**Summary:** These continuing contracts are for one (1) year and are indefinite-quantity contracts with maximum values of \$499,999 for each contract. The work consists of the general construction services associated with repairs, improvements and renovations to County properties. Work is to be awarded as work orders on a lump-sum, competitively quoted basis among the pool of sixteen (16) pre-qualified general contractors. Contracts will terminate when a total of \$499,999 in work orders is issued to any combination of all contracts or when the one-year time frame has expired, whichever occurs first. These contracts provide for up to four (4) – one (1) year renewals, each for a not-to-exceed amount of \$499,999, at the sole option of the County. All contractors are Palm Beach County companies with the exception of CAM Group, LLC (St. Lucie), Coral-Tech Associates, Inc. (Broward), and Foster Construction Group, Inc. (Dade). The goal for Small Business Enterprise (SBE) participation is 15%. When bids are received from the pre-qualified firms under this contract, local (if applicable) and SBE preferences will be evaluated and applied at that time. **(Capital Improvements) Countywide (JM)**

**Background and Justification:** Submittals were opened on July 19, 2011, for Annual Minor Construction Contractors (formerly known as Residential Renovations) and each listed company submitted a pre-qualification package that met the established criteria. The contract is effective for a period of twelve (12) months or at the point where the total contract amount of \$499,999 is reached.
