I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: A contract with Rosso Paving & Drainage, Inc. in the amount of \$442,600.88 for the Runway 14-32 Runway Safety Area (RSA) Improvements at Palm Beach International Airport (PBIA).

Summary: This project was advertised utilizing the County's competitive bid process. On July 21, 2010 six (6) bids were received for the Runway 14-32 RSA Improvements at PBIA. Of the six (6) bids, Rosso Paving & Drainage, Inc., a Palm Beach County Company, has been identified as the lowest responsible/responsive bidder in the amount of \$442,600.88. The Disadvantaged Business Enterprise (DBE) Goal for this project was established at 18.00%. Rosso Paving & Drainage, Inc. DBE participation is 58.98%. Federal Aviation Administration (FAA) grant funding of \$331,950.66 (75%), Florida Department of Transportation (FDOT) grant funding of \$55,325.11 (12.5%) and Local funds of \$55,325.11 (12.5%) are being utilized to fund this project.
Countywide (JCM)

Background and Justification: The FAA requires that commercial service airports regulated under Part 139 have a standard Runway Safety Area where possible, in the event an aircraft overruns, undershoots or veers off the side of a runway. On the departure end of Runway 14 at PBIA, the standard calls for 1,000 feet beyond the end of the runway and 500 feet wide. Due to the location of Southern Boulevard and the C-51 Canal directly adjacent to the runway end, it has been determined that the practicable solution to achieve the RSA standards is through the implementation of an Engineered Material Arresting System (EMAS). The EMAS is comprised of a series of lightweight, crushable blocks arranged in the form of an "arrestor bed" at the end of the runway, in order to stop or greatly slow an aircraft that overruns the runway. This contract will provide for the construction of this system utilizing the County-furnished blocks procured under a separate contract. Builders Risk Insurance for this project shall be provided under Palm Beach County's Master Builders Risk Program.

Contract

Time is of the essence. The Contractor shall commence the work to be performed under this Contract on the date set by the Owner in the written notice to proceed, continue the work with due diligence and shall complete the entire work per Attachment No. 2 to the Bid Form. Further, in the event interim milestone completion dates are established in Attachment No. 2 of the Bid Form for separable portions of the work, the Contractor agrees to complete said separable portions of the work in accordance with said milestone dates.

In case of failure on the part of the Contractor to complete the work within the time(s) specified in the Contract, or within such additional time(s) as may be granted by formal action of the Board of County Commissioners or fails to prosecute the work, or any separable part thereof, with such diligence as will insure its completion within the time(s) specified in the Contract or any extensions thereof, Owner will suffer damage, the amount of which is difficult, if not impossible to ascertain. Bid Tabulation, Review and Recommendation & Checklist**

Dear Mr. Sypek:

THE LPA GROUP INCORPORATED has reviewed the bids submitted on July 21, 2010 for the subject project. The project had a total of six (6) bidders whose bids were evaluated by our office for responsiveness to the RFP. The DOA determined that the bidders should be ranked on the Base Bid. The bid price forms submitted by each were evaluated in the attached bid tabulation; the results of the Base Bid are summarized below:

	<i>Base Bid</i>	<i>Total Base Bid</i>
Ocean Gate General Contractors	\$441,203.17*	\$441,203.17*
Rosso Paving & Drainage, Inc.	\$ 442,590.88*	\$442,590.88*
Construct Group Corp. (CGC)	\$ 464,980.00*	\$464,980.00*
Sisca Construction Services	\$ 478,738.55*	\$478,738.55*
Community Asphalt Corp.	\$ 493,479.66	\$493,479.66
Ranger Construction Industries	\$ 530,195.50	\$530,195.50

* Indicates Mathematical Error

Ocean Gate General Contractors has provided the lowest Base Bid at \$441,203.17*. Their bid proposal better the Engineers Estimate. See the attached Bid Form Checklist for a comprehensive review of Ocean Gate General Contractors bid forms.

Listed below are some details of their bid:

- Ocean Gate General Contractors has been in business for 9 years and lists their principal office address in Stuart, Florida. The included Business Tax Receipt is current and lists a Belle Glade address. It appears they have sufficient staff to handle the project and 21% of the contract is planned to be performed by the General Contractor.
- Ocean Gate General Contractors delineated a proposed Base Bid of \$441,203.17*, which was calculated with several minor mathematical discrepancy, see attached Bid Tabulation Form. Reference Bid Item No. 10, 12, 15, 21, 23, & 24. By calculation the total is \$441,242.10 for a difference of \$38.93.
- No unbalanced unit prices were found.
- Ocean Gate General Contractors list of recently completed projects are similar in scale to this project. We have contacted listed references and confirmed that previous projects were completed in an acceptable manner.
- A signed bid, acknowledged addenda, Bid Bond and all the required forms accompanied the bid at the time of submittal. It is therefore the opinion of The LPA Group this is the lowest responsive bidder.

Based on the aforementioned evaluation, THE LPA GROUP INCORPORATED recommends a construction contract be awarded to Ocean Gate General Contractors for the Base Bid of \$441,203.17. If selected as low bidder the bidder shall submit a compliance report on standard form 100 "employee information report, EEO-1" prior to award of contract, per Attachment No. 7 of the bid forms. This recommendation is contingent upon agency review, legal review, PBCDOA S/DBE office review, Palm Beach County Commissioners approval, and the availability of funds.
