I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: A 12 month contract not to exceed the total value of \$2,310,000 for task orders which may be issued for the Annual Roadway Landscaping Contract (Contract), Project No. 2011053, with the primary contractor, Arazoza Brothers Corporation (Primary), the lowest responsive, responsible bidder, and the secondary contractor, Vila & Son Landscaping Corporation (Secondary), the second lowest responsive, responsible bidder.

SUMMARY: Approval of this contract will provide for furnishing, installing and maintaining trees and sod, and furnishing and installing irrigation systems and wells within the rights of way of various roadways in Palm Beach County. The primary contractor is a Miami-Dade County business and the secondary contractor is a non-SBE Palm Beach County business. The Small Business Enterprise (SBE) goal for the project is 15%. Neither contractor achieved any SBE participation.

Countywide (MRE)

Background and Justification: The bids were received by the Board of County Commissioners (Board) on September 14, 2010. Due to the quantity of work and the possible geographical separation of concurrent tasks, it is desirable to have two contractors for this contract. This contract is for one year with the possibility of extension for up to 36 months total, with approval of the Board, or it may be re-bid.
