I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to:

- A) Authorize the Chair to execute a Federally Funded Subgrant Agreement (Agreement) between the Florida Division of Emergency Management (DEM) and Palm Beach County (County) for the construction of a stormwater pump on the County L-2 Canal (Project) in the Westgate/Belvedere Homes Community Redevelopment Area (CRA);
- B) Approve a Budget Amendment of \$3,408,486, in the Capital Outlay Fund to recognize the funding from the Federal Emergency Management Agency (FEMA) for the Hazard Mitigation Grant, \$2,556,365, and from the CRA for the 25% match requirement, \$852,121, and appropriate it to the CRA – Lakeside Mobile Home Park Drainage; and
- C) Approve an Interlocal Agreement with the CRA for the repayment of \$852,121 by the CRA to the County for the 25% local match required for the DEM Agreement.

SUMMARY: The construction of the L-2 Pump Station, as part of the proposed L-2 Canal Improvements, is one of the priority projects identified and supported by the County's Stub Canal Task Force. FEMA has agreed to approve a Hazard Mitigation Grant, Contract Number 11HM-2Y-10-60-01-010, with a Federal Share amount of \$2,556,365, representing 75% of the estimated Project cost. This Grant requires a 25% local match, or \$852,121. The term of the FEMA Subgrant Agreement is from August 23, 2010 to November 23, 2011. The Interlocal Agreement between the CRA and the County will require the CRA to repay the County \$852,121, at a rate of \$100,000 a year starting in 2011 and ending with the final payment of \$152,121, in 2018. District 2 (MRE)

Background and Justification: FEMA previously approved a grant, 08HM-3G-10-60-01-027, for the design of the stormwater pump. The construction of this pump station will reduce flooding in this area. The pump operation will allow water levels in the L-2 canal to be lowered prior to a major storm event. Funding for the project comes from both FEMA and the CRA, with the CRA portion being fronted by the County. Construction of the stormwater pump will be supervised by the Engineering Department who will also operate the pump once it is operational. Prior to awarding the construction contract, the County will be requesting an extension of the Subgrant Agreement Termination date of November 2011, as more time will be necessary to complete the construction than is provided for in the Agreement.

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

- A. The Recipient represents that it is fully qualified and eligible to receive these grant funds to provide the services identified herein; and
- B. The Division has received these grant funds from the State of Florida, and has the authority to subgrant these funds to the Recipient upon the terms and conditions below; and
- C. The Division has statutory authority to disburse the funds under this Agreement.

THEREFORE, the Division and the Recipient agree to the following:

(1) SCOPE OF WORK

The Recipient shall perform the work in accordance with the Budget and Scope of Work, Attachment A of this Agreement.

The Recipient and the Division shall be governed by applicable State and Federal laws, rules and regulations, including those identified in Attachment B.

(3) PERIOD OF AGREEMENT

This Agreement shall begin August 23, 2010 and shall end November 23, 2011 unless terminated earlier in accordance with the provisions of Paragraph (12) of this Agreement.

(4) MODIFICATION OF CONTRACT

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(5) RECORDKEEPING

(a) As applicable, Recipient's performance under this Agreement shall be subject to the federal "Common Rule: Uniform Administrative Requirements for State and Local Governments" (53 Federal Register 8034) or OMB Circular No. A-110, "Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations," and either OMB Circular No. A-87, "Cost Principles for State and Local Governments," OMB Circular No. A-21, "Cost Principles for Educational Institutions," or OMB Circular No. A-122, "Cost Principles for Nonprofit Organizations." If this Agreement is made with a commercial (for-profit) organization on a cost-reimbursement basis, the Recipient shall be

subject to Federal Acquisition Regulations 31.2 and 931.2.

(b) The Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, and the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of five years from the date the audit report is issued, and shall allow the Division or its designee, the State Chief Financial Officer or the State Auditor General access to the records upon request. The Recipient shall ensure that audit working papers are available to them upon request for a period of five years from the date the audit report is issued, unless extended in writing by the Division. The five year period may be extended for the following exceptions:

1. If any litigation, claim or audit is started before the five year period expires, and extends beyond the five year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.
2. Records for the disposition of non-expendable personal property valued at \$5,000 or more at the time it is acquired shall be retained for five years after final disposition.
3. Records relating to real property acquired shall be retained for five years after the closing on the transfer of title.

(c) The Recipient shall maintain all records for the Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Budget and Scope of Work - Attachment A - and all other applicable laws and regulations.

(d) The Recipient, its employees or agents, including all subcontractors or consultants to be paid from funds provided under this Agreement, shall allow access to its records at reasonable times to the Division, its employees, and agents. "Reasonable" shall ordinarily mean during normal business hours of 8:00 a.m. to 5:00 p.m., local time, on Monday through Friday. "Agents" shall include, but not be limited to, auditors retained by the Division.

(6) AUDIT REQUIREMENTS

(a) The Recipient agrees to maintain financial procedures and support documents, in accordance with generally accepted accounting principles, to account for the receipt and expenditure of funds under this Agreement.

(b) These records shall be available at reasonable times for inspection, review, or audit by state personnel and other personnel authorized by the Department or the Division. "Reasonable" shall ordinarily mean normal business hours of 8:00 a.m. to 5:00 p.m., local time, Monday through Friday.

Federal awards in its fiscal year, the Recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. EXHIBIT 1 to this Agreement shows the Federal resources awarded through the Division by this Agreement. In determining the Federal awards expended in its fiscal year, the Recipient shall consider all sources of Federal awards, including Federal resources received from the Division. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. In connection with the audit requirements addressed in this Paragraph 6 (d) above, the Recipient shall fulfill the requirements for auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.

If the Recipient expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the Recipient expends less than \$500,000 in Federal awards in its fiscal year and chooses to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal funds.

A review shall be done for each function or activity in Attachment A to this Agreement, and reported in the quarterly report.

In addition to reviews of audits conducted in accordance with paragraph (6) above, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits, and/or other procedures. The Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division or the Department determines that a limited scope audit of the Recipient is appropriate, the Recipient agrees to comply with any additional instructions provided by the Division or the Department to the Recipient regarding such audit. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Recipient throughout the contract term to ensure timely completion of all tasks.

(9) LIABILITY

(a) Unless Recipient is a State agency or subdivision, as defined in Section 768.28, Fla. Stat., the Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement, and shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. acts or omissions to the extent set forth in Section 768.28, Fla. Stat. Nothing herein is intended to serve as a waiver of sovereign immunity by any Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(10) DEFAULT

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall, if the Division elects, terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (11). However, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment:

(a) If any warranty or representation made by the Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

(b) If material adverse changes occur in the financial condition of the Recipient at any time during the term of this Agreement, and the Recipient fails to cure this adverse change within thirty days from the date written notice is sent by the Division.

(c) If any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information;

(d) If the Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(11) REMEDIES

If an Event of Default occurs, then the Division may, after thirty calendar days written notice to the Recipient and upon the Recipient's failure to cure within those thirty days, exercise any one or more of the following remedies, either concurrently or consecutively:

(a) Terminate this Agreement, provided that the Recipient is given at least thirty days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (13) herein;

(b) Begin an appropriate legal or equitable action to enforce performance of this Agreement;

(c) Withhold or suspend payment of all or any part of a request for payment;

(d) Require that the Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

(e) Exercise any corrective or remedial actions, to include but not be limited to:

1. request additional information from the Recipient to determine the reasons for or the extent of non-compliance or lack of performance,
 2. issue a written warning to advise that more serious measures may be taken if the situation is not corrected,
 3. advise the Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or
 4. require the Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;
- (f) Exercise any other rights or remedies which may be available under law.
- (g) Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Recipient.

(12) TERMINATION

- (a) The Division may terminate this Agreement for cause after thirty days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Fla. Stat., as amended.
- (b) The Division may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Recipient with thirty calendar days prior written notice.
- (c) The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.
- (d) In the event that this Agreement is terminated, the Recipient will not incur new obligations for the terminated portion of the Agreement after the Recipient has received the notification of termination. The Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Recipient. The Division may, to the extent authorized by law, withhold payments to the Recipient for the purpose of set-off until the exact amount of damages due the Division from the Recipient is determined.

(l) If the Recipient is allowed to temporarily invest any advances of funds under this

Agreement, any interest income shall either be returned to the Division or be applied against the Division's obligation to pay the contract amount.

(m) The State of Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Stat.) with respect to the meetings of the Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board. All of these meetings shall be publicly noticed, open to the public, and the minutes of all the meetings shall be public records, available to the public in accordance with Chapter 119, Fla. Stat.

(o) All unmanufactured and manufactured articles, materials and supplies which are acquired for public use under this Agreement must have been produced in the United States as required under 41 U.S.C. 10a, unless it would not be in the public interest or unreasonable in cost.

(b) The Recipient certifies, by its signature to this Agreement, that to the best of his or her knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

2. Any patent rights accruing under or in connection with the performance of this Agreement are reserved to the State of Florida. If any books, manuals, films, or other copyrightable material are produced, the Recipient shall notify the Division. Any copyrights accruing under or in connection with the performance under this Agreement are transferred by the Recipient to the State of Florida.

(c) Within thirty days of execution of this Agreement, the Recipient shall disclose all intellectual properties relating to the performance of this Agreement which he or she knows or should know could give rise to a patent or copyright. The Recipient shall retain all rights and entitlements to any pre-existing intellectual property which is disclosed. Failure to disclose will indicate that no such property exists. THE FOLLOWING FEDERAL RESOURCES ARE AWARDED TO THE RECIPIENT UNDER THIS AGREEMENT:

NOTE: If the resources awarded to the Recipient are from more than one Federal program, provide the same information shown below for each Federal program and show total Federal resources awarded.

Federal Program: Federal Emergency Management Agency, Hazard Mitigation Grant
Catalog of Federal Domestic Assistance Number: 97.039
Amount of Federal Funding: \$2,556,365.00

THE FOLLOWING COMPLIANCE REQUIREMENTS APPLY TO THE FEDERAL RESOURCES AWARDED UNDER THIS AGREEMENT:

NOTE: If the resources awarded to the Recipient represent more than one Federal program, list applicable compliance requirements for each Federal program in the same manner as shown below.

Federal Program:

List applicable compliance requirements as follows:

- 1. Recipient is to use funding to perform the following eligible activities; include mitigation projects that will result in protection of public or private property from natural hazards. Eligible projects include, but are not limited to:**
 - Acquisition of hazard prone properties
 - Retrofitting of existing buildings and facilities
 - Elevation of flood prone structures
 - Infrastructure protection measures
 - Storm water management improvements
 - Minor structural flood control projects
 - Relocation of structures from hazard prone areas
 - Retrofitting of existing buildings and facilities for shelters
 - Vegetative management/soil stabilization
 - Mitigation Planning Project
 - Other projects that reduce future disaster losses
- 2. Recipient is subject to all administrative and financial requirements as set forth in this Agreement, or will be in violation of the terms of the Agreement.**

NOTE: Instead of listing the specific compliance requirements as shown above, the State awarding agency may elect to use language that requires the Recipient to comply with the requirements of applicable provisions of specific laws, rules, regulations, etc. For example, for Federal Program 1, the language may state that the Recipient must comply with specific laws, rules, or regulations that pertain to how the awarded resources must be used or how eligibility determinations are to be made. The State awarding agency, if practical, may want to attach a copy of the specific law, rule, or regulation referred to.

NOTE: Section .400(d) of OMB Circular A-133, as revised, and Section 215.97(5)(a), Florida Statutes, require that the information about Federal Programs and State Projects included in Exhibit 1 be provided to the Recipient.

Attachment A
Budget and Scope of Work

Scope of Work

As a Hazard Mitigation Grant Program project, the Recipient, Palm Beach County, proposes to improve the drainage at the Lakeside Mobile Home Park located in West Palm Beach, Florida 33406, by constructing a storm water pumping station, including three 55,000 gallons per minute submersible electric pump, a gravity sluice gate with 48 linear feet of 72" CAP and flap gate, a generator building, and a 4,000 gallon above ground diesel fuel tank in the L-2 Canal just west of North Florida Mango Road and North of Bridgeman Drive. The completed project will provide protection against a 10-year storm event.

Environmental Review Project Conditions:

1. The Recipient must follow all applicable state, local and federal laws regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. If project work is delayed for a year or more after the date of the CATEX, then coordination with and project review by regulatory agencies must be redone.
2. Any change, addition or supplement to the approved Scope of Work that alters the project (including other work not funded by FEMA, but done substantially at the same time) will require re-submission of the application to the Federal Emergency Management Agency for National Environmental Policy Act (NEPA) re-evaluation before starting project work.
3. If any historical or archaeological material is discovered during project work, the Recipient shall cease work immediately in that area and contact the State Historic Preservation Officer (SHPO) and DHS/FEMA Region IV Environmental Officer and FDEM State Environmental Liaison Officer for further guidance.
4. Construction vehicles and equipment used for this project shall be maintained in good working order to minimize pollutant emissions.
5. Best management practices will be used during project work to minimize soil erosion, sediment migration and turbidity. The Recipient will need to prepare and implement a Storm Water Pollution Prevention Plan (SWPPP). The Recipient must obtain a National Pollutant Discharge Elimination System (NPDES) stormwater permit (if area of disturbance will be greater than one acre). The Applicant will need to provide a copy of the Notice of Intent (NOI) submitted to use the State of Florida Generic Permit for storm water discharge from construction activities; response letter from Florida Department of Environmental Protection (FDEP) if provided; and a copy of the Notice of Termination (NOT) – at project closeout.
6. For projects involving groundwater dewatering activities at the construction site, provide documentation of coverage under the Florida Department of Environmental Protection (FDEP) "Generic Permit for the Discharge of Produced Ground Water from any Non-contaminated Site Activities."

This is FEMA project 1561-136-R, funded under 1561-DR-FL.

The Period of Performance for this project ends on November 23, 2011

Phase I (engineering, permitting, etc.) of this drainage project, described as acquiring the land, relocating approximately 160 mobile homes, and excavation of the park for additional storage volume for C-51 basin to reduce flooding is Categorically Excluded from the preparation of an Environmental Assessment and/or Environmental Impact Statement under 44 CFR Part 10.8(d)(2)(iii). The sub-grantee must comply with all applicable Federal, state and local laws and regulations, and must obtain all required permits as a condition of FEMA funding.

Approval is contingent on compliance with the conditions listed below:

*Confirmation of 30-day Public Notification and resolution of comments received.

Any changes to the approved mitigation measure or scope of work will require resubmission through the State to FEMA, and will require reevaluation for compliance with the National Environmental Policy Act (NEPA) and Sec. 106 of the National Historic Preservation Act (NHPA) prior to initiation of any work. Non-compliance with these requirements may jeopardize FEMA's ability to fund this project.

Approval applies only to Phase I (engineering, design and permitting) of this project. PRIOR to the start of Phase II (construction) of this project, Final design, engineering and permitting must be submitted to FEMA for additional EHP review and approval.-RMYERS1-02/20/2007 22:29 GMT
Phase II: The proposal by the applicant includes the construction of a stormwater pumping station, including three 55,000 gallons per minute (gpm) submersible electric pumps, a gravity sluice gate with 48 linear feet (LF) of 72" CAP and flap gate, a generator building, and a 4,000 gallon above-ground diesel fuel tank in the L-2 Canal. Signed-and-sealed construction plans dated February 27, 2009, also include constructing a shellrock road across the canal adjacent to the pump station, and rock rip-rap on either side of the pump station, including under the Florida Mango Road bridge. The pipes connected to the pump station will be fitted with flap gates. Additionally, about 1,200 LF north along Florida Mango Road, existing ductile iron pipe (DIP) will connect to a 12"x8" tapping sleeve and 8" tapping valve. Plans indicate the use of best management practices through turbidity barriers and various erosion control notes on the physical documents. The project site is less than 1 acre. The proposed project is categorically excluded from preparation of an Environmental Assessment per 44CFR Part

Recipient further acknowledges that FEMA may require Recipient to take all reasonable measures to avoid or minimize harm to such property until FEMA concludes consultation with the SHPO. Recipient also acknowledges that FEMA will require, and Recipient shall comply with, modifications to the project scope of work necessary to implement recommendations to address the project and the property.

The officers, employees, and agents of the Recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subcontracts. - C. Entire Agreement. This AGREEMENT represents the entire understanding and agreement between the parties with respect to the subject matter hereof.
- D. Binding Effect. All of the terms and provisions of this AGREEMENT, whether so expressed or not, shall be binding upon, effective to the benefit of, and be enforceable by the parties and their respective legal representatives, successors and permitted assigns.
- E. Assignability. This AGREEMENT may not be assigned without prior written consent of all parties to this AGREEMENT, provided such consent may not be unreasonably withheld.

The forgoing indemnification shall not constitute a waiver of the sovereign immunity beyond the limits set forth in Section 768.28, Florida Statute, nor shall the same be construed to constitute an agreement by the Board or the CRA to indemnify each other for the sole

negligence, or willful or intentional acts of the other. The forging indemnification shall survive the termination of the Agreement.

- N. Records. The CRA shall maintain adequate records to justify all charges, expenses, and costs incurred under this AGREEMENT for at least three (3) years after completion of this AGREEMENT.
