I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Amendment No. 002 to an Agreement (R2010-0092) with the Comprehensive Community Care Network, Inc., to extend the expiration date from March 31, 2011, to September 30, 2011.

Summary: This Amendment provides an extension of six (6) months to the term of the existing Agreement for completion of the renovation work at Comprehensive Community Care Network. This extension request is necessary to provide the Comprehensive Community Care Network, Inc., sufficient time to perform the work and the associated grant requirements due to unforeseen delays related to specification changes and building department permit processing. These are Federal Community Development Block Grant Program funds which do not require a local match. District 3 (TKF)

Background and Justification: The County entered into an Agreement with the Comprehensive Community Care Network, Inc., on January 12, 2010, (R2010-0092), and amended on July 20, 2010, (R2010-1119), allocating \$300,000 of Community Development Block Grant (CDBG) Program funds. The Agreement with Comprehensive Community Care Network, Inc., provides funding for renovation of their community health care center facility.

EPA: Environmental Protection Agency
FLAC: Florida Licensed Asbestos Consultant
HCD: Palm Beach County Department of Housing and Community Development
NESHAP: National Emission Standards for Hazardous Air Pollutants
NRCA: National Roofing Contractors Association
NVLAP: National Voluntary Laboratory Accreditation Program
OSHA: Occupational Health and Safety Administration
PBCAC: Palm Beach County Asbestos Coordinator (in Risk Management)

II. ASBESTOS SURVEYS

All properties scheduled for renovation or demolition are required to have a comprehensive asbestos survey conducted by a Florida Licensed Asbestos Consultant (FLAC). The survey shall be conducted in accordance with AHERA guidelines. Analysis must be performed by a NVLAP accredited laboratory.

For Renovation Projects (projects which will be reoccupied):

- Point counting must be done for all asbestos containing building materials (ACBM) indicating less than 1% asbestos (to determine if any asbestos is present).
- Samples of vinyl floor tile indicating asbestos not detected must be confirmed by transmission electron microscopy (TEM).
- Joint compound shall be analyzed as a separate layer.
- Roofing material shall be sampled only if a renovation requires the roof to be disturbed (in lieu of sampling the roof, it may be presumed to contain asbestos).

For Demolition Projects:

- Point counting must be done for all "friable" asbestos containing building materials (ACBM), indicating less than 1% asbestos. This includes joint compounds (to be analyzed as a separate layer), and vinyl asbestos tile.
- Roof materials shall be presumed to be asbestos containing.

If the Agency has a recent asbestos survey report prepared by a licensed asbestos consultant, a copy may be provided to HCD and PBCAC for review to determine if the survey is adequate to proceed with renovation/demolition work. If no survey is available, a survey may be initiated by the Agency or requested by HCD. A copy of the completed survey will be forwarded to the Agency. All asbestos survey's shall be forwarded to the PBCAC.

III. ASBESTOS ABATEMENT

Exceptions may be granted by HCD prior to the removal, (such as asbestos containing roofs, transite pipe). The Agency must obtain approval for all exceptions from HCD. HCD will request the PBCAC to review and approve all exceptions.
- (b) Asbestos Abatement work may be contracted by the Agency or by HCD upon request.
- (c) If the Agency contracts the asbestos abatement, the following documents are required to be provided to the HCD and the PBCAC.

 2. Pre and Post Job submittals, reviewed and signed by the FLAC.

- (d) If the Agency requests HCD to contract the asbestos abatement, HCD will initiate the request through the PBCAC who will contract the asbestos abatement. HCD will provide a copy of all contractor and consultant documents to the Agency.
- (e) Materials containing <1% asbestos are not regulated by EPA/NESHAPS. However, OSHA compliance is mandatory. OSHA requirements including training, wet methods, prompt cleanup in leak tight containers, etc. The renovation contractor must comply with US Dept of Labor, Standard Interpretation (OSHA), Compliance requirements for renovation work involving material containing <1% asbestos, 11/24/2003. The renovation contractor must submit a work plan to HCD and the PBCAC prior to removal of the materials.

B. DEMOLITION

All "friable" ACBM must be removed by a Florida Licensed Asbestos Contractor under the direction of a FLAC prior to demolition. Friable materials include: resilient asbestos tile and mastic which is not intact, linoleum, asbestos containing joint compound, asbestos containing cement panels (e.g. transite), etc.

Intact resilient tile and asbestos roof materials may be demolished with adequate controls (e.g. wet method) by a demolition contractor provided the contractor is aware of the asbestos containing materials present and exercises adequate control techniques (wet methods, etc.). In all cases, demolition work should be monitored by a FLAC to insure proper control measures and waste disposal. Any exceptions to these guidelines may be requested through HCD prior to the removal, (such as asbestos containing roofs, transite pipe). Exceptions may be granted by HCD prior to the removal, (i.e. asbestos containing roofs, transite pipe). The Agency must obtain approval for all exceptions from HCD and the PBCAC.

- (a) Asbestos Abatement work may be contracted by the Agency or by HCD upon request.
- (b) If the Agency contracts the asbestos abatement, the following documents must be provided to the PBC/HCD and reviewed by the PBCAC.
 - 1. An Asbestos Abatement Specification (Work Plan), sealed by an FLAC.
 - 2. Pre and Post Job submittals, reviewed and signed by the FLAC.
- (c) If the Agency requests HCD to contract the asbestos abatement, HCD will initiate the request through the PBCAC who will contract the asbestos abatement. HCD will provide a copy of all contractor and consultant documents to the Agency.
- (d) Recycling, salvage or compacting of any asbestos containing materials or the substrate is strictly prohibited.
- (e) In all cases, compliance with OSHA "Requirements for demolition operations involving material containing <1% asbestos is mandatory.

Any approved sale or conveyance of the subject property by the Declarant will be contingent upon the receipt of the payment by the County in accordance with the provisions of Paragraph 3(b) above, or the receipt of a commitment, executed by a subsequent owner acceptable to the County, confirming its acceptance of the restrictions and conditions provided herein for the duration of this Declaration.

Notwithstanding the foregoing, the restrictions set forth herein shall run with the land whether or not such commitment is obtained from a subsequent owner.

- 4. The Declarant agrees to notify the County of any liens, judgements or pending foreclosure on the subject property within five (5) working days of the receipt of said notice by the Declarant.
- 5. The Declarant acknowledges and covenants that the provisions specified below constitute a default under this Declaration for which there may be a forfeiture of the Declarant's title to the Property:
 - (a) Failure of the Declarant to perform any covenant, agreement, term, or condition contained herein or in the Agreement referenced in Section 2 above.

Notwithstanding the foregoing, and at the sole discretion of the County, upon providing notice to the Declarant of its determination that the Declarant is in default of the terms of this Declaration, the County may, from time to time, at its sole discretion, cure each default under any covenant so curable in this Declaration, or in any instrument creating a lien upon the Property, or any part thereof, to such extent that the County, at its sole discretion, determines, and each amount paid, if any, by the County to cure any such default shall be paid by the Declarant to the County in addition to the legal rate of interest from the time of expenditure and shall constitute a lien against the property which may be foreclosed if not discharged and satisfied within three (3) months of expenditure of such funds by the County. The County shall also become subrogated to whatever rights the holders of a prior lien might have under such instrument.

- 6. If the Declarant fails, neglects or refuses to perform any of the provisions, terms and conditions set forth herein, for any breach of this Declaration, the County shall have the right to file in court of competent jurisdiction an action for:
 - (a) Forfeiture of all the Declarant's right, title, and interest in the Property for a breach of the restrictive covenants contained in this Declaration; and
 - (b) Collection of due and unpaid real estate taxes, assessments, charges and penalties for which the Declarant is obligated to pay.

In addition to any remedy set forth herein the County shall have such other remedies as are available at law or equity. The exercise or attempted exercise by the County of any right or remedy available under this Declaration shall not preclude the County from exercising any other right or remedy so available, nor shall any such exercise or attempted exercise constitute or be construed as an election of remedies. The Declarant shall pay any reasonable expenses, including reasonable attorney's fees and costs incurred by the County, under this Declaration and the preparation and delivery of notices required hereunder. The failure or omission by the County to enforce any of its rights or remedies upon breach of any of the covenants, terms or conditions of this Declaration shall not bar or breach any of the County's rights or remedies on any subsequent default. Before the County shall pursue any of its rights or remedies under this Declaration, the County shall first give the Declarant written notice of the default complained of which such notice shall be given to the Declarant at their address shown above. The Declarant shall then have ten (10) working days from the date such notice is given to cure or correct any default.

- 7. Declarant shall submit to the County once each year a report detailing the Declarant's compliance with the terms of the grant Agreement and this Declaration of Restrictions.
- 8. Declarant relinquishes all rights to alter, amend, modify, or release these covenants prior to the completion of the ten year period described above.
- 9. In the event of any litigation necessary to enforce the terms of the Declaration, the Declarant agrees to reimburse the County for attorneys fees and costs associated with litigation.
