THEREFORE, the Division and the Recipient agree to the following:

(1) SCOPE OF WORK.

The Recipient shall perform the work in accordance with the Scope of Work, Attachment A of this Agreement.

(2) INCORPORATION OF LAWS, RULES, REGULATIONS AND POLICIES

The Recipient and the Division shall be governed by applicable State and Federal laws, rules and regulations.

(3) PERIOD OF AGREEMENT.

This Agreement shall begin upon execution by both parties, or July 1, 2011, whichever is later, and shall end June 30, 2012, unless terminated earlier in accordance with the provisions of Paragraph (12) of this Agreement.

(4) MODIFICATION OF CONTRACT

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(5) RECORDKEEPING

(a) As applicable, Recipient's performance under this Agreement shall be subject to the federal OMB Circular No. A-102 "Common Rule": "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments" (53 Federal Register 8034) or OMB Circular No. A-110, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations," and either OMB Circular No. A-87, "Cost Principles for State, Local and Indian Tribal Governments," OMB Circular No. A-21, "Cost Principles for Educational Institutions," or OMB Circular No. A-122, "Cost Principles for Nonprofit Organizations." If this

Agreement is made with a commercial (for-profit) organization on a cost-reimbursement basis, the Recipient shall be subject to Federal Acquisition Regulations 31.2 and 931.2.

(b) The Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, and the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of five years from the date the audit report is issued, and shall allow the Division or its designee, the State Chief Financial Officer or the State Auditor General access to the records upon request. The Recipient shall ensure that audit working papers are available to them upon request for a period of five years from the date the audit report is issued, unless extended in writing by the Division. The five year period may be extended for the following exceptions:

1. If any litigation, claim or audit is started before the five year period expires, and extends beyond the five year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.
2. Records for the disposition of non-expendable personal property valued at \$5,000 or more at the time it is acquired shall be retained for five years after final disposition.
3. Records relating to real property acquired shall be retained for five years after the closing on the transfer of title.

(c) The Recipient shall maintain all records for the Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Scope of Work (Attachment A) and all other applicable laws and regulations.

(d) The Recipient, its employees or agents, including all subcontractors or consultants to be paid from funds provided under this Agreement, shall allow access to its records at reasonable times to the Division, its employees, and agents. "Reasonable" shall ordinarily mean during normal business hours of 8:00 a.m. to 5:00 p.m., local time, on Monday through Friday. "Agents" shall include, but not be limited to, auditors retained by the Division.

#### **(6) AUDIT REQUIREMENTS**

(a) The Recipient agrees to maintain financial procedures and support documents, in accordance with generally accepted accounting principles, to account for the receipt and expenditure of funds under this Agreement.

(b) These records shall be available at reasonable times for inspection, review, or audit by state personnel and other personnel authorized by the Department or the Division. "Reasonable" shall ordinarily mean normal business hours of 8:00 a.m. to 5:00 p.m., local time, Monday through Friday.

(c) The Recipient shall provide the Department with the records, reports or financial statements upon request for the purposes of auditing and monitoring the funds awarded under this Agreement.

(d) If the Recipient is a non-state entity as defined by Section 215.97, Fla. Stat., it shall comply with the following:

If the Recipient expends a total amount of State financial assistance equal to or more than \$500,000 in any fiscal year of such Recipient, the Recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Fla. Stat.; applicable rules of the Executive Office of the Governor and the Chief Financial Officer; and Chapters 10.550 (local government entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Agreement shows the State financial assistance awarded by this Agreement. In determining the State financial assistance expended in its fiscal year, the Recipient shall include all sources of State financial assistance, including State funds received from the Division, other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements.

Stat. and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

If the Recipient expends less than \$500,000 in State financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Fla. Stat. is not required. In the event that the Recipient expends less than \$500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Fla. Stat. the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the Recipient's resources obtained from other than State entities). Additional information on the Florida Single Audit Act may be found at the following website: <http://www.state.fl.us/fsaa/statutes.html>.

(f) If the audit shows that all or any portion of the funds disbursed hereunder were not spent in accordance with the conditions of this Agreement, the Recipient shall be held liable for reimbursement to the Division of all funds not spent in accordance with these applicable regulations and Agreement provisions within thirty days after the Division has notified the Recipient of such noncompliance.

(g) The Recipient shall have all audits completed in accordance with Section 215.97, Fla. Stat. by an independent certified public accountant (IPA) who shall either be a certified public accountant or a public accountant licensed under Chapter 473, Fla. Stat. The IPA shall state that the audit complied with the applicable provisions noted above. The Recipient may request an extension to any deliverable deadline due to extenuating circumstances. The Division at its discretion may extend any deliverable deadline upon receipt of a written request from the Recipient.**

(8) MONITORING.

The Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement.

In addition to reviews of audits conducted in accordance with paragraph (6) above, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits, and/or other procedures. The Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division or the Department determines that a limited scope audit of the Recipient is appropriate, the Recipient agrees to comply with any additional instructions provided by the Division or the Department to the Recipient regarding such audit. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Recipient throughout the contract term to ensure timely completion of all tasks.

(9) LIABILITY

(a) Unless Recipient is a State agency or subdivision, as defined in Section 768.28, Fla. Stat., the Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement, and shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

(b) Any Recipient which is a state agency or subdivision, as defined in Section 768.28, Fla. Stat., agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in Section 768.28, Fla. Stat. Nothing herein is intended to serve as a waiver of sovereign immunity by any Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(10) DEFAULT.

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall, if the Division elects, terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (11). However, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment:

(a) If any warranty or representation made by the Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous

agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

(b) If material adverse changes occur in the financial condition of the Recipient at any time during the term of this Agreement and the Recipient fails to cure this adverse change within thirty days from the date written notice is sent by the Division.

(c) If any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information;

(d) If the Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(11) REMEDIES.

If an Event of Default occurs, then the Division may, after thirty calendar days written notice to the Recipient and upon the Recipient's failure to cure within those thirty days, exercise any one or more of the following remedies, either concurrently or consecutively:

(a) Terminate this Agreement, provided that the Recipient is given at least thirty days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (13) herein;

(b) Begin an appropriate legal or equitable action to enforce performance of this Agreement;

(c) Withhold or suspend payment of all or any part of a request for payment;

(d) Require that the Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

(e) Exercise any corrective or remedial actions, to include but not be limited to:

1. request additional information from the Recipient to determine the reasons for or the extent of non-compliance or lack of performance,
2. issue a written warning to advise that more serious measures may be taken if the situation is not corrected,
3. advise the Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or
4. require the Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

(f) Exercise any other rights or remedies which may be available under law.

(g) Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Recipient.

(12) TERMINATION.

(a) The Division may terminate this Agreement for cause after thirty days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Fla. Stat., as amended.

(b) The Division may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Recipient with thirty calendar days prior written notice.

(c) The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

(d) In the event that this Agreement is terminated, the Recipient will not incur new obligations for the terminated portion of the Agreement after the Recipient has received the notification of termination. The Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Recipient. The Division may, to the extent authorized by law, withhold payments to the Recipient for the purpose of set-off until the exact amount of damages due the Division from the Recipient is determined.

## Attachment A

### PURPOSE, REQUIREMENTS, SCOPE AND SCHEDULE OF DELIVERABLES AND SCHEDULE OF PAYMENTS

#### Purpose

To update the hazards analysis for all facilities listed in Attachment B, which have reported to the State Emergency Response Commission the presence of those specific Extremely Hazardous Substances designated by the U.S. Environmental Protection Agency in quantities at or above the Threshold Planning Quantity. The data collected under this Agreement will be used to comply with the requirements of the Emergency Planning and Community Right-To-Know Act's planning requirements.

#### Requirements

- A. The Recipient shall submit a list of facilities within the geographical boundaries of the County listed on Attachment B that are suspected of not reporting to the State Emergency Response Commission the presence of Extremely Hazardous Substances in quantities at or above the Threshold Planning Quantity, as designated by the U. S. Environmental Protection Agency.
- B. The completed hazards analysis shall comply with the site-specific hazards analysis criteria outlined in this Attachment for each facility listed in Attachment B. The primary guidance documents are Attachment D (Hazards Analysis Contract Checklist and CAMEO Guide) to this Agreement and the U.S. Environmental Protection Agency's "Technical Guidance for Hazards Analysis". All hazards analyses shall be consistent with the provisions of these documents. Any variation from the procedures outlined in these documents must be requested in writing and approved by the Division.
- C. Conduct an on-site visit at each Attachment B facility to ensure accuracy of the hazards analysis. Each applicable facility's hazards analysis information shall be entered into the U.S. Environmental Protection Agency's **CAMEO<sub>fm</sub> version 2.2**. Each facility hazards analysis shall include, but is not limited to, the following items:
  1. Facility Information
    - (a) Provide the Facility name (per Attachment B)
    - (b) Facility address  
Provide the physical address (no Post Office Box) of the facility.
    - (c) Facility Identification  
Provide the State Emergency Response Commission Code identification number (per Attachment B) and the geographic coordinates (latitude and longitude in decimal degrees).
    - (d) Facility Emergency Coordinator  
Provide the name, title and telephone number (daytime and 24-hour) of the designated facility emergency coordinator.

(e) **Transportation Routes**

List the main routes used (from the County line to the facility) to transport chemicals to and/or from the facility.

(f) **Evacuation Routes**

Based on wind direction from the North, South, East and West, identify the route(s) from the facility to exit the Vulnerable Zone(s).

(g) **Historical Accident Record**

Describe any past releases or incidents that have occurred at the facility. Include date, time, chemical name, quantity and number of persons injured or killed (this information is available from the facility). If it is determined that a facility does not have a historical accident record, that shall be noted.

2. **Hazard Identification**

(a) **Chemical identities**

Provide proper chemical name, Chemical Abstract Service (CAS) number and natural physical state (according to exhibit C of the Technical Guidance for Hazards Analysis) for each Extremely Hazardous Substance present at the facility at any time up to one year prior to the site visit.

(b) **Maximum quantity on-site**

Express in exact pounds (not range codes) the maximum quantity of each Extremely Hazardous Substance the facility has on-site at any time up to one year prior to the site visit.

(c) **Amount in largest container or interconnected containers**

Express in pounds the amount of each Extremely Hazardous Substance stored in the largest container or interconnected containers (this is the release amount used to determine the Vulnerable Zone).

(d) **Type and design of storage container or vessel**

Indicate the storage method of each Extremely Hazardous Substance, i.e., drum, cylinder, tank, and their respective capacities (It is helpful to indicate system types such as manifold versus vacuum as well).

(e) **Nature of the hazard**

Describe the type of hazard (i.e., fire, explosion) and health effects (acute and chronic) most likely to accompany a spill or release of each Extremely Hazardous Substance.

3. Vulnerability Analysis

(a) Extent of the Vulnerable Zone

For each Extremely Hazardous Substance present at a facility, provide the estimated geographical area (vulnerable zone) that may be subject to concentrations of an airborne Extremely Hazardous Substance at levels that could cause irreversible acute health effects or death to human populations following an accidental release.

(b) Estimate Facility Population

Provide an estimate of the maximum number of employees present at the facility at any given time, i.e. if the facility is unmanned except for routine maintenance by only one person then, the number of employees present at any given time shall be noted as one.

(c) Critical Facilities

Identify each critical facility by name and each critical facility's maximum expected occupancy, within each vulnerable zone, which are essential to emergency response or house special needs populations (schools, day cares, public safety facilities, hospitals, etc.). If there are no critical facilities within the vulnerable zone, that shall be noted.

(d) Estimate Total Exposed Population

Provide an estimate of the total exposed population (facility employees + general population + critical facilities), within each vulnerable zone, that would be affected in a worst case release scenario.

4. Risk Analysis (the three ratings {Risk Assessment} at the bottom of the CAMEO *fm* Scenario Page will meet the four requirements below)

(a) Probability of release

Rate the probability of release as Low, Moderate, or High based on observations at the facility. Considerations should include history of previous incidents and current conditions and controls at the facility.

(b) Severity of consequences of human injury

Rate the severity of consequences if an actual release were to occur

(c) Severity of consequences of damage to property

Rate the potential damage to the facility, nearby buildings and infrastructure if an actual release were to occur.

(d) Severity of consequences of environmental exposure

Rate the potential damage to the surrounding environmentally sensitive areas, natural habitat and wildlife if an actual release were to occur.

- D. Identify those facilities in Attachment B for which a hazards analysis was not submitted. Supporting documentation shall be submitted to the Division which lists the facilities for which a hazards analysis was not completed. In addition to the facility name and the State Emergency Response Commission Code identification number, supporting documentation should indicate:
1. Facility has closed or is no longer in business.
  2. Facility is not physically located in the County (indicate appropriate County location, if known).
  3. Facility does not have Extremely Hazardous Substance(s) on-site or Extremely Hazardous Substance(s) are below the Threshold Planning Quantity. These facilities require:
    - (a) A Statement of Determination from the facility representative for the previous reporting year; or
    - (b) A letter from the facility representative fully explaining why the Extremely Hazardous Substance(s) is/are not now present at or above the Threshold Planning Quantity and a date when the Extremely Hazardous Substance(s) was/were removed from the facility.
- E. On-Site Visits
1. Conduct a detailed on-site visit, within the period of this Agreement, of all the facilities listed in Attachment B, to confirm the accuracy and completeness of information in the hazards analysis.
  2. Submit a completed Hazards Analysis Site Visit Certification Form (Attachment E) in **electronic format** to the Division for each facility visited or contacted.
    - (a) **On-Site visit exception for sulfuric acid**
      - (1) For the facilities listed on Attachment B that report the presence of only sulfuric acid, the recipient shall conduct an initial on-site visit within the period of Agreement.
      - (2) After the initial on-site visit has been conducted by the Recipient, another on-site visit is not required in subsequent Agreements unless the facility reports the presence of another extremely hazardous substance.
      - (3) In Agreements subsequent to the initial on-site visit, the Recipient shall contact the facility representative by email or telephone to verify the presence of any extremely hazardous substance(s).
      - (4) If a facility representative reports the presence of any extremely hazardous substance other than sulfuric acid in Agreements subsequent to the initial on-site visit period of Agreement, the Recipient shall conduct an on-site visit during the period of Agreement and in subsequent Agreements.

**(b) On-Site visit form exception for sulfuric acid**

- (1) For facilities listed on Attachment B that report the presence of only sulfuric acid, an initial on-site visit is required within the period of Agreement and an on-site visit form (Attachment E) signed and dated by the facility representative and the Recipient shall be submitted to the Division.
  - (2) If the facility representative reports the presence of only sulfuric acid in Agreements subsequent to the Agreement period in which the initial on-site visit was conducted, the Recipient shall submit an on-site visit form (Attachment E) to the Division. The on-site visit form shall be signed by the Recipient and identify the date the Recipient contacted the facility representative.
  - (3) If a facility representative reports the presence of an extremely hazardous substance other than sulfuric acid in Agreements subsequent to the Agreement period in which the initial site visit was conducted, the Recipient shall conduct an on-site visit and submit an on-site visit form (Attachment E) to the Division. The on-site visit form shall be signed and dated by the Recipient and the facility representative.
3. Submit a site plan map in electronic format to the Division and in sufficient detail to identify:
