Meeting Date:	March 20,	Consent [X] Public Hearing []	Regular []

Department: Water Utilities Department

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: an "Utility Work by Highway Contractor" Agreement with Florida's Department of Transportation (FDOT) in the amount of \$10,560.

Summary: Florida's Department of Transportation (FDOT) is proposing improvements to State Road 704 (Okeechobee Boulevard) from Military Trail to east of Congress Avenue. These improvements will necessitate the adjustment of 27 Palm Beach County Water Utilities Department (PBCWUD) water/wastewater valve boxes and three (3) manholes that must be protected and adjusted to the new grade elevation. In order to include the adjustment of the valve boxes and manholes within the road improvement project, FDOT requires PBCWUD to enter into a "Utility Work by Highway Contractor" Agreement to reimburse FDOT for the valve box and manhole adjustments in the amount of \$10,560. (WUD Project No.12-020J) <u>Districts 2</u> and 7 (MJ)

Background and justification: PBCWUD has reviewed and coordinated the utility relocation for the improvement of SR 704 (Okeechobee Boulevard) from Military Trail to east of Congress Avenue. 27 valve boxes and three (3) manholes will require protection and adjustment to the new road elevation by the contractor during the improvement project.

WHEREAS, the FDOT and the UAO desire to enter into an agreement which establishes the terms and conditions applicable to the Utility Work;

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein, the FDOT and the UAO hereby agree as follows:

1. Performance of Utility Work

- a. The **FDOT** will include the Utility Work in its plans and specifications for the Project and will include the Utility Work as part of the **FDOT's** construction of the Project. The preparation of the plans and specifications and the construction of the Project will be performed in such manner as the **FDOT**, in its discretion, deemed appropriate.

STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION UTILITY WORK BY HIGHWAY CONTRACTOR AGREEMENT (LUMP SUM)

- c. Except for costs associated with any changes or additions to the Utility Work, the FDOT and the UAO agree that the deposit shall be an asset of the FDOT and that it constitutes a full and final lump sum payment for the cost of the Utility Work, without any requirement for a subsequent accounting for the use of the deposit.
- d. Pursuant to Section 337.403(1)(b), Florida Statutes, no changes or additions to the Utility Work will be made during the construction of the Project unless the **UAO** has made an additional deposit to cover the cost of the changes or additions. To the extent that the amount stated in Subparagraph 2.a. above exceeds the amount of the **FDOT contractor's** bid that applies to the Utility Work, such excess may be applied to cover the cost of the changes or additions. All changes or additions shall be subject to the limitations on supplemental agreements and change orders contained in Section 337.11(8), Florida Statutes.

3. Default

- a. In the event that the **UAO** breaches any provision of this Agreement, then in addition to any other remedies which are otherwise provided for in this Agreement, the **FDOT** may exercise one or more of the following options, provided that at no time shall the **FDOT** be entitled to receive double recovery of damages:
 - (1) Terminate this Agreement if the breach is material and has not been cured within 60 days from written notice thereof from the **FDOT.**
 - (2) Pursue a claim for damages suffered by the **FDOT**.
 - (3) Suspend the issuance of further permits to the UAO for the placement of Facilities on FDOT property if the breach is material and has not been cured within 60 days from written notice thereof from FDOT until such time as the breach is cured.
 - (4) Pursue any other remedies legally available.
 - (5) Perform any work with its own forces or through contractors and seek repayment for the cost thereof under Section 337.403(3), Florida Statutes.
- b. In the event that the **FDOT** breaches any provision of this Agreement, then in addition to any other remedies which are otherwise provided for in the Agreement, the **UAO** may exercise one or more of the following options:
 - (1) Terminate this Agreement if the breach is material and has not been cured within 60 days from written notice thereof from the **UAO**.
 - (2) Pursue any other remedies legally available.
- c. Termination of this Agreement shall not relieve either party from any obligations it has pursuant to other agreements between the parties and from any statutory obligations that either party may have with regard to the subject matter hereof.

4. Indemnification

FOR GOVERNMENT-OWNED UTILITIES:

To the extent provided by law, the **UAO** shall indemnify, defend, and hold harmless the **FDOT** and all of its officers, agents, and employees from any claim, loss, damage, cost, charge, or expense arising out of any acts, action, error, neglect, or omission by the **UAO**, its agents, employees, or contractors during the performance of the Agreement, whether direct or indirect, and whether to any person or property to which **FDOT** or said parties

Page 2 of 5

may be subject, except that neither the **UAO**, its agents, employees, or contractors will be liable under this section for damages arising out of the injury or damage to persons or property directly caused by or resulting from the negligence of the **FDOT** or any of its officers, agents, or employees during the performance of this Agreement.

When the **FDOT** receives a notice of claim for damages that may have been caused by the **UAO** in the performance of services required under this Agreement, the **FDOT** will immediately forward the claim to the **UAO**. The **UAO** and the **FDOT** will evaluate the claim and report their findings to each other within fourteen (14) working days and will jointly discuss options in defending the claim. After reviewing the claim, the **FDOT** will determine whether to require the participation of the **UAO** in the defense of the claim or to require the **UAO** to defend the **FDOT** in such claim as described in this section. The **FDOT's** failure to notify the **UAO** of a claim shall not release the **UAO** from any of the requirements of this section. The **FDOT** and the **UAO** will pay their own costs for the evaluation, settlement negotiations, and trial, if any. However, if only one party participates in the defense of the claim at trial, that party is responsible for all costs.

FOR NON-GOVERNMENT-OWNED UTILITIES:

The UAO shall indemnify, defend, and hold harmless the FDOT and all of its officers, agents, and employees from any claim, loss, damage, cost, charge, or expense arising out of any acts, action, error, neglect, or omission by the UAO, its agents, employees, or contractors during the performance of the Agreement, whether direct or indirect, and whether to any person or property to which FDOT or said parties may be subject, except that neither the UAO, its agents, employees, or contractors will be liable under this section for damages arising out of the injury or damage to persons or property directly caused by or resulting from the negligence of the FDOT or any of its officers, agents, or employees during the performance of this Agreement.

The UAO's obligation to indemnify, defend, and pay for the defense or at the FDOT's option, to participate and associate with the FDOT in the defense and trial of any damage claim or suit and any related settlement negotiations, shall arise within fourteen (14) days of receipt by the UAO of the FDOT's notice of claim for indemnification to the UAO. The notice of claim for indemnification shall be served by certified mail. The UAO's obligation to defend and indemnify within fourteen (14) days of such notice shall not be excused because of the UAO's inability to evaluate liability or because the UAO evaluates liability and determines the UAO is not liable or determines the FDOT is solely negligent. Only a final adjudication or judgment finding the FDOT solely negligent shall excuse performance of this provision by the UAO. The UAO shall pay all costs and fees related to this obligation and its enforcement by the FDOT. The FDOT's delay in notifying the UAO of a claim shall not release UAO of the above duty to defend.

5. Force Majeure

Neither the **UAO** nor the **FDOT** shall be liable to the other for any failure to perform under this Agreement to the extent such performance is prevented by an act of God, war, riots, natural catastrophe, or other event beyond the control of the non-performing party and which could not have been avoided or overcome by the exercise of due diligence; provided that the party claiming the excuse from performance has (a) promptly notified the other party of the occurrence and its estimate duration, (b) promptly remedied or mitigated the effect of the occurrence to the extent possible, and (c) resumed performance as soon as possible.

6. Miscellaneous

- a. To the Facilities shall at all times remain the property of and be properly protected and maintained by the **UAO** in accordance with the then current Utility Accommodation Manual and the current utility permit for the Facilities.
- b. Pursuant to Section 287.058, Florida Statutes, the **FDOT** may unilaterally cancel this Agreement for refusal by the **UAO** to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the **UAO** in conjunction with this Agreement.
