Services provided under this extension will be paid for out of the succeeding contract amount.

6. **Compliance with Federal Law**

6.1. If this Agreement contains federal funds the following shall apply.

6.1.1. The Provider shall comply with the provisions of 45 CFR 74 and/or 45 CFR 92, and other applicable regulations.

6.1.2. If this Agreement contains federal funds and is over \$100,000.00, the Provider shall comply with all applicable standards, orders, or regulations issued under s. 306 of the Clean Air Act as amended (42 U.S.C. 7401, et seq.), s. 508 of the Federal Water Pollution Control Act as amended (33 U.S.C. 1251, et seq.), Executive Order 11738, as amended, and where applicable Environmental Protection Agency regulations 40 CFR 30. The Provider shall report any violations of the above to the Agency.

6.1.3 The Provider, or agent acting for the Provider, may not use any federal funds received in connection with this Agreement to influence legislation or appropriations pending before the Congress or any State legislature. If this Agreement contains federal funding in excess of \$100,000.00, the Provider must, prior to Agreement execution, complete the Certification Regarding Lobbying form, ATTACHMENT II. All disclosure forms as required by the

Certification Regarding Lobbying form must be completed and returned to the Consumer Services Consultant, prior to payment under this Agreement.

- 6.1.6 An agreement with an award amount expected to equal or exceed \$25,000.00 and certain other agreement awards shall not be made to parties listed on the government-wide Excluded Parties List System, in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 and 12689, "Debarment and Suspension." The Excluded Parties List System contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. The Provider will comply with these provisions before doing business or entering into subcontracts receiving federal funds pursuant to this Agreement. The Provider shall complete and sign ATTACHMENT V prior to the execution of this Agreement.
- 6.2 The Provider shall not employ an unauthorized alien. The Agency shall consider the employment of unauthorized aliens a violation of the Immigration and Nationality Act (8 U.S.C. 1324 a) and the Immigration Reform and Control Act of 1986 (8 U.S.C. 1101). Such violation shall be cause for unilateral cancellation of this Agreement by the Agency.
- 6.3 If the Provider is a non-profit organization and is subject to Internal Revenue Service (IRS) tax exempt organization reporting requirements (filing a Form 990 or Form 990-N) and has its tax exempt status revoked for failing to comply with the filing requirements of the 2006 Pension Protection Act or for any other reason, the Provider must notify the Agency in writing within thirty (30) days of receiving the IRS notice of revocation.

- 6.6 To comply with the Executive order 12989, as amended, and Executive Order No.11-02, the Provider agrees to utilize the U.S. Department of Homeland Security's E-Verify system, <https://e-verify.uscis.gov/emp>, to verify the employment eligibility of (1) all persons employed by the Provider during the Agreement term to perform any duties within Florida; and (2) all persons, including subcontractors, assigned by the Provider to perform work pursuant to this Agreement. The Provider shall also include a requirement in its subcontracts that the subcontractor shall utilize the E-Verify system to verify the employment eligibility of all persons employed by the subcontractor during the contract term. Providers meeting the terms and conditions of the E-Verify System are deemed to be in compliance with this provision. The Provider shall complete and sign ATTACHMENT XIV, Verification of Employment Status Certification, prior to the execution of this Agreement.
7. Compliance with State Law
- 7.1 That this Agreement is executed and entered into in the State of Florida, and shall be construed,

performed and enforced in all respects in accordance with the Florida law, including Florida provisions for conflict of laws.

- 7.2 The Provider shall comply with requirements of s. 287.058, F.S. as amended.
- 7.2.1 The Provider will provide units of deliverables, including various client services, and in some instances may include reports, findings, and drafts, as specified in this Agreement and the Service Provider Application, which the Agency must receive and accept in writing prior to payment in accordance with s. 215.971, F.S. (1) and (2).
- 7.2.2 The Provider will submit bills for fees or other compensation for services or expenses in sufficient detail for a proper pre-audit and post-audit.
- 7.2.3 If itemized payment for travel expenses is permitted in this Agreement, the Provider will submit bills for any travel expenses in accordance with s. 112.061, F.S., or at such lower rates as may be provided in this Agreement.
- 7.2.4 The Provider will allow public access to all documents, papers, letters, or other public records as defined in subsection 119.011(12), F.S., made or received by the Provider in conjunction with this Agreement except for those records which are made confidential or exempt by law. The Provider's refusal to comply with this provision shall constitute an immediate breach of contract for which the Agency may unilaterally terminate the Agreement.
- 7.3 If clients are to be transported under this Agreement, the Provider shall comply with the provisions of Chapter 427, F.S., and Rule 41-2, F. A. C.
- 7.4 Providers who are on the discriminatory vendor list may not transact business with any public entity, in accordance with the provisions of s. 287.134, F.S.
- 7.5 The Provider will comply with the provisions of s. 11.062, F.S., and s. 216.347, F.S., which prohibit the expenditure of state funds for the purpose of lobbying the legislature, judicial branch or a state agency.
- 7.6 In accordance with s. 287.135 F.S., any contractor on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List (Lists), created pursuant to s. 215.473 F.S., is ineligible to enter into or renew an agreement with the Agency for goods or services of \$1 million or more. Pursuant to s. 287.135 F.S., the Agency may terminate this Agreement if the Provider is found to have submitted a false certification of its status on the Lists or has been placed on the Lists. Further, the Provider is subject to civil penalties, attorney's fees and costs and any costs for investigations that led to the finding of false certification. If this Agreement contains \$1 million or more, the Provider shall complete and sign ATTACHMENT XV, Certification Regarding Scrutinized Companies Lists, prior to the execution of this contract.
8. **Background Screening**
The Provider shall ensure that, prior to providing services, all persons having access to vulnerable elders and children, their living area, funds or personal property, or protected health information pertaining to such individuals, shall pass a Level II criminal background screening in accordance with the requirements of s. 430.0402 and ch. 435, F.S., as amended. These provisions shall apply to employees, subcontractors, consultants, direct service providers and volunteers. Consequently, any commitment for employment, purchase of services, or volunteer program participation shall

be contingent upon the passing of a Level II background check. The background screening shall include employment history checks as provided in s. 435.03(1), F.S., and both local and national criminal record checks coordinated through law enforcement agencies. To demonstrate compliance with section 8 of the Standard Agreement, the Provider shall submit ATTACHMENT XIII, Background Screening Affidavit of Compliance annually, by January 15th.

- 8.1 For purposes of this section, the term "direct service provider" means a person 18 years of age or older who, pursuant to a program to provide services to the elderly, has direct, face-to-face contact with a client while providing services to the client or has access to the client's living areas or to the client's funds or personal property. This term includes coordinators, managers, and supervisors of residential facilities and volunteers.

9. **Grievance and Appeal Procedures**

The Provider shall develop and implement, and ensure through contract provisions that its subcontractors and vendors have established grievance procedures to process and resolve client dissatisfaction with or denial of service(s), and address complaints regarding the termination, suspension or reduction of services, as required for receipt of funds. These provisions must ensure that the Minimum Guidelines for Recipient Grievance Procedures outlined in the current DoEA Programs and Services Handbook are followed.

It is expressly understood that a finding that the Provider materially and substantially has not complied with any of the provisions of this section shall constitute a breach of this Agreement.

10. **Audits, Inspections, Investigations, Public Records and Retention**

- 10.1 The Provider shall establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income and expenditures of funds provided by the Agency under this Agreement.
- 10.2 The Provider shall retain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this Agreement for a period of six(6) years after completion of the Agreement or longer when required by law. In the event an audit is required by this Agreement, records shall be retained for a minimum period of six (6) years after the audit report is issued or until resolution of any audit findings or litigation based on the terms of this Agreement, at no additional cost to the Agency.
- 10.3 Upon demand, at no additional cost to the Agency, the Provider will facilitate the duplication and transfer of any records or documents during the required retention period in Paragraph 10.2.
- 10.4 The Provider shall assure that the records described in Paragraph 10 shall be subject at all reasonable times to inspection, review, copying, or audit by Federal, State, or other personnel duly authorized by the Agency.
- 10.4.1 The Provider shall assure that the records described in section 10 shall be subject at all reasonable times to inspection, review, copying, or audit by federal, state, or other personnel duly authorized by the Agency.
- 10.5 At all reasonable times for as long as records are maintained, persons duly authorized by the Agency and Federal auditors, pursuant to 45 CFR 92.36(i)(10), shall be allowed full access to and the right to examine any of the Provider's contracts and or agreements and related records and documents pertinent to this specific Agreement, regardless of the form in which kept.

- 10.6 The Provider shall provide a financial and compliance audit to the Agency as specified in this Agreement and in **ATTACHMENT III** and to ensure that all related third-party transactions are disclosed to the auditor. The financial and compliance audit must be submitted to the Agency no later than 180 days from the date of the Provider's fiscal year end.
- 10.7 The Provider shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the office of the Inspector General pursuant to s. 20.055, F.S.

11. **Nondiscrimination-Civil Rights Compliance**

- 11.1 The Provider will execute assurances in **ATTACHMENT VI** that it will not discriminate against any person in the provision of services or benefits under this Agreement or in employment because of age, race, religion, color, disability, national origin, marital status or sex in compliance with state and federal law and regulations. The Provider further assures that all providers, subcontractors, subgrantees, or others with whom it arranges to provide services or benefits in connection with any of its programs and activities are not discriminating against clients or employees because of age, race, religion, color, disability, national origin, marital status or sex.
- 11.2 The Provider must complete and return with this executed Agreement a complete and accurate Civil Rights Compliance Checklist (**ATTACHMENT B**). The Provider must retain this Checklist, on file, during the term of this Agreement.
- 11.3 The Provider agrees to establish procedures pursuant to federal law to handle complaints of discrimination involving services or benefits through this Agreement. These procedures shall include notifying clients, employees, and participants of the right to file a complaint with the appropriate federal or state entity.
- 11.4 If this Agreement contains federal funds, these assurances are a condition of continued receipt of or benefit from federal financial assistance, and are binding upon the Provider, its successors, transferees, and assignees for the period during which such assistance is provided. The Provider further assures that all subcontractors, vendors, or others with whom it arranges to provide services or benefits to participants or employees in connection with any of its programs and activities are not discriminating against those participants or employees in violation of the above statutes, regulations, guidelines, and standards. In the event of failure to comply, the Provider understands that the Agency may, at its discretion, seek a court order requiring compliance with the terms of this assurance or seek other appropriate judicial or administrative relief, including but not limited to, termination of and denial of further assistance.

12. **Provision of Services**

The Provider will provide services in the manner described in **ATTACHMENT I**.

13. **Annual Review by the Agency**

The Provider will permit persons duly authorized by the Agency to inspect and copy any records, papers, documents, facilities, goods and services of the Provider which are relevant to this Agreement, and to interview any clients, employees and subcontractor employees of the Provider to assure the Agency of the satisfactory performance of the terms and conditions of this Agreement. Following such review, the Agency will deliver to the Provider a written report of its

findings and request for development, by the Provider, a corrective action plan where appropriate. The Provider hereby agrees to timely correct all deficiencies identified in the corrective action plan.

14. Indemnification

The Provider shall indemnify, save, defend, and hold harmless the Agency and its agents and employees from any and all claims, demands, actions, causes of action of whatever nature or character, arising out of or by reason of the execution of this Agreement or performance of the services provided for herein. It is understood and agreed that the Provider is not required to indemnify the Agency for claims, demands, actions or causes of action arising solely out of the Agency's negligence.

Provider's obligation to indemnify and defend shall be triggered on the seventh (7th) day following the Agency's notice of claim for indemnification to Provider. Provider's inability to evaluate liability or its evaluation of liability shall not excuse Provider's duty to defend and indemnify the Agency, with seven (7) calendar days following notice by the Agency. Notice shall be given by registered or certified mail, return receipt requested. Only an adjudication or judgment after the highest appeal is exhausted specifically finding the Provider not liable shall excuse performance of this provision by Provider. The Provider's obligations under this paragraph are contingent upon the agency giving the Provider: (1) prompt written notice of any action or threatened action for which the Agency is seeking indemnification; (2) the opportunity to take over and settle or defend any such action at the Provider's sole expense, and (3) assistance in defending the action at the Provider's sole expense. The Provider shall not be liable for any cost, expense or compromise incurred or made by the Agency in any legal action without the Provider's prior written consent, which shall not be unreasonably withheld.

- 14.1 Except to the extent permitted by s. 768.28, F.S., or other Florida law, Paragraph 14 is not applicable to Agreements executed between the Agency and state agencies or subdivisions defined in s. 768.28(2), F.S.

15. Insurance and Bonding

- 15.1 The Provider shall provide continuous adequate liability insurance coverage during the existence of this Agreement and any renewal(s) and extension(s) of it. By execution of this Agreement, unless it is a state agency or subdivision as defined by subsection 768.28(2), F.S., the Provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the Provider and the clients to be served under this Agreement. The limits of coverage under each policy maintained by the Provider do not limit the Provider's liability and obligations under this Agreement. The Provider shall ensure that the Agency has the most current written verification of insurance coverage throughout the term of this Agreement. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The Agency reserves the right to require additional insurance as specified in this Agreement.
- 15.2 Throughout the term of this Agreement, the Provider agrees to maintain an insurance bond from a responsible commercial insurance company covering all officers, directors, employees and agents of the Provider authorized to handle funds received or disbursed under all Agreements and/or Agreements incorporating this Agreement by reference in an amount commensurate with the funds handled, the degree of risk as determined by the insurance company and consistent with good business practices.

15.3 Providers shall submit to the Agency a Certificate of Insurance five (5) days after the policy renewal date as outlined in paragraph 15.1

16. **Confidentiality of Information**

The Provider shall not use or disclose any information concerning a recipient of services under this Agreement for any purpose prohibited by state or federal law or regulations except with the written consent of a person legally authorized to give that consent or when authorized by law.

17. **Health Insurance Portability and Accountability Act**

Where applicable, the Provider will comply with the Health Insurance Portability and Accountability Act (42 USC 1320d.), as well as all regulations promulgated thereunder (45 CFR 160, 162, and 164). If the Provider will receive client's protected health information as a result of this Agreement, then the Agency recognizes that the Agency and the Provider are "Business Associates" of each other under the terms of the Health Insurance Portability Act (HIPAA) of 1996.

18. **Incident Reporting**

18.1 The Provider shall notify the Agency immediately, but no later than twenty-four (24) hours from, the Provider's awareness or discovery of conditions that may materially affect the Provider or subcontractor's ability to perform the services required to be performed under this Agreement or that affect the health, safety or well-being of clients. Such notice shall be made orally to the Consumer Services Consultant (by telephone) with an email to immediately follow. The e-mail notice shall include a brief summary of the problem(s), a statement of the action taken or contemplated, timeframes for implementation, and any assistance needed to resolve the situation. Examples of reportable conditions may include, but are not limited to:

- 1) Proposed client terminations;
- 2) Service quality or service delivery problems;
- 3) Contract non-compliance;
- 4) Provider or subcontractor financial concerns and/or difficulties.

The Provider must investigate allegations regarding falsification of client information, service records, payment requests, and other related information. Substantiated allegations must be reported to the Agency's Consumer Services Consultant within 48 hours.

18.2 The Provider shall immediately report knowledge or reasonable suspicion of abuse, neglect, or exploitation of a child, aged person, or disabled adult to the Florida Abuse Hotline on the statewide toll-free telephone number (1-800-96ABUSE). As required by Chapters 39 and 415, F.S., this provision is binding upon both the Provider and its employees.

19. **Bankruptcy Notification**

If, at any time during the term of this Agreement, the Provider, its assignees, subcontractors or affiliates files a claim for bankruptcy, the Provider must immediately notify the Agency. Within ten (10) days after notification, the Provider must also provide the following information to the Agency: (1) the date of filing of the bankruptcy petition; (2) the case number; (3) the court name and the division in which the petition was filed (e. g., Northern District of Florida, Tallahassee Division); and, (4) the name, address, and telephone number of the bankruptcy attorney.

20. **Sponsorship and Publicity**

20.1 As required by s. 286.25, F.S., if the Provider is a non-governmental organization which

sponsors a program financed wholly or in part by state funds, including any funds obtained through this Agreement, it shall, in publicizing, advertising, or describing the sponsorship of the program, state: "Sponsored by Palm Beach County Board of County Commissioners, Area Agency on Aging of Palm Beach/Treasure Coast, Inc., and the State of Florida, Department of Elder Affairs." If the sponsorship reference is in written material, the words "Area Agency on Aging of Palm Beach/Treasure Coast, Inc. " and "State of Florida, Department of Elder Affairs" shall appear in at least the same size letters or type as the name of the organization. If the Department of Elder Affairs or Area Agency on Aging of Palm Beach/Treasure Coast, Inc.'s logo is used, the Provider shall ensure that the current logo is used. This shall include, but is not limited to any correspondence or other writing, publication or broadcast that refers to such program. The Provider website should also list Area Agency on Aging and State of Florida, Department of Elder Affairs as sponsors.

- 20.2 The Provider shall not use the words "Area Agency on Aging of Palm Beach/Treasure Coast, Inc." and "The State of Florida, Department of Elder Affairs" to indicate sponsorship of a program otherwise financed, unless, specific authorization has been obtained by the Agencies prior to use.
- 20.3 If applicable Provider's website should include an active link to the Area Agency on Aging of Palm Beach/Treasure Coast, Inc. website.

21. Assignments

- 21.1 The Provider shall not assign the rights and responsibilities under this Agreement without the prior written approval of the Agency, which shall not be unreasonably withheld. Any sublicense, assignment, or transfer otherwise occurring without prior written approval of the Agency will constitute a material breach of the Agreement. This Agreement shall remain binding upon the successors.

22. Subcontracts

- 22.1 The Provider is responsible for all work performed and for all commodities produced pursuant to this Agreement, whether actually furnished by the Provider or its subcontractors. Any subcontracts shall be evidenced by a written document and subject to any conditions of approval the Agency deems necessary. Such subcontractors shall be subject to the conditions of this Agreement, incorporating it by reference. This Agreement does not provide any rights to said subcontractor. The Provider further agrees that the Agency shall not be liable to the subcontractor in any way or for any reason. The Provider, at its expense, will defend the Agency against any such claims.
- 22.2 For every transaction, the Provider must determine if the subcontractor is a vendor rather than a subcontractor, as defined in OMB Circular A-133, subpart B, section 210 and in section 215.92 F.S., and this determination must be documented in writing. When a vendor relationship is identified, a contract with all of the terms and conditions set forth in this Agreement is not required. However, a written agreement and/or contract is required that outlines the terms of the agreement and/or contract, the goods being purchased or services to be performed, and conditions for procurement, receipt and payment for goods and services. Compliance for vendors is usually limited to these tasks unless the Provider chooses to pass down program compliance to the vendor in the written agreement. The Provider is ultimately responsible for assuring program compliance and performance, and any applicable conditions of this contract.

The Provider shall promptly pay any subcontractors upon receipt of full or partial payment from the Agency within seven (7) working days. Failure to make payments to any subcontractor in accordance with s. 287.0585, F.S., unless otherwise stated in the agreement between the Provider and subcontractor, will result in the Agency taking action as outlined in section 46 of this Agreement.

Payments to vendors contracted by the Provider/subcontractors shall be made in accordance with the terms as negotiated with the vendor(s). Failure to pay within these timeframes may result in the Agency taking action as set forth in section 46 of this Agreement.

The Provider must submit all fiscal information regarding services contracted to subcontractors pursuant to this contract if requested by the Agency.

23. Independent Capacity of Provider

It is the intent and understanding of the parties that the Provider, or any of its subcontractors, are independent Providers and are not employees of the Agency and shall not hold themselves out as employees or agents of the Agency without specific authorization from the Agency. It is the further intent and understanding of the parties that the Agency does not control the employment practices of the Provider and shall not be liable for any wage and hour, employment discrimination, or other labor and employment claims against the Provider or its subcontractors. All deductions for social security, withholding taxes, income taxes, contributions to unemployment compensation funds and all necessary insurance for the Provider shall be the sole responsibility of the Provider.

24. Payment

Payments will be made to the Provider pursuant to s. 215.422, F.S., as services are rendered and invoiced by the Provider. The Agency's Fiscal Grants Manager will have final approval of the invoice for payment, and will approve the invoice for payment only if the Provider has met all terms and conditions of the Agreement, unless the bid specifications, purchase order, or this Agreement specify otherwise. Disputes arising over invoicing and payments will be resolved in accordance with the provisions of s. 215.422 F.S. Providers who may be experiencing problems in obtaining timely payment(s) from the Agency may contact the Vendor Ombudsman within the Department of Financial Services. Providers shall include in their subcontracts a methodology for resolving disputes regarding timely payments from the Provider to the subcontractor. In these instances escalation to the Agency should only be invoked if the dispute cannot be resolved with the Provider.

Alternatively, at its discretion, the Agency may, for reasonable cause, suspend the payment of funds pending corrective action by the Provider or pending a decision by the Agency to terminate the Agreement. The Agency may, for reasonable cause, prohibit the Provider from incurring additional obligation of any funds received from the Agency, pending corrective action by the Provider or a decision to terminate the Agreement. 25. Return of Funds

The Provider will return to the Agency any overpayments due to unearned funds or funds disallowed and any interest attributable to such funds pursuant to the terms and conditions of this Agreement that were disbursed to the Provider by the Agency. All data and software must be routinely backed up to insure recovery from losses or outages of the computer system. The security over the backed-up data is to be as stringent as the protection required of the primary systems. It is recommended that a copy of the backed-up data be stored in a secure, offsite location. The Provider shall maintain written policies and procedures for computer system backup and recovery and shall have the same requirement in its contracts and/or agreements with subcontractors. These policies and procedures shall be made available to the Agency upon request. The Provider shall complete and sign ATTACHMENT IV prior to the execution of this Agreement.

Any and all patent rights or copyrights accruing under this Agreement are hereby reserved to the State of Florida in accordance with Chapter 286, F.S. Pursuant to s. 287.0571 (5) (k) 1 and 2 as amended, the only exceptions to this provision shall be those that are clearly expressed and reasonably valued in the Agreement.

These plans must include the names of designated emergency contact persons and must be updated annually and submitted to the Agency by May 1 of each year.

The determination as to whether the Provider is unable to perform its duties, thereby necessitating utilization of the contingency plan, shall be made at the sole discretion of the Agency.

In preparation for the threat of an emergency event as defined in the State of Florida Comprehensive Emergency Management Plan, the DOEA may exercise authority over the Agency and/or the Provider to implement preparedness activities to improve the safety of the elderly in the threatened area and to secure the Agency and Provider facilities to minimize the potential impact of the event. These actions will be within the existing roles and responsibilities of the Agency and the Provider.

In the event the President of the United States or Governor of the State of Florida declares a disaster or state of emergency, the DOEA may exercise authority over the Agency and/or the Provider to implement emergency relief measures and/or activities.

In either of these cases, only the Secretary, Deputy Secretary or his/her designee of the DOEA shall have such authority to order the implementation of such measures. DEFINITIONS

Program Income- Program income means gross income earned by a provider from activities which are supported by a grant; i.e., when at least some of the cost of the activity is a direct cost of the grant or indirect cost which helps match requirements of the grant. Program income includes contributions for meals or other supportive services, proceeds from the sale of tangible personal property purchased for the program, fees for the usage or rental of such property, and patent or copyright royalties for materials developed through the program. Revenue generated from a particular activity of the provider/subcontractor for which Agency funds were used to cover at least half the cost is considered program income. Note: Money donated (cash donation) without earmark to the project by the donor should not be declared in an audit to be "program income"

Cash Donations- Cash donations are money donated without earmark to the project by the donor. These donations, when used as match, cannot be earmarked for any specific expenditure but are to be budgeted normally. Cash donations are not program income.

Match- When general revenue funded contracts require match, it may be either by cash, certified public expenditure, or third-party in-kind. The non-federal share used to match OAA funds may be cash, certified public expenditure, or third-party in-kind.

In-kind Resources- In-kind resources must be identified in project records, necessary to project's achievement, reasonable and in proportion to time used for project, claimed after use in the project and, not included as contributions for other programs unless specifically allowed. In-kind contributions represent a value placed on non-cash contributions provided to the provider of a contract. In-kind contributions may consist of actual charges for real property and equipment, and the value of goods and services that directly benefit and are identified with project activities. This may include staff time contributed by state and local agencies not otherwise matched or supported by federal funds.

INSTRUCTIONS FOR THE CIVIL RIGHTS COMPLIANCE CHECKLIST

1. Describe the geographic service area such as a district, county, city or other locality. If the program/facility serves a specific target population such as adolescents, describe the target population. Also, define the type of service provided.
2. Enter the percent of the population served by race and sex. The population served includes persons in the geographical area for which services are provided such as a city, county or other regional area. Population statistics can be obtained from local chambers of commerce, libraries, or any publication from the 1980 Census containing Florida population statistics. Include the source of your population statistics. ("Other" races include Asian/Pacific Islanders and American Indian/Alaskan Natives.)
3. Enter the total number of full-time staff and their percent by race, sex and disability. Include the effective date of your summary.
4. Enter the total number of clients who are enrolled, registered or currently served by the program or facility, and list their percent by race, sex and disability. Include the date that enrollment was counted.
5. Enter the total number of advisory board members and their percent by race, sex, and disability. If there is no advisory or governing board, leave this section blank.
6. Each recipient of federal financial assistance must have on file an assurance that the program will be conducted in compliance with all nondiscriminatory provisions as required in 45 CFR 80. This is usually a standard part of the contract language for DOEA recipients and their sub-grantees, 45 CFR 80.4 (a).
7. Is the race, sex, and national origin of the staff reflective of the general population? For example, if 10% of the population is Hispanic, is there a comparable percentage of Hispanic staff?
8. Where there is a significant variation between the race, sex or ethnic composition of the clients and their availability in the population, the program/facility has the responsibility to determine the reasons for such variation and take whatever action may be necessary to correct any discrimination. Some legitimate disparities may exist when programs are sanctioned to serve target populations such as elderly or disabled persons, 45 CFR 80.3 (b) (6).
9. Do eligibility requirements unlawfully exclude persons in protected groups from the provision of services or employment? Evidence of such may be indicated in staff and client representation (Questions 3 and 4) and also through on-site record analysis of persons who applied but were denied services or employment, 45 CFR 80.3 (a) and 45 CFR 80.1 (b) (2).
10. Participants or clients must be provided services such as medical, nursing and dental care, laboratory services, physical and recreational therapies, counseling and social services without regard to race, sex, color, national origin, religion, age or disability. Courtesy titles, appointment scheduling and accuracy of record keeping must be applied uniformly and without regard to race, sex, color, national origin, religion, age or disability. Entrances, waiting rooms, reception areas, restrooms and other facilities must also be equally available to all clients, 45 CFR 80.3 (b).

11. For in-patient services, residents must be assigned to rooms, wards, etc., without regard to race, color, national origin or disability. Also, residents must not be asked whether they are willing to share accommodations with persons of a different race, color, national origin, or disability, 45 CFR 80.3 (a).
12. The program/facility and all services must be accessible to participants and applicants, including those persons who may not speak English. In geographic areas where a significant population of non-English speaking people live, program accessibility may include the employment of bilingual staff. In other areas, it is sufficient to have a policy or plan for service, such as a current list of names and telephone numbers of bilingual individuals who will assist in the provision of services, 45 CFR 80.3 (a).
13. Programs/facilities must make information regarding the nondiscriminatory provisions of Title VI available to their participants, beneficiaries or any other interested parties. This should include information on their right to file a complaint of discrimination with either the Florida Department of Elder Affairs or the U.S. Department of HHS. The information may be supplied verbally or in writing to every individual, or may be supplied through the use of an equal opportunity policy poster displayed in a public area of the facility, 45 CFR 80.6 (d).
14. Report number of discrimination complaints filed against the program/facility. Indicate the basis, e.g., race, color, creed, sex, age, national origin, disability, retaliation; the issues involved, e.g., services or employment, placement, termination, etc. Indicate the civil rights law or policy alleged to have been violated along with the name and address of the local, state or federal agency with whom the complaint has been filed. Indicate the current status, e.g., settled, no reasonable cause found, failure to conciliate, failure to cooperate, under review, etc.
15. The program/facility must be physically accessible to disabled individuals. Physical accessibility includes designated parking areas, curb cuts or level approaches, ramps and adequate widths to entrances. The lobby, public telephone, restroom facilities, water fountains, information and admissions offices should be accessible. Door widths and traffic areas of administrative offices, cafeterias, restrooms, recreation areas, counters and serving lines should be observed for accessibility. Elevators should be observed for door width, and Braille or raised numbers. Switches and controls for light, heat, ventilation, fire alarms, and other essentials should be installed at an appropriate height for mobility impaired individuals.
16. Section 504 of the Rehabilitation Act of 1973 requires that a recipient of federal financial assistance conduct a self-evaluation to identify any accessibility barriers. Self-evaluation is a four step process:
 - a. With the assistance of a disabled individual/organization, evaluate current practices and policies which do not comply with Section 504.
 - b. Modify policies and practices that do not meet Section 504 requirements.
 - c. Take remedial steps to eliminate any discrimination that has been identified.
 - d. Maintain self-evaluation on file. (This checklist may be used to satisfy this requirement if these four steps have been followed.), 45 CFR 84.6.
17. Programs or facilities that employ 15 or more persons must adopt grievance procedures that incorporate appropriate due process standards and provide for the prompt and equitable resolution of complaints alleging any action prohibited by Section 504.45 CFR 84.7 (b).
18. Programs or facilities that employ 15 or more persons must designate at least one person to coordinate efforts to comply with Section 504.45 CFR 84.7 (a).

19. Continuing steps must be taken to notify employees and the public of the program/facility's policy of nondiscrimination on the basis of disability. This includes recruitment material, notices for hearings, newspaper ads, and other appropriate written communication, 45 CFR 84.8 (a).
20. Programs/facilities that employ 15 or more persons must provide appropriate auxiliary aids to persons with impaired sensory, manual or speaking skills where necessary. Auxiliary aids may include, but are not limited to, interpreters for hearing impaired individuals, taped or Braille materials, or any alternative resources that can be used to provide equally effective services, 45 CFR 84.52 (d).
21. Programs/facilities with 50 or more employees and \$50,000.00 in federal contracts must develop, implement and maintain a written affirmative action compliance program in accordance with Executive Order 11246, 41 CFR 60 and Title VI of the Civil Rights Act of 1964, as amended.

EMERGENCY CERTIFICATION FOR RETROACTIVE PAYMENT

Background

The Area Agency is awarding the Palm Beach County Board of County Commissioners Older Americans Act funds for the 2012 program year. The purpose of these funds is to service at risk clients who are in danger of nursing home placement. Eligibility guidelines are outlined in the Department of Elder Affairs Client Services Manual.

Justification

The Palm Beach County Board of County Commissioners will be providing OAA services to OAA eligible clients beginning January 1, 2012; however, since the contract will not be signed by that time, it will require certification for retroactive payment back to January 1, 2012. The provision of these services will aid the client and/or caregiver in remaining independent and prevent or delay institutionalization.

Certification

I hereby certify this situation to constitute an emergency pursuant to Chapter 287, Florida Statutes, and approve payment of the contract between the Area Agency on Aging and the Palm Beach County Board of County Commissioners starting January 1, 2012.
