I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Contract with D. B. Construction Services, Inc. for the Water Treatment Plant (WTP) No. 3 Permeate Pipeline Replacement in the amount of \$1,285,000.

Summary: On December 7, 2011, six (6) bids were received for the WTP No. 3 Permeate Pipeline Replacement with D. B. Construction Services, Inc. being the lowest responsible, responsive bidder in the amount of \$1,285,000. This contract will replace the corroded ductile iron permeate pipeline at WTP No. 3 with a corrosion resistant HDPE and stainless steel pipeline. The Small Business Enterprise (SBE) participation goal established by the SBE Ordinance is 15% overall. This contract with D. B. Construction Services, Inc. provides for SBE participation of 15.17% overall. D. B. Construction Services, Inc. is not a Palm Beach County company, but will commit to 15.17% of work by Palm Beach County SBE subcontractors. (WUD Project No. 11-074) District 5 (JM)

Background and Justification: Portions of the ductile iron pipeline membrane permeate pipeline have been in service for 15 years. The cement mortar lining of the ductile iron pipe has deteriorated and the pipeline is developing pinhole leaks due to the corrosive nature of the permeate water. The permeate pipeline will be replaced with corrosion resistant HDPE and stainless steel pipe.

On December 7, 2011, six (6) bids were received for the WTP No. 3 Permeate Pipeline Replacement, with D. B. Construction Services, Inc. being the lowest responsible, responsive bidder in the amount of \$1,285,000. The Office of Small Business Assistance determined that D. B. Construction Services, Inc. has met the SBE goal. Staff has reviewed the bids and recommends award to D. B. Construction Services, Inc. in the amount of \$1,285,000.
