DOMESTIC TRAVEL (Including Florida)

Meal expenses will be deemed to be reasonable if they comply with the per diem limit by city as shown in the Business Travel Network Per Diem schedule distributed at the beginning of each fiscal year. If a particular city is not listed in the Per Diem schedule, it may be appropriate to use the next closest city as the guide. However, some resorts are adjacent to a city with a per diem meal schedule that may not be on par with the resort. In that case, "actual and reasonable" meal expenses will be accepted. Any departure from the published rates will be deemed to be excessive unless the reasonableness and necessity of the expenditure is satisfactorily proven by the traveler in a written explanation on the expense reimbursement form. Meal expenditures may be combined such that the daily total does not exceed the per diem limit, provided, however, that one does not incur entertainment expenses which include a meal during the same day, or during a day when the traveler arrives or departs from a city. **The maximum tip on any meal is 15%, NO EXCEPTIONS.** Miscellaneous incidental expenses will be reimbursed upon review and justification. Employees may make 1 personal call home per day, excepting unusual circumstances which must be explained and will be subject to review.

FOREIGN TRAVEL

Foreign Travel will be reimbursed at the per diem rates as listed in the "Standardized Regulations (Government Civilians Foreign Areas)" publication. This publication breaks down per diem into meals & incidentals (MIE), and lodging. The MIE rate is inclusive of tips for meals and other related expenses.

Lodging may exceed the per diem listed provided there is a valid reason as to why the accommodations exceeded the per diem limits.

Foreign ExchangeRate: Expense reports containing a mix of cash and credit card expenses will be reimbursed using (a) the actual rate of exchange shown on the credit card statement for each charge and (b) the average of the Interbank Rate for eligible cash expenditures incurred during the time the traveler was in the country, as published by *OANDA.com*. The average rate as published by *OANDA.com* shall be attached to each expense report. Expense reports that have only credit card charges shall be reimbursed at the same rate as shown on the credit card statement of the traveler, which shall be attached to the expense report.

When traveling in several counties on the same trip, please submit an expense report for each country along with the exchange rate in effect at the time of travel.

AIR TRAVEL

For inter-continental flights, full fare coach tickets may be upgraded to business class/first class, if available through airline programs. For all other air travel, the traveler shall attempt to obtain the most economical means of travel that is reasonable under the circumstances.

RECEIPTS ARE REQUIRED FOR ALL EXPENDITURES

TIPS: All tips for portage, taxi cabs etc., must be detailed on the back page of the travel reimbursement form. Tips over \$10.00 given for portage of large and/or numerous boxes of material or displays require explanations and receipts. Tips for meals are to be included in the meals column, NOT the tips column of the expense report. The per diem schedule for meals is inclusive of tips.

ENTERTAINMENT

Entertainment expenses are those incurred while meeting with travel writers, tour brokers or other persons connected the tourism industry. Such expenses are limited to the following amounts per person per day:

Breakfast: \$ 30.00	A maximum 20% gratuity
Lunch : \$ 70.00	may be added to these rates.
Dinner : \$100.00	

The above limits do not include taxes and other expenses associated with the event during which the meal is served. Items such as invitations, entertainment, room rental, beverages served at a reception, photography and special decorations are not included.

CONFLICT OF INTEREST POLICY

The Palm Beach County Cultural Council (hereinafter referred to as "The Council") its Board of Directors ("Board"), members of the staff ("Staff") and volunteers must value and support high standards of ethical and accountable behavior. They each must be active, independent and free of self-dealing and act in a manner that inspires respect for The Council and enhances its prestige.

The purpose of this conflict-of-interest policy is to prevent the institutional or personal interests of The Council board members, officers, and staff from interfering with the performance of their duties to The Council, and to ensure that there is no personal, professional, or political gain at the expense of The Council. This policy is not designed to eliminate relationships and activities that may create a duality of interest, but to require the disclosure of any conflicts of interest and the recusal of any interested party in a decision relating thereto.

A conflict of interest may exist when the interests or potential interests of any director, officer, or staff member, or that person's close relative, or any individual, group, or organization to which the person associated with The Council has allegiance, may be seen as competing with the interests of The Council, or may impair such person's independence or loyalty to The Council. A conflict of interest is defined as an interest that might affect, or might reasonably appear to affect, the judgment or conduct of any director, officer, or staff member in a manner that is adverse to the interests of The Council.

Examples

A conflict of interest may exist if a director, officer, staff member, or close relative

- Has a business or financial interest in any third party dealing with The Council. This does not include ownership interest of less than 5 percent of outstanding securities of public corporations.
- Holds office, serves on a board, participates in management, or is employed by any third party dealing with The Council, other than direct funders to The Council.
- Derives remuneration or other financial gain from a transaction involving The Council (other than salary reported on a W-2 or W-9 or salary and benefits expressly authorized by the board).
- Receives gifts from any third party on the basis of his or her position with The Council (other than occasional gifts valued at no more than \$[50], or if valued at more than \$[50], the gift is made available in a team space or common area for others to share — e.g., fruit baskets, boxes of candy). All other gifts should be returned to the donor with the explanation that The Council policy does not permit the acceptance of gifts. No personal gift of money should ever be accepted.
- Engages in any outside employment or other activity that will materially encroach on such person's obligations to The Council; compete with The Council's activities; involve any use of The Council's equipment, supplies, or facilities; or imply The Council's sponsorship or support of the outside employment or activity

Use of Information

Directors, officers, and staff shall not use information received from participation in The Council affairs, whether expressly denominated as confidential or not, for personal gain or to the detriment of The Council.

Disclosure and Recusal

Whenever any director has a conflict of interest or a perceived conflict of interest with The Council, he or she shall notify the board chair of such conflict in writing.

Whenever any staff member (paid or volunteer) has a conflict of interest or a perceived conflict of interest with The Council, he or she shall notify the chief executive of such conflict in writing.

When any conflict of interest is relevant to a matter that comes under consideration or requires action by the board, or a board committee, the interested person shall call it to the attention of the board chair and shall not be present during board or committee discussion or decision on the matter. However, that person shall provide the board or applicable committee with any and all relevant information on the particular matter.

The minutes of the meeting of the board or its committee shall reflect that the conflict of interest was disclosed, that the interested person was not present during discussion or decision on the matter, and did not vote.

Dissemination

A copy of this conflict-of-interest policy shall be furnished to each director, officer, and staff member who is presently serving this organization or who may become associated with it.

Certification

The policy and its application shall be reviewed annually for the information and guidance of directors, officers, and staff members, each of whom has a continuing responsibility to scrutinize their transactions and outside business interests and relationships for potential conflicts of interest, and make such disclosures as described in this policy.

As administered by the chief executive, each director will be asked to complete a certification of agreement with the policy and disclosure of any known conflicts of interest upon his or her election or re-election to the board and annually thereafter. As administered by the employee in charge of human resources, each senior staff member will be asked to complete such a certification upon his or her employment and on an annual basis thereafter. All certifications shall be reviewed by the board as appropriate.
