**I. EXECUTIVE BRIEF**

**Motion and Title:** Staff recommends motion to:

**A) adopt** a resolution authorizing the conveyance of the County's interest in .09 acres of surplus property to the City of Riviera Beach without charge and with reservation of mineral and petroleum rights, but without rights of entry; and

**B) approve** a County Deed in favor of the City of Riviera Beach.

**Summary:** The City of Riviera Beach requested the conveyance of this County-owned vacant surplus property. The .09 acre property was acquired by Tax Deed in January of 2006 and is located at 1153 Avenue H, within the City's municipal boundaries with an assessed value of \$10,388. The property is being conveyed pursuant to Florida Statutes Section 197.592(3), which requires the conveyance of surplus property acquired by Tax Deed to the municipality in which it is located. The subject property has been declared surplus and serves no present or future County purpose. Staff believes that this property will be more appropriately developed, managed and maintained by the City. Housing & Community Development has reviewed this conveyance and has no objections. This conveyance will relieve the County of potential liability for occurrences on this property and also the cost of continued maintenance. The County will retain mineral and petroleum rights in accordance with Florida Statutes Section 270.11, without rights of entry and exploration. **(PREM) District 7 (HJF)**

**Background and Justification:** The unimproved property escheated to the County on January 30, 2006. Staff attempted to sell the parcel and notified all adjacent owners in July of 2009, but was unable to complete the transaction due to the non-responsiveness of the parties. PREM, in response to direction from the Real Estate Assets Task Force, has developed a program to convey to the municipalities in which they are located, County property which is surplus and provides little opportunity to further a County function. Staff feels strongly that the most cost effective method to dispose of these parcels is to convey them at no cost to the City as the municipality is in a better position to determine how this property should be used and maintained. This conveyance will relieve the County of potential liability for occurrences on this property and also the cost of continued maintenance
