I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Amendment No. 2 with Sisca Construction Services, LLC. (R2010-0803) for Job Order Contract (JOC) - South (Bond-Waiver).

Summary: Amendment No. 2 is a renewal to the Job Order Contract – South (Bond Waiver) which was awarded to Sisca Construction Services, LLC. The contractor will continue to perform as an annual general contractor for implementation of maintenance and capital projects. The Job Order Contract – South (Bond Waiver) is an indefinite-quantity, fixed unit price contract and this renewal has a maximum value of \$1,500,000. The contract will terminate when a total of \$1,500,000 in work orders is issued or when the one-year time period has expired, whichever comes first. The County is extending the contract for a period of twelve (12) months based on expiration of the term. Pursuant to Special Conditions, Article 7 - Terms and Conditions of the JOC Contract and to account for escalation or de-escalation, the contractor's adjustment factors has been modified by 1.0288%. Staff is bringing forward the amendment at this time based on expiration of the first term. The contract provides for four (4) – one (1) year renewals at the sole option of the County. This renewal is the first of four extensions allowed by the Contract. This is a bond-waiver contract. The cumulative value of active bond waiver work orders at any time will be limited to \$200,000. JOC Bond Waiver contract projects that exceed the \$200,000 bond waiver limit (but are within the contract limit) individually or cumulatively, will require a bond. The Small Business Enterprise (SBE) goal established for this contract is 15%. Sisca's current participation is 45.9%. Sisca Construction Services, LLC. is a Palm Beach County based company. Background and Justification: Amendment No. 2 is a renewal to the Job Order Contract – South (Bond Waiver) which was awarded to Sisca Construction Services, LLC. The contractor will continue to perform as an annual general contractor for implementation of maintenance and capital projects. The Job Order Contract – South (Bond Waiver) is an indefinite-quantity, fixed unit price contract and this renewal has a maximum value of \$1,500,000. The contract will terminate when a total of \$1,500,000 in work orders is issued or when the one-year time period has expired, whichever comes first. An Economic Price Adjustment of 1.0288% has been applied to the Contractor's Adjustment Factors pursuant to Special Conditions, Article 7 - Terms and Conditions of the JOC Contract. The Contractor's Adjustment Factors shall be adjusted on each anniversary date of the contract or the renewal date, whichever comes first to account for construction escalation or de-escalation. The current year index is calculated by averaging the twelve (12) month Construction Cost Indices (CCI) for the U.S. Twenty City Index published in the Engineering News Record for the twelve (12) months immediately prior to the month of the annual contract anniversary.
