRCA: National Roofing Contractors Association
 NVLAP: National Voluntary Laboratory Accreditation Program

II. ASBESTOS SURVEYS

All properties scheduled for renovation or demolition are required to have a comprehensive asbestos survey conducted by a Florida Licensed Asbestos Consultant (FLAC). The survey shall be conducted in accordance with AHERA guidelines. Analysis must be performed by a NVLAP accredited laboratory.

For Renovation Projects (projects which will be reoccupied):

- Point counting must be done for all asbestos containing building materials (ACBM) indicating less than 1% asbestos (to determine if any asbestos is present).
- Samples of vinyl floor tile indicating asbestos not detected must be confirmed by transmission electron microscopy (TEM).
- Joint compound shall be analyzed as a separate layer.
- Roofing material shall be sampled only if a renovation requires the roof to be disturbed (in lieu of sampling the roof, it may be presumed to contain asbestos).

For Demolition Projects:

- Point counting must be done for all "friable" asbestos containing building materials (ACBM), indicating less than 1% asbestos. This includes joint compounds (to be analyzed as a separate layer), and vinyl asbestos tile.
- Roof materials shall be presumed to be asbestos containing.

If the Municipality has a recent asbestos survey report prepared by a licensed asbestos consultant, a copy may be provided to HCD and PBCAC for review to determine if the survey is adequate to proceed with renovation/demolition work. If no survey is available, a survey may be initiated by the Municipality or requested by HCD. A copy of the completed survey will be forwarded to the Municipality. All asbestos survey's shall be forwarded to the PBCAC.

III. ASBESTOS ABATEMENT**A. RENOVATION**

Exceptions may be granted by HCD prior to the removal, (such as asbestos containing roofs, transite pipe). The Municipality must obtain approval for all exceptions from HCD. HCD will request the PBCAC to review and approve all exceptions.
- (b) Asbestos Abatement work may be contracted by the Municipality or by HCD upon request.
- (c) If the Municipality contracts the asbestos abatement, the following documents are required to be provided to the HCD and the PBCAC.
 1. An Asbestos Abatement Specification (Work Plan), sealed by an FLAC.
 2. Pre and Post Job submittals, reviewed and signed by the FLAC.

- (d) If the Municipality requests HCD to contract the asbestos abatement, HCD will initiate the request through the PBCAC who will contract the asbestos abatement. HCD will provide a copy of all contractor and consultant documents to the Municipality.
- (e) Materials containing <1% asbestos are not regulated by EPA/NESHAPS. However, OSHA compliance is mandatory. OSHA requirements including training, wet methods, prompt cleanup in leak tight containers, etc. The renovation contractor must comply with US Dept of Labor, Standard Interpretation (OSHA), Compliance requirements for renovation work involving material containing <1% asbestos, 11/24/2003. The renovation contractor must submit a work plan to HCD and the PBCAC prior to removal of the materials.

B. DEMOLITION

All "friable" ACBM must be removed by a Florida Licensed Asbestos Contractor under the direction of a FLAC prior to demolition. Friable materials include: resilient asbestos tile and mastic which is not intact, linoleum, asbestos containing joint compound, asbestos containing cement panels (e.g. transite), etc.

Intact resilient tile and asbestos roof materials may be demolished with adequate controls (e.g. wet method) by a demolition contractor provided the contractor is aware of the asbestos containing materials present and exercises adequate control techniques (wet methods, etc.). In all cases, demolition work should be monitored by a FLAC to insure proper control measures and waste disposal. Any exceptions to these guidelines may be requested through HCD prior to the removal, (such as asbestos containing roofs, transite pipe). Exceptions may be granted by HCD prior to the removal, (i.e. asbestos containing roofs, transite pipe). The Municipality must obtain approval for all exceptions from HCD and the PBCAC.

- (a) Asbestos Abatement work may be contracted by the Municipality or by HCD upon request.

 1. An Asbestos Abatement Specification (Work Plan), sealed by an FLAC.
 2. Pre and Post Job submittals, reviewed and signed by the FLAC.
- (c) If the Municipality requests HCD to contract the asbestos abatement, HCD will initiate the request through the PBCAC who will contract the asbestos abatement. HCD will provide a copy of all contractor and consultant documents to the Municipality.
- (d) Recycling, salvage or compacting of any asbestos containing materials or the substrate is strictly prohibited.

Attention: Lynette Scraper, Capital Improvements Project Specialist

Subject: Sunset Ridge Park Contract Expiring September 30, 2010-Extension Request

Dear Ms. Scraper:

In reference to the aforementioned contract, dated April 21, 2009, this letter serves to request a one year extension on this project.

As noted in our email exchange of May 5, 2010, the design and engineering is near completion. A public meeting was held May 11th with the neighborhood to approve the completed plans. However, the citizenry requested some modifications, which are now being completed. Copies of the completed plans will be forwarded to your office at the end of the month.

Based on the positive neighborhood approval, the City of Lake Worth is almost ready to move forward on the bidding and construction of this project as outlined in the Project Scope of Services on page 9 of the existing Inter local Agreement, dated April 21, 2009.

Related to the status of this project, your email requested an overview of the delays.

This project was initially requested, in 2008, utilizing reprogrammed CDBG funds, under a different Mayor, City Commissioners, City Manager, and Community Development Director. In looking at the documentation, there seemed to be a lack of oversight and implementation, due largely to an ongoing change in staff, i.e. City Manager, Financial Manager and Community Development Director. Since the signing of the contract in March, 2009, again persons involved are no longer employed.

Further as you know from other outstanding CDBG projects, the Public Services Director assigned the Parks and Recreation Department personnel to address a number of these outstanding projects and focus on completing them.

Based on Messrs. Haughn and Ruiz's efforts, they have focused on completing the outstanding Memorial Park, (two projects) and Howard Park Restrooms, for which we are assembling final documentation for reimbursement, and are now devoting full attention to this particular project. I believe this will be the last of the long outstanding CDBG projects.

City of Lake Worth – Sunset Ridge Park Request for Expansion
May 19, 2010

MAY 21 2010

At the same time, it is my understanding that there was a lack of funding originally allocated for the design and engineering of this project, which is noted in the Monthly Narratives submitted, to your office, by former Community Development Director Rachel Bach. Months March-June of 2009, notes the lack of funding, and thereafter through September 2009, Director Kroll noted staff was awaiting Ms. Bach's selection of a Design firm. From October 2009 through February 2010 the project was again delayed over the costs for the design and engineering, outlined in the monthly narratives.

Once the project was finally bid, it was given a four week time frame for completion, which was not completed for nearly eight weeks. In the best of circumstances, I do not believe a four week time frame was reasonable.

Recently, the City of Lake Worth staff met with the City Manager, Public Services Director, and Interim Risk Manager (currently overseeing Purchasing and the office of OMB) and determined that while we are ready to proceed, the City needs to address County approval of the plans, developing the bid, advertising, and awarding of contract for the actual construction, along with your department's final approval of the selection of the contractor and approval of the design.

While the City of Lake Worth has had past difficulties meeting its obligations, the current staff, many of which are new, are now trying to address these outstanding issues in a professional and prompt manner. The one year extension is our best "guesstimate" for completion. Internally we have drafted a timeline to include three months to allow for miscellaneous delays, i.e. unforeseen additional staff turnover, starting construction in hurricane season, etc.

On behalf of the City of Lake Worth, we formally request this extension, and will provide more detailed information in each of the monthly narratives to keep your office fully abreast of the project.

Thank you for your patience and assistance on this matter and please feel free to ask if you have any questions.

Sincerely,

Christine R. Campel
